TABLE OF CONTENTS

## THE BOARD OF DIRECTORS AND COMMITTEES

The NYSE Amex rules require that a majority of a company's board of directors be composed of independent directors, which is defined generally as a person other than an executive officer or employee of the company or its subsidiaries or any other individual having a relationship, which, in the opinion of the company's board of directors, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director. Consistent with these considerations, our Board of Directors has affirmatively determined that Stephen G. Kasnet, William W. Johnson, W. Reid Sanders and Peter Niculescu are independent directors.

Our Board of Directors has formed an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee (each a **Committee**) and has adopted charters for each of these Committees. Each of these Committees has four directors and is composed exclusively of independent directors. The Compensation Committee is composed exclusively of individuals intended to be, to the extent required by Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the **Exchange Act**), non-employee directors and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code of 1986, as amended (the **Code**), qualify as outside directors for purposes of Section 162(m) of the Code.

### Audit Committee

The members of our Audit Committee are William W. Johnson, Stephen G. Kasnet, Peter Niculescu and W. Reid Sanders. Mr. Kasnet serves as chairman of the Audit Committee. Each is an independent director under the NYSE Amex listing standards. The Audit Committee is responsible for engaging independent certified public accountants, preparing Audit Committee reports, reviewing with the independent certified public accountants the plans and results of the audit engagement, approving professional services provided by the independent certified public accountants, reviewing the independence of the independent certified public accountants, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls.

The Audit Committee is, and will at all times be, composed exclusively of independent directors as defined under the NYSE Amex listing standards and who otherwise meet the NYSE Amex listing standards. Each member of the Audit Committee is able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement.

In addition, a listed company must certify that its audit committee has and will continue to have at least one member who is financially sophisticated in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication. The Board of Directors has determined that Mr. Kasnet satisfies the definition of financial sophistication and also qualifies as an audit committee financial expert, as defined under rules and regulations of the Securities and Exchange Commission (**SEC**).

The Audit Committee's purpose and responsibilities are more fully set forth in the Audit Committee's charter, which was adopted by the Board of Directors on November 16, 2009, and is available in the Corporate Governance section of our web site at [www.twoharborsinvestment.com](http://www.twoharborsinvestment.com).

## Compensation Committee

The Compensation Committee consists of William W. Johnson, Stephen G. Kasnet, Peter Niculescu and W. Reid Sanders, each of whom is an independent director. Mr. Sanders serves as chairman of the Compensation Committee.

The principal functions of the Compensation Committee are:

- to evaluate the performance of our officers;
- to review any compensation payable to our directors and officers;
- to evaluate the performance of PRCM Advisers LLC;
- to review the compensation and fees payable to PRCM Advisers LLC under the Management Agreement dated October 28, 2009 (the **Management Agreement** );
- to prepare Compensation Committee reports; and

7

to administer the issuance of any common stock or other equity awards issued to personnel of PRCM Advisers LLC or its parent company, Pine River Capital Management L.P. ( **Pine River** ), who provide services to us.

The charter of the Compensation Committee requires the Committee to meet at least annually to review and make recommendations to the Board of Directors on the compensation of Two Harbors non-executive directors. In reviewing and making recommendations on non-executive director compensation, the Committee considers, among other things, the following policies and principles:

The compensation that is paid to directors of other companies that are comparable to Two Harbors;  
The amount of time it is likely directors will be required to devote to preparing for and attending meetings of the Board of Directors and the Committees on which they serve;

The success of Two Harbors;

Whether a director is a chairman of one of the Committees of the Board of Directors and the time commitment related thereto;

If a Committee on which a director serves undertakes a special assignment, the importance of that special assignment to Two Harbors and its stockholders; and

The risks involved in serving as a director of the Board of Directors or a member of its Committees.

No executive officer of Two Harbors is involved in determining or recommending non-executive director compensation levels.

The Compensation Committee may delegate all or a portion of its duties and responsibilities to a subcommittee of the Compensation Committee. The Compensation Committee's purpose and responsibilities are more fully set forth in the Compensation Committee's charter, which was adopted by the Board of Directors on October 28, 2009, and is available in the Corporate Governance section of our web site at [www.twoharborsinvestment.com](http://www.twoharborsinvestment.com).

