General

Our Board of Directors is requesting that you permit your common stock to be represented at the Annual Meeting of Stockholders of Extreme Networks, to be held on Monday, July 30, 2007 (the 2006 Annual Meeting), or any postponement or adjournment thereof, by the proxies named on the enclosed proxy card for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully. Voting materials, which include the Proxy Statement, the 2006 Annual Report on Form 10-K for the fiscal year ended July 2, 2006, and the accompanying proxy card, will be first mailed on or about June 29, 2007 to all stockholders entitled to vote at the annual meeting, and, on or about the same date, electronic versions of these documents will be sent via email to stockholders who have registered for electronic delivery.

Who May Vote

You may vote your shares of Extreme Networks common stock if our records show that you owned your shares on June 26, 2007. At the close of business on that date, 114,033,984 shares of Extreme Networks common stock were outstanding and eligible to vote. You are entitled to one vote for each share you hold.

Voting Your Proxy

To assure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the annual meeting in person. Instructions for voting by telephone, by using the Internet or by mail are on your proxy card. When you vote via the Internet or by phone, your vote is recorded immediately. We encourage our stockholders to vote using these methods whenever possible. If you attend the annual meeting, you may also submit your vote in person, and any previous votes that you submitted, whether by Internet, phone or mail, will be superseded by the vote that you cast at the annual meeting. A stockholder who has given a proxy may revoke it at any time before it is exercised by (i) filing with the Investor Relations department of Extreme Networks a written revocation or a duly executed proxy bearing a later date, or (ii) by voting in person at the annual meeting.

Edgar Filing: EXTREME NETWORKS INC - Form DEF 14A

Table of Contents

2. You will be prompted to enter the twelve-digit number contained in the proxy card or voting instruction form accompanying the Proxy Statement.
3. Follow the instructions the vote voice provides you to submit your voting instructions.

Whether you hold shares in your name or through a broker, bank or other nominee, you may vote without attending the meeting. You may vote by granting a proxy or, for shares held through a broker, bank or other nominee, by submitting voting instructions to that nominee. For shares held through a broker, bank or other nominee, follow the voting instructions set forth above. If you provide specific voting instructions, your shares will be voted as you have instructed. If you hold shares in your name and sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board of Directors. All shares represented by valid proxies received before the meeting will be voted.

Votes Needed to Hold the Meeting

The annual meeting will be held if a majority of the Extreme Networks outstanding shares of common stock entitled to vote, whether present in person or represented by proxy, is represented at the meeting. This is called a quorum. Your shares will be counted for purposes of determining if there is a quorum, even if you wish to abstain from voting on some or all matters introduced at the meeting, if you are present and vote in person at the meeting, or have properly submitted a proxy card or voted by telephone or by using the Internet. Votes for and against, abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power with respect to that item and has not received instructions from the beneficial owner.

Matters to Be Voted On at the Meeting

The following matters will be presented for your consideration at the annual meeting:

1. A proposal to elect two Class II directors to hold office for a three-year term and until their successors are elected and qualified or until their earlier resignation or removal;
2. A proposal to ratify the appointment of Ernst & Young LLP, independent registered public accounting firm, as our independent auditors for the fiscal year ending July 1, 2007; and
3. The transaction of such other business as may properly come before the meeting.

Cost of This Proxy Solicitation

We will pay the costs of the solicitation. We may request banks and brokers and other custodians, nominees and fiduciaries to solicit their customers who own our common stock and will reimburse them for reasonable out-of-pocket expenses. Our employees, directors, officers and others may solicit proxies on our behalf, personally or by telephone, without additional compensation. We are soliciting proxies electronically

through the Internet from stockholders who previously registered to receive proxy materials electronically through the Internet.

If you choose to attend the meeting, please bring the enclosed proxy card or proof of identification for entrance to the meeting. If you want to vote shares that you hold in street name at the meeting, you must request a legal proxy from your broker, bank or other nominee that holds your shares.

You may do this by signing a new proxy card with a later date, voting on a later date by telephone or by using the Internet (only your latest telephone or Internet proxy is counted), or by attending the meeting and voting in person. However, your attendance at the meeting will not automatically revoke your proxy; you must specifically revoke your proxy. See [Voting Your Proxy](#) above for further instructions.

By signing up for electronic delivery, you can receive the Annual Report on Form 10-K and the Proxy Statement via email notification as soon as these are available. You may also submit your stockholder votes online. Your enrollment will be effective until canceled. To reduce the expense of delivering duplicate voting materials to our stockholders who may have more than one Extreme Networks stock account, unless otherwise requested, pursuant to current householding rules, we will deliver only one set of voting materials, which includes the Proxy Statement, proxy card and the 2006 Annual Report to Stockholders on Form 10-K, to stockholders who share the same address.

How To Obtain A Separate Set of Voting Materials

If you share an address with another stockholder and have received only one set of voting materials, you may write or call us to request a separate copy of these materials at no cost to you. For future annual meetings, you may request separate voting materials, or request that we send only one set of voting materials to you if you are receiving multiple copies, by calling our Investor Relations department at: (408) 579-3030, or by writing us at: Extreme Networks, Inc., 3585 Monroe Street, Santa Clara, CA 95051, Attn: Investor Relations.

