The Transaction

Share and Warrant Purchase Agreement

On October 11, 2010, we entered into an agreement, or the “Share and Warrant Purchase Agreement,” with the selling shareholders (described under the section in this prospectus entitled “Selling Shareholders”) pursuant to which we agreed to issue to the selling shareholders an aggregate of 643,277 ordinary shares, or the “Ordinary Shares,” and warrants, or the “Warrants,” exercisable into an aggregate of 214,426 ordinary shares, or the “Warrant Shares.”

Mr. Zohar Zisapel, our chairman, entered into the Share and Warrant Purchase Agreement to purchase 116,959 Ordinary Shares and Warrants exercisable for 38,986 Warrant Shares. In order for Mr. Zisapel to participate in the transaction, we must receive shareholder approval, or “Shareholder Approval.” Under Israeli law, the approval of the participation of Mr. Zisapel requires a special majority of our shareholders (the affirmative vote of the holders of a majority of the RADCOM shares present, in person or by proxy, and voting on the matter, provided that either (i) such majority includes at least one-third of the votes of disinterested shareholders voting on the matter (not including abstentions) or (ii) the total number of votes of disinterested shareholders voted against the matter does not exceed one percent of RADCOM Ltd.’s voting power), at the meeting. We intend to seek such approval at a special meeting of shareholders to be held on November 24, 2010.

The Warrants are exercisable at an exercise price of \$10.69 per share and are exercisable during a three-year period ending on the third anniversary of the date of issue. The Warrants are subject to customary adjustment for share dividends, share splits, reclassification, reorganization and other similar events.

We agreed with the recipients of the Ordinary Shares and Warrants to register for public resale the Ordinary Shares and the Warrant Shares. This prospectus has been prepared, and the Registration Statement of which this prospectus is a part has been filed with the SEC, to satisfy our obligations to the recipients of our Ordinary Shares and Warrants.

Accordingly, this prospectus covers the resale by selling shareholders of the Ordinary Shares and the Warrant Shares issued pursuant to the Share and Warrant Purchase Agreement. Absent the Shareholder Approval, Mr. Zisapel will not participate in the transaction and this prospectus will cover 526,318 Ordinary Shares and 175,440 Warrant Shares.

Investing in our ordinary shares involves risks. You should carefully consider the information under “Risk Factors” beginning on page 5 and the other information included or incorporated by reference in this prospectus before investing in our ordinary shares.

RISK FACTORS

Any investment in our ordinary shares involves a high degree of risk. You should carefully consider the risk factors set forth under the heading “Risk Factors” in our Form 20-F incorporated herein by reference, and in other documents we file from time to time with the SEC, before making an investment in our ordinary shares.

The risks and uncertainties described in the documents we have incorporated by reference into this prospectus are not the only ones we face. Additional risks and uncertainties that we are not aware of or that we currently believe are immaterial may also adversely affect our business, financial condition, results of operations, and our liquidity. Our business, financial condition or results of operations could be materially adversely affected by any of these risks. The trading price of our ordinary shares could decline due to any of these risks, and you may lose all or part of your investment.

Any or all of our forward-looking statements in this prospectus may turn out to be wrong. They can be affected by inaccurate assumptions we might make or by known or unknown risks and uncertainties. Consequently, no forward-looking statement can be guaranteed. Actual results may differ materially from the results currently expected. We will not receive any of the proceeds from the sale of the Ordinary Shares by the selling shareholders in this offering. If the Warrants are exercised in full for cash, we would realize proceeds before expenses, in the amount of \$2,292,214, assuming the receipt of Shareholder Approval. We will bear the costs, other than underwriting commissions, associated with the sales of Ordinary Shares.

SELLING SHAREHOLDERS

This prospectus covers the resale, from time to time, by the selling shareholders of up to 857,703 ordinary shares, of which:

- 643,277 ordinary shares were purchased by the selling shareholders in October 2010 under the Share and Warrant Purchase Agreement between us and the selling shareholders; and
- 214,426 ordinary shares are issuable upon exercise of the Warrants granted to the selling shareholders under the Share and Warrant Purchase Agreement.

For additional information regarding the offering, see “Prospectus Summary—The Transaction” above. We are registering the ordinary shares in order to permit the selling shareholders to offer the shares for resale from time to time. To our knowledge, except as indicated in the table below, none of the selling shareholders have held any position or office, or had any material relationship with us, our predecessors, or affiliates, within the past three years, or are a registered broker-dealer or an affiliate of a registered broker-dealer which may be deemed to be an “underwriter” within the meaning of the Securities Act in connection with these sales.

In order for Mr. Zisapel to participate in the transaction, the Company must receive Shareholder Approval pursuant to Israeli law. Absent the Shareholder Approval, Mr. Zisapel will not participate in the transaction and then this prospectus will cover 526,318 Ordinary Shares and 175,440 Warrant Shares.

