**PROXY STATEMENT**

**FOR**

**2007 ANNUAL MEETING OF STOCKHOLDERS**

**OF BIOLARGO, INC.**

**To Be Held on September 6, 2007**

This proxy statement is furnished in connection with the solicitation by our Board of Directors (the "Board") of proxies to be voted at the Annual Meeting of Stockholders (the "Annual Meeting"), which will be held at 10:00 a.m. local time on September 6, 2007 at the Marriott Hotel, 18000 Von Karman Avenue, Irvine, California 92612, or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders (the "Notice"). This proxy statement and the proxy card are first being delivered or mailed to stockholders on or about August 14, 2007. Our Annual Report for the year ended December 31, 2006, on Form 10-KSB (the "10-KSB") is being mailed to stockholders concurrently with this proxy statement. The 10-KSB is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made except to the extent that portions thereof are specifically incorporated by reference herein. See the information under "Annual Report on Form 10-KSB" below which details the portions of the 10-KSB incorporated by reference herein. The Company's executive offices are located at 2603 Main Street, Suite 1155, Irvine, California 92614 and its telephone number at that location is (949) 235-8062.

Note that all references to shares of common stock in this proxy statement have been adjusted to account for the 1-for-25 reverse stock split of the Company's stock which was effected on March 15, 2007 by the Board of Directors, following stockholder approval at a special meeting of stockholders on such date.

**VOTING RIGHTS AND SOLICITATION**

The close of business on August 3, 2007 was the record date (the "Record Date") for stockholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, we had 39,654,643 shares of common stock, par value \$0.00067 per share, and no shares of preferred stock, par value \$0.00067 per share, issued and outstanding. All of the shares of our common stock outstanding on the Record Date, and only those shares, are entitled to vote on each of the proposals to be voted upon at the Annual Meeting. Holders of common stock of record entitled to vote at the Annual Meeting will have one vote for each share of common stock so held with regard to each matter to be voted upon.

All votes will be tabulated by the inspector of elections appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

The holders of a majority in voting interest of the common stock outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. The voting interest of shares of the common stock represented in person or by proxy will be counted for purposes of determining whether a quorum is present at the Annual Meeting. Shares which abstain from voting as to a particular matter will be treated as shares that are present and entitled to vote for purposes of determining the voting interest present and entitled to vote with respect to any particular matter, but will not be counted as votes cast on such matter. If a broker or nominee holding stock in "street name" indicates on a proxy that it does not have discretionary authority to vote as to a particular matter, those shares will not be considered as present and entitled to vote with respect to such matter and will not be counted as a vote cast on such matter.

In voting with regard to Proposal One (election of directors) stockholders may vote in favor of all the nominees, withhold their votes as to all nominees or withhold their votes as to a specific nominee. The vote required by Proposal One is governed by Delaware law and is a plurality of the votes cast by the holders of shares entitled to vote, provided a quorum is present. As a result, in accordance with Delaware law, votes that are withheld and broker non-votes will not be counted and will have no effect on the voting for election of directors.

**Table of Contents**

In voting with regard to Proposal Two (approval of the new stock option plan) and Proposal Three (ratification of appointment of our independent auditor), stockholders may vote in favor of each such proposal or against each such proposal or may abstain from voting. The vote required to approve Proposals Two and Three is governed by Delaware law, and the minimum vote required to approve each such proposal is a majority of the total votes cast on such proposal, provided a quorum is present. As a result, in accordance with Delaware law, abstentions and broker non-votes will not be counted and will have no effect on the outcome of the vote on this proposal.

Shares of our common stock represented by proxies in the accompanying form which are properly executed and returned to us will be voted at the Annual Meeting in accordance with the stockholders' instructions contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR each proposal. Management does not know of any matters to be presented at the Annual Meeting other than those set forth in this proxy statement and in the Notice accompanying this proxy statement. If other matters should properly come before the Annual Meeting, the proxyholders will vote on such matters in accordance with their best judgment.

Any stockholder has the right to revoke his, her or its proxy at any time before it is voted at the Annual Meeting by giving written notice to our Secretary and by executing and delivering to the Secretary a duly executed proxy card bearing a later date, or by appearing at the Annual Meeting and voting in person.

The entire cost of soliciting proxies will be borne by the Company. Proxies will be solicited principally through the use of the mails, but, if deemed desirable, may be solicited personally or by telephone, or special letter by our officers and regular employees for no additional compensation. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of our common stock, and such persons may be reimbursed for their expenses.

**PROPOSAL ONE**

**ELECTION OF DIRECTORS**

**Composition of Board of Directors**

Our bylaws provide that the Board shall consist of not less than two and not more than seven directors. The Board currently consists of five members. The Board has fixed the size of the Board to be elected at the Annual Meeting at five members. All of our incumbent directors were appointed to the Board at various times since 2002 in accordance with Delaware law because the Company has been unable to hold an annual meeting of stockholders since at least December 2003. The Company did hold a special meeting of stockholders on March 15, 2007, but it was unable to complete all of the information required in connection with the election of directors in connection with that meeting. It is the Board's intention that, on a going-forward basis, our directors will be elected by our stockholders at each annual meeting of stockholders and will serve until their successors are elected and qualified, or until their earlier resignation or removal. There are no family relationships among any of our current directors, the nominees for directors and our executive officers.

The proxyholders named on the proxy card intend to vote all proxies received by them in the accompanying form FOR the election of the nominees listed below, unless instructions to the contrary are marked on the proxy. These nominees have been selected by the Board. All of the nominees are currently members of the Board. If elected, each nominee will serve until the annual meeting of stockholders to be held in 2008 or until his successor has been duly elected and qualified.

In the event that a nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by the present Board to fill the vacancy. In the event that additional persons are nominated for election as directors, the proxyholders intend to vote all proxies received by them for the nominees listed below, unless instructions are given to the contrary. As of the date of this proxy statement, the Board is not aware of any nominee who is unable or will decline to serve as a director.

The Board does not currently have a nominating committee primarily because capital constraints, nature of Company's business as a public shell and size of the current Board make constituting and administering such a committee excessively burdensome. With respect to the nominees considered at Annual Meeting every director of the Company participated in the decisions relating to the nomination of directors.

## **CORPORATE GOVERNANCE**

Our corporate website, [www.biologo.com](http://www.biologo.com), contains the charters for the Company's Audit and Compensation Committees and certain other corporate governance documents and policies including the Company's Code of Ethics. Any changes to these documents and any waivers granted with respect to our code of ethics will be posted on our website. In addition, we will provide a copy of any of these documents without charge to any stockholder upon written request made to Secretary, BioLargo, Inc., 2603 Main Street, Suite 1155, Irvine, California 92614. The information on our website is not, and shall not be deemed to be, a part of this proxy statement or incorporated by reference into this or any other filing we make with the Securities and Exchange Commission (SEC).

## **Board of Directors**

### **Director Independence**

The Board has determined that each of Messrs. Cox and Marshall is independent as defined under NASDAQ Marketplace rules. The Board of the Directors of the Company has determined that none of Messrs. Calvert, Code or Provenzano is independent as defined under NASDAQ Marketplace rules. None of Messrs. Calvert, Code or Provenzano serves on any committees of the Board.

### **Meetings of the Board**

The Board held two meetings and acted by written consent once during 2006. Each of the incumbent directors attended 75% or more of the aggregate number of meetings of the Board and committees on which the director served in 2006. Each of our directors is encouraged to attend the Company's annual meeting of

## **Table of Contents**

stockholders and to be available to answer any questions posed by stockholders to such director. Because our Board the Company intends to hold one of its regular meetings in conjunction with our Annual Meeting, unless one or more members of the Board is unable to attend, all of the members of the Board are expected to be present for the Annual Meeting.

### **Communications with the Board**

The following procedures have been established by the Board in order to facilitate communications between our stockholders and the Board:

Stockholders may send correspondence, which should indicate that the sender is a stockholder, to the Board or to any individual director, by mail to Corporate Secretary, BioLargo, Inc., 2603 Main Street, Suite 1155, Irvine, California 92614.

Our Secretary will be responsible for the first review and logging of this correspondence and will forward the communication to the director or directors to whom it is addressed unless it is a type of correspondence which the Board has identified as correspondence which may be retained in our files and not sent to directors. The Board has authorized the Secretary to retain and not send to directors communications that: (a) are advertising or promotional in nature (offering goods or services), (b) solely relate to complaints by clients with respect to ordinary course of business customer service and satisfaction issues or (c) clearly are unrelated to our business, industry, management or Board or committee matters. These types of communications will be logged and filed but not circulated to directors. Except as set forth in the preceding sentence, the Secretary will not screen communications sent to directors.

The log of stockholder correspondence will be available to members of the Board for inspection. At least once each year, the Secretary will provide to the Board a summary of the communications received from stockholders, including the communications not sent to directors in accordance with the procedures set forth above.

Our stockholders may also communicate directly with the non-management directors as a group, by mail addressed to Lead Director, c/o Corporate Secretary, BioLargo, Inc., 2603 Main Street, Suite 1155, Irvine, California 92614.

The Company's Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding questionable accounting, internal controls, and financial improprieties or auditing matters. Any of the Company's employees may confidentially communicate concerns about any of these matters by mail addressed to Audit Committee, c/o Corporate Secretary, BioLargo, Inc., 2603 Main Street, Suite 1155, Irvine, California 92614.

All of the reporting mechanisms are also posted on our website. Upon receipt of a complaint or concern, a determination will be made whether it pertains to accounting, internal controls or auditing matters and, if it does, it will be handled in accordance with the procedures established by the Audit Committee.

