3.

**IMPORTANT MATTERS**

**3.1 The details of and reasons for the substantial changes in main items of financial statements and financial indicators of the Company**

Applicable

Not applicable

1.

*Balance Sheet Items*

Currency capital increased by 98.62% as compared with the end of last year mainly due to the increase of bank deposit.

Dividend receivables decreased by 84.22% as compared with the end of last year mainly due to the dividends received from associated companies.

Long term equity investment increased by 39.16% as compared with the end of last year mainly due to the investment in Xingfu Airlines.

4

---

Notes payable decreased by 36.00% as compared with the end of last year mainly due to the decrease in the use of notes as a form of payment by clients.

Advance receipts decreased by 36.40% as compared with the end of last year mainly because of the decrease in advance receipts from international and domestic air traffic liabilities.

Interests payable decreased by 32.78% as compared with the end of last year mainly because of the payment of bank borrowing interests during the first quarter.

Tradable financial liability increased by 915.35% as compared with the end of last year mainly because of depreciation of US dollars and reduction of interest rate.

2. *Income Statement Items*

Net financial costs decreased by 515.14% as compared with the same period last year. The main reason for the decrease was the exchange gains as a result of the continued appreciation of Renminbi.

Gains from change of fair value decreased by 275.00% as compared with the same period last year. The main reason for the decrease was the losses incurred from the change in fair value of tradable financial assets, tradable financial liabilities and derivatives and hedging activities measured at fair value.

Non operating income decreased by 35.14% as compared with the same period last year mainly due to decrease of subsidy income.

Non operating expenditures increased by 96.22% mainly due to increase in losses incurred from disposal of fixed assets.

3. *Cash Flow Statement Items*

Net cash flow generated from operating activities decreased by 55.92% as compared with the same period last year. The main reason was the increase in cash payment to and for employees.

Net cash flow generated from investment activities increased by 137.82% as compared with the same period last year. The increase was mainly attributable to the increase in cash received from disposal of fixed assets, intangible assets and other long term assets.

Net cash flow generated from fund raising activities increased by 140.77% as compared with the same period last year mainly attributable to the increase in cash received from borrowing.

**3.2 Analysis of the progress of other significant events and their effects and proposed solutions**

Applicable  Not applicable

From 31 March to 1 April of 2008, the flight returns incident occurred on some of the intra- provincial flights of the Yunnan branch of the Company. After the occurrence of the flight returns incident, the Company promptly rearranged transportation capacity to resume flights. On 16 April 2008, China Eastern Air Holding Company (“CEA Holding”), the controlling shareholder of the Company, received the Notice Concerning the Punishment Regarding the Flight Returns Incident of the Yunnan Branch of the Company issued by the Civil Aviation Administration of China. After the occurrence of the flight returns incident, the Company swiftly deployed a task group to hurry to Kunming to investigate into and deal with the incidents. Those who were allegedly involved in deliberate returns have been suspended from flying duties and are subject to, among others, further investigation. Meanwhile, the Company also conscientiously looked into the loopholes of the management of the Company as reflected in the flight returns incident and diligently improved its operations. (For details please refer to the announcements published by the Company in Shanghai Securities News on 9 April 2008 and 19 April 2008.)

**3.3 The status of implementation of the matters undertaken by the Company, shareholders and the ultimate controller**

Applicable  Not applicable

Undertakings and status of implementation of the share reform:

1. CEA Holding shall comply with the requirements of relevant laws, regulations and constitutions and satisfy the statutory obligations.

2. In particular, CEA Holding undertook that:

(1) the original non-circulating shares of the Company held by it shall not be listed and traded within 36 months from the day of the implementation of the share reform plan; and

(2) shall bear all the expenses in relation to the share reform plan.

CEA Holding represented that it shall perform the undertakings in good faith and accept relevant legal responsibilities. Unless the transferee(s) is/are willing and able to accept the responsibilities of the undertakings, CEA Holding shall not transfer any shares held.

Status of implementation: faithfully implemented.

**3.4 Warnings of and reasons for any expected accumulated losses from the beginning of the year to the end of the following reporting period or substantial changes in profitability compared to the same period last year**

Applicable  Not applicable

**3.5 Particulars of securities investment**

Applicable  Not applicable