## **Nominating and Corporate Governance Committee**

The Nominating and Corporate Governance Committee consists of William W. Johnson, Stephen G. Kasnet, Peter Niculescu and W. Reid Sanders, each of whom is an independent director under the NYSE Amex listing standards.

Mr. Johnson serves as chairman of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for seeking, considering and recommending to the Board of Directors qualified candidates for election as directors and approves and recommends to the full Board of Directors the appointment of each of our executive officers. It also periodically prepares and submits to the Board of Directors for adoption its selection criteria for director nominees. It reviews and makes recommendations on matters involving the general operation of the Board of Directors and our corporate governance, and annually recommends to the Board of Directors nominees for each Committee of the Board of Directors. In addition, the Nominating and Corporate Governance Committee will annually facilitate the assessment of the Board of Directors' performance as a whole and of the individual directors and report thereon to the Board of Directors.

The Nominating and Corporate Governance Committee considers the following factors in making its recommendations to the Board of Directors: background experience, skills, expertise, accessibility and availability to serve effectively on the Board of Directors. The Nominating and Corporate Governance Committee also conducts inquiries into the background and qualifications of potential candidates. The Nominating and Corporate Governance Committee will consider nominees recommended by our stockholders. Stockholder recommendations for nominees to the Board of Directors should be submitted in writing to our Secretary.

The Nominating and Corporate Governance Committee's purpose and responsibilities are more fully set forth in its charter, which was adopted by the Board of Directors on October 28, 2009, and is available in the Corporate

TABLE OF CONTENTS

## **Meetings**

The Board of Directors held three meetings during 2009 while we were a public company. During certain meetings of the Board of Directors, the independent directors also met separately in executive sessions to discuss various matters, including our performance and the performance of PRCM Advisers LLC. The Audit Committee generally meets every quarter to review our financial performance, in addition to its other responsibilities as set forth above. The Audit Committee held three meetings during 2009 while we were a public company. The Compensation Committee and the Nominating and Corporate Governance Committee each held one meeting during 2009 while we were a public company. Each of our directors attended all of the meetings of the Board of Directors and the Committees on which he served during 2009. Although we do not have a policy on director attendance at the Annual Meeting, directors are encouraged to attend the Annual Meeting.

## **Role of the Board of Directors in Risk Oversight**

The Board of Directors has responsibility for oversight of Two Harbors' risk management processes and for understanding the overall risk profile of Two Harbors. The Board of Directors and Two Harbors rely upon PRCM Advisers LLC and Pine River to provide the day-to-day risk management function, under the direction of Two Harbors' Chief Risk Officer and a Risk Management Committee comprised of officers and employees of Two Harbors and Pine River.

Pursuant to Two Harbors' Risk Management Policy Manual, the Chief Risk Officer is required to report to the Board of Directors on an annual basis, or more frequently as the circumstances may require or the Board of Directors may request, regarding: (a) Two Harbors' risk management practices; (b) Two Harbors' compliance with the Risk Management Policy Manual; (c) breaches and exceptions to the Risk Management Policy Manual; (d) the membership and composition of the Risk Management Committee; and (e) changes or proposed changes to the Risk Management Policy Manual.

## **Director Selection**

Our corporate governance guidelines provide for the following minimum qualifications of directors in order to be suitable for a position on the Board of Directors:

Possession of the highest personal and professional ethics, integrity and values;  
The ability to exercise good business judgment and be committed to representing the long-term interests of Two Harbors and its stockholders;

Having an inquisitive and objective perspective, practical wisdom and mature judgment; and  
Willingness to devote the necessary time and effort to Board of Director duties, including preparing for and attending meetings of the Board of Directors and its Committees.

In considering candidates for director nominee, the Nominating and Corporate Governance Committee generally assembles all information regarding a candidate's background and qualifications, evaluates a candidate's mix of skills and qualifications and determines the contribution that the candidate could be expected to make to the overall functioning of the Board of Directors. Although Two Harbors has no formal policy on diversity, our corporate governance guidelines provide that Two Harbors shall endeavor to have a Board of Directors representing a diverse education and experience that provides knowledge of business, financial, governmental or legal matters that are relevant to our business and to our status as a publicly owned company. With respect to the re-nomination of current directors, the Committee considers the foregoing factors as well as past participation in and contributions to the

activities of the Board of Directors.