### **Committees of the Board of Directors**

The Board has established an Audit Committee and a Compensation Committee.

The Audit Committee meets with management and the Company's independent public accountants to review the adequacy of internal controls and other financial reporting matters. Steven V. Harrison II, who resigned as a director on April 6, 2006, served as Chairman of the Audit Committee during 2005 and through the date of his resignation. On April 28, 2006, Mr. Marshall was appointed as Chairman of the Audit Committee. Mr. Cox also serves on the Audit Committee. The Board has determined that Mr. Marshall qualifies as an audit committee financial expert as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The Audit Committee met five times during 2006.

## **Table of Contents**

The Compensation Committee (the "Compensation Committee") reviews the compensation for all officers and directors and affiliates of the Company. The Committee also administers the Company's equity incentive option plan. Mr. Harrison was Chairman of the Compensation Committee during 2005 and through April 6, 2006. On April 28, 2006, Mr. Marshall was appointed as Chairman of the Compensation Committee. Mr. Cox also serves on the Compensation Committee. The Compensation Committee did not meet during 2006, because of the Company's limited functions and operations during 2006 and the additional fact that employment agreements were in place for the Company's few officers.

Because the Compensation Committee did not meet during 2006, the Board did not modify any action or recommendation made by the Compensation Committee with respect to executive compensation for the 2006 fiscal year. It is the opinion of the Compensation Committee that the executive compensation policies and plans provide the necessary total remuneration program to properly align the Company's performance and the interests of the Company's stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long term.

The Company does not have a Nominating/Corporate Governance Committee primarily because capital constraints, the Company's early operational state and the size of the current Board make constituting and administering such a committee excessively burdensome and costly. The traditional responsibilities of such a committee are handled by the Board as a whole. With respect to the nominees considered at the Annual Meeting, every incumbent director of the Company participated in the decisions relating to the nomination of directors.

In October 2004, the Board adopted a written code of ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

### **Compliance with Section 16(a) of the Exchange Act**

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors, certain officers and persons holding 10% or more of the Company's common stock to file reports regarding their ownership and regarding their acquisitions and dispositions of the Company's common stock with the Securities and Exchange Commission. Such persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To our knowledge, based solely upon review of Forms 3, 4, and 5 (and amendments thereto) and written representations provided to the Company by executive officers, directors and stockholders beneficially owning 10% or greater of the outstanding shares, the Company believes that such persons filed pursuant to the requirements of the Securities and Exchange Commission on a timely basis.

### **Recommendation of the Board**

The Board unanimously recommends that stockholders vote FOR election of each of the nominees identified above.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

*Transactions with Dennis Calvert and New Millennium Capital Partners LLC*

*New Millennium Note.* In conjunction with the acquisition of a technology license from Med Wireless, Inc. on August 21, 2002, the Company assumed a \$1,120,000 note (the *Note*) with interest at 10% per annum payable by Med Wireless to Summitt Ventures, Inc. The Note is secured by the Company's assets and was originally due on June 15, 2003. On March 26, 2003, Summitt Ventures sold the Note, together with 167,258 shares (all share amounts and share prices in this section have been adjusted for the 1-for-25 reverse split of our common stock on March 21, 2007) of the Company's common stock, to New Millennium Capital Partners LLC ( *New Millennium* ), a limited liability company controlled and owned in part by the Company's CEO and president, Dennis Calvert, in exchange for a \$900,000 promissory note (the *New Millennium Note*) issued by New Millennium in favor of Summitt Ventures. The New Millennium Note is secured by all of the stock of the Company then owned by New Millennium and Mr. Calvert. On March 26, 2003, the Board voted to enter into an amendment to the Note (the *Original Note Amendment*) to provide for conversion of the Note into restricted common stock of the Company (at a conversion price discounted 37.5% to the then market price of \$2.00). New Millennium agreed to the Note Amendment. Subsequent to the vote by the Board to convert the Note, the Company received notification from Nasdaq's Listing Qualifications Department that converting the Note without stockholder approval violated certain Nasdaq Marketplace Rules. In response to this notification, the Board, with the concurrence of New Millennium, voted to amend its resolution and withhold issuance of the shares to New Millennium pending stockholder approval for the conversion. To allow time for a stockholder vote with respect to the conversion, New Millennium agreed to extend the terms of the Note, from June 15, 2003 to October 1, 2003.

At the Company's June 6, 2003 Board meeting, and prior to a stockholder vote on the conversion, Mr. Calvert, on behalf of New Millennium, and the Company, through the unanimous action of the Board (with Mr. Calvert abstaining), agreed that, in light of the then-market conditions (namely the significant increase in the trading price of the Company's common stock since March 26, 2003, the date on which the conversion of the Note to equity was originally approved by the Board, from \$2.00 to \$7.00 as of June 6, 2003), it would be inequitable for New Millennium to convert the Note (together with accrued interest thereon) at the originally agreed to \$1.25 per share price. In this regard, Mr. Calvert, on behalf of New Millennium, and the Company orally agreed to rescind the agreement to convert the Note. In addition, New Millennium orally agreed with the Company to extend the maturity date of the Note to a first payment due October 1, 2003 in the amount of \$100,000 and the balance of the principal due on April 1, 2004, with interest due according to the original terms of the Note (to correspond to the payment terms of the New Millennium Note), and furthermore to reduce the Company's obligation on the Note to the extent that New Millennium is able to reduce its obligation on the New Millennium Note.

Due to the Company's lack of liquidity, the Company was unable to repay the first \$100,000 installment of the Note when it became due on October 1, 2003. To address this issue, the Board appointed a committee (the *Special Committee*) consisting of Joseph Provenzano and Steve Harrison, who was a member of the Board at that time, to negotiate revised terms and conditions of the Note with Mr. Calvert. Mr. Calvert informed the Special Committee that in order to accommodate the Company's working capital needs, Mr. Calvert would be willing to convert the Note into the Company's equity. Due to the Company's lack of liquidity, and because the terms of the conversion were negotiated on behalf of the Company by disinterested members of the Board and management, the Board determined not to seek a third-party fairness opinion on the terms of the proposed conversion. However, the Board did instruct the Special Committee to ensure that the Special Company presented any proposed loan conversion transaction to the Company's stockholders with a requirement that a majority vote of the disinterested stockholders be required for approval.

Pursuant to a series of negotiations between Mr. Calvert and the Special Committee, the Special Committee and Mr. Calvert agreed to once again provide for the conversion of the Note into equity. The parties agreed that

---

**Table of Contents**

the Note (together with accrued interest thereon) would be cancelled and converted into shares of the Company's common stock at a per share price equal to \$0.90 (a 20% discount to the closing price of the Company's common stock of \$1.125 on October 16, 2003, the date an agreement between the Special Committee and Mr. Calvert was reached).

In arriving at the conversion price, the Special Committee determined that a 20% discount to market price was appropriate based on a number of factors, including that (i) with the quantity of the shares that would be issued, a block of shares that size could not be liquidated without affecting the market price of the shares, and (ii) the shares would be restricted shares and could therefore not be sold in the public markets prior to two years from the date of the conversion, and thereafter would be subject to the volume and manner of sale limitations of Rule 144 under the Securities Act of 1933.

The stockholders meeting was held on December 9, 2003, but adjourned without a vote, because not enough shares to constitute a quorum were represented. The stockholders meeting was rescheduled for December 30, 2003, at which a quorum was also not present. Because this was the second attempt to obtain a quorum, and more than 160,000 additional shares were required to be voted to obtain a quorum, the Board adjourned the meeting indefinitely. As a result, the Note was not converted into common stock and the outstanding principal amount, together with accrued and unpaid interest, remains as a liability of the Company.

In conjunction with the Company's January 31, 2004 purchase of Premium Medical Group (PMG) (later rescinded in October 2004), and as a condition to that transaction, the Premium Medical Group shareholders (the PMG Shareholders) required the Company to convert the note so as to eliminate the obligation from the Company's balance sheet. At a meeting on February 10, 2004, the Board voted to convert the note into 1,234,800 shares of its common stock, at a conversion price of \$0.04, discounted 20% from the then market price of \$0.05. New Millennium agreed to this conversion. In arriving at a conversion price, the Board determined that a 20% discount to market price was appropriate based on a number of factors, including (i) the holding period of the stock will be two years, and thus is not liquid until that point, and (ii) the amount of the stock issued would make it impossible to liquidate the stock at the current market price. This discount was equal to the discount proposed to the stockholders in December 2003 at the abandoned stockholders meeting, and less than the discount used by the board at the first conversion attempt in April 2003.

The Board approved the conversion knowing that, since its conversion was a condition imposed by the PMG Shareholders, they (who would hold 45% of the Company's common stock at the time of such meeting) would provide the additional shares necessary to obtain a quorum and formal stockholder approval. Stockholder approval was also necessary to increase the number of authorized shares necessary to convert the Note. However, due to lack of operational capital, the Company was unable to remain current in its SEC filings, and thus was unable to hold the required stockholder meeting.

In October 2004, the Company, PMG and the PMG Shareholders rescinded the Stock Purchase Agreement. Because the Board's decision to convert the Note was based in part on the requirements of the PMG Stock Purchase Agreement, the board on October 28, 2004, determined not to convert the Note. Considering that the Company at the time was a shell corporation with no operations, Mr. Calvert also agreed to extend the maturity of the Note indefinitely until the Company's status changed.