Each such option and restricted stock grant will vest in full on the date one year after the date of grant (or, if earlier, the date of the next subsequent annual meeting), subject to the respective director's continuous service on the Board for that period. Pursuant to a policy adopted by the Board of Directors, options held by non-employee directors also vest in the event of a change of control.

No automatic grants of any options or restricted stock pursuant to the above-listed changes of director compensation policy have occurred to date, and the first such grants will occur on the date of the 2006 Annual Meeting.

Also, effective on October 25, 2006, the Board approved compensation for a special committee formed by the Board in September 2006 to review the Company's historical practices for stock option grants and the accounting for option grants (the Special Committee). The Board of Directors has appointed Ernst & Young LLP, independent registered public accounting firm, to serve as independent auditors to audit the financial statements of Extreme Networks for the fiscal year ending July 1, 2007. Ernst & Young LLP has acted in this capacity since its appointment in fiscal year 1997. A representative of Ernst & Young LLP will be present at the annual meeting, will have an opportunity to make a statement if desired and will be available to respond to appropriate questions.

Principal Accounting Fees and Services

The following table sets forth the aggregate fees billed to Extreme Networks for the fiscal years ended July 2, 2006 and July 3, 2005 by Ernst & Young LLP:

Audit fees(1)	\$ 2,274,000	\$ 2,395,000
Audit related fees(2)	88,000	14,000
Tax fees(3)	264,000	265,000
All other fees(4)	5,000	30,000
	\$ 2,631,000	\$ 2,704,000

- (1) Fees for audit services consist of:
 Audit of the Company's annual financial statements and the audit of internal control over financial reporting under Section 404 of the Sarbanes-Oxley Act;
 Reviews of the Company's unaudited quarterly financial statements; and
 Statutory and regulatory audits, consents and other services related to SEC matters.
- (2) Fees for audit-related services consist of financial accounting and reporting consultations.
- (3) Tax fees relate to the preparation of various federal, state and local tax returns.
- (4) All other fees were primarily for services provided in connection with the filing of corporate documents

Representatives of Ernst & Young LLP normally attend most meetings of the Audit Committee. The Audit Committee's policy is to pre-approve all audit and permissible non-audit services provided by our independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval is generally provided for up to one fiscal quarter and any pre-approval is detailed as to the particular service or category of services. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval policy. During fiscal 2006 and 2005, no portion of the Audit-Related Fees, Tax Fees or All Other Fees were approved by the Audit Committee after services had been rendered pursuant to the de minimis exception established by the SEC.

The Audit Committee on an annual basis reviews the services performed by Ernst & Young LLP, and reviews and approves the fees charged by Ernst & Young LLP. The Audit Committee has considered the role of Ernst & Young LLP in providing tax and other non-audit services to

Edgar Filing: EXTREME NETWORKS INC - Form DEF 14A

Extreme Networks and has concluded that such services are compatible with Ernst & Young LLP's independence as Extreme Networks independent auditors.

Vote Required and Board of Director's Recommendation

Stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by the Extreme Networks bylaws or otherwise. The Board of Directors, however, is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good

corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of Extreme Networks and its stockholders.

Approval of this proposal requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the annual meeting of stockholders, at which a quorum representing a majority of all outstanding shares of our common stock is present and voting, either in person or by proxy. Abstentions and broker non-votes will each be counted as present for purposes of determining the presence of a quorum but will not have any effect on the outcome of the vote on this proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSAL TO RATIFY ERNST & YOUNG LLP AS EXTREME NETWORKS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JULY 1, 2007.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

On February 8, 2006, the independent members of the Board of Directors of the Company, upon the recommendation of the Compensation Committee, approved the terms of an Executive Change in Control Severance Plan (the "Severance Plan"). The Severance Plan provides for certain benefits for the Company's executive officers and for certain vice presidents of the Company upon a change in control of the Company. The terms of the Severance Plan provide that if, in the event of a change in control (as that term is defined in the Severance Plan) of the Company, the participant in the Severance Plan is not terminated and the acquirer assumes such participant's outstanding options and stock appreciation rights ("SARs"), the vesting of fifty percent (50%) of the participant's then unvested options and SARs shall be accelerated as of the date of the change in control and the remainder of such participant's unvested options and SARs shall vest in equal monthly installments over a period equal to one half of the remainder of the participant's original vesting schedule. The Severance Plan also provides that if, in the event of a change in control of Extreme, the company acquiring Extreme does not assume or substitute equivalent replacements for the outstanding options and SARs of the participants in the Severance Plan, then the vesting and exercisability of their options and SARs shall be accelerated in full. The vesting of all other awards, including restricted stock and restricted stock units would accelerate in full upon a change in control. The Severance Plan also provides for additional compensation, health care and other benefits if a participant in the Severance Plan is terminated without cause (as that term is defined in the Severance Plan) or resigns as a result of certain adverse circumstances described in the Severance Plan within 12 months after a change in control. Upon such termination, the vesting of options and SARs held by the participant would accelerate in full. In addition, the participant would be entitled to a lump sum payment in an amount equal to the aggregate amount of his monthly salary and prorated annual bonus for a period of 12 months in the cases of the chief executive officer and the other executive officers and six months in the case of eligible vice presidents designated by the Compensation Committee, with the applicable annual bonus amount to be based upon the aggregate of all annual incentive bonuses that would have been earned by the participant for the fiscal year of termination of employment, determined as if 100% of all applicable performance goals were achieved.