The Nominating and Corporate Governance Committee will consider candidates recommended for nomination to the Board of Directors by stockholders of Two Harbors. The manner in which the Committee evaluates candidates recommended by stockholders is generally the same as any other candidate. However, the Committee will also seek and consider information concerning any relationship between a stockholder recommending a candidate and the candidate to determine if the candidate can represent the interests of all of the stockholders. The Committee will not evaluate a candidate recommended by a stockholder unless the stockholder's proposal provides a certification that the potential candidate will serve as a director if elected.

## **Leadership Structure of the Board of Directors**

The Board of Directors is led by a Chairman who is appointed by the directors. Both independent and non-independent directors are eligible for appointment as the Chairman. The Chairman presides at all meetings of the stockholders and of the Board of Directors as a whole. The Chairman performs such other duties, and exercises such powers, as from time to time shall be prescribed in our Bylaws or by the Board of Directors.

Our Corporate Governance Guidelines provide that the independent directors shall appoint one of their number to serve as the lead independent director. The lead independent director is responsible for coordinating the activities of the other independent directors, including scheduling and conducting separate meetings of the independent directors and for such other duties as are assigned from time to time by the Board of Directors. Mr. Kasnet has been appointed as the lead independent director.

The Board of Directors consists of a majority of independent directors, and exercises a strong, independent oversight function. All of the Committees of the Board of Directors Audit, Compensation and Nominating and Corporation Governance Committees are comprised entirely of independent directors. A number of Board of Directors and Committee processes and procedures, including regular executive sessions of non-management directors and a regular review of PRCM Advisers LLC's performance, provide substantial independent oversight of our management's performance. Under our Bylaws and Corporate Governance Guidelines, the Board of Directors has the ability to change its structure if it determines that such a change is appropriate and in the best interest of Two Harbors. The Board of Directors believes that these factors provide the appropriate balance between the authority of those who oversee Two Harbors and those who manage it on a day-to-day basis.

We currently separate the roles of Chairman and Chief Executive Officer. However, our Chairman and our Chief Executive Officer are both affiliated with PRCM Advisers LLC and Pine River. The Board of Directors believes that this affiliation benefits Two Harbors because these individuals are knowledgeable about Two Harbors' business and because they are able to ensure that adequate resources are devoted to Two Harbors by PRCM Advisers LLC and Pine River.

## **COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

None of the members of our Compensation Committee or our Nominating and Corporate Governance Committee is or has been employed by us. None of our executive officers currently serves, or in the past three years has served, as a member of the Board of Directors or Compensation Committee of another entity that has one or more executive officers serving on our Board of Directors or our Nominating and Corporate Governance Committee, except that each of Mr. Brian Taylor, Mr. Tom Siering, Mr. Jeffrey Stolt and Mr. Timothy O'Brien participate in making compensation decisions for officers and employees of Pine River, PRCM Advisers LLC and their affiliates.

## Our 2009 Equity Incentive Plan

We have adopted a 2009 equity incentive plan to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including personnel of Pine River, PRCM Advisers LLC and their affiliates. The 2009 equity incentive plan is administered by the Compensation Committee appointed by our Board of Directors. The 2009 equity incentive plan permits the granting of restricted shares of common stock, phantom shares, dividend equivalent rights and other equity-based awards.

### Administration

The 2009 equity incentive plan is administered by the Compensation Committee. The Compensation Committee, appointed by our Board of Directors, has the full authority to administer and interpret the 2009 equity incentive plan, to authorize the granting of awards, to determine the eligibility of directors, officers, advisors, consultants and other personnel, including personnel of Pine River, PRCM Advisers LLC and their affiliates, to receive an award, to determine the number of shares of common stock to be covered by each award (subject to the individual participant limitations provided in the 2009 equity incentive plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the 2009 equity incentive plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the 2009 equity incentive plan or the administration or interpretation thereof. In connection with this authority, the Compensation Committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The Compensation Committee administering the 2009 equity incentive plan consists of four non-employees directors, each of whom is intended to be, to the extent required by Rule 16b-3 of the Exchange Act, a non-employee director and will, at such times as we are subject to Section 162(m) of the Code, qualify as an outside director for purposes of Section 162(m) of the Code, or, if no Committee exists, the Board of Directors. References below to the Compensation Committee include a reference to the Board of Directors for those periods in which the Board of Directors is acting.