On April 28, 2006, the Board and Mr. Calvert agreed to amend the New Millennium Note to (i) extend the due date to January 15, 2008; (ii) waive any payments of interest until the New Millennium Note becomes due; (iii) reduce the principal amount of the New Millennium Note from \$1,120,000 to \$900,000, equal to a 19.6% reduction, and New Millennium's basis in said Note; and (iv) correspondingly reduce the accrued but unpaid interest due under the terms of the New Millennium Note from \$317,956 to \$255,636, also equal to a 19.6% reduction.

As of December 31, 2006, the principal amount of the note, together with \$362,375 in accrued but unpaid interest, had not been repaid. On April 13, 2007, New Millennium converted the \$900,000 principal amount of

the New Millennium Note into 1,636,364 shares of our common stock. The New Millennium Note had a maturity date of January 15, 2008. The New Millennium Note was converted at a price of \$0.55 per share, which was the last bid price on the date of conversion. New Millennium is controlled by Dennis Calvert, the Company's President and Chief Executive Officer. Accrued but unpaid interest in the amount of \$380,658 as of the conversion date of April 13, 2007 remains outstanding on the New Millennium Note, which amount is not due to be paid until January 15, 2008. No additional interest will be accrued on this obligation.

*Dennis Calvert.* On March 15, 2007, the Company converted an aggregate of \$337,796 of accrued and unpaid obligations to Mr. Calvert into 900,790 shares of the Company's common stock at \$0.375 per share, the closing price of our common stock on such date. Of this amount, \$334,683 related to accrued and unpaid compensation through December 31, 2006 pursuant to the 2002 Calvert Employment Agreement and \$3,113 related to accrued and unreimbursed expenses as of December 31, 2006. See also the discussion under the caption "Employment Agreements - Dennis Calvert" set forth above.

### *Transactions with Mr. Provenzano*

See the discussion concerning agreements with Mr. Provenzano under the caption "Employment Agreements - Joseph Provenzano" set forth above.

### *Transactions with Mr. Code*

Mr. Code is the beneficial owner of 22,759,649 shares of our common stock, and is our principal stockholder. On August 14, 2006, the Company issued 620,637 shares of its Common Stock to Mr. Code, as additional consideration for his entering into a Consulting Agreement with the Company. On April 30, 2007, the company issued 22,139,012 shares of its Common Stock to IOWC Technologies, Inc., which Mr. Code controls, in connection with the acquisition by the Company of the BioLargo technology on that date. Mr. Code also entered into an employment agreement effective as of such date, pursuant to which he serves as our Chief Technology Officer, which is an executive officer position. Mr. Code was also appointed as a director of the Company pursuant to the terms of the agreements under which we acquired the BioLargo technology.

*Consulting Agreement.* On June 20, 2006, the Company and Mr. Code entered into a Consulting Agreement, which agreement was subsequently amended (as so amended, the Consulting Agreement). Pursuant to the Consulting Agreement, the Company engaged the services of Mr. Code, effective January 1, 2006, to advise the Company in research and development and technical support, and to provide other services and assistance to the Company in matters relating to the Company's business.

The Consulting Agreement contained provisions requiring Mr. Code to devote substantially all of his business time to the Company; prohibiting Mr. Code from directly or indirectly engaging in any business activity that would be competitive with the business of the Company or its affiliates, including its wholly-owned subsidiary BioLargo Life Technologies, Inc.; providing that during the term of the Consulting Agreement and for one year post-termination, Mr. Code would not solicit the Company's employees or customers; and other standard provisions typical for a consulting agreement. The Consulting Agreement also provided that the Company would retain the exclusive right to use or distribute all creations which may be created during the term of the Consulting Agreement. The Consulting Agreement terminated on April 30, 2007, when the Company acquired the BioLargo technology and entered into an employment agreement with Mr. Code (see Employment Agreements - Kenneth Code above). During the term of the Consulting Agreement, Mr. Code was paid \$15,400 per month, prorated for partial months, and was entitled to reimbursement for authorized business expenses incurred in the performance of his duties.

*Research and Development Agreement.* On August 11, 2006, the Company and BLTI entered into a Research and Development Agreement, which agreement was subsequently amended (as so amended, the R&D Agreement), with IOWC and Mr. Code. Pursuant to the R&D Agreement, IOWC and Mr. Code provided research and development services and expertise in the field of disposable absorbent products to the Company and BLTI.

**Table of Contents**

The R&D Agreement provided that the Company and BLTI will own, and the Company and BLTI will have the exclusive right to commercially exploit, the intellectual property developed, created, generated, contributed to or reduced to practice pursuant to the R&D Agreement. In addition, IOWC and Mr. Code agreed that during the term of the R&D Agreement and for one year after termination they would not compete with, and will not provide services to any person or entity which competes with, any aspect of BLTI's business.

The R&D Agreement terminated on April 30, 2007 when the Company acquired the BioLargo technology. During the term of the R&D Agreement, but only after mutually acceptable research facilities are established for the performance of IOWC's services (as of this date, no acceptable research facilities have been established), IOWC was to be paid (i) a fee of \$5,500 per month for each month during which no services are being performed pursuant to the R&D Agreement to offset for laboratory and/or office and IOWC employee expenses and (ii) such additional amounts as the parties may agree in connection with specific research projects conducted pursuant to the R&D Agreement.

As further consideration to Mr. Code to enter into the R&D Agreement, on August 14, 2006 the Company issued to Mr. Code 620,637 shares of its Common Stock.

*Asset Purchase Agreement.* For information regarding the terms of the asset purchase agreement dated as of April 30, 2007, entered into by the Company, BLTI, Mr. Code and IOWC, pursuant to which the BioLargo technology was acquired on April 30, 2007, please see pages 5-7 of the Company's 10-KSB, Part I, Item 1, "Description of Business - Transactions Involving the BioLargo Technology - Acquisition of the BioLargo Technology". A copy of the 10-KSB has been provided to each stockholder of record at the time this proxy statement was mailed.

**PROPOSAL TWO**

**PROPOSAL TO ADOPT THE 2007 EQUITY INCENTIVE PLAN**

On August 7, 2007, the Board of Directors adopted the BioLargo, Inc. 2007 Equity Incentive Plan. At the Annual Meeting, our stockholders are being asked to approve the 2007 Plan. The following is only a summary of the 2007 Plan and is qualified in its entirety by reference to the full text of the 2007 Plan, a copy of which is attached as Appendix A to this proxy statement.

**Purpose**

The Board believes that the Company's ability to award incentive compensation based on equity in the Company is critical to its ability to attract, motivate and retain key personnel. Approval of this proposal would provide 6,000,000 shares (on a pre-reverse split basis) to be used for grants under the 2007 Plan.

If the Transactions with IOWC are completed, we will need to attract, motivate and retain personnel so that we can implement our new line of business. The creativity and entrepreneurial drive of such employees and other personnel who provide services to the Company will be critical to our success. By giving our employees, consultants and directors an opportunity to share in the growth of our equity, we will align their interests with those of our stockholders. Our employees, consultants and directors will understand that their stake in the Company will have value only if, working together, we create value for our stockholders. Awards under the 2007 Plan will generally vest over a period of time giving the recipient an additional incentive to provide services over a number of years and build on past performance.

**Number of Shares**

The 2007 Plan freezes the number of shares available for awards under the 2004 Plan as of the date of the Annual Meeting. As a result, effective on the date of the Annual Meeting, no new awards will be made under the 2004 Plan if the 2007 Plan is approved.

Under the 2007 Plan, 6,000,000 shares of our common stock are reserved for issuance under awards. Any shares that are represented by awards under the 2007 Plan that are forfeited, expire, or are canceled or settled in cash without delivery of shares, or that are forfeited back to us or reacquired by us after delivery for any reason, or that are tendered to us or withheld to pay the exercise price or related tax withholding obligations in connection with any award under the 2007 Plan, will again be available for awards under the 2007 Plan. Only shares actually issued under the 2007 Plan will reduce the share reserve. If we acquire another entity through a merger or similar transaction and issue replacement awards under the 2007 Plan to employees, officers and directors of the acquired entity, those awards, to the extent permitted under applicable laws and securities exchange rules, will not reduce the number of shares reserved for the 2007 Plan.

The 2007 Plan imposes the following additional maximum limitations, which limitations will be adjusted to take into account stock splits, reverse stock splits and other similar occurrences following the date the 2007 Plan is approved by the stockholders:

The maximum number of shares that may be issued in connection with incentive stock options granted to any one person in any calendar year intended to qualify under Internal Revenue Code Section 422 is 160,000 shares.

The maximum number of shares that may be subject to stock options or stock appreciation rights granted to any one person in any calendar year is 200,000 shares, except that this limit is 400,000 shares if the grant is made in the year of the recipient's initial employment.

The maximum number of shares that may be subject to restricted stock or restricted stock units granted to any one person in any calendar year is 200,000 shares.

## **Table of Contents**

The maximum number shares that may be subject to awards granted to any one Participant in any calendar year of (i) performance shares, and/or performance units (the value of which is based on the Fair Market Value of a Shares), is 200,000 Shares; and (ii) of performance units (the value of which is not based on the Fair Market Value of a Share) that could result a payment of more than \$500,000.

The Compensation Committee, in its discretion, may grant awards that exceed the above limits (other than the limits on incentive stock options) if the Committee determines that such awards will not be considered qualified performance-based compensation within the meaning of Internal Revenue Code Section 162(m), but only if and to the extent that such discretion does not disqualify performance-based awards from qualifying as such under Internal Revenue Code Section 162(m). For 2006, the individual limits described above will be reduced by the number of shares subject to awards made during 2006 under the 2004 Plan. The number of shares reserved for issuance under the 2007 Plan, and the limits on the number of awards that may be granted to any one participant or of a particular type, as described above, are subject to adjustment to reflect certain subsequent changes to our capital structure, such as stock splits, stock dividends and recapitalizations including the reverse stock split set forth as Proposal Four.

