Section 2 Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

## Edgar Filing: ORION HEALTHCORP INC - Form 8-K

(a) On March 16, 2005, Brantley Partners, IV, L.P. ("Brantley IV") loaned Orion HealthCorp ("Orion") an aggregate of \$1,025,000. It is anticipated that Brantley Capital Corporation ("Brantley Capital") will loan Orion an additional \$225,000. The loans will bear simple interest at a rate of 9% per annum. Principal and interest will be payable in full upon maturity of the respective loans, which will be the first anniversary of the date of the loan. The loans are subordinate to all of Orion's other indebtedness for borrowed money and rank pari passu with Orion's unsecured trade payables. Paul H. Cascio, the Chairman of the Board of Directors of Orion, and Michael J. Finn, a director of Orion, are affiliates of Brantley IV and Brantley Capital. Additionally, Brantley IV and Brantley Capital are principal stockholders of Orion and, together, hold approximately 50.9% of the outstanding voting stock of Orion.

Additionally, as part of this transaction, Orion will enter into an agreement with Healthcare Business Credit Corporation whereby its \$4,000,000 secured two-year revolving credit facility will be reduced by the amount of the loans from Brantley IV and Brantley Capital to \$2,750,000.

The parties are currently negotiating the definitive transaction agreements with respect to the loans. Attached is a copy of the press release issued on March 22, 2005, by Orion regarding the loans.

### Section 3 Securities and Trading Markets

#### Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On March 16, 2005, Orion received a letter from the American Stock Exchange notifying Orion that it does not meet the Exchange's continued listing standards because Orion is not in compliance with Sections 134 and 1101 of the Amex Company Guide. The non-compliance results from the failure to file an amended Form 8-K containing pro forma financial information regarding the Company's restructuring that resulted in the acquisition of Integrated Physician Solutions, Inc., Dennis Cain Physician Solutions, Inc., and Medical Billing Services, Inc. The pro forma financial statements were required to be filed within 75 days of completion of the restructuring or by March 2, 2005.

Orion believes that by filing the pro forma financial information, which was filed on March 22, 2005, it has now complied with the Exchange rules that resulted in issuance of the Exchange's deficiency letter on March 16.

Attached is a copy of a press release issued on March 22, 2005, by Orion regarding the Exchange action. Also attached is a copy of the Exchange's March 16 letter to the Company.