## **Available Shares**

Our 2009 equity incentive plan provides for grants of restricted common stock, phantom shares, dividend equivalent rights and other equity-based awards, subject to a ceiling of 200,000 shares available for issuance under the plan. The plan allows for our Board of Directors to expand the types of awards available under the plan to include LTIP units in the future. The maximum number of shares that may underlie awards in any one year to any eligible person may not exceed 100,000. If an award granted under the 2009 equity incentive plan expires or terminates, the shares subject to any portion of the award that expires or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards. Unless previously terminated by our Board of Directors, no new award may be granted under the 2009 equity

## TABLE OF CONTENTS

incentive plan after the tenth anniversary of the date that such plan was initially approved by our Board of Directors. No award may be granted under our 2009 equity incentive plan to any person who, assuming payment of all awards held by such person, would own or be deemed to own more than 9.8% of the outstanding shares of our common stock.

On October 26, 2009, we granted 22,159 shares of restricted common stock to our independent directors pursuant to the 2009 equity incentive plan. The estimated fair value of these awards was \$9.59 per share, based on the closing price of Capitol s common stock on the NYSE Amex on such date. The grants will vest in three annual installments commencing on the date of the grant, as long as such director is serving as a member of our Board of Directors on the vesting date.

### **Awards Under the Plan**

*Restricted Shares of Common Stock.* A restricted share award is an award of shares of common stock that is subject to restrictions on transferability and such other restrictions, if any, that the Compensation Committee may impose at the date of grant. Grants of restricted shares of common stock will be subject to vesting schedules as determined by the

Compensation Committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Compensation Committee may determine. Except to the extent restricted under the award agreement relating to the restricted shares of common stock, a participant granted restricted shares of common stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the restricted shares of common stock. Although dividends may be paid on restricted shares of common stock, whether or not vested, at the same rate and on the same date as on shares of our common stock, holders of restricted shares of common stock are prohibited from selling such shares until they vest.

*Phantom Shares.* Phantom shares, when issued, will reduce the number of shares available for grant under the 2009 equity incentive plan and will vest as provided in the applicable award agreement. A phantom share represents a right to receive the fair value of a share of common stock, or, if provided by the Compensation Committee, the right to receive the fair value of a share of common stock in excess of a base value established by the Compensation Committee at the time of grant. Phantom shares may generally be settled in cash or by transfer of shares of common stock (as may be elected by the participant or the Compensation Committee, as may be provided by the Compensation Committee at the time of grant). The Compensation Committee may, in its discretion and under certain circumstances, permit a participant to receive as settlement of the phantom shares installments over a period not to exceed ten years.

Unless otherwise determined by the Compensation Committee, the holders of awards of phantom shares will be entitled to receive dividend equivalents, which shall be payable at such time that dividends are paid on outstanding shares.

*LTIP Units.* If our Board of Directors expands the types of awards under the plan to include LTIP units, it is expected that such units will be created as a special class of limited liability company interests in Two Harbors Operating Company LLC. The terms of any such awards will be determined by our Board of Directors at the time of such expansion.

*Other Share-Based Awards.* The 2009 equity incentive plan authorizes the granting of other awards based upon shares of our common stock (including the grant of securities convertible into shares of common stock and share appreciation rights), subject to terms and conditions established at the time of grant.

## Change in Control

Under our 2009 equity incentive plan, a change in control is defined as the occurrence of any of the following events: (i) the acquisition of more than 50% of our voting shares by any person; (ii) the sale or disposition of all or substantially all of our assets; (iii) a merger, consolidation or statutory share exchange where our stockholders immediately prior to such event hold less than 50% of the voting power of the surviving or resulting entity; (iv) during any 12-calendar month period, our directors, including subsequent directors recommended or approved by our directors, at the beginning of such period cease for any reason other than due to death to constitute a majority of our Board of Directors; or (v) stockholder approval of our liquidation or dissolution. Notwithstanding the foregoing, no event or condition described in clauses (i)

TABLE OF CONTENTS

through (v) above shall constitute a change in control if it results from a transaction between us and PRCM Advisers LLC or an affiliate of PRCM Advisers LLC.

Upon a change in control, the Compensation Committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the Compensation Committee determines that the adjustments do not have an adverse economic impact on the participants (as determined at the time of the adjustments).