## **Administration**

The 2007 Plan will be administered by the Compensation Committee. The Compensation Committee will have full power to administer the 2007 Plan and the decisions of the Compensation Committee will be final and binding upon all the participants.

The Board may delegate the Compensation Committee's administrative authority to another committee, or the Compensation Committee may delegate some of its authority to the Chief Executive Officer of the Company. Any such delegation may be made only to the extent the law allows. In no event may such delegation be made with respect to awards granted to individuals who are subject to Section 16 of the Exchange Act unless the delegation is made to a committee composed entirely of non-employee directors.

## **Eligibility**

The selection of the participants in the 2007 Plan will generally be determined by the Compensation Committee. Employees and those about to become employees, including those who are officers or directors of the Company or its subsidiaries and affiliates, are eligible to be selected to receive awards under the 2007 Plan. In addition, non-employee service providers, including non-employee directors, and employees of unaffiliated entities that provide bona fide services to the Company as an independent contractor are eligible to be selected to receive awards under the 2007 Plan. Non-employee directors of the Board are eligible for and shall receive automatic grants of options (as described in more detail below) without approval by the Compensation Committee.

As of December 31, 2006, two Named Executive Officers, two non-employee directors and three other employees and/or consultants were eligible to be selected by the Compensation Committee to receive grants under the 2007 Plan. No grants have yet been made under the 2007 Plan.

## **Types of Awards**

The 2007 Plan allows for the grant of stock options, stock appreciation rights, restricted stock awards and restricted stock units in any combination, separately or in tandem. Subject to the terms of the 2007 Plan, the Compensation Committee will determine the terms and conditions of awards (other than the automatic option grants to non-employee directors), including the times when awards vest or become payable and the effect of certain events such as termination of employment.

*Stock Options.* The Compensation Committee may grant either incentive stock options qualified with respect to Internal Revenue Code Section 422 or options not qualified under any section of the Internal Revenue

## **Table of Contents**

Code ( non-qualified options ). All stock options granted under the 2007 Plan must have an exercise price that is at least equal to the fair market value of our underlying common stock on the grant date. As of November 1, 2006, the date the 2007 Plan was first adopted, the fair market value of a share of our common stock, determined by the closing price per share on that date as quoted on the Pink Sheets, was \$0.50. No stock option granted under the 2007 Plan may have a term longer than ten years, except that under the 2007 Plan the term may be extended for six months beyond the date of death in the event that an option recipient dies prior to the option's termination date. The exercise price of stock options may be paid in cash, or, if the Compensation Committee permits, by tendering shares of common stock, or by any other means the Compensation Committee approves. Our stock options may contain a replenishment provision under which we issue a new option to an option holder (called a replenishment option ), in order to maintain his or her equity stake in the company, if the option holder surrenders previously-owned shares to us in payment of the exercise price of an outstanding stock option. The automatic replenishment option grant generally covers only the number of shares surrendered, and expires at the same time as the option that was exercised would have expired.

Under the 2007 Plan, either (i) the Board is responsible for determining the number of shares that each non-employee director will be granted annually or (ii) each non-employee director will receive an automatic initial grant of an option for 10,000 shares on the date he or she first joins the Board (or a pro-rated number if he or she joins the Board at a time other than at the annual stockholders' meeting), and an annual grant of an option for an additional 10,000 shares in each subsequent year on the date of the regular annual stockholders' meeting, beginning with the Annual Meeting. In addition, the Compensation Committee may grant options for an additional number of shares to non-employee directors. The automatic options granted to non-employee directors are exercisable in full on the first anniversary of the date of grant, or earlier in the event of death, disability, retirement or a change of control of the Company. If the director resigns for other than death, disability, or retirement prior to the first anniversary of the grant date, a pro rata portion of the option will become vested on the date of such resignation. Automatic non-employee director option grants expire on the tenth anniversary of the grant date or if earlier, on the 90th day after the director terminates service for any reason.

*Stock Appreciation Rights.* The Compensation Committee may grant stock appreciation rights ( SARs ) which provide the recipient the right to receive a payment (in cash, shares or a combination of both) equal to the difference between the fair market value of a specific number of shares on the grant date and the fair market value of such shares on the date of exercise. Stock appreciation rights must expire no later than ten years after their grant date, except that under the 2007 Plan the term may be extended for six months beyond the date of death in the event that a recipient dies prior to the termination date of the SARs.

*Restricted Stock and Restricted Stock Unit Awards.* The Compensation Committee may grant shares of restricted common stock with or without payment of consideration by the recipient, or may grant restricted stock units. The Compensation Committee will determine whether restricted stock units will be paid in cash, our common stock or a combination thereof. All or part of any restricted stock or restricted stock unit award may be subject to conditions and restrictions, which the Compensation Committee will specify. There will be a restriction period of at least three years' duration on stock and unit awards, unless the vesting of such awards is contingent on the attainment of performance goals, in which case the restriction period must be at least one year. The Compensation Committee may specify that the restriction period will lapse in the event of the recipient's termination of employment as a result of death, disability or retirement. In addition, the Compensation Committee may provide for a shorter restriction period if it determines in its sole discretion that an award of restricted stock or restricted stock units is made in lieu of cash compensation (including without limitation cash bonus compensation).

## **Change of Control**

The Compensation Committee may determine, in its discretion, whether an award issued under the 2007 Plan will become vested or payable, either in whole or in part, upon a change of control of the Company (as defined in the 2007 Plan). In addition, each holder of an option or stock appreciation right, and each holder of

## **Table of Contents**

shares received under a restricted stock award, restricted stock unit award, performance award or dividend equivalent award, if any, that vested or became payable as a result of the change of control, may have the right for a period of 30 days following the change of control to surrender the award or shares for a cash payment equal to:

in the case of an option or stock appreciation right, the difference between the higher of the fair market value of a share of our common stock on the date of surrender or the date of the change of control, and the grant or exercise price of the award; and

in the case of shares, the higher of the fair market value of a share of our common stock on the date of surrender or the date of the change of control.

The Compensation Committee may also cancel any options or stock appreciation rights that are not exercised or surrendered during the 30-day period described above.

The provisions of the 2007 Plan governing the ability of participants to surrender awards upon a change of control for a cash payment will also apply to awards made under the 2004 Plan. Accordingly, upon approval of the 2007 Plan, the 2004 Plan will be deemed amended to incorporate these change of control provisions.

### **Transferability of Awards**

Awards granted under the 2007 Plan are not transferable, other than by will or pursuant to state intestate laws, unless the Committee otherwise approves a transfer.

### **Foreign Participation**

The Compensation Committee may provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy or custom regarding awards granted to participants employed in foreign countries. In addition, the Compensation Committee may approve such supplements to, or amendments, restatements or alternative versions of, the 2007 Plan as it determines is necessary or appropriate for such purposes. Any such amendment, restatement or alternative versions that the Compensation Committee approves for purposes of using the 2007 Plan in a foreign country will not affect the terms of the 2007 Plan for use in any other country.

### **Awards**

All awards which may be granted under the 2007 Plan are discretionary, and no awards have been granted to date under the 2007 Plan. The Compensation Committee has not considered specific awards to be made under the 2007 Plan; therefore, the number of shares that will be covered by any awards or the individuals to whom awards will be made cannot be determined at this time.

### **Amendments**

The Board or Compensation Committee may alter, amend, suspend or discontinue the 2007 Plan at any time, but no such action may be taken without stockholder approval if such approval is required by law or listing requirements, or if such action increases the number of shares that may be issued under the 2007 Plan or the annual award limits, or eliminates the prohibition on stock option repricing. The Compensation Committee may alter or amend awards under the 2007 Plan, but no such action may be taken without the consent of the participant if it would materially adversely affect an outstanding award, and no such action may be taken without prior stockholder approval if it would result in repricing a stock option to a lower exercise price other than to reflect a capital adjustment of our stock, such as a stock split. The Company has never repriced options in the past.

## **Table of Contents**

### **Term of Plan**

If our stockholders approve Proposal Six, the 2007 Plan will become effective as of December 20, 2006, and will remain in effect until December 20, 2016, unless it is terminated earlier by the Board or the Compensation Committee. As mentioned previously, no new awards will be made under the 2004 Plan if our stockholders approve the 2007 Plan, although the 2004 Plan will continue in effect for purposes of administering awards outstanding under such plan.

### **Plan Benefits**

Because the value of benefits under the 2007 Plan will depend on the Compensation Committee's actions and because the value of option and other stock awards will depend on the fair market value of common stock at various future dates, it is not possible to determine all benefits that will be received by employees, officers, and directors if the 2007 Plan is approved by the stockholders.

### **Federal Income Tax Consequences**

The following summary is intended only as a general guide to the United States federal income tax consequences under current law of incentive stock options and non-qualified stock options, which are authorized for grant under the 2007 Plan. It does not attempt to describe all possible federal or other tax consequences of participation in the 2007 Plan or tax consequences based on particular circumstances. The tax consequences may vary if options are granted outside the United States.

