Explanatory Note

On March 1, 2018, The First Bancshares, Inc., a Mississippi corporation (the “Company” or “First Bancshares”) filed with the Securities and Exchange Commission (“SEC”) a Current Report on Form 8-K to report under Item 2.01 that the Company had completed its previously-announced merger (the “Merger”) with Southwest Banc Shares, Inc. (“Southwest”) pursuant to that certain Agreement and Plan of Merger by and between the First Bancshares and Southwest, dated as of October 24, 2017 (the “Merger Agreement”). At the closing, Southwest merged with and into First Bancshares, with First Bancshares as the surviving corporation, followed by the merger of Southwest’s wholly-owned subsidiary bank, First Community Bank, with and into the First Bancshares’ wholly-owned subsidiary bank, The First, A National Banking Association (“The First”), with The First as the surviving bank.

This Amendment No. 1 amends the Company’s Current Report on Form 8-K filed on March 1, 2018 to include the financial statements and unaudited pro forma combined financial information referred to in Item 9.01(a) and (b) below relating to the Merger.

Cautionary Note Regarding Forward-Looking Statements

Statements in this Amendment No. 1 to the Current Report on Form 8-K, including the pro forma combined financial information attached hereto contain “forward-looking statements” within the meaning of the federal securities laws, including the Private Securities Litigation Reform Act of 1995. The pro forma combined financial information is based on preliminary estimates and assumptions that could cause actual results to differ materially from those expected or implied by the pro forma combined financial information or the estimates and assumptions used in preparing the pro forma combined financial information. The pro forma combined financial information and forward-looking statements are based on current expectations and projections about future events. Investors are cautioned that forward-looking statements are not guarantees of future performance or results and involve risks and uncertainties that cannot be predicted or quantified and, consequently, the actual performance of the Company may differ materially from that expressed or implied by such forward-looking statements. Certain factors that could cause actual results to differ materially from the Company’s expectations include the risks detailed under “Item 1A. Risk Factors” contained in the Company’s Annual Report on Form 10-K for the year ended December 31, 2017 and in the other documents the Company files with the SEC. Many of these factors are beyond the Company’s ability to control or predict. Forward-looking statements are not guarantees of performance.
