**Item 8.01 Other Events**

Kentucky First Federal Bancorp (the “Company”), the holding company for First Federal Savings and Loan Association of Hazard and First Federal Savings Bank of Frankfort, announced today that it has withdrawn its application to merge its two subsidiary banks due to uncertainty regarding its ability to obtain regulatory approval for the transaction. Following prefiling discussions with regulators, the Company believed it would be able to obtain regulatory approval. However, after the filing was made, the regulators raised comments with respect to the membership rights to be granted to depositors of the surviving institution, which had been addressed during the prefiling discussions. Following careful review, management and the boards of directors of the two subsidiary banks determined that the costs and time of pursuing approval would not be justifiable at this time.