**Amendments and Termination**

Our Board of Directors may amend, alter or discontinue the 2009 equity incentive plan but cannot take any action that would impair the rights of a grantee with respect to grants previously made without such grantee's consent. To the extent necessary and desirable, the Board of Directors must obtain approval of our stockholders for any amendment that would:

other than through adjustment as provided in the 2009 equity incentive plan, increase the total number of shares of common stock reserved for issuance under the 2009 equity incentive plan;  
change the class of officers, directors, employees, consultants and advisors eligible to participate in the 2009 equity incentive plan;

reprice any awards under the 2009 equity incentive plan; or  
otherwise require such approval.

The Compensation Committee may amend the terms of any award granted under the 2009 equity incentive plan, prospectively or retroactively, but generally may not impair the rights of any participant without his or her consent.

TABLE OF CONTENTS**PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

On October 30, 2009, the Audit Committee of our Board of Directors engaged Ernst & Young LLP as the principal accountant for Capitol. As a result of the Merger, Capitol became a wholly-owned subsidiary of ours, for which Ernst & Young LLP serves as the principal accountant, and consequently Marcum LLP formerly known as Marcum & Kliegman LLP ( **Marcum** ) was effectively dismissed. Neither Two Harbors nor Capitol's Boards of Directors recommended or approved such decision by the Audit Committee; however, our Board of Directors has delegated to the Audit Committee, which is comprised of all of our independent directors, the authority to engage independent certified public accountants. Marcum's report in respect of the audited financial statements of Capitol as of December 31, 2008, and for the year ended December 31, 2008 and for the period June 26, 2007 (inception) through December 31, 2007 included an explanatory paragraph relating to substantial doubt about the ability of Capitol to continue as a going concern. During Capitol's two most recent fiscal years and the subsequent interim periods prior to October 30, 2009, neither we nor Capitol had any disagreements with Marcum on any matter of accounting principle or practice, financial statement disclosure or auditing scope or procedure.

We are asking our shareholders to ratify the selection of Ernst & Young LLP as our independent registered public accountants. Although ratification is not required by our Bylaws or otherwise, the Board of Directors is submitting the selection of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate practice. In the event stockholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of Two Harbors.

A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she so desires and is expected to be available to respond to appropriate questions.

The aggregate fee billed to us for professional services performed by Ernst & Young LLP were as follows for the year ended December 31, 2009:

	2009
Audit Fees <sup>(a)</sup>	\$ 270,000
Audit-Related Fees <sup>(b)</sup>	146,900
Tax Fees <sup>(c)</sup>	122,000
Total Principal Accountant Fees <sup>(d)</sup>	\$ 538,900

Audit Fees pertain to the audit of our annual Consolidated Financial Statements, including review of the interim financial statements contained in our Quarterly Report on Form 10-Q for the third quarter of 2009, comfort letters (a) to underwriters in connection with our merger transaction and stock registration, attest services, consents to the incorporation of the E&Y audit report in publicly filed documents and assistance with and review of documents filed with the SEC.

Audit Related Fees pertain to assurance and related services that are traditionally performed by the principal accountant, including accounting consultations and audits in connection with proposed or consummated (b) acquisitions, internal control reviews and consultation concerning financial accounting and reporting standards. A large portion of these expenses appear in our 2009 Consolidated Statement of Operations under the financial line Costs associated with business combination.

Edgar Filing: Two Harbors Investment Corp. - Form DEF 14A

- Tax Fees pertain to services performed for tax compliance, including REIT compliance, tax planning and tax
- (c) advice, including preparation of tax returns and claims for refund and tax-payment planning services. Tax planning and advice also includes assistance with tax audits and appeals, and tax advice related to specific transactions.
  - (d) During 2009, there were no other fees billed for services provided by our independent registered public accounting firm other than those set forth above.

TABLE OF CONTENTS

The services performed by Ernst & Young LLP for the 2009 fiscal year, subsequent to the merger transaction, were pre-approved in accordance with the pre-approval policy of our Audit Committee. This policy requires that all engagement fees and the terms and scope of all auditing and non-auditing services be reviewed and approved by the Audit Committee in advance of their formal initiation.

Marcum (formerly Marcum & Kliegman LLP) acted as the independent registered public accounting firm for the fiscal year ended 2008. The following is a summary of fees paid to Marcum for services rendered.