In accordance with the Share and Warrant Purchase Agreement, we agreed to use our commercially reasonable efforts to prepare and file with the SEC a registration statement covering the resale of the Ordinary Shares and the Warrant Shares on or prior to the 30th day following the Closing, as defined in the Share and Warrant Purchase Agreement, and to cause the registration statement, among other things, to remain continuously effective under the Securities Act until the date which is three years after the date that such registration statement is declared effective by the SEC or such earlier date when all the Ordinary Shares and the Warrant Shares have been sold or all such shares may be sold without volume or other restrictions pursuant to Rule 144 promulgated under the Securities Act.

The following table presents information provided by the selling shareholders with respect to beneficial ownership of our ordinary shares as of November 8, 2010, and as adjusted to reflect the sale of the shares offered by the selling shareholders under this prospectus, assuming that all ordinary shares being offered under this prospectus are ultimately sold in the offering. The table includes all shares issuable within 60 days of November 8, 2010 upon the exercise of warrants beneficially owned by the indicated shareholders on that date. The applicable percentage of ownership of the Company’s outstanding shares for each selling shareholder is based on 6,114,056 ordinary shares outstanding as of November 8, 2010, and such number of ordinary shares issuable upon exercise of the warrants held by that selling shareholder. Beneficial ownership as set forth below includes the power to direct the voting or the disposition of the securities or to receive the economic benefit of ownership of the securities. To our knowledge, the persons named in the table have sole voting power, sole investment control, and the sole right to receive the economic benefit with respect to all shares listed, except as set forth in the table below.

PLAN OF DISTRIBUTION

The selling shareholders and any of their pledgees, donees, transferees or other successors-in-interest may, from time to time, sell any or all of their ordinary shares being offered under this prospectus, on the NASDAQ Capital Market or any other stock exchange, market or trading facility on which the ordinary shares are traded or in private transactions. These sales may be at fixed or negotiated prices. The selling shareholders may use any one or more of the following methods when disposing of shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
 - purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
 - an exchange distribution in accordance with the rules of the applicable exchange;
 - privately negotiated transactions;
 - short sales;
- broker-dealers may agree with the selling shareholders to sell a specified number of such shares at a stipulated price per share;
 - a combination of any such methods of sale; and
 - any other method permitted pursuant to applicable law.

The selling shareholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers engaged by the selling shareholders may arrange for other broker-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling shareholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling shareholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved.

The selling shareholders may from time to time pledge or grant a security interest in some or all of the ordinary shares owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the ordinary shares from time to time under this prospectus, or under an amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending the list of selling shareholders to include the pledgee, transferee or other successors in interest as selling shareholders under this prospectus.

The selling shareholders also may transfer the ordinary shares in other circumstances, in which case the transferees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The selling shareholders and any broker-dealers or agents that are involved in selling the ordinary shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the ordinary shares purchased

by them may be deemed to be underwriting commissions or discounts under the Securities Act. The selling shareholders have informed us that they do not have any agreement or understanding, directly or indirectly, with any person to distribute the ordinary shares.

EXPENSES

We are paying substantially all of the expenses of registering the ordinary shares under the Securities Act and of compliance with blue-sky laws, including registration and filing fees, printing and duplication expenses, administrative expenses, our legal and accounting fees and the legal fees of counsel on behalf of the selling shareholders. We estimate these expenses to be approximately \$30,156.94, which include the following categories of expenses:

SEC registration fee	\$ 656.94
Legal fees and expenses	\$ 15,000
Accounting fees and expenses	\$ 14,000
Miscellaneous expenses	\$ 500
Total	\$ 30,156.94

LEGAL MATTERS

The validity of the ordinary shares being offered by this prospectus and other legal matters concerning this offering relating to Israeli law will be passed upon for us by Goldfarb, Levy, Eran, Meiri, Tzafirir & Co.

EXPERTS

The consolidated financial statements of Radcom Ltd. and its subsidiaries appearing in Radcom Ltd.'s Annual Report on Form 20-F/A at December 31, 2009 and for the year then ended, have been audited by Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, independent registered public accounting firm, and at December 31, 2008 and for each of the years in the two-year period ended December 31, 2008 by Somekh Chaikin, a member of KPMG International, independent registered public accounting firm, as set forth in their respective reports included therein, and incorporated herein by reference. Such financial statements have been incorporated herein by reference in reliance upon such reports given on the authority of such firms as experts in accounting and auditing.

ENFORCEABILITY OF CIVIL LIABILITIES

Service of process upon us and upon some of our directors and officers and the Israeli experts named in this prospectus who reside outside the United States may be difficult to obtain within the United States. Furthermore, because some of our principal assets and some of our directors and officers are located outside the United States, court judgments obtained in the United States, including those predicated on the civil liability provisions of United States federal securities laws, against us or any of our directors and officers who reside outside the United States, may not be collectible within the United States or Israel. It may be also difficult to bring an original action in an Israeli court to enforce liabilities against us or against any of our directors and officers, based upon the United States federal securities laws.