Previously, on July 17, 2001, the Board of Directors ratified and approved an amended policy regarding the acceleration of vesting of shares subject to options for officers and directors upon a change-in-control (the "Amended Policy"). The Severance Plan, as described above, superseded the Amended Policy with respect to shares subject to options held by the Company's officers. However, the Severance Plan did not change the Amended Policy's applicability to shares subject to options held by directors. Under the Amended Policy, in the event of a change-in-control that occurs prior to a director's termination of service with Extreme Networks, the shares subject to options shall be fully vested. The Amended Policy defines a change-in-control as a single or series of sales or exchanges of voting stock, a merger or consolidation, the sale, or transfer of all or substantially all of the assets, or a liquidation wherein the stockholders immediately before the change-in-control do not retain, immediately after the change-in-control, more than 50% of the total combined voting power of Extreme Networks or the corporation to which the assets were transferred. This Amended Policy continues to apply to all options granted to directors after July 17, 2001.

Pursuant to the terms of each of our offers of employment to William R. Slakey, our Senior Vice President and Chief Financial Officer during fiscal year 2006, and Alexander J. Gray, our Senior Vice President and General Manager of Scalable Products (formerly our Senior Vice President and Chief Operating Officer), each of Mr. Slakey was, and Mr. Gray is, entitled to a lump sum payment equal to six months of his respective base salary at the time of termination in the event that we terminate Mr. Slakey or Mr. Gray, respectively, for a reason other than cause, as defined in their respective offers of employment.

Pursuant to the terms of our offer of employment to Frank C. Carlucci, our former Senior Vice President of Worldwide Sales, Mr. Carlucci was entitled to a lump sum payment equal to six months of his then-effective base salary in the event we terminated Mr. Carlucci within the first twelve months of his employment with Extreme Networks for a reason other than cause, as defined in Mr. Carlucci's offer of employment. On

Table of Contents

February 4, 2007, Mr. Carlucci resigned from the Company, effective April 2, 2007, more than twelve months after the start of his employment with Extreme Networks; accordingly, this provision was not effective.

Pursuant to a consulting agreement entered into in August 2006 between the Company and William Slakey, the Company's Chief Financial Officer during fiscal year 2006, the Company retained Mr. Slakey's services as a consultant for a period of three months after his August 2006 departure from the Company, remitted to Mr. Slakey \$15,000 per month in return for such services and is remitting \$2,000 per month towards Mr. Slakey's COBRA expenses for a period of six months.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Until September 1, 2006, Mr. West, the Chairman of the Board of Directors until October 2006, was engaged by us as working chairman, and in this capacity, he spent a significant amount of time working with Mr. Stitt on the management of Extreme Networks. His compensation as chairman was structured in light of this role, and his responsibility for working with Mr. Stitt on our long-term success. During fiscal 2006, Mr. West received an annual cash retainer of \$160,000.

During the first part of fiscal 2006, we employed Christina Carinalli, the daughter of Charles Carinalli, as a financial analyst, a non-executive position. In that capacity, Ms. Carinalli was paid an annual salary of approximately \$107,000. Ms. Carinalli resigned from Extreme Networks in October 2005 to pursue another career opportunity. We do not believe that Mr. Carinalli had any material interest, direct or indirect, in his daughter's employment relationship or compensation arrangement with us.

We entered into indemnification agreements with certain of the executive officers and directors. Such indemnification agreements require us to indemnify these individuals to the fullest extent permitted by law.

Except as otherwise disclosed above or in the section entitled Employment Contracts and Termination of Employment and Change-in-Control Arrangements, during the fiscal year ended July 2, 2006, there was not, nor is there any currently proposed transaction or series of similar transactions to which Extreme Networks was or is to be a party in which the amount involved exceeds \$60,000, and in which any executive officer, director or holder of more than 5% of any class of voting securities of Extreme Networks and members of that person's immediate family had or will have a direct or indirect material interest.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers, directors and persons who beneficially own more than 10% of our common stock to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. These persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of the forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and persons who beneficially own more than 10% of our common stock were

Edgar Filing: EXTREME NETWORKS INC - Form DEF 14A

complied with in the fiscal year ended July 2, 2006, except that Forms 4 (Statement of Changes in Beneficial Ownership of Securities) were not timely filed for Bob Corey, Kenneth Levy and W. Michael West in connection with an option grant made to each of them in January 2006. For each of these individuals, there was one late report with respect to one transaction that was not reported on a timely basis. These forms were filed subsequently.

STRUCTURE OF THE BOARD OF DIRECTORS

Our Board of Directors currently consists of seven directors. The directors are divided into three classes – Class I, Class II and Class III, with each class consisting of the same number of directors and each class having a three-year term. The Class I directors are Messrs. Mark Canepa, Gordon L. Stitt and Kenneth Levy. The Class II

Table of Contents

directors are Messrs. Bob L. Corey and Harry Silverglide. The Class III directors are Messrs. Charles Carinalli and W. Michael West.

