- o Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17CFR 240.13e-4(c))

Item 3.02 Unregistered Sales of Equity Securities

Pursuant to a private offering that commenced in September 2006 (the "Fall 2006 Offering") and is scheduled to expire December 30, 2006, unless extended by the Company, the Company is offering up to \$1,000,000 of its convertible notes (the "Fall 2006 Notes"), which are due and payable on September 13, 2008 (the "Maturity Date"). Interest will accrue monthly and be paid annually on the Fall 2006 Notes, such interest to be paid in shares of the Company's common stock based on the average closing price of the Company's common stock for the 20 trading days preceding the interest due date. Purchasers of the Fall 2006 Notes will receive, for no additional consideration, a stock purchase warrant (the "Fall 2006 Warrant") entitling the holder to purchase a number of shares of Company's Common Stock equal to the number of shares of Common Stock into which the Fall 2006 Note is convertible. The Fall 2006 Warrant is exercisable at an initial price of \$0.05 per share and will expire on September 13, 2009.

The Fall 2006 Notes may be subordinated in an amount up to \$5 million of additional debt financing that the Company may incur prior to the Maturity Date. The Fall 2006 Notes are convertible into shares of the Company's common stock at an initial conversion price of \$0.0275 per share. The Notes can be converted voluntarily by the noteholders at any time, and from time to time, prior to the Maturity Date. The Fall 2006 Notes can be converted mandatorily by the Company (i) on or after September 13, 2007, if the Company has received one or more written firm commitments, or has closed on one or more transactions, or a combination of the foregoing, of at least \$3 million gross proceeds of equity or debt; or (ii) on the Maturity Date. Accordingly, the Fall 2006 Notes may not be repaid in cash on the Maturity Date and may be converted, at the sole option of the Company, into shares of the Company's common stock, on the Maturity Date. Notwithstanding the foregoing, the Fall 2006 Notes can be converted into shares of the Company's common stock only after the Company's stockholders have approved an increase in the number of authorized shares of the Company's common stock at its upcoming stockholders' annual meeting, which is currently scheduled to be held in early 2007.

From November 18, 2006, through November 30, 2006, the Company received gross and net proceeds of \$184,000 from ten outside investors and issued Fall 2006 Notes which allow conversion into an aggregate of 6,690,909 shares of common stock.

This offering and the sales thereunder are being made in reliance on the exemption from registration contained in Section 4(2) of the Securities Act of 1933 and/or Regulation D promulgated thereunder as not involving a public offering of securities.