We have been informed by our legal counsel in Israel that there is doubt concerning the enforceability of civil liabilities under the Securities Act and the Exchange Act, in original actions instituted in Israel. However, subject to specified time limitations, Israeli courts may enforce a United States final executory judgment in a civil matter obtained after due process before a court of competent jurisdiction according to the laws of the state in which the judgment is given and the rules of private international law currently prevailing in Israel. The rules of private international law currently prevailing in Israel do not prohibit the enforcement of a judgment by Israeli courts provided that:

- the judgment is enforceable in the state in which it was given;
- adequate service of process has been effected and the defendant has had a reasonable opportunity to present his arguments and evidence;
- the judgment and the enforcement of the judgment are not contrary to the law, public policy, security or sovereignty of the state of Israel;
- the judgment was not obtained by fraud and does not conflict with any other valid judgment in the same matter between the same parties; and
- an action between the same parties in the same matter is not pending in any Israeli court at the time the lawsuit is instituted in a foreign court.

We have irrevocably appointed RADCOM Equipment Inc. as our agent to receive service of process in any action against us in any federal court or court of the State of New Jersey arising out of this offering or any purchase or sale of securities in connection with this offering.

If a foreign judgment is enforced by an Israeli court, it generally will be payable in Israeli currency, which can then be converted into non-Israeli currency and transferred out of Israel. The usual practice in an action before an Israeli court to recover an amount in a non-Israeli currency is for the Israeli court to issue a judgment for the equivalent amount in Israeli currency at the rate of exchange in force on the date of the judgment, but the judgment debtor may make payment in foreign currency. Pending collection, the amount of the judgment of an Israeli court stated in Israeli currency ordinarily will be linked to the Israeli consumer price index plus interest at an annual statutory rate set by Israeli regulations prevailing at the time. Judgment creditors must bear the risk of unfavorable exchange rates.

PROSPECTUS

, 2010

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 8. Indemnification of Directors and Officers.

Under the Companies Law, an Israeli company may not exempt an office holder from liability with respect to a breach of his duty of loyalty, but may exempt in advance an office holder from his liability to the company, in whole or in part, with respect to a breach of his duty of care, provided that the articles of association of the company permit it to do so. Our articles of association allow us to exempt our office holders to the fullest extent permitted by law.

Our articles of association further provide that, subject to the provisions of the Companies Law, we may enter into a contract for the insurance of the liability of any of our office holders with respect to an act performed by such individual in his or her capacity as an office holder, for:

- a breach of an office holder's duty of care to us or to another person;
- a breach of an office holder's duty of loyalty to us, provided that the office holder acted in good faith and had reasonable cause to assume that his or her act would not prejudice our interests; or
- a financial liability imposed upon an office holder in favor of another person concerning an act performed by an office holder in his or her capacity as an office holder.

Our articles of association also provide that we may indemnify an office holder in respect of an obligation or expense imposed on the office holder in respect of an act performed in his or her capacity as an office holder, as follows:

- a monetary obligation imposed on an office holder in favor of another person in accordance with a judgment, including a settlement or an arbitration award approved by a court;
- reasonable litigation expenses, including attorneys' fees, expended by the office holder as a result of an investigation or proceeding instituted against him by a competent authority, provided that such investigation or proceeding concluded without the filing of an indictment against him and either (A) concluded without the imposition of any financial liability in lieu of criminal proceedings or (B) concluded with the imposition of a financial liability in lieu of criminal proceedings but relates to a criminal offense that does not require proof of criminal intent; and
- reasonable litigation expenses, including attorneys' fees, incurred by the office holder or which the office holder was ordered to pay by a court, in a proceeding we instituted against him or her or which was instituted on our behalf or by another person, or in a criminal charge from which he or she was acquitted, or a criminal charge in which he or she was convicted for a criminal offense that does not require proof of criminal intent.

Our articles of association also include provisions:

- authorizing us to undertake in advance to indemnify an office holder, provided that the undertaking is restricted to events which our Board of Directors deems to be anticipated in light of our actual operations at the time of the undertaking and limited to an amount or criteria determined by our Board of Directors to be reasonable under the circumstances; and
- authorizing us to retroactively indemnify an office holder.

The Companies Law provides that a company may not enter into a contract for the insurance of its office holders nor indemnify an office holder nor exempt an officer from responsibility toward the company, for any of the following:

- a breach by the office holder of his or her duty of loyalty, unless, with respect to insurance coverage, the office holder acted in good faith and had a reasonable basis to believe that such act would not prejudice the company's interests;
- a breach by the office holder of his or her duty of care if the breach was committed intentionally or recklessly;
 - any act or omission committed with the intent to unlawfully derive a personal profit; or
 - any fine or penalty imposed on the office holder.

We indemnified and exculpated our office holders by providing them with indemnification agreements and by approving the purchase of a directors and officers liability insurance policy.

Item 10. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) to include any material information with respect to the Plan of Distribution not previously disclosed in the Registration Statement or any other material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this Item 10 do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) To file a post-effective amendment to the Registration Statement to include any financial statements required by Item 8.A of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Securities Act need not be furnished, provided that the Registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to Registration Statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Securities Act or Item 8.A of Form 20-F if such financial statements and information are contained in periodic reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Form F-3.

(5) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the registrant is relying on Rule 430B:

A. Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

B. Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x), for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(6) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities: The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form F-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Tel-Aviv, Israel, on this 10th day of November 2010.