The structure of the Board of Directors is staggered, so that Class I, Class II and Class III directors will serve until the annual meetings of stockholders to be held in 2008, 2006 and 2007, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, the successors to directors whose term will then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. The Board has a mandatory retirement age of seventy (70).

In September 2004, the Board of Directors appointed W. Michael West as the Chairman of the Board. Until September 1, 2006, Mr. West also was engaged by us as working chairman. In this capacity, in addition to his role as Chairman of the Board, he spent a significant amount of time working with Mr. Stitt on the management of Extreme Networks. His compensation was structured in light of this role, and his responsibility for working with Mr. Stitt on our long-term success. As a result of the nature of his role and his compensation structure, the Board determined that he is not an independent director within the meaning of the Nasdaq Marketplace Rules. On October 25, 2006, Mr. Stitt assumed the role of Chairman of the Board.

Charles Carinalli has been elected by the independent members of the Board of Directors as the lead independent director. Mr. Carinalli's duties as lead independent director may include:

chairing executive sessions of the independent directors;

servicing as liaison between the Chairman of the Board of Directors and the independent directors, including, communicating to the Chairman and Chief Executive Officer, as appropriate, the results of executive sessions of the independent directors;

ensuring that independent directors have adequate opportunities to meet without management present;

servicing as designated contact for communication to independent directors, including being available for consultation and direct communication with major shareholders;

ensuring that the independent directors have an opportunity to provide input on the agenda for Board of Director meetings;

assuring that there is sufficient time for discussion of all agenda items; and

receiving, distributing to the Board and arranging responses to communications from stockholders, and being identified as the recipient of such communications in the annual meeting proxy statement.

The Board of Directors elects our President, Chief Financial Officer, Secretary and all executive officers. All officers serve at the discretion of the Board of Directors. Each of our officers and directors, other than non-employee directors, devotes his full time to the affairs of Extreme Networks. Our non-employee directors devote such time to our affairs as is necessary to discharge their duties. In addition, our Board of Directors has the authority to retain its own advisers to assist it in the discharge of its duties. There are no family relationships among any of our directors, officers or key employees.

Meetings of the Board of Directors

The Board of Directors held thirteen meetings during the fiscal year ended July 2, 2006. No director serving on the Board of Directors in fiscal year 2006 attended fewer than 75% of such meetings of the Board of Directors and the committees on which he serves. During the fiscal year ended July 2, 2006, the independent members of the Board of Directors met seven times in executive session without members of management present.

Committees of the Board of Directors

The Board of Directors has a separately-designated standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee. Each of these Committees has a written charter that has been approved by the Board of Directors.

Table of Contents

Audit Committee. The members of the Audit Committee during fiscal year 2006 were Messrs. Charles Carinalli, Bob L. Corey and Harry Silverglide. In September 2005, Mr. Levy resigned from the Audit Committee and Mr. Silverglide was appointed to serve on the Audit Committee. All members of the Audit Committee during fiscal year 2006 were independent for purposes of the Nasdaq Marketplace Rules and the rules of the SEC as such rules apply to audit committee members. The Board has determined that Mr. Corey is an audit committee financial expert, as defined in the rules of the SEC. The Audit Committee retains our independent auditors, reviews and approves the planned scope, proposed fee arrangements and terms of engagement of the independent auditors, reviews the results of our annual audit, evaluates the adequacy of accounting and financial controls, reviews the independence of our auditors, and oversees Extreme Networks financial reporting on behalf of the Board of Directors. The Audit Committee is also responsible for establishing procedures for the receipt, retention and treatment of complaints received by Extreme Networks regarding questionable accounting or auditing matters, including the anonymous submission by our employees of concerns regarding accounting or auditing matters. In addition, the Audit Committee reviews with our independent auditors the scope and timing of their audit services and any other services they are asked to perform, the independent auditor's report on our consolidated financial statements following completion of their audit, and our critical accounting policies and procedures and policies with respect to our internal accounting and financial controls. The Audit Committee held eight meetings during the fiscal year ended July 2, 2006. For more information about the Audit Committee, see **REPORT OF THE AUDIT COMMITTEE** below.

Compensation Committee. The members of the Compensation Committee during fiscal year 2006 were Messrs. Charles Carinalli, Bob L. Corey and Kenneth Levy. The Board of Directors has approved the appointment of Mr. Silverglide to the Compensation Committee to replace Mr. Levy, effective on the date after the 2006 Annual Meeting. Each member of the Compensation Committee during fiscal year 2006 was determined by the Board to be independent for purposes of the Nasdaq Marketplace Rules as they apply to compensation committee members. The Compensation Committee recommends to the outside and independent members of the Board of Directors for their approval the compensation of our executive officers and directors, including salaries, bonus levels and stock option grants. The Compensation Committee held three meetings during the fiscal year ended July 2, 2006. For more information about the Compensation Committee, see **REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION** below.