	2008
Audit Fees	\$ 85,000
Audit-Related Fees	
Tax Fees	7,700
Total Principal Accountant Fees	\$ 92,700

During 2008, there were no fees billed for services provided by our independent registered public accounting firm other than those set forth above.

## **Conclusion and Recommendation; Vote Required**

The affirmative vote of a majority of all of the votes cast on the proposal is required to ratify the appointment of independent auditors. For the purposes of the vote on the ratification of the independent auditors, abstentions will not be counted as votes cast and will have no effect on the results of the vote, although they will be considered present for the purpose of determining a quorum. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF ERNST & YOUNG LLP AS OUR INDEPENDENT PUBLIC AUDITORS.**

## **REPORT OF THE AUDIT COMMITTEE**

The Board of Directors has appointed an Audit Committee presently composed of our independent directors, William W. Johnson, Stephen G. Kasnet, Peter Niculescu and W. Reid Sanders. Mr. Kasnet serves as chairman of the Audit Committee. Each of the directors on our Audit Committee is an independent director under the NYSE Amex listing standards. The Board of Directors has determined that Mr. Kasnet satisfies the definition of financial sophistication and is an audit committee financial expert, as defined under rules and regulations of the United States Securities and Exchange Commission ( **SEC** ).

The Audit Committee's responsibility is one of oversight as set forth in its charter, which is available on our web site at [www.twoharborsinvestment.com](http://www.twoharborsinvestment.com). It is not the duty of the Audit Committee to prepare our financial statements, to plan or conduct audits or to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Our management is responsible for preparing our financial statements and for maintaining internal controls. The independent auditors are responsible for auditing the financial statements and for expressing an opinion as to whether those audited financial statements fairly present our financial position, results of operations and cash flows in conformity with generally accepted accounting principles.

The Audit Committee has reviewed and discussed our audited financial statements with management and with Ernst & Young LLP, our independent auditors for 2009.

The Audit Committee has discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61 as adopted by the Public Company Accounting Oversight Board ( **PCAOB** ) in Rule 3200T.

The Audit Committee has received from Ernst & Young LLP the written disclosures and the letter from Ernst & Young LLP required by the PCAOB regarding Ernst & Young LLP's communication with the Audit Committee concerning independence, and has discussed Ernst & Young LLP's independence with Ernst & Young LLP, and has considered the compatibility of non-audit services with the auditor's independence.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited consolidated financial statements for the year ended December 31, 2009, be included in our Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the SEC. The Audit Committee also has recommended the selection of Ernst & Young LLP to serve as independent public accountants for the year ending December 31, 2010.

**Executive Compensation**

We did not pay any compensation to our executive officers, nor did we make any grants of plan-based awards of any kind to them, during the period from completion of the merger with Capitol on October 28, 2009 through December 31, 2009. None of our executive officers received any options or stock prior to December 31, 2009. We do not provide any of our executive officers with pension benefits or nonqualified deferred compensation plans. We do not have any employment agreements with any persons and are not obligated to make any payments to any of our executive officers upon termination of employment or a change in control of us.

**Certain Risks With Respect to Compensation**

We do not believe our compensation policies and practices are reasonably likely to have a material adverse effect on Two Harbors. We are externally managed by PRCM Advisers LLC pursuant to the terms of the Management Agreement. Compensation decisions regarding the personnel who manage our affairs are therefore made by PRCM Advisers LLC and its parent company, Pine River, and all such compensation comes either from the fixed management fee that we pay to PRCM Advisers LLC, or via reimbursement of a portion of the salaries of certain operating personnel at Pine River who devote time to our affairs. We do not directly pay our officers any compensation, including any performance based bonuses. We have not granted our officers any equity awards, and any such awards in the future are subject to the review and approval of the Compensation Committee of our Board of Directors.

The base fee under the Management Agreement is calculated based on a percentage of stockholder equity and is payable quarterly. Calculation of the management fee is not primarily dependent upon our financial performance or the performance of our management, thus the management fee does not create an incentive for management to take excessive or unnecessary risks. Specifically, the use of stockholders' equity as the base for the calculation does not result in leveraged pay-out curves, steep pay-out cliffs, or set unreasonable goals and thresholds, each of which can promote excessive and unnecessary risks.

