Company Press Release

Nova Reports Second Quarter 2016 Financial Results

Record quarterly bookings expected to result in record Q3 revenues

Rehovot, Israel, August 3, 2016 - Nova Measuring Instruments (Nasdaq: NVMI), a leading innovator and a key provider of metrology solutions for advanced process control used in semiconductor manufacturing, today reported financial results for the second quarter of 2016, the period ended June 30, 2016.

Second Quarter 2016 Highlights:

- Revenues grew sequentially to \$35.6 million, within guidance
- GAAP net income of \$3.2 million, or \$0.11 per diluted share, within guidance
- Non-GAAP net income of \$4.7 million, or \$0.17 per diluted share, exceeding guidance
 - Multiple competitive wins yield record quarterly Optical CD bookings of \$45 million
- Received repeat order from a leading memory customer for X-Ray solution

	GAAP Results (\$K)		
	Q2	Q1	Q2
	2016	2016	2015
Revenues	\$35,575	\$34,056	\$40,552
Net Income	\$3,153	\$2,905	\$2,150
Earnings per Diluted Share	\$0.11	\$0.11	\$0.08
	NON-GAAP Results (\$K)		
	Q2	Q1	Q2

Net Income	\$4,703	\$4,450	\$5,402
Earnings per Diluted Share	\$0.17	\$0.16	\$0.20

A reconciliation between GAAP operating results and non-GAAP operating results is provided following the financial statements that are part of this release. Non-GAAP results exclude amortization of acquired intangible assets, deferred tax assets adjustments (net), stock-based compensation expenses and acquisition related expenses.

Management Comments

“Strong demand for our Optical CD solutions, across the entire breadth of our product offering, drove the increase in revenues and bookings,” commented Eitan Oppenheim, President and Chief Executive Officer of Nova. “Booking levels in the second quarter reached a record high, bolstering our confidence in the third quarter and the second half performance. In parallel, our well-managed operational model allowed us to once again reach high levels of profitability while continuing our investment in the long-term technology roadmap.”

“The strength of our recent new bookings has been driven by the value proposition we offer our customers via an expanded and a unique product portfolio, which is utilized by now across multiple Foundry and Memory customers,” added Mr. Oppenheim. “Our partnership with key customers and leading semiconductor research centers early in the R&D stage, based on our innovative combined offering of Optical CD and X-Ray technologies, improve our technology position and increase our confidence in the company’s long-term strategic plan.”

2016 Third Quarter Financial Outlook

Management provided an outlook for the third quarter, the period ending September 30, 2016. Based on current estimates, management expects record revenues in the quarter:

- \$42 million to \$44 million in revenue
- \$0.16 to \$0.19 in diluted GAAP EPS
- \$0.24 to \$0.27 in diluted non-GAAP EPS

2016 Second Quarter Results

Total revenues for the second quarter of 2016 were \$35.6 million, an increase of 4% compared to the first quarter of 2016, and a decrease of 12% relative to the second quarter of 2015.

Gross margin for the second quarter of 2016 was 53%. This is compared with 54% in the first quarter of 2016 and compared with 47% in the second quarter of 2015.

Operating expenses in the second quarter of 2016 were \$15.4 million, and included \$0.6 million of amortization of acquired intangible assets. This is compared with \$15.7 million in the first quarter of 2016 and compared with \$18.7 million in the second quarter of 2015.

On a GAAP basis, the company reported net income of \$3.2 million, or \$0.11 per diluted share, in the second quarter of 2016. This is compared with net income of \$2.9 million, or \$0.11 per diluted share, in the first quarter of 2016. The company reported net income of \$2.2 million, or \$0.08 per diluted share, in the second quarter of 2015.

On a Non-GAAP basis, which excludes amortization of acquired intangible assets, adjustments of deferred tax assets net, stock-based compensation expenses and acquisition related expenses, the company reported net income of \$4.7 million, or \$0.17 per diluted share, in the second quarter of 2016. This is compared with net income of \$4.5 million, or \$0.16 per diluted share, in the first quarter of 2016, and compared with net income of \$5.4 million, or \$0.20 per diluted share, in the second quarter of 2015.

This press release provides financial measures that exclude non-cash charges for amortization of acquired intangible assets, deferred tax assets adjustments (net), stock-based compensation expenses and acquisition related expenses and are therefore not calculated in accordance with generally accepted accounting principles (GAAP). Management believes that these non-GAAP financial measures provide meaningful supplemental information regarding Nova's performance because they reflect our operational results and enhances management's and investors' ability to evaluate Nova's performance before charges or benefits considered by management to be outside Nova's ongoing operating results. The presentation of this non-GAAP financial information is not intended to be considered in isolation or as a substitute for the financial information prepared and presented in accordance with GAAP. Management believes that it is in the best interest of its investors to provide financial information that will facilitate comparison of both historical and future results and allows greater transparency to supplemental information used by management in its financial and operational decision making. A reconciliation of each GAAP to non-GAAP financial measure discussed in this press release is contained in the accompanying financial tables.

This press release contains forward-looking statements within the meaning of safe harbor provisions of the Private Securities Litigation Reform Act of 1995 relating to future events or our future performance, such as statements regarding, but are not limited to, anticipated growth opportunities and projections about our business and its future revenues, expenses and profitability. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied in those forward looking statements. Factors that may affect our results, performance, circumstances or achievements include, but are not limited to, the following: our dependency on three product lines; our dependency on a small number of large customers and small number of suppliers; the highly cyclical and competitive nature of the markets we target and we operate in; our inability to reduce spending during a slowdown in the semiconductor industry; our ability to respond effectively on a timely basis to rapid technological changes; our ability to recognize the benefits of ReVera acquisition and risks that the acquisition may disrupt current plans and operations and impact relationships with customers, distributors and suppliers; our dependency on PEMs; risks related to exclusivity obligations and non-limited liability that may be included in our commercial agreements and arrangements; our ability to retain our competitive position despite the ongoing consolidation in our industry; risks related to our dependence on our manufacturing facilities; risks related to changes in our order backlog; risks related to the worldwide financial instabilities; risks related to our intellectual property; new product offerings from our competitors; unanticipated manufacturing or supply problems; risks related to government programs we participate in; risks related to taxation; changes in customer demand for our products; risks related to currency fluctuations, risks related to acquisitions we may pursue and risks related to our operations in Israel. We cannot guarantee future results, levels of activity, performance or achievements. The matters discussed in this press release also involve risks and uncertainties summarized under the heading “Risk Factors” in Nova’s Annual Report on Form 20-F for the year ended December 31, 2015 filed with the Securities and Exchange Commission on February 29, 2016. These factors are updated from time to time through the filing of reports and registration statements with the Securities and Exchange Commission. Nova Measuring Instruments Ltd. does not assume any obligation to update the forward-looking information contained in this press release.
