### Item 1. Security and Issuer

Common Shares issued by Companhia Vale do Rio Doce, with principal offices at Av. Graca Aranha no. 26, Rio de Janeiro - RJ, Brazil, 20005-900 (herein after referred to as "Issuer").

### Item 2. Identity and Background

Litel Participacoes S.A. ("Litel") is a holding company whose shareholders are the following pension funds: Caixa de Previdencia dos Funcionarios do Banco do Brasil - Previ ("Previ"), Fundacao Petrobras de Seguridade Social ("Petros"), Fundacao dos Economiaris Federais ("Funcef") and Fundacao Cesp ("Funcesp"), organized to hold an indirect equity participation in Issuer. It is duly organized under the laws of Brazil, with principal offices in the City of Rio de Janeiro, State of Rio de Janeiro, at Av. Presidente Wilson, 231, 10 no. andar.

### Item 3. Source and Amount of Funds or Other Consideration

In 1997, Litel acquired a direct participation representing 10.1% of Valepar voting shares (representing 6.5% of the Issuer's total voting capital), and a participation of 24.7% in Valepar S.A. ("Valepar"), a company created for the purpose of holding a voting interest in Issuer.

On March 15, 2001, Litel purchased Valepar common shares held by Companhia Siderurgica Nacional (the "CSN Transaction"), increasing its indirect participation in Valepar from 24.7% to 41.7%. The direct participation of Litel in Issuer remained unaltered after the completion of the CSN Transaction.

On March 20, 2002, Issuer issued American Depository Receipts in the U.S. securities market.

On December 26, 2002, Valepar incorporated the direct participation held by Litel in Issuer through a capital increase of Valepar. As a result, Litel received Valepar shares in exchange for its Issuer shares, increasing its participation in Valepar to 52% of the voting shares. The result of such transaction was an increase of 10% in the participation of Valepar in Issuer. Litel converted approximately 4% of Valepar voting shares into non-voting convertible shares in order to comply with a provision in the bylaws of Valepar which restricts the participation of a sole shareholder to 49% of the voting

shares.

On March 7, 2003, Litel and Bradespar S.A., through controlled companies, Litela Participacoes, S.A., and Millennium Security Holdings Corp., respectively, acquired 12,187,500 Valepar shares held by Sweet River Investments Ltd. This ownership interest represents 10.1% of Valepar voting shares, and 9.3% of its total capital. Litela acquired 6,643,814 common shares, joining the controlling group of Valepar in adherence with Valepar Shareholders' Agreement. The 6,643,814 common shares acquired by Litel/Litela have been also converted into non-voting convertible shares in order to comply with a provision in the bylaws of Valepar which restricts the participation of a sole shareholder to 49% of the voting shares. Litel, which was already part of such controlling group, became holder of a direct and indirect participation corresponding to 58.1% of Valepar's total capital stock.

### Item 4. Purpose of Transaction

The participation of Litel in the capital stock of Issuer (both directly and indirectly) is part of Litel's investment strategy to join the controlling group of Issuer. At the present time, Litel does not intend to acquire or sell additional Valepar or Issuer shares.

### Item 5. Interest in Securities of the Issuer

(a)

number of shares: 75,902,404\*

percentage of shares: 30.36% \*

\* The number and percentage of shares above mentioned refer to indirect participation only, as Litel does not hold direct participation in Issuer.

The controlling shareholder of Issuer is Valepar, which holds 52.3% of Issuer voting shares.

Litel holds a 58.1% direct and indirect participation in Valepar's total capital, corresponding to 49% of its voting shares. Previ holds 78.4% of Litel's voting and total capital, and Petros, Funcef and Funcesp jointly hold the remaining 21.6%. Therefore, Previ, Petros, Funcef and Funcesp jointly and indirectly hold 30.36% of Issuer's voting shares, through their participation in Litel.