*Incentive Stock Options.* An option holder recognizes no taxable income for regular income tax purposes as a result of the grant or exercise of an incentive stock option qualifying under Internal Revenue Code Section 422. Option holders who dispose of the shares acquired under an incentive stock option after two years following the date the option was granted and after one year following the exercise of the option will normally recognize a capital gain or loss upon a sale of the shares equal to the difference, if any, between the sale price and the purchase price of the shares. If an option holder satisfies such holding periods upon a sale of the shares, the Company will not be entitled to any deduction for federal income tax purposes. If an option holder disposes of shares within two years after the date of grant or within one year after the date of exercise (a disqualifying disposition), the difference between the fair market value of the shares on the exercise date and the option exercise price (not to exceed the gain realized on the sale if the disposition is a transaction with respect to which a loss, if sustained, would be recognized) will be taxed as ordinary income at the time of disposition. Any gain in excess of that amount will be a capital gain. If a loss is recognized, there will be no ordinary income, and such loss will be a capital loss. Any ordinary income recognized by the option holder upon the disqualifying disposition of the shares generally will result in a deduction by the Company for federal income tax purposes.

*Non-Qualified Stock Options.* Options not designated or qualifying as incentive stock options will be non-qualified stock options having no special tax status. An optionee generally recognizes no taxable income as the result of the grant of such an option. Upon exercise of a non-qualified stock option, the optionee normally recognizes ordinary income in the amount of the difference between the option exercise price and the fair market value of the shares on the exercise date. If the optionee is an employee, such ordinary income generally is subject to withholding of income and employment taxes. Upon the sale of stock acquired by the exercise of a non-qualified stock option, any gain or loss, based on the difference between the sale price and the fair market value on the exercise date, will be taxed as a capital gain or loss. No tax deduction is available to the Company with respect to the grant of a non-qualified stock option or the sale of the stock acquired pursuant to such grant. The Company generally should be entitled to a deduction equal to the amount of ordinary income recognized by the optionee as a result of the exercise of a non-qualified stock option.

*Other Considerations.* The Internal Revenue Code allows publicly-held corporations to deduct compensation in excess of \$1 million paid to the corporation's chief executive officer and its four other most highly compensated executive officers in office at the end of the tax year if the compensation is payable solely based on the attainment of one or more performance goals and certain statutory requirements are satisfied. We intend for compensation arising from grants of awards under the 2007 Plan which are based on performance goals, including stock options and stock appreciation rights granted at fair market value, to be deductible by us as performance-based compensation not subject to the \$1 million limitation on deductibility.

**Recommendation of the Board**

The Board unanimously recommends that stockholders vote **FOR** the proposal to adopt the 2007 Plan.

**Table of Contents****PROPOSAL THREE****RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR**

The Audit Committee has appointed Jeffrey S. Gilbert to act as our independent auditor for the fiscal year ended December 31, 2007 and such appointment is being submitted to our stockholders for ratification at the Annual Meeting. Mr. Gilbert is considered by our management to be well qualified. If the stockholders do not ratify the appointment of Mr. Gilbert, the Audit Committee may reconsider the appointment. Mr. Gilbert intends to be present at the Annual Meeting, will have an opportunity to make a statement if he desires to do so and will be available to respond to appropriate questions from stockholders.

The following table summarizes the fees charged by Mr. Gilbert for certain services rendered to the Company and its subsidiaries during 2005 and 2006:

These services include consultations regarding Sarbanes-Oxley Act requirements, various SEC filings and the implementation of new accounting requirements.
- (3) Represents aggregate fees charged for professional services for tax compliance and preparation, tax consulting and advice, and tax planning.
- (4) Represents aggregate fees charged for products and services other than those services previously reported as charged by former auditors.

**Recommendation of the Board**

The Board unanimously recommends that stockholders vote FOR the proposal to ratify the appointment of Jeffrey S. Gilbert as our independent auditor for the fiscal year ending December 31, 2007.

**REPORT OF COMPENSATION COMMITTEE**

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act, except to the extent that we specifically incorporate this report. The Compensation Committee has furnished this report on executive compensation for the 2006 fiscal year.

**Compensation Program and Philosophy**

The Compensation Committee administers the Company's executive compensation program. The Compensation Committee has the authority to review and determine the salaries and bonuses of the executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers, and to establish the general compensation policies for such individuals. The Compensation Committee also has the sole and exclusive authority to make discretionary option grants to all of the Company's employees under the Company's equity incentive plans.

The Compensation Committee operates under a written charter. The duties and responsibilities of a member of the Compensation Committee are in addition to his or her duties as a member of the Board. The charter reflects these various responsibilities, and the Committee is charged with periodically reviewing the charter. The Committee's membership is determined by the Board and is composed entirely of independent directors. In addition, the Committee has the authority to engage the services of outside advisors, experts and others, including independent compensation consultants who do not advise the Company, to assist the Committee. Mr. Harrison served as Chairman of the Compensation Committee during 2005 and until April 6, 2006, when he resigned as a director. Mr. Marshall has served as Chairman of the Compensation Committee since April 28, 2006. Mr. Cox also serves on the Compensation Committee. The Compensation Committee did not meet during 2006, because of the Company's limited functions and operations during 2006 and the additional fact that employment agreements were in place for the Company's few officers.

The Compensation Committee believes that the compensation programs for the Company's executive officers should reflect the Company's performance, support the short- and long-term strategic goals and values of the Company, reward individual contribution to the Company's success and align the interests of the Company's executive officers with the interests of the Company's stockholders. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals. To that end, it is the view of the Board that the total compensation program for executive officers should consist of all or most of the following components:

base salary

bonus

equity-based compensation

The Committee does not rely solely on predetermined formulas or a limited set of criteria when it evaluates the performance of the Company's chief executive officer and the Company's other executive officers. In 2006, the Committee considered management's continuing achievement of its short- and long-term goals versus its strategic imperatives. The principal factors that were taken into account in establishing each executive officer's compensation package for the 2006 fiscal year are described below. However, the Compensation Committee may in its discretion apply entirely different factors, such as different measures of financial performance, for future fiscal years. Moreover, all of the Company's Named Executive Officers have entered into employment agreements or arrangements with the Company and many components of each such person's compensation, including both base salary and some portion of bonus, are set by such agreement or arrangement.

**Table of Contents****Chief Executive Officer Compensation**

The 2002 Calvert Employment Agreement with Dennis Calvert provided for Mr. Calvert to be employed for five years at an annual salary of \$168,000. The 2002 Calvert Employment Agreement further provided that Mr. Calvert work with the Company on a full time basis, that the office be located in Laguna Hills, California, that he received annual increases of 10% of his base income, that bonuses were payable based on the greater of a performance scale established by the Compensation Committee, assigned by the Board, or 3% of the annual increase in market capitalization value. The compensation plan included benefits of a car allowance, insurance and a standard vacation package. The agreement had certain minimum performance standards and calls for a severance package equal to one year's base compensation, plus an additional one half year's compensation for each year of service beginning in 2003. Standard confidentiality, Company ownership rights to property and assets and arbitration clauses were included in the agreement. In contemplation of a proposed amendment to Mr. Calvert's employment agreement, the Board of Directors approved an increase in Mr. Calvert's cash compensation, effective January 1, 2007, to \$184,800 per year. The Compensation Committee was not separately involved in this decision, due to the small size of the Company, and ratified this decision at its November 1, 2006 meeting.

On April 30, 2007, the Company entered into the 2007 Calvert Employment Agreement with Mr. Calvert, pursuant to which provides, among other things, Mr. Calvert will continue to be employed as the President, Chief Executive Officer and Interim Chief Financial Officer of the Company for a five-year term, at an annual base salary of \$184,800 for 2007, with 10% increases for each subsequent calendar year of the agreement. In addition, Mr. Calvert is entitled to receive bonuses granted in the discretion of the Compensation Committee.

The 2007 Calvert Employment Agreement provides that Mr. Calvert will be granted an option (the Option) to purchase 7,733,259 shares of the Company's common stock. The Option shall be a non-qualified stock option, shall be exercisable at \$0.18 per share, shall be exercisable for ten years from the date of grant and shall vest over time as follows:

|  |           |
|--|-----------|
| First anniversary of the date of this Agreement  | 2,577,753 |
| Second anniversary of the date of this Agreement | 2,577,753 |
| Third anniversary of the date of this Agreement  | 2,577,753 |

Notwithstanding the foregoing, any portion of the Option which has not yet vested shall be immediately vested in the event of, and prior to, a change of control, as defined in the 2007 Calvert Employment Agreement. Consistent with the foregoing, the precise terms and conditions of the agreement evidencing the Option to be entered into between the Company and Mr. Calvert shall be as determined by the Board of Directors and/or the Compensation Committee.

Other provisions of the 2007 Calvert Employment Agreement are discussed elsewhere in this proxy statement.

**Other Officer Compensation**

In 2005, as a result of the Company's reduced needs, the Company and Mr. Provenzano agreed that he would work for the Company on an as needed basis. In 2006, the Company accrued salary for Mr. Provenzano in the amount of \$101,200. Of this amount, \$61,200 related to services performed in 2006 and \$40,000 related to services performed in 2005 but which was not accrued in 2005. Of the total \$101,200, \$2,100 was paid in cash and the remaining was accrued and unpaid as of December 31, 2006. The Compensation Committee relied on the decisions of Dennis Calvert, the Company's President and Chief Executive Officer in deciding how much time the Company required of Mr. Provenzano and also how much of the compensation provided for pursuant to Mr. Provenzano's employment agreement he should be paid for such work.

**Table of Contents**

**Deductibility of Executive Compensation**

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly-held companies for compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. The limitation applies only to compensation which is not considered to be performance based. Non-performance based compensation paid to the Company's executive officers for the 2004 fiscal year did not exceed the \$1 million limit per officer, and the Compensation Committee does not anticipate that the non-performance based compensation to be paid to the Company's executive officers for the 2006 fiscal year will exceed that limit. Because it is unlikely that the cash non-performance based compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limit, the Compensation Committee has decided at this time not to take any action to limit or restructure the elements of cash compensation payable to the Company's executive officers. The Compensation Committee will reconsider this decision should the individual cash non-performance based compensation of any executive officer ever approach the \$1 million level.

