1. Description of the Business

Alliance HealthCard was founded in September 1998 as a limited liability company and was reorganized as a Georgia corporation in February 1999. For Florida state compliance purposes, the Company established a wholly owned subsidiary, Alliance HealthCard of Florida, Inc. in February 2005. Programs encompass services in more than 16 areas of health care, including physician visits, hospital stays, chiropractics, vision, dental, pharmacy, hearing and patient advocacy. These markets may vary widely, from senior populations with Medicare who have no prescription benefits to part-time employees and the uninsured looking for lower cost medical services and access to providers.
