DIRECTORS COMPENSATION

As a result of the previously described reorganization, a portion of the historical discussion contained below relates the Company while it operated as Sturgis Bank & Trust Company and prior to the effective date of the reorganization (effective January 1, 2002). With respect to matters relating to January 1, 2002 and after, the discussion relates to the Company. As part of the reorganization, the stock options plans discussed below continue in full force and effect for the option to purchase shares of the Company.

Except for Mr. L. Eishen and Mr. E. Eishen, each Director of the Company currently receives \$ 6,000 per year plus \$500 for each Board Meeting attended for the year ended 2002. Members of the various committees who are not also Company employees received fees of \$175 for each meeting attended. The Chairman received an additional \$3,300 per year.

In 1995, the Stockholders adopted a stock option plan that allows all Directors, both employee and non-employee Directors, to participate ("Director Plan"). Pursuant to the Director Plan, 7,000 shares of authorized but unissued Common Stock were reserved for issuance to Directors upon exercise of options granted under the Director Plan. Under the Director Plan each Director was granted an annual option to purchase 200 shares of Common Stock at an exercise price to be determined as the closing price of the Common Stock reported on the OTC Bulletin Board on the day before grant. Each option for 200 shares was granted immediately after each of the four annual meetings of Stockholders, beginning with the 1995 Annual Meeting, to those individuals who remain Directors after the respective annual meeting or who are elected at the respective annual meeting. Pursuant to the plan, after the 1999 Annual Meeting, all remaining options (375 shares per Director at \$10.50 per share) were allocated pro rata among the Directors.

In 1995, options for 1,400 shares were granted under the Director Plan. Each director received an option for 200 shares at an exercise price of \$14.50 per share. In 1996, options for 1,400 shares were granted under the Director Plan; each director received an option for 200 shares at an exercise price of \$17.25 per share. In 1997, options for 1,600 shares were granted under the Director Plan; each director received an option for 200 shares at an exercise price of \$27.25 per share. In 1998, options for 2400 shares were granted under the Director Plan; each director received an option for 300 shares at an exercise price of \$31.75 per share. As of June 15, 1998, options to purchase

1,400 shares at \$14.50 per share, 1,400 shares at \$17.25 per share, 1,600 shares at \$27.25 per share had been exercised under the Director Plan. The Director Plan provides that options granted to Directors vest on the date of grant. There remain 6,825 shares subject to purchase and issuance.

In 1999, the Stockholders of the Company approved an amendment to the Director Plan to adjust for the two-for-one stock split which occurred on June 15, 1998. The Director Plan amendment changed the exercise price per share for

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

options granted on April 28, 1998 from \$31.75 to \$15.88. The number of shares to be issued upon the exercise of currently outstanding options yet to be granted was changed from 300 to 600 shares.

The purpose of the Director Plan was to increase the incentives and attract and encourage the continued service of Directors of the Company by facilitating the purchase of the Company's shares. The Director Plan authorizes the grant of Non-Qualified Stock Options (options that subject the option holder to Federal Income Tax in the amount by which the market price of the stock at the time of exercise exceeds the exercise price and the Company will receive a deduction in the same amount at the time of exercise, pursuant to the Internal Revenue Code of 1986). The Board of Directors has limited discretion in the administration of the Director Plan so that they can remain "disinterested" persons as that term is used in Securities and Exchange Commission Rule 16b-3(c)(2) promulgated under the Securities Exchange Act of 1934, in relation to the plan.

Options under the Director Plan are only exercisable within 10 years and one day from the date of grant, unless the individual ceases being a Director prior to that time. In that event, if the individual ceases being a Director for reasons other than death or disability, the option is exercisable only within 30 days of cessation of Director status; if the individual's status as a Director terminates because of death or disability, the option will only be exercisable within 90 days from the date of such cessation of Director status.

The Board, without further action on the part of the Stockholders of the Company, may from time to time alter, amend, or suspend the Director Plan or any stock option granted thereunder or may at any time terminate the Director Plan, except that, unless approved by a majority of the Stockholders represented at an Annual Meeting or Special Meeting held in accordance with the Company's By-Laws, the Board of Directors may not, (i) change the total number of shares of Common Stock available for grant under the Director Plan; (ii) extend the duration of the Director Plan; (iii) increase the maximum term of stock options; or (iv) change the exercise option price of the stock options under the Director Plan. No action taken by the Board of Directors as outlined above may materially and adversely affect any outstanding stock option without the consent of the holder thereof. In any case, the Board of Directors may not amend the Director Plan more than once every six months, other than to comport with the Internal Revenue Code, the Employee Retirement Income Security Act, or the rules thereunder.

TRANSACTIONS WITH THE COMPANY

Mr. Raymond H. Dresser, Jr. is the majority stockholder in Dresser, Dresser, Haas & Caywood, P.C. and is also a Director of the Company. Dresser, Dresser, Haas & Caywood, P.C. acts as legal counsel to the Company and the Bank. DRESSER, DRESSER, HAAS & CAYWOOD, P.C. was paid \$131,701 by the Company and the Bank (the wholly owned subsidiary of the Company) in 2002 for legal fees and disbursements and \$185,413 in 2001. Extraordinary legal fees in 2001 arose in connection with the reorganization of the Bank into a bank holding company.