**REPORT OF AUDIT COMMITTEE**

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act or the Exchange Act, except to the extent that we specifically incorporate this report by reference therein, and shall not be deemed to be soliciting material or otherwise deemed filed under either such Act.

The Audit Committee is currently comprised of two independent directors, all of whom are independent under the rules of the SEC and Nasdaq. Steven V. Harrison II, who resigned as a director on April 6, 2006, served as Chairman of the Audit Committee through the date of his resignation. On April 28, 2006, Mr. Marshall was appointed as Chairman of the Audit Committee. Mr. Cox also serves on the Audit Committee. The Board has determined that Mr. Marshall qualifies as an audit committee financial expert as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The duties and responsibilities of a member of the Audit Committee are in addition to his or her duties as a member of the Board. The Audit Committee operates under a written charter, a copy of which is available on the Company's corporate website. The Audit Committee met five times during 2006.

The Audit Committee's primary duties and responsibilities are to:

engage the Company's independent auditor,

monitor the independent auditor's independence, qualifications and performance,

pre-approve all audit and non-audit services,

monitor the integrity of the Company's financial reporting process and internal control systems,

provide an open avenue of communication among the independent auditor, financial and senior management of the Company and the Board, and

monitor the Company's compliance with legal and regulatory requirements, contingent liabilities, risk assessment and risk management.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In carrying out these responsibilities, the Audit Committee monitored the scope and staffing of the Company's internal management group that was previously established by the Company and held meetings with the Company's internal auditor regarding the progress and completion of the implementation of the Company's internal controls and the scope of their audit of such internal controls.

In overseeing the preparation of the Company's financial statements, the Audit Committee held meetings with the Company's internal auditor and independent auditors, both in the presence of management and privately, to review and discuss all financial statements prior to their issuance and to discuss the overall scope and plans for their respective audits, the evaluation of the Company's internal controls and significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee discussed the statements with both management and the Company's independent auditors. In accordance with Section 204 of the Sarbanes-Oxley Act of 2002 and the Statement on Auditing Standards (SAS) No. 61 (Communication With Audit Committees) as amended by SAS No. 90 (Audit Committee Communications), the Audit Committee has discussed with the Company's independent auditors all matters required to be discussed under the Sarbanes-Oxley Act and the foregoing standards.

**Table of Contents**

With respect to the Company's independent auditors, the Audit Committee, among other things, discussed with Jeffrey S. Gilbert matters relating to its independence, including the written disclosures made to the Audit Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee also reviewed and approved the audit and non-audit fees of Mr. Gilbert.

On the basis of these reviews and discussions, the Audit Committee (i) appointed Mr. Gilbert as the Company's independent registered public accounting firm for the 2007 fiscal year and (ii) recommended to the Board that the Board approve the inclusion of the Company's audited financial statements in the 10-KSB for filing with the SEC.

All decisions, interpretations and other actions of the Committee shall be final and binding on all Participants and any other individual with a right under the Plan or under any Award.

(b) *Delegation to Other Committees.* To the extent applicable law permits, the Board may delegate to another committee of the Board any or all of the authority and responsibility of the Committee. However, no such delegation is permitted with respect to Awards made to Section 16 Participants at the time any such delegated authority or responsibility is exercised. **Table of Contents**

**4. Eligibility.** The Committee may designate any of the following as a Participant from time to time: any officer or other employee of the Company or any of its Affiliates, an individual that the Company or an Affiliate has engaged to become an officer or other employee, a Non-Employee Director, or a consultant or advisor who provides bona fide services to the Company or an Affiliate as an independent contractor. The Committee's designation of a Participant in any year will not require the Committee to designate such person to receive an Award in any other year. Notwithstanding the foregoing, a Non-Employee Director automatically will be a Participant with respect to the automatic grants described in Section 7(b) to the extent that such grants are made under Section 7(b).

**5. Types of Awards.** Subject to the terms of this Plan, the Committee may grant any type of Award to any Participant it selects, but only employees of the Company or a Subsidiary may receive grants of Incentive Stock Options. Awards may be granted alone or in addition to, in tandem with, or in substitution for any other Award (or any other award granted under another plan of the Company or any Affiliate). Awards granted under the Plan shall be evidenced by an Award Agreement except to the extent the Committee provides otherwise.

**6. Shares Reserved under this Plan.**

(a) Plan Reserve. Subject to adjustment as provided in Section 16, an aggregate of 6,000,000 Shares are reserved for issuance under this Plan. The number of Shares reserved for issuance under this Plan shall be reduced only by the number of Shares delivered in payment or settlement of Awards. Notwithstanding the foregoing, the Company may issue only 6,000,000 Shares upon the exercise of Incentive Stock Options.

(b) Replenishment of Shares Under this Plan. If an Award lapses, expires, terminates or is cancelled without the issuance of Shares under the Award, or if Shares are forfeited under an Award, then the Shares subject to such Award may again be used for new Awards under this Plan under Section 6(a), including issuance as Incentive Stock Options. If Shares are issued under any Award and the Company subsequently reacquires them pursuant to rights reserved upon the issuance of the Shares, or if previously owned Shares are delivered to the Company in payment of the exercise price of an Award or the withholding taxes due as a result of the issuance or receipt of a payment or Shares under an Award, then such Shares may again be used for new Awards under this Plan under Section 6(a), but such Shares may not be issued pursuant to Incentive Stock Options.

(c) Participant Limitations. Subject to adjustment as provided in Section 13, with respect to Awards that are intended to qualify as performance-based compensation under Code Section 162(m), no Participant may be granted Awards that could result in such Participant:

(i) receiving in any calendar year Options for, and/or Stock Appreciation Rights with respect to, more than 200,000 Shares except that Options and/or Stock Appreciation Rights granted to a new employee in the calendar year in which his or her employment commences may not relate to more than 400,000 Shares;

(ii) receiving in any calendar year Awards of Restricted Stock and/or Restricted Stock Units relating to more than 200,000 Shares;

(iii) receiving in any calendar year Awards of Performance Shares, and/or Awards of Performance Units (the value of which is based on the Fair Market Value of a Share), for more than 200,000 Shares; or

(iv) receiving in any calendar year Awards of Performance Units (the value of which is not based on the Fair Market Value of a Share) that could result in a payment of more than \$500,000.

With respect to Awards that are not intended to meet the requirements of performance-based compensation under Code Section 162(m), the Committee may grant Awards in excess of the limits described in this subsection (c), but only if such discretion would not cause Awards that are intended to be performance-based compensation under Code Section 162(m) from being treated as such.

**7. Options.**

(a) *Discretionary Grants.* Except as provided in subsection (b) and subject to the terms of this Plan, the Committee will determine all terms and conditions of each Option, including but not limited to:

(i) Whether the Option is an Incentive Stock Option, or a nonqualified stock option which does not meet the requirements of Code Section 422; provided that in the case of an Incentive Stock Option, if the aggregate Fair Market Value (determined at the time of grant) of the Shares with respect to which all Incentive Stock Options are first exercisable by the Participant during any calendar year (under this Plan and under all other incentive stock option plans of the Company or any Affiliate that is required to be included under Code Section 422) exceeds \$100,000, such Option automatically shall be treated as a nonqualified stock option to the extent this limit is exceeded.

(ii) The number of Shares subject to the Option.

(iii) The exercise price per Share, which may not be less than the Fair Market Value of a Share as determined on the date of grant; provided that (i) no Incentive Stock Option shall be granted to any employee who, at the time the Option is granted, owns (directly or indirectly, within the meaning of Code Section 424(d)) more than ten percent of the total combined voting power of all classes of stock of the Company or of any Subsidiary unless the exercise price is at least 110 percent of the Fair Market Value of a Share on the date of grant; and (ii) the exercise price may vary during the term of the Option if the Committee determines that there should be adjustments to the exercise price relating to achievement of Performance Goals and/or to changes in an index or indices that the Committee determines is appropriate (but in no event may the exercise price per Share be less than the Fair Market Value of a Share as determined on the date of grant).

(iv) The terms and conditions of exercise, which may include a requirement that exercise of the Option is conditioned upon achievement of one or more Performance Goals or may provide for an acceleration of the exercisability upon the Participant's death, Disability or Retirement.

(v) The termination date, except that each Option must terminate no later than the tenth (10th) anniversary of the date of grant, and each Incentive Stock Option granted to any employee who, at the time the Option is granted, owns (directly or indirectly, within the meaning of Code Section 424(d)) more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any Subsidiary must terminate no later than the fifth (5th) anniversary of the date of grant. Notwithstanding the foregoing, the Committee may extend the term of an Option for up to six (6) months beyond the tenth (10th) anniversary of the date of grant in the event a Participant dies prior to the Option's termination date.

(vi) The exercise period following a Participant's termination of employment or service.

In all other respects, the terms of any Incentive Stock Option should comply with the provisions of Code Section 422 except to the extent the Committee determines otherwise.

(b) *Automatic Grant to Non-Employee Directors.*

(i) *Annual Grants.* Subject to the provisions of Section 7(b)(vii), upon the conclusion of each regular annual meeting of the Company's stockholders held each year, beginning with the meeting held in 2006, each Non-Employee Director who is initially elected as a member of the Board at such meeting, and each Non-Employee Director who will continue serving as a member of the Board thereafter, shall receive an Option for 10,000 Shares. Such option shall be granted on the date of such meeting.