Our independent directors review PRCM Advisers LLC's performance and the management fees quarterly, providing a check upon any improper effort by management to increase compensation payments indirectly via the pass-through of costs. The management fee itself cannot be increased or revised without the approval of the independent directors. The Management Agreement provides for the termination of the agreement after the initial three year term, or for cause. Although termination under the foregoing circumstances may require the payment of a significant termination fee, we

believe it is still a deterrent against excessive and unnecessary risk taking.

**Compensation Discussion and Analysis**

We have not paid, and we do not currently intend to pay, any cash or equity compensation to any of our officers and we do not currently intend to adopt any policies with respect thereto. We have engaged PRCM Advisers LLC as our manager pursuant to the terms of the Management Agreement, dated October 28, 2009. See *Certain Transactions with Related Persons* for a description of the terms of the Management Agreement, including the management fees payable to PRCM Advisers LLC thereunder and our reimbursement obligations to PRCM Advisers LLC.

Under the Management Agreement, PRCM Advisers LLC has agreed to provide us with our senior management team, including officers, along with appropriate support personnel. Because neither we nor PRCM Advisers LLC have any employees or separate facilities, PRCM Advisers LLC has entered into a Shared Facilities and Services Agreement with Pine River, its parent company, pursuant to which PRCM Advisers LLC is provided with the personnel, services and resources necessary for PRCM Advisers LLC to perform its obligations and responsibilities under the Management Agreement. Our officers are partners and employees of Pine River and receive their compensation from Pine River. Pine River makes all decisions relating to the compensation of our officers based on such factors as Pine River may determine are appropriate. The fees that we pay PRCM Advisers LLC under the Management Agreement are, through the distributions of PRCM Advisers LLC's income to its parent, Pine River, one of the sources of funds that Pine River may use to compensate our officers.

#### **Management Agreement and Shared Facilities and Services Agreement**

Pursuant to the Management Agreement, PRCM Advisers LLC provides the day-to-day management of our operations. The Management Agreement requires PRCM Advisers LLC to manage our business affairs in conformity with the policies and the investment guidelines that are approved and monitored by our Board of Directors. The

Management Agreement has an initial three-year term and will be renewed for one-year terms thereafter unless terminated by either us or PRCM Advisers LLC. PRCM Advisers LLC is entitled to receive a termination fee from us under certain circumstances. We are also obligated to reimburse certain expenses incurred by PRCM Advisers LLC and its affiliates. PRCM Advisers LLC is entitled to receive a management fee from us. Our executive officers are also employees or partners of Pine River. As a result, the Management Agreement between us and PRCM Advisers LLC was negotiated between related parties, and the terms, including fees and other amounts payable, may not be as favorable to us as if they had been negotiated with an unaffiliated third party.

In addition, PRCM Advisers LLC has entered into a Shared Facilities and Services Agreement with Pine River, pursuant to which Pine River provides PRCM Advisers LLC with access to office space, equipment, personnel, credit analysis and risk management expertise and processes, information technology and other resources for our benefit. The Management Agreement and the Shared Facilities and Services Agreement are intended to provide us with access to Pine River's personnel and its experience in capital markets, credit analysis, debt structuring and risk and asset management, as well as assistance with corporate operations, legal and compliance functions and governance.

We incurred charges of \$5.2 million for fiscal 2009 related to the Management Agreement, of which \$.3 million was for the base management fee and the balance represented expense reimbursement related primarily to the merger

transaction with Capitol.

## TABLE OF CONTENTS

In connection with the merger with Capitol on October 28, 2009, each independent director received shares of our restricted common stock with a market value of \$50,000 and the chairman of our Audit Committee received additional shares of restricted common stock with a market value of \$12,500, for a total of 22,159 shares. These shares of restricted common stock vest as follows: one-third on each October 26, 2010, October 26, 2011, and October 26, 2012.

### **Registration Rights Agreement**

Pursuant to a Registration Rights Agreement, we have covenanted to file a registration statement relating to the resale of the warrants (and underlying shares) held by Nisswa Acquisition Master Fund Ltd., Mark D. Ein, and certain other persons identified therein and to use commercially reasonable efforts to have such registration statement declared effective at, or as soon as reasonably practicable after, the closing of the merger. We have filed such registration statement which has not yet been declared effective. We will bear the expenses incurred in connection with the filing of such registration statement.

