Item 8.01 Other Events.

On December 22, 2017, "H.R.1", formerly known as the "Tax Cuts and Jobs Act", was signed into law. Among other items, H.R.1 reduces the federal corporate tax rate to 21% effective January 1, 2018. As a result, United Community Banks, Inc. (the "Company") has concluded that this will cause the Company's net deferred tax asset to be revalued. The Company's net deferred tax asset represents net operating loss carryforwards that will be used to reduce corporate taxes expected to be paid in the future as well as differences between the carrying amounts and tax bases of assets and liabilities carried on the Company's balance sheet. The Company performed an analysis to determine the impact of the revaluation of the deferred tax asset. It is estimated that the value of the deferred tax asset will be reduced by a range of approximately \$37 to \$41 million. The estimated fourth quarter earnings impact would be approximately (\$0.48) to (\$0.53) per share and the estimated tangible book value impact would be approximately (\$0.47) to (\$0.52) per share.

The Company's revaluation of its net deferred tax asset is subject to further clarifications of the new law that cannot be estimated at this time. As such, the Company is unable to make a final determination of the impact on the quarterly and year to date earnings for the period ending December 31, 2017 at this time.

To the extent required, the Company may file one or more amendments to this Current Report.