(ii) *Initial Grants.* Each Non-Employee Director who first becomes a member of the Board after the Effective Date and on a date other than the regular annual meeting of the Company's stockholders as described in clause (i) above, shall receive a one-time grant of an Option for such number of Shares

as is determined by multiplying 10,000 Shares by a fraction, the numerator of which is the number of months (calculated as 30 days) from the date the Non-Employee Director first joins the Board to the date of the next regularly-scheduled annual stockholders meeting and the denominator of which is twelve (12). Such Option shall be granted on the date when such Non-Employee Director first joins the Board.

(iii) *Exercisability.* Options granted under this Section 7(b) shall become exercisable in full upon the earliest of:

(A) the first (1st) anniversary of the date of grant provided the Non-Employee Director is a member of the Board on such date; provided that if the Non-Employee Director resigns from the Board for any reason other than those specified in clause (B) prior to the first (1<sup>st</sup>) anniversary of the grant date, a pro-rata portion of the Option (based on the ratio that the number of months (calculated as 30 days) that have elapsed since the grant date to the date of such resignation bears to twelve (12) shall become vested and exercisable;

(B) the termination of such Non-Employee Director's service because of death, Disability, or retirement at or after age 65; or

(C) a Change of Control as specified in Section 13(c).

(iv) *Exercise Price.* The Exercise Price for each Option granted under this Section 7(b) shall be equal to the Fair Market Value of a Share on the date of grant. The exercise price may be paid in cash, by tendering previously acquired Shares (that have been held for at least six months or acquired on the open market if so required to avoid an accounting expense to the Company), or by delivery (including by fax) to the Company or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the Shares and deliver the sale or margin loan proceeds directly to the Company to pay for the exercise price.

(v) *Term.* All Options granted under this Section 7(b) shall terminate on the earlier of:

(A) the tenth (10th) anniversary of the date of grant; or

(B) the date that is ninety (90) days after the termination of such Non-Employee Director's service for any reason.

(vi) *Adjustment.* Options granted under this Section 7(b) shall be subject to adjustment as provided in Section 14.

(vii) *Discretionary Grants to Non-Employee Directors.* Notwithstanding the foregoing, the Committee or the Board may determine that the Non-employee Directors shall receive discretionary grants of Options in accordance with Section 7(a) above in lieu of the automatic annual grants set forth in Section 7(b)(i) with respect to any given year. In such case, no automatic grants of Options shall be made under Section 7(b)(i) for such year and all grants of Options, if any, for such year, shall be made in accordance with Section 7(a), except that the Board shall determine all of the terms and conditions of such annual Option grant, if any, rather than the Committee.

**8. Stock Appreciation Rights.** Subject to the terms of this Plan, the Committee will determine all terms and conditions of each SAR, including but not limited to:

(a) Whether the SAR is granted independently of an Option or relates to an Option; provided that if an SAR is granted in relation to an Option, then unless otherwise determined by the Committee, the SAR shall be exercisable or shall mature at the same time or times, on the same conditions and to the extent and in the proportion, that the related Option is exercisable and may be exercised or mature for all or part of the Shares subject to the related Option. Upon exercise of any number of SARs, the number of Shares subject to the related Option shall be reduced accordingly and such Option may not be exercised with respect to that number of Shares. The exercise of any number of Options that relate to an SAR shall likewise result in an equivalent reduction in the number of Shares covered by the related SAR.

**Table of Contents**

(b) The number of Shares to which the SAR relates.

(c) The grant price, provided that the grant price shall not be less than the Fair Market Value of the Shares subject to the SAR as determined on the date of grant.

(d) The terms and conditions of exercise or maturity, which may include a provision that accelerates the exercisability of the SAR upon the Participant's death, Disability or Retirement. Notwithstanding the foregoing, unless the Committee determines otherwise in the Award Agreement, if on the date when the SAR expires or otherwise terminates, the grant price for the SAR is less than the Fair Market Value of a Share, then the unexercised portion of the SAR that was exercisable immediately prior to such date shall automatically be deemed exercised.

(e) The term, provided that an SAR must terminate no later than 10 years after the date of grant. Notwithstanding the foregoing, the Committee may extend the term of an SAR for up to six (6) months beyond the tenth (10<sup>th</sup>) anniversary of the date of grant in the event a Participant dies prior to the SAR's termination date.

(f) Whether the SAR will be settled in cash, Shares or a combination thereof.

**9. Performance Awards.** Subject to the terms of this Plan, the Committee will determine all terms and conditions of each award of Performance Shares or Performance Units, including but not limited to:

(g) The number of Shares and/or units to which such Award relates, and with respect to Performance Units, whether the value of each unit will be based on the Fair Market Value of one or more Shares, the average of the Fair Market Value of one or more Shares over such period as the Committee specifies, or such other value as the Committee specifies in the Award Agreement.

(h) One or more Performance Goals that must be achieved during such period as the Committee specifies in order for the Participant to realize the benefit of such Award.

(i) Whether all or a portion of the Performance Goals subject to an Award are deemed achieved upon a Participant's death, Disability or Retirement.

(j) With respect to Performance Units, whether to settle such Award in cash, Shares, or a combination of cash and Shares.

**10. Restricted Stock and Restricted Stock Unit Awards.** Subject to the terms of this Plan, the Committee will determine all terms and conditions of each award of Restricted Stock or Restricted Stock Units, including but not limited to:

(a) The number of Shares and/or units to which such Award relates.

(b) The period of time over which the restrictions imposed on Restricted Stock will lapse and the vesting of Restricted Stock Units will occur, and whether, as a condition for the Participant to realize all or a portion of the benefit provided under the Award, one or more Performance Goals must be achieved during such period as the Committee specifies; provided that, subject to the provisions of Section 10(c), an Award that is subject to the achievement of Performance Goals must have a restriction or vesting period of at least one year, and an Award that is not subject to Performance Goals must have a restriction or vesting period of at least three years. Notwithstanding the foregoing, if the Committee determines in its sole discretion that an Award of Restricted Stock or Restricted Stock Units is granted to a Participant in lieu of cash compensation (including without limitation bonus cash compensation), the Committee may impose such restriction or vesting period on such Award as it determines.

(c) Whether all or any portion of the restrictions or vesting schedule imposed on the Award will lapse or be accelerated upon a Participant's death, Disability or Retirement.

(d) With respect to Restricted Stock Units, whether to settle such Awards in cash, Shares, or a combination of cash and Shares.

---

**Table of Contents**

(e) With respect to Restricted Stock, the manner of registration of certificates for such Shares, and whether to hold such Shares in escrow pending lapse of the restrictions or to issue such Shares with an appropriate legend referring to such restrictions.

(f) Whether dividends paid with respect to an Award of Restricted Stock will be immediately paid or held in escrow or otherwise deferred and whether such dividends shall be subject to the same terms and conditions as the Award to which they relate.

**11. Transferability.** Awards are not transferable other than by will or the laws of descent and distribution, unless and to the extent the Committee allows a Participant to: (a) designate in writing a beneficiary to exercise the Award after the Participant's death; or (b) transfer an Award.

**12. Termination and Amendment of Plan; Amendment, Modification or Cancellation of Awards.**

(a) *Term of Plan.* This Plan will terminate on the tenth anniversary of the Effective Date unless the Board or Committee earlier terminates this Plan pursuant to Section 12(b).

(b) *Termination and Amendment.* The Board or the Committee may amend, suspend or terminate this Plan at any time, subject to the following limitations:

(i) the Board must approve any amendment, suspension or termination of this Plan to the extent the Company determines such approval is required by: (A) action of the Board, (B) applicable corporate law, (C) the listing requirements of any principal securities exchange or market on which the Shares are then traded, or (D) any other applicable law;

(ii) stockholders must approve any amendment of this Plan to the extent the Company determines such approval is required by: (A) Section 16 of the Exchange Act, (B) the Code, (C) the listing requirements of any principal securities exchange or market on which the Shares are then traded, or (D) any other applicable law; and

(iii) stockholders must approve any of the following Plan amendments: (A) an amendment to materially increase any number of Shares specified in Section 6(a) or 6(c) (except as permitted by Section 14); or (B) an amendment to the provisions of Section 12(e).

(c) *Amendment, Modification or Cancellation of Awards.* Except as provided in Section 12(e) and subject to the requirements of this Plan, the Committee may modify or amend any Award or waive any restrictions or conditions applicable to any Award or the exercise of the Award, and the terms and conditions applicable to any Awards may at any time be amended, modified or canceled by mutual agreement between the Committee and the Participant, so long as any amendment or modification does not increase the number of Shares issuable under this Plan (except as permitted by Section 14), but the Committee need not obtain Participant (or other interested party) consent for the cancellation of an Award pursuant to the provisions of Section 14(a) or the modification of an Award to the extent deemed necessary to comply with any applicable law or the listing requirements of any principal securities exchange or market on which the Shares are then traded, or to preserve favorable accounting treatment of any Award for the Company.

(d) *Survival of Authority and Awards.* Notwithstanding the foregoing, the authority of the Board and the Committee under this Section 12 will extend beyond the date of this Plan's termination. In addition, termination of this Plan will not affect the rights of Participants with respect to Awards previously granted to them, and all unexpired Awards will continue in force and effect after termination of this Plan except as they may lapse or be terminated by their own terms and conditions.

(e) *Repricing Prohibited.* Notwithstanding anything in this Plan to the contrary, and except for the adjustments provided in Section 14, neither the Committee nor any other person may decrease the exercise price for any outstanding Option after the date of grant nor cancel or allow a Participant to surrender an outstanding Option to the Company as consideration for the grant of a new Option with a lower exercise

---

**Table of Contents**

price or the grant of another type of Award the effect of which is to reduce the exercise price of any outstanding Option.