Nominating and Corporate Governance Committee. The members of the Nominating and Corporate Governance Committee during fiscal year 2006 were Messrs. Bob L. Corey and Kenneth Levy, each of whom the Board determined to be independent for purposes of the Nasdaq Marketplace Rules as they apply to nominating committee members. The Board of Directors has approved the appointment of Mr. Carinalli to the Nominating and Corporate Governance Committee, effective on the date after the 2006 Annual Meeting. The Nominating and Corporate Governance Committee identifies, reviews, evaluates and nominates candidates to serve on the our Board of Directors, is responsible for recommending corporate governance principles, codes of conduct and compliance mechanisms applicable to Extreme Networks, and assists the Board of Directors in its annual reviews of the performance of the Board, each committee and management. The Nominating and Corporate Governance Committee held two meetings in fiscal year 2006.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2006, no member of the Compensation Committee was a current or former officer or employee of Extreme Networks or any of its subsidiaries. No executive officer of Extreme Networks has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers who served as a member of the Board of Directors or the Compensation Committee of Extreme Networks during the 2006 fiscal year.

Table of Contents

Director Nominations

Director Qualifications. In fulfilling its responsibilities, the Nominating and Corporate Governance Committee considers the following factors in reviewing possible candidates for nomination as director:

the appropriate size of our Board of Directors and its Committees;

the perceived needs of the Board for particular skills, background and business experience;

the skills, background, reputation, and business experience of nominees and the skills, background, reputation, and business experience already possessed by other members of the Board;

nominees' independence from management;

nominees' experience with accounting rules and practices;

nominees' background with regard to executive compensation;

applicable regulatory and listing requirements, including independence requirements and legal considerations, such as antitrust compliance;

the benefits of a constructive working relationship among directors; and

the desire to balance the considerable benefit of continuity with the periodic injection of the fresh perspective provided by new members.

The Nominating and Corporate Governance Committee's goal is to assemble a Board of Directors that brings to Extreme Networks a variety of perspectives and skills derived from high quality business and professional experience. Directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the best interests of our stockholders. They must also have an inquisitive and objective perspective and mature judgment. Director candidates must have sufficient time available in the judgment of the Nominating and Corporate Governance Committee to perform all Board and committee responsibilities. Board members are expected to prepare for, attend, and participate in all Board and applicable committee meetings.

Other than the foregoing there are no stated minimum criteria for director nominees, although the Nominating and Corporate Governance Committee may also consider such other factors as it may deem, from time to time, are in the best interests of Extreme Networks and its stockholders. The Nominating and Corporate Governance Committee believes that it is preferable that at least one member of the Board should meet the criteria for an audit committee financial expert as defined by SEC rules. Under applicable listing requirements at least a majority of the members of the Board must meet the definition of independent director. The Nominating and Corporate Governance Committee also believes it appropriate for one or more key members of management to participate as members of the Board.

Identifying and Evaluating Candidates for Nomination as Director. The Nominating and Corporate Governance Committee annually evaluates the current members of the Board of Directors whose terms are expiring and who are willing to continue in service against the criteria set forth above in determining whether to recommend these directors for election. The Nominating and Corporate Governance Committee regularly assesses the optimum size of the Board and its committees and the needs of the Board for various skills, background and business experience in determining if the Board requires additional candidates for nomination.

Candidates for nomination as director come to the attention of the Nominating and Corporate Governance Committee from time to time through incumbent directors, management, stockholders or third parties. These candidates may be considered at meetings of the Nominating and Corporate Governance Committee at any point during the year. Such candidates are evaluated against the criteria set forth above. If the Nominating and Corporate Governance Committee believes at any time that the Board requires additional candidates for nomination, the Committee may poll directors and management for suggestions or conduct research to identify

Table of Contents

possible candidates and may engage, if the Nominating and Corporate Governance Committee believes it is appropriate, a third party search firm to assist in identifying qualified candidates.

The Nominating and Corporate Governance Committee will evaluate any recommendation for director nominee proposed by a stockholder. In order to be evaluated in connection with the Nominating and Corporate Governance Committee's established procedures for evaluating potential director nominees, any recommendation for director nominee submitted by a stockholder must be sent in writing to the Corporate Secretary, 3585 Monroe Street, Santa Clara, CA 95051, 120 days prior to the anniversary of the date proxy statements were mailed to stockholders in connection with the prior year's annual meeting of stockholders, except that under our bylaws, if no annual meeting was held in the previous year or the date of the annual meeting has been changed by more than 30 calendar days from the date contemplated at the time of the previous year's proxy statement, notice by the stockholders to be timely must be received not later than the close of business on the tenth day following the day on which public announcement of the date of such meeting is first made. For purposes of the foregoing, public announcement shall mean disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by the Company with the Securities and Exchange Commission. Such recommendation for director nominee submitted by a stockholder must contain the following information:

the candidate's name, age, contact information and present principal occupation or employment;

a description of the candidate's qualifications, skills, background, and business experience during, at a minimum, the last five years, including his/her principal occupation and employment and the name and principal business of any corporation or other organization in which the candidate was employed or served as a director; and

a statement signed by the candidate that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

In addition, our bylaws permit stockholders to nominate directors for consideration at an annual meeting.

All directors and director nominees must submit a completed form of directors' and officers' questionnaire as part of the nominating process. The evaluation process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee will evaluate incumbent directors, as well as candidates for director nominee submitted by directors, management and stockholders consistently using the criteria stated in this policy and will select the nominees that in the Committee's judgment best suit the needs of the Board at that time.