### **Related Person Transaction Policies**

Our Management Agreement places restrictions on PRCM Advisers LLC from entering into transactions with its related parties. These limitations include prohibitions on entering into transactions with affiliates of PRCM Advisers LLC that are not approved by a majority of our independent directors in certain circumstances and prohibitions on investing in securities structured by affiliates of PRCM Advisers LLC unless the investment is consistent with our investment guidelines, is approved by at least one independent director, and is made in accordance with applicable law.

## **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Exchange Act and the disclosure requirements of Item 405 of SEC Regulation S-K require that our directors and executive officers, and any persons holding more than 10% of our common stock ( **10% holders** ) file reports of ownership and changes in ownership with the SEC. Officers, directors, and 10% Holders are required by Item 405 of Regulation S-K to furnish us with copies of all Section 16(a) forms that they file. To our knowledge, based solely on a review of the copies of such reports furnished to us, or written representations from reporting persons that all reportable transactions were reported, we believe that during the fiscal year ended December 31, 2009 the executive officers, directors and 10% holders timely filed all reports they were required to file pursuant to Section 16(a).

## **PROPOSALS OF STOCKHOLDERS**

If a stockholder intends to submit a proposal for inclusion in our proxy statement for our annual meeting to be held in 2011 pursuant to Rule 14a-8 under the Exchange Act, the stockholder proposal must be received by our Secretary at Two Harbors Investment Corp., 601 Carlson Parkway, Suite 330, Minnetonka, Minnesota 55305, on or before January

7, 2011. If such proposal is in compliance with all of the requirements of Rule 14a-8 under the Exchange Act, the proposal will be included in our proxy statement and proxy card relating to such meeting. Such proposals should be submitted by certified mail, return receipt requested. Nothing in this paragraph shall be deemed to require us to include any stockholder proposal that does not meet all the requirements for such inclusion established by the SEC in effect at that time.

Stockholders may (outside of Rule 14a-8) nominate candidates for election to the Board of Directors or propose business for consideration at our 2011 Annual Meeting under Maryland law and our Bylaws. Our Bylaws provide that, with respect to an annual meeting of stockholders, nominations of individuals for election to our Board of Directors and the proposal of other business to be considered by stockholders may be made only (1) pursuant to our notice of the meeting, (2) by or at the direction of our Board of Directors or (3) by a stockholder who was a stockholder of record both at the time of giving the notice required by our Bylaws and at the time of the meeting, who is entitled to vote at the meeting and who has complied with the advance notice provisions set forth in our Bylaws. Under our Bylaws, notice of such a nomination or proposal

TABLE OF CONTENTS

of other business must generally be provided to the Secretary not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting. In addition, any such nomination or proposal must include the information required by our Bylaws.

## **METHOD OF COUNTING VOTES**

All duly executed proxies will be voted in accordance with the instructions set forth on the back side of the proxy card except that if no choice is specified, shares will be voted FOR the election of all nominees for director and FOR the ratification of Ernst & Young LLP as our auditors. Abstentions, withheld votes and broker non-votes will be counted as present for purposes of determining a quorum. Abstentions are not counted either for or against the proposals presented to the stockholders and withheld votes do not count against the election of directors. Under New York Stock Exchange Rules, the proposal to approve the appointment of independent auditors is considered a discretionary item.

This means that brokerage firms may vote in their discretion on these matters on behalf of clients who have not furnished voting instructions at least 10 days before the date of the meeting. In contrast, the election of directors is considered a non-discretionary item. This means brokerage firms that have not received voting instructions from their clients on these proposals may not vote on them. These so-called broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will have no effect on the outcome of the vote for directors.

## **FINANCIAL STATEMENTS AVAILABLE**

A copy of our 2009 Annual Report on Form 10-K containing audited financial statements accompanies this proxy statement.

ALONG WITH THIS PROXY STATEMENT, WE WILL PROVIDE TO EACH STOCKHOLDER A COPY (WITHOUT EXHIBITS, UNLESS OTHERWISE REQUESTED) OF OUR ANNUAL REPORT ON FORM 10-K REQUIRED TO BE FILED WITH THE SEC FOR THE YEAR ENDED DECEMBER 31, 2009. THE ANNUAL REPORT ON FORM 10-K IS NOT PART OF THE PROXY SOLICITATION MATERIALS.
