Baytree Capital obtained a controlling interest in the Company's common shares pursuant to a Stock Purchase Agreement that it entered into with each of the Company's prior directors, their affiliates and their immediate family members. One of the selling shareholders under the Stock Purchase Agreement was Timbermans Group, which owned approximately 54.3% of the Company's share capital and was affiliated with each of the Company's aforementioned directors. Although Timbermans Group was owned by these directors, it was placed into a form of receivership under Australian law, and the contractual decision to enter into the contract for the sale of shares was made by its Receiver, PricewaterhouseCoopers, rather than the shareholders. Under the Stock Purchase Agreement dated November 26, 2008, Baytree purchased 2,385,000 shares of the Company's common stock in exchange for \$448,125. As a condition to the sale under the Stock Purchase Agreement, the Company's directors and officers needed to resign, and Baytree arranged with those directors and officers to have William S. Rosenstadt appointed as sole director and executive officer. Effective as of December 20, 2011, our Board of Directors accepted the voluntary resignation of William S. Rosenstadt as director and officer of the company. Concurrently with Mr. Rosenstadt's resignation, the Board of Directors appointed Gianluca Cicogna-Mozzoni as its sole director, president, chief executive officer, chief financial officer, treasurer and secretary of the company effective as of December 20, 2011.

The legal fees for the year ended December 31, 2011, were \$18,120 which were incurred by Sanders Ortoli Vaughn-Flam Rosenstadt LLP, of which William S. Rosenstadt, who served as our former Chief Executive Officer and Chief Financial Officer from January 2010 to December 2011, is a partner.

No fees have been paid to any third party to identify or evaluate potential director nominees.

In exercising its function of recommending individuals for nomination by the Board for election as directors, the Board of Directors considers nominees recommended by stockholders. The Board of Directors will consider candidates recommended by stockholders under the criteria summarized above. The Board of Directors will make an initial analysis of the qualities and skills of any candidate recommended by stockholders or others pursuant to the criteria summarized above to determine whether the candidate is suitable for service on our Board before deciding to undertake a complete evaluation of the candidate. If any materials are provided by a stockholder or professional search firm in connection with the nomination of a director candidate, such materials are forwarded to the Board of Directors as part of its review. ## **INDEMNIFICATION OF DIRECTORS AND OFFICERS**

*Nevada Law*

Section 78.138 of the Nevada Revised Statutes (“NRS”) provides that a director or officer will not be individually liable unless it is proven that (i) the director’s or officer’s acts or omissions constituted a breach of his or her fiduciary duties, and (ii) such breach involved intentional misconduct, fraud or a knowing violation of the law.

Section 78.7502 of NRS permits a company to indemnify its directors and officers against expenses, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with a threatened, pending or completed action, suit or proceeding if the officer or director (i) is not liable pursuant to NRS 78.138 or (ii) acted in good faith and in a manner the officer or director reasonably believed to be in or not opposed to the best interests of the corporation and, if a criminal action or proceeding, had no reasonable cause to believe the conduct of the officer or director was unlawful.

Section 78.751 of NRS permits a Nevada company to indemnify its officers and directors against expenses incurred by them in defending a civil or criminal action, suit or proceeding as they are incurred and in advance of final disposition thereof, upon receipt of an undertaking by or on behalf of the officer or director to repay the amount if it is ultimately determined by a court of competent jurisdiction that such officer or director is not entitled to be indemnified by the company. Section 78.751 of NRS further permits the company to grant its directors and officers additional rights of indemnification under its Articles of Incorporation or bylaws or otherwise.

Section 78.752 of NRS provides that a Nevada company may purchase and maintain insurance or make other financial arrangements on behalf of any person who is or was a director, officer, employee or agent of the company, or is or was serving at the request of the company as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, for any liability asserted against him and liability and expenses incurred by him in his capacity as a director, officer, employee or agent, or arising out of his status as such, whether or not the company has the authority to indemnify him against such liability and expenses.

#### ***Charter Provisions and Other Arrangements of the Registrant***

Our Articles of Incorporation provide that no director or officer of the Company will be personally liable to the Company or any of its stockholders for damages for breach of fiduciary duty as a director or officer; provided, however, that the foregoing provision shall not eliminate or limit the liability of a director or officer (i) for acts or omissions which involve intentional misconduct, fraud or knowing violation of law, or (ii) the payment of dividends in violation of Section 78.300 of NRS. In addition, our bylaws implement the indemnification and insurance provisions permitted by Chapter 78 of the NRS by providing that:

The Company shall indemnify its directors to the fullest extent permitted by the NRS and may, if and to the extent authorized by the Board of Directors, so indemnify its officers and any other person whom it has the power to indemnify against liability, reasonable expense or other matter whatsoever. The Company may at the discretion of the Board of Directors purchase and maintain insurance on behalf of any person who holds or who has held any position identified in the paragraph above against any and all liability incurred by such person in any such position or arising out of his status as such.

Insofar as indemnification by us for liabilities arising under the Securities Act of 1933 may be permitted to our directors, officers or persons controlling the company pursuant to provisions of our Articles of Incorporation and bylaws, or otherwise, we have been advised that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. In the event that a claim for indemnification by such director, officer or controlling person of us in the successful defense of any action, suit or proceeding is asserted by such director, officer or controlling person in connection with the securities being offered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act

and will be governed by the final adjudication of such issue.

At the present time, there is no pending litigation or proceeding involving a director, officer, employee or other agent of ours in which indemnification would be required or permitted. We are not aware of any threatened litigation or proceeding, which may result in a claim for such indemnification.

### *Indemnification Agreements*

On June 14, 2012, in connection with the appointment of Mr. Chris Anthony as our director, Chief Executive Officer and President, and Mr. Steve Jackson as our Chief Financial Officer, and Mr. Craig Miller as our Secretary, we executed a standard form of indemnification agreement (“Indemnification Agreement”) with each of them (the “Indemnitee”).

Pursuant to and subject to the terms, conditions and limitations set forth in the Indemnification Agreement, we agreed to indemnify each Indemnitee, against any and all expenses incurred in connection with the Indemnitee’s service as our officer, director and or agent, or is or was serving at our request as a director, officer, employee, agent or advisor of another corporation, partnership, joint venture, trust, limited liability company, or other entity or enterprise but only if the Indemnitee acted in good faith and in a manner he reasonably believed to be in or not opposed to our best interest, and in the case of a criminal proceeding, had no reasonable cause to believe that his conduct was unlawful. In addition, the indemnification provided in the indemnification agreement is applicable whether or not negligence or gross negligence of the Indemnitee is alleged or proven. Additionally, the Indemnification Agreement establishes processes and procedures for indemnification claims, advancement of expenses and costs and contribution obligations.

We intend to enter into such Indemnification Agreements with Messrs. Johnson and Gevarges upon the effectiveness of their respective appointment as our directors.