Because no annual meeting will be held in fiscal year 2006, in order for a stockholder proposal to be properly brought before the 2007 annual meeting, stockholder recommended nominees to be presented at the fiscal year 2007 annual meeting must be received at our principal executive offices, addressed to the Secretary, not later than the close of business on the tenth day following the day on which notice of the date of the meeting is mailed or public disclosure of the meeting date is first made, if ever.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the quality of our financial statements and our financial reporting on behalf of the Board of Directors. Management has the primary responsibility for the financial statements, maintaining appropriate accounting and financial reporting principles and policies and the reporting process, including internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Ernst & Young LLP, our independent registered public accounting firm, is responsible for expressing opinions on our annual financial statements and our internal control over financial reporting as of the end of the fiscal year. It is not the duty or responsibility of the Audit Committee or its members to conduct any type of auditing or accounting review or procedure, and each member of the Audit Committee relies on the integrity of those persons and organizations within and outside Extreme Networks from whom it receives information and the accuracy of the financial and other information provided to the Audit Committee.

The members of the Audit Committee during fiscal year 2006 were Messrs. Charles Carinalli, Bob L. Corey and Harry Silverglide. In September 2005, subsequent to the end of the 2005 fiscal year and the Audit Committee's review of our fiscal 2005 annual report on Form 10-K, Mr. Levy resigned from the Audit Committee and was replaced by Mr. Silverglide. At all times the Audit Committee has consisted of three directors each of whom, in the judgment of the Board, is an independent director as defined in the listing standards for The Nasdaq Stock Market. The Board has determined that Mr. Corey is the audit committee financial expert as such term is defined in the rules of the SEC.

The Audit Committee has discussed and reviewed with the independent auditors all matters required to be discussed under Statement on Auditing Standards No. 61, *Communication with Audit Committees*, SEC rules and other professional standards. The Audit Committee has received from the independent auditors a formal written statement describing all relationships between the auditors and Extreme Networks that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, discussed with the independent auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the independent auditors' independence.

The Audit Committee discussed with our independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their audit of our financial statements and our internal control over financial reporting as of the end of the fiscal year, our internal audits and the overall quality of our financial reporting. Additionally, the Audit Committee has discussed and reviewed with management the audited financial statements and management's report on internal control over financial reporting as of the end of the fiscal year.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the year ended July 2, 2006 for filing with the SEC. The Audit Committee and the Board of Directors have also recommended ratification of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending July 1, 2007.

The aggregate fees billed for professional services rendered for the audit of our annual financial statements and our internal control over financial reporting as of the end of the fiscal year by Ernst & Young LLP for fiscal year 2006 and for their review of the unaudited interim financial statements included in our Quarterly Reports on Forms 10-Q for fiscal year 2006, including accounting consultations on matters addressed during the annual audit and interim reviews, were \$2,362,000. The aggregate fees billed for professional services rendered by Ernst & Young LLP, other than the audit fees, were \$269,000. These fees were for professional services including domestic and foreign tax-planning, tax return preparation, and procedures related to the filing of corporate documents.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee (the Committee) is comprised of three independent, non-employee members of our Board of Directors. The members of the Compensation Committee during fiscal 2006 were Charles Carinalli, Bob L. Corey and Kenneth Levy.

The Committee is responsible for recommending and administering policies governing the annual compensation of our executive officers. The Committee periodically reviews the performance and compensation levels for executive officers and recommends to the independent members of the Board adjustments as warranted by competitive conditions or other circumstances.

Compensation Philosophy

Our philosophy concerning compensation for executive officers is to directly link their compensation to continuous improvements in our performance and increased stockholder value. The key elements of this philosophy are as follows:

provide a competitive total compensation package that enables us to attract, retain and reward executive officers who contribute to our success;

establish incentives that relate to our annual and long-term business strategies and objectives; and

provide variable compensation that is directly linked to the performance of Extreme Networks and stockholder return.

Consistent with this philosophy, the compensation package offered to executive officers includes: (i) base salary, (ii) variable incentive awards in the form of performance bonuses and (iii) long-term, equity incentives in the form of stock options.

Extreme Networks seeks to maintain equality among all of its employees. Accordingly, we do not provide our executive officers with personal benefit perquisites of any kind, nor are special dining or parking facilities provided to our executive officers. In addition, our health care and employee benefit plans are applicable to all employees, including executive officers. The Compensation Committee believes this egalitarian approach to our executives is in the best interests of all employees and Extreme Networks stockholders.

Base Salary

The Committee annually assesses the performance and sets the salary of the President and Chief Executive Officer (Gordon L. Stitt during fiscal year 2006, but currently Mark Canepa), based upon the average base pay of chief executive officers of other technology companies including companies of comparable size and revenue levels. The Committee also conducts an annual review of base salaries for all other executive officers and recommends adjustments based on (i) salary recommendations from the Chief Executive Officer, (ii) individual performance evaluations of executive officers for the previous year, (iii) financial results from the previous year and (iv) published salary surveys for companies of

Edgar Filing: EXTREME NETWORKS INC - Form DEF 14A

comparable size and revenue levels in the technology sector. Furthermore, the Committee recommends to the outside members of the Board both financial-based and operational-based objectives and goals, including sales and spending forecasts for the upcoming year, as part of the overall executive incentive program for all the executive officers.

For more information regarding the compensation and employment arrangements of Mr. Stitt and other executive officers for fiscal year 2006, see EXECUTIVE COMPENSATION Compensation of Executive Officers and Employment Contracts and Termination of Employment and Change-in-Control Arrangements.

Table of Contents**Executive Bonuses**

To reinforce the attainment of our goals, the Committee believes that a significant portion of the annual compensation of our executive officers should be in the form of executive bonuses. The Committee believes that this type of bonus program, in which bonuses are based on Extreme Networks attaining strategic and financial goals and other objectives set by the our Board of Directors, properly aligns the interests of our executive officers with the interests of our stockholders. In August 2005, the Committee approved the terms of the Company's fiscal 2006 incentive bonus plan (the 2006 Bonus Plan), by which each of our executive officers could earn a cash bonus for the fiscal year. Under this program, the Committee sets a level of performance for Extreme Networks based on the above measures, which must be attained before any bonuses are awarded. The Committee also awards incentive bonuses in connection with recruitment efforts.

The 2006 Bonus Plan provided for the payment of cash bonuses based upon the Company's operating profit, revenue objectives and management objectives. The amount of the total target bonus for each employee varied based upon the employee's position and responsibilities. Under the 2006 Bonus Plan, for vice presidents who were not among the group of executive officers consisting of the Company's chief executive officer and the four other most highly compensated executive officers for the Company's most recently completed fiscal year (the Named Executive Officers), the bonus was structured as follows: (i) thirty percent (30%) of the employee's total target bonus was based upon a fiscal 2006 revenue formula, (ii) forty percent (40%) of the employee's total target bonus was based upon the Company's adjusted operating profit in fiscal 2006 and (iii) thirty percent (30%) of the employee's total target bonus was based upon the achievement of individual management bonus objectives aligned with the Company's strategic goals and approved by the Compensation Committee. Under the 2006 Bonus Plan, for all Named Executive Officers other than the vice president of worldwide sales, the bonus was structured as follows: (i) fifty percent (50%) of the employee's total target bonus was based upon a fiscal 2006 revenue formula and (ii) fifty percent (50%) of the employee's total target bonus was based upon the Company's adjusted operating profit in fiscal 2006. Under the 2006 Bonus Plan, the bonus structure for the vice president of worldwide sales was as follows: (i) fifty percent (50%) of the employee's total target bonus was based upon the Company's adjusted operating profit and (ii) fifty percent (50%) of the employee's total target bonus was based upon the Company's gross margin in fiscal 2006. The target bonus that was to be paid to each Named Executive Officer under the 2006 Bonus Plan was as follows:

<u>Name and Title during Fiscal 2006</u>	<u>As a Percentage of Fiscal 2006 Base Salary</u>
Gordon L. Stitt, President and Chief Executive Officer:	100%
William R. Slakey, Senior Vice President, Chief Financial Officer:	40%
Alexander Gray, Senior Vice President, Chief Operating Officer	40%
Herb Schneider, Vice President Engineering	40%
Frank Carlucci, Senior Vice President Worldwide Sales	**

** Mr. Carlucci's bonus for fiscal 2006 was based on his bonus target and commission plan.

In fiscal year 2006, we did not achieve our corporate performance targets; accordingly, no bonuses were paid to Messrs. Stitt, Slakey, Schneider, and Gray. Mr. Carlucci received a bonus payment in the amount of \$23,000 for achieving certain of his performance targets. See EXECUTIVE COMPENSATION Summary Compensation Table.

Stock Options and Restricted Stock

The Committee believes that equity ownership by executive officers provides incentives to build stockholder value and aligns the interests of executive officers with those of the stockholders. Therefore, we periodically grant stock options and restricted stock to executive officers under our equity incentive plan. Stock options and restricted stock are granted at the current market price, and stock options will only have value if our

stock price increases over the exercise price.

Table of Contents

The Committee determines the amount and frequency of option and restricted stock grants for executive officers, after consideration of recommendations from the Chief Executive Officer. Recommendations for options and restricted stock are based upon the relative position and responsibilities of each executive officer, previous and expected contributions of each officer to Extreme Networks, previous option and restricted stock grants to such executive officers, as well as recruitment and retention considerations. Option and restricted stock grants vest in accordance with vesting schedules determined for each grant as appropriate to assist in retaining and motivating key employees. Variations in vesting schedules may also represent equitable adjustments as a result of significant fluctuations in the market price of our stock over time.

During fiscal year 2006 the Committee recommended for approval, and the independent members of the Board approved, the grant of stock options to the Company's Named Executive Officers for the following number of shares of the Company's common stock:

<u>Name and Title during Fiscal 2006</u>	<u>Shares Subject to Options Granted During Fiscal 2006</u>
Gordon L. Stitt, President and Chief Executive Officer	250,000
William R. Slakey, Senior Vice President, Chief Financial Officer	75,000
Alexander Gray, Senior Vice President, Chief Operating Officer	100,000
Herb Schneider, Vice President Engineering	100,000

Each such option was granted effective as of August 4, 2005, with an exercise price equal to \$4.89, the closing price of the Company's common stock on the Nasdaq Stock Market on August 4, 2005. Twenty-five percent (25%) of each option vests on the first anniversary of the option grant date, with the remaining portion of the option vesting monthly in 36 substantially equal installments.

