ITEM 5.01 CHANGES IN CONTROL OF REGISTRANT

On December 15, 2004, Timothy Harrington, Chief Executive officer of Able Energy, Inc. (the "Company"), sold an aggregate of 1,007,300 shares of the

Company's common stock to All American Plazas, Inc. ("All American"). The purchase price for the sale was \$7,500,000, of which \$2,750,000 was paid in cash and All American issued promissory notes in the aggregate principal amount of \$4,750,000 to Mr. Harrington. For the first 12 months, only interest is payable to Mr. Harrington. Thereafter, principal and interest shall be payable on a monthly basis. In the event All American and Able were to enter into any transaction pursuant to which the promissory notes become an obligation of the Company and the Company enters into a material financing transaction, the notes will become immediately due and payable. There are currently no plans, arrangements or agreements for the notes to become obligations of the Company. \$3,000,000 of the notes are secured by the personal guarantee of a family member of the trust which owns a majority of the stock of All American (the "Guarantee"), and by a security interest in certain assets of All American (the "All American Security"). All of the notes are secured by a pledge of the 1,007,300 shares of the Company's common stock (the "Pledge"). Upon the issuance of surety bonds guaranteeing the payment of the \$3,000,000 of notes, the Guarantee and the All American Security will terminate and the Pledge, by its terms, will cover only the \$1,750,000 note which is not covered by a surety bond. All American acquired approximately 50.03% of the total outstanding number of shares of common stock of the Company and the 1,007,300 shares represent All American's entire beneficial holdings in the Company. All American financed the acquisition through its cash flow, with the assistance of its fuel supplier, TransMontaigne Product Services, Inc., that extended its credit line to All American.

No arrangement or understandings were made in connection with respect to the election of directors or other matters, although the parties anticipate they will discuss such matters in the future.
