ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 28, 2014, the Compensation Committee of the Board of Directors (the "Board") of EastGroup Properties, Inc. (the "Company") established the Company's 2014 annual cash bonus and equity incentive performance goals and long-term equity incentive performance goals for the executive officers of the Company.

The performance goals were developed by the Compensation Committee with the assistance of a nationally recognized consulting firm who, among other things, benchmarked compensation practices of companies in the Company's peer group and advised the Compensation Committee on appropriate compensation guidelines. Adoption of Annual Cash Bonus and Equity Incentive Performance Goals

The annual cash bonus and equity incentive awards will be based on the Compensation Committee's analysis of the Company's funds from operations (FFO) per share, same property change, total shareholder return, certain Company-wide strategic objectives and individual objectives established by the Compensation Committee for each executive officer. In performing this analysis, the Compensation Committee will consider the Company's financial and other performance, both on an absolute and relative basis, as well as general economic conditions in the Company's markets and factors such as property acquisitions, dispositions, equity issuances, and debt financings during the year. The annual cash bonus compensation that the Company's named executive officers are eligible to receive are as follows:
