On May 26, 2016, the Board of Directors (the “Board”) of Hollysys Automation Technologies Ltd. (the “Company”) approved the amended and restated memorandum and articles of association (the “Amended and Restated M&A”) to exclude the application of Sections 60 and 61 of the BVI Business Companies Act, 2004 (the “Act”). The Amended and Restated M&A became effective upon the registration by the Registrar of Corporate Affairs of the British Virgin Islands on May 27, 2016. The Board believes that such change is desirable and to the benefit of all of the shareholders of the Company because it will provide the Company with increased flexibility of action to purchase its own shares from time to time based on market conditions, stock prices, and other factors without the delay and expense on offering the purchase to all shareholders or obtaining written consent on such purchase from the shareholders as otherwise required under Sections 60 and 61 of the Act.

In addition to the above change, the Amended and Restated M&A consolidated the amendments previously adopted by the Company, such as the change of the Company’s name in 2009 and the increase of its authorized shares of Class A Preferred Stock from 10,000,000 shares to 90,000,000 shares in 2010. The Amended and Restated M&A is incorporated herein by reference as Exhibit 3.1 to this Report. The description of the Amended and Restated M&A is qualified in its entirety by reference to such exhibit.
