**ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

On July 22, 2008, Aaron Rents, Inc. issued a press release to announce its financial results for the second quarter of 2008. A copy of the press release is attached as Exhibit 99.1.

The press release presents the Company's net earnings and diluted earnings per share from the second quarter of 2008 to the comparable period in 2007 excluding the gain from the sales of stores in 2008. As dispositions of a significant number of stores to a single purchaser are not common occurrences in the Company's businesses, management believes that presentation of these particular non-GAAP financial measures are useful because they allow investors to more easily evaluate and compare the performance of the Company's core sales and lease ownership and corporate furnishings businesses from period to period. Non-GAAP financial measures however should not be considered in isolation or as an alternative to financial measures calculated and presented in accordance with GAAP, such as the Company's GAAP basis net earnings and diluted earnings per share, which are also presented in the press release.