The Bank, a wholly owned subsidiary of the Company, provides residential mortgage loans and other types of loans to its directors, officers and employees. The Bank has a policy that all loans to officers, principal stockholders, or directors of the Company must be on substantially the same terms as with any customer including terms of interest and collateral. The Bank has followed this policy in regard to these loans and it is the belief of the management of the Company that these loans neither involve more than the normal risk of collectability nor present other unfavorable features, and none of these loans is a nonaccrual, past due, restructured or potential problem loan.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Directors, and certain officers and security holders during 2002 were

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

required to file timely reports of their security holdings and transactions with the Securities and Exchange Commission. Section 16(a) of the Securities and

Exchange Act of 1934, as amended, requires each director and certain officers of the Company, and any person or entity that owns more than 10% of our common stock, to file with the Securities and Exchange Commission by a specified date certain reports of ownership and changes in ownership of our common stock. Shareholders who own more than 10% of our common stock are required to furnish to us copies of all reports they file under Section 16(a). The Company prepares and files 16(a) reports on behalf of its officers and directors. A registrant is required to identify any of these individuals failing to timely file these reports. The directors and relevant officers timely filed the necessary Form 4 reporting of changes in beneficial ownership for 2002. Because of an inadvertent administrative oversight, the Form 5 annual reports for 2002, which were due on February 14, 2003, were untimely filed for Donald Baldwin, Debora Capman, Raymond Dresser, Jr., Eric Eishen, Leonard Eishen, Lawrence Franks, Donald Frost, Steve Gage, James Goethals, Emily Haller, Steven Haller, Brian Hoggatt, Jason Hyska, Gary Malloy, Gary Metz, Kurt Miller, Larry Miller, Verlan Miller, Christine Moline, Tracey Parker, David Pierce, Ronald Scheske, Joyce Waltke, Philip Ward, and David Watters..

A representative of Plante & Moran, PLLC, is expected to be present at the Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

The Board of Director's selection of the Plante & Moran, PLLC accounting firm for the Company, occurred after solicitation and receipt of bids from qualified accounting firms in 2002 to provide services through 2005. Plante & Moran, PLLC submitted the most favorable plan to conduct the Company's independent accounting reports. Plante & Moran, PLLC has been the Company's independent public accountings since 2000.

The Board of Directors recommends that Stockholders vote "FOR" the approval of the appointment of Plante & Moran, PLLC, as the Company's independent public accountants.

The following graph illustrates the value of a \$10,000 investment in the Company's stock (symbol STBI) on December 31, 1997 for each of the subsequent five years, compared to a similar investment in the FRB Small Cap Financial Fund (symbol FRBSX) and the NASDAQ Composite. The fund's investment emphasis is on those companies engaged in investing in real estate, usually through mortgages or other consumer-related loans. It typically invests at least 65% of assets in securities of companies with market capitalizations of less than \$750 million; it is expected that the fund will focus on companies with market capitalizations below \$200 million. CHARTER

AUDIT COMMITTEE

The Audit Committee is a committee of the Board of Directors.

PURPOSE & COMPOSITION

The charter details the composition, roles and responsibilities of the audit committee. The Board of Directors shall appoint at least three directors who are independent of the Company's management and have no relationships that could interfere with their independence and execution of the Committee's responsibilities to the Board of Directors. At least one member must have expertise in accounting or other aspects of financial management and all members are expected to be financially literate or to gain such literacy after appointment. The Committee shall review this charter annually and receive approval for its continued use (and any recommended amendments) from the Board of Directors.

DELINEATION OF RESPONSIBILITIES

The audit committee is principally responsible for overseeing the Company's financial reporting and reporting details of such activities to the Board, primarily in the form of auditing the financial statements which management prepares on the Company's behalf. The Committee shall take a flexible approach to the execution of its role to best reflect current circumstances and changing business conditions, and is expected to establish on the board's behalf the overall attitude of the Company as it pertains to financial reporting, risk management and ethical conduct.

ONGOING PROCESSES

In performing these responsibilities, the audit committee shall follow a number of prescribed guidelines, and may augment these when appropriate:

- o Independent auditors are accountable to the Committee and the Board in their roles as appointed representatives of the Company's shareholders. As such, the Committee is expected to evaluate, and if necessary, recommend replacement of the independent auditors to the Board and shareholders. The Committee shall review the nature of this independence, and any written disclosures prepared by the auditors, with the auditors.

1

- o The Committee shall discuss the plans and scope of audits, including staffing and compensation, with both internal and independent auditors. The Committee shall conduct separate meetings with both the internal auditors and independent auditors, both with and without members of the management team present. Finally, the Committee will discuss the effectiveness and adequacy of financial controls, accounting procedures, risk management, and legal and ethical compliance issues with management, internal auditors and independent

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

auditors.

o Before the filing of the Company's quarterly Form 10-Q report, the Committee, management and the independent auditors shall review the interim financial statements. The independent auditors shall discuss the results with the Committee (or its chairperson,) along with any other matters required under generally accepted auditing standards.

o Before the filing of the Company's annual Form 10-K report, the Committee, management and the independent auditors shall review the interim financial statements. This review should look beyond adequacy to the quality of the underlying accounting principles, the clarity of any financial statement disclosures and whether accounting judgements are reasonable. The independent auditors shall discuss the results with the Committee, along with any other matters required under generally accepted auditing standards.

o The Audit Committee is empowered to review, with the Company's counsel, legal matters, including litigation, compliance with securities trading policies, the foreign corrupt practices act and other laws having a significant impact on the Company's business or its financial statements; and, to investigate any matter brought to its attention within the scope of its duties, and retain outside counsel for this purpose if, in its judgment, that is appropriate.

o The Audit Committee has established procedures whereby employees can submit confidential, anonymous concerns regarding questionable accounting or auditing matters. The Audit Committee has also established procedures for the receipt, retention, and treatment of complaints received regarding accounting, internal controls, or auditing matters. The procedures are made a part of this Charter.

o This Charter will be made public by posting on the Bank's web site.
