Item 5.02 Election of Directors

Power Efficiency Corporation (“Power Efficiency”) announced it had expanded its Board of Directors by one, and appointed Gregory S. Curhan as director to fill this vacancy, effective March 12, 2009.

Mr. Curhan most recently served as executive vice president, chairman of the commitment committee and head of the CleanTech banking team at Merriman Curhan Ford Group, Inc., an investment bank he co-founded, where he worked from January 2002 to January 2009. Previously, he served as chief financial officer of WorldRes.com from May 1999 through June 2001. Prior to joining WorldRes.com, Mr. Curhan served as director of global technology research marketing and managing director specialty technology institutional equity sales at Merrill Lynch & Co. from May 1998 to May 1999. Mr. Curhan was a founder and principal of the investment advisor Curhan, Merriman Capital Management from July 1988 through December 1992. Mr. Curhan earned his Bachelor of Arts degree, summa cum laude, from Dartmouth College.

Mr. Curhan will receive, as compensation for his service on the board of directors, options to purchase 100,000 shares of Power Efficiency common stock per year. Additionally, Mr. Curhan will be a consultant for Power Efficiency for a period of twelve months, and will initially receive, on a monthly basis, \$3,000 for services provided in this capacity, as well as warrants to purchase 30,000 shares of common stock exercisable at an exercise price of \$0.11 per share. The consultant agreement is terminable by either party after six months upon thirty days notice.

Item 9.01. Financial Statements and Exhibits.