During fiscal year 2006 the Committee recommended for approval, and the independent members of the Board approved, the following restricted stock awards to the Company's Named Executive Officers to be effective on August 4, 2005, for the following number of shares of the Company's common stock:

<u>Name and Title during Fiscal 2006</u>	<u>Restricted Shares</u>
William R. Slakey, Senior Vice President, Chief Financial Officer	30,000
Alexander Gray, Senior Vice President, Chief Operating Officer	50,000

Each such restricted stock award vests over two years, with fifty percent (50%) of the award vesting on the first anniversary of the grant date, and the remaining fifty percent (50%) vesting on the second anniversary of the grant date.

Chief Executive Officer Compensation

Mr. Stitt's total compensation as President and Chief Executive Officer for fiscal year 2006 was established by the Committee and approved by the outside directors in accordance with the guidelines set forth above. In setting Mr. Stitt's compensation, the Committee reviewed Radford surveys of chief executive compensation generally and of the compensation of chief executives or our competitors. The Committee commissioned a survey from an independent compensation consultant, regarding the compensation of chief executives of our chief competitors.

Edgar Filing: EXTREME NETWORKS INC - Form DEF 14A

The Committee reviewed Mr. Stitt's performance, our performance and our revenue levels. The Committee also considered certain incentive objectives based on our performance as it relates to revenue levels and earnings-per-share levels. Following this review, Mr. Stitt's annual base salary was set at \$400,000 beginning in September 2004, and re-approved at \$400,000 for fiscal 2006. The Board of Directors granted Mr. Stitt stock options in the aggregate amount of 250,000 shares during fiscal 2006. Mr. Stitt did not receive an executive bonus award in fiscal 2006.

Compliance with Section 162(m) of the Internal Revenue Code of 1986

We have considered the provisions of Section 162(m) of the Internal Revenue Code and related Treasury Department regulations, which restrict deductibility of executive compensation paid to our Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under the statute or regulations. Income from options granted under our stockholder-approved stock option plan would generally qualify for an exemption from these restrictions so long as the options are granted by a committee whose members are outside directors (as defined by Section 162(m)) and have an exercise price no less than the fair market value of the shares on the date of grant. We expect that the Compensation Committee will continue to be comprised solely of outside directors, and that any options granted to our executive officers will be approved by the Compensation Committee. The Committee does not believe that in general other components of our compensation will be likely to exceed \$1,000,000 for any executive officer in the foreseeable future, and therefore concluded that no further action with respect to qualifying such compensation for deductibility was necessary at this time. In the future, the Committee will continue to evaluate the advisability of qualifying its executive compensation for deductibility of such compensation. The Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws as practicable.

STOCKHOLDER PROPOSALS TO BE PRESENTED AT NEXT ANNUAL MEETING

Stockholder proposals may be brought before an annual meeting so long as they are provided to us on a timely basis and satisfy the other conditions set forth in the rules of the SEC. Under our bylaws, in order for a stockholder proposal to be properly brought before any annual meeting, the proposal must be timely and received at our principal executive offices, addressed to the Secretary, not later than 120 days prior to the one-year anniversary of the mailing date for the proxy statement for the previous year's annual meeting, except that if no annual meeting was held in the previous year, the date of the annual meeting has been advanced by more than 30 calendar days from the date contemplated at the time of the previous year's proxy statement or the proposal is for a special meeting, stockholder proposals may be brought not later than the close of business on the tenth day following the day on which notice of the date of the meeting was mailed or public disclosure of the meeting date was made. Because the 2006 Annual Meeting will not be held in fiscal year 2007, in order for a stockholder proposal to be properly brought before the 2007 annual meeting, the proposal must be received at our principal executive offices, addressed to the Secretary, not later than the close of business on the tenth day following the day on which notice of the date of the meeting is mailed or public disclosure of the meeting date is made. Stockholder business that is not intended for inclusion in our proxy materials may be brought before the annual meeting so long as we receive notice of the proposal as specified by our Bylaws, addressed to the Secretary at our principal executive offices, not later than the close of business on the tenth day following the day on which notice of the date of the meeting is mailed or public disclosure of the meeting date is first made, if ever.

If a stockholder proposal is brought before the 2007 annual meeting, our management proxy holders will be authorized by our proxy form to vote for or against the proposal, in their discretion, if we provide information in our 2007 proxy statement (a) regarding the nature of the matter and (b) advising stockholders how management intends to exercise its discretion to vote on the matter.

TRANSACTION OF OTHER BUSINESS

At the date of this Proxy Statement, the Board of Directors knows of no other business that will be conducted at the 2006 Annual Meeting, other than as described in this Proxy Statement. If any other matter or matters are properly brought before the meeting, or any adjournment or postponement of the meeting, it is the intention of the person named in the accompanying form of proxy to vote the proxy on such matters in accordance with their best judgment.