(f) *Foreign Participation.* To assure the viability of Awards granted to Participants employed in foreign countries, the Committee may provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. Moreover, the Committee may approve such supplements to, or amendments, restatements or alternative versions of, this Plan as it determines is necessary or appropriate for such purposes. Any such amendment, restatement or alternative versions that the Committee approves for purposes of using this Plan in a foreign country will not affect the terms of this Plan for any other country. In addition, all such supplements, amendments, restatements or alternative versions must comply with the provisions of Section 12(b)(ii).

**13. Taxes.**

(a) *Withholding Right.* The Company is entitled to withhold the amount of any tax attributable to any amount payable or Shares deliverable under this Plan after giving the person entitled to receive such amount or Shares notice as far in advance as practicable, and the Company may defer making payment or delivery if any such tax may be pending unless and until indemnified to its satisfaction.

(b) *Use of Shares to Satisfy Tax Withholding.* The Committee may permit a Participant to satisfy all or a portion of the federal, state and local withholding tax obligations arising in connection with an Award by electing to (i) have the Company withhold Shares otherwise issuable under the Award, (ii) tender back Shares received in connection with such Award or (iii) deliver other previously owned Shares, in each case having a Fair Market Value equal to the amount to be withheld. However, the amount to be withheld may not exceed the total minimum federal, state and local tax withholding obligations associated with the transaction to the extent required to avoid an expense on the Company's financial statements. The election must be made on or before the date as of which the amount of tax to be withheld is determined and otherwise as the Committee requires.

**14. Adjustment Provisions; Change of Control.**

(a) *Adjustment of Shares.* If the Committee determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that the Committee determines an adjustment to be appropriate to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, then, subject to Participants' rights under Section 14(c), the Committee may, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares subject to this Plan (including the number and type of Shares described in Sections 6(a) and 6(c)), and which may after the event be made the subject of Awards under this Plan, (ii) the number and type of Shares subject to outstanding Awards, and (iii) the grant, purchase, or exercise price with respect to any Award. In any such case, the Committee may also (or in lieu of the foregoing) make provision for a cash payment to the holder of an outstanding Award in exchange for the cancellation of all or a portion of the Award (without the consent of the holder of an Award) in an amount determined by the Committee effective at such time as the Committee specifies (which may be the time such transaction or event is effective), but if such transaction or event constitutes a Change of Control, then (A) such payment shall be at least as favorable to the holder as the amount the holder could have received in respect of such Award under Section 14(c) and (B) from and after the Change of Control, the Committee may make such a provision only if the Committee determines that doing so is necessary to substitute, for each Share then subject to an Award, the number and kind of shares of stock, other securities, cash or other property to which holders of Stock are or will be entitled in respect of each Share pursuant to the transaction or event in accordance with the last sentence of this subsection (a). However, in each case, with respect to Awards of Incentive Stock Options, no such adjustment may be authorized to the extent that such authority would

cause this Plan to violate Code Section 422(b). Further, the number of Shares subject to any Award payable or denominated in Shares must always be a whole number. Without limitation, subject to Participants' rights under Section 14(c), in the event of any reorganization, merger, consolidation, combination or other similar corporate transaction or event, whether or not constituting a Change of Control (other than any such transaction in which the Company is the continuing corporation and in which the outstanding Stock is not being converted into or exchanged for different securities, cash or other property, or any combination thereof), the Committee may substitute, on an equitable basis as the Committee determines, for each Share then subject to an Award, the number and kind of shares of stock, other securities, cash or other property to which holders of Stock are or will be entitled in respect of each Share pursuant to the transaction.

(b) *Issuance or Assumption.* Notwithstanding any other provision of this Plan, and without affecting the number of Shares otherwise reserved or available under this Plan, in connection with any merger, consolidation, acquisition of property or stock, or reorganization, the Committee may authorize the issuance or assumption of awards under this Plan upon such terms and conditions as it may deem appropriate.

(c) *Change of Control.*

(i) The Committee may specify, either in an Award Agreement or at the time of a Change of Control, whether an outstanding Award shall become vested and/or payable, in whole or in part, as a result of a Change of Control.

(ii) If, in connection with the Change of Control, the Options and SARs issued under the Plan are not assumed, or if substitute Options and SARs are not issued, or if the assumed or substituted awards fail to contain similar terms and conditions as the Award prior to the Change of Control or fail to preserve, to the extent applicable, the benefit to be provided to the Participant as of the date of the Change of Control, including but not limited to the right of the Participant to receive shares upon exercise of the Option or SAR that are registered for sale to the public pursuant to an effective registration statement filed with the U.S. Securities and Exchange Commission, then each holder of an Option or SAR that is outstanding as of the date of the Change of Control shall have the right, exercisable by written notice to the Company (or its successor in the Change of Control transaction) within 30 days after the Change of Control (but not beyond the Option's or SAR's expiration date), to receive, in exchange for the surrender of the Option or SAR, an amount of cash equal to the excess of the greater of the Fair Market Value of the Shares determined on the Change of Control date or the Fair Market Value of the Shares on the date of surrender covered by the Option or SAR (to the extent vested and not yet exercised) that is so surrendered over the purchase or grant price of such Shares under the Award. If the Committee so determines prior to the Change of Control, any such Option or SAR that is not exercised or surrendered prior to the end of such 30-day period will be cancelled.

(iii) If, in connection with the Change of Control, the Shares issued to a Participant as a result of the accelerated vesting or payment of a Restricted Stock Award, Performance Share Award, Restricted Stock Unit Award or Performance Unit Award under this subsection (c) are not registered for sale to the public pursuant to an effective registration statement filed with the U.S. Securities and Exchange Commission, then each holder of such Shares shall have the right, exercisable by written notice to the Company (or its successor in the Change of Control transaction) within 30 days after the Change of Control, to receive, in exchange for the surrender of such Shares an amount of cash equal to the greater of the Fair Market Value of a Share on the Change of Control date or the Fair Market Value of such Share on the date of surrender.

The provisions of Sections 14(c)(ii) and (iii) shall govern the treatment of awards made under the 2004 Plan in the event of a Change of Control, and the 2004 Plan is deemed amended accordingly.

(d) *Parachute Payment Limitation.*

(iv) *Scope of Limitation.* This Section 14(d) shall apply to an Award only if:

(C) the independent auditors most recently selected by the Board (the "Auditors") determine that the after-tax value of such Award to the Participant, taking into account the effect of all federal, state and local

---

**Table of Contents**

income taxes, employment taxes and excise taxes applicable to the Participant (including the excise tax under Code Section 4999), will be greater after the application of this Section 16(d) than it was before the application of this Section 14(d); or

(D) the Committee, at the time of making an Award under the Plan or at any time thereafter, specifies in writing that such Award shall be subject to this Section 14(d) (regardless of the after-tax value of such Award to the Participant).

If this Section 14(d) applies to an Award, it shall supersede any contrary provision of the Plan or of any Award granted under the Plan.

(v) *Basic Rule.* Except as may be set forth in a written agreement by and between the Company and the holder of an Award, in the event that the Auditors determine that any payment or transfer by the Company under the Plan to or for the benefit of a Participant (a Payment ) would be nondeductible by the Company for federal income tax purposes because of the provisions concerning excess parachute payments in Code Section 280G, then the aggregate present value of all Payments shall be reduced (but not below zero) to the Reduced Amount. For purposes of this Section 14(d), the Reduced Amount shall be the amount, expressed as a present value, which maximizes the aggregate present value of the Payments without causing any Payment to be nondeductible by the Company because of Code Section 280G.

(vi) *Reduction of Payments.* If the Auditors determine that any Payment would be nondeductible by the Company because of Code Section 280G, then the Company shall promptly give the Participant notice to that effect and a copy of the detailed calculation thereof and of the Reduced Amount, and the Participant may then elect, in his or her sole discretion, which and how much of the Payments shall be eliminated or reduced (as long as after such election the aggregate present value of the Payments equals the Reduced Amount) and shall advise the Company in writing of his or her election within ten (10) days of receipt of notice. If no such election is made by the Participant within such ten (10) day period, then the Company may elect which and how much of the Payments shall be eliminated or reduced (as long as after such election the aggregate present value of the Payments equals the Reduced Amount) and shall notify the Participant promptly of such election. For purposes of this Section 14(d), present value shall be determined in accordance with Code Section 280G(d)(4). All determinations made by the Auditors under this Section 14(d) shall be binding upon the Company and the Participant and shall be made within sixty (60) days of the date when a Payment becomes payable or transferable. As promptly as practicable following such determination and the elections hereunder, the Company shall pay or transfer to or for the benefit of the Participant such amounts as are then due to him or her under the Plan and shall promptly pay or transfer to or for the benefit of the Participant in the future such amounts as become due to him or her under the Plan.

(vii) *Overpayments and Underpayments.* As a result of uncertainty in the application of Code Section 280G at the time of an initial determination by the Auditors hereunder, it is possible that Payments will have been made by the Company that should not have been made (an Overpayment ) or that additional Payments that will not have been made by the Company could have been made (an Underpayment ), consistent in each case with the calculation of the Reduced Amount hereunder. In the event that the Auditors, based upon the assertion of a deficiency by the Internal Revenue Service against the Company or the Participant that the Auditors believe has a high probability of success, determine that an Overpayment has been made, such Overpayment shall be treated for all purposes as a loan to the Participant which he or she shall repay to the Company, together with interest at the applicable federal rate provided in Code Section 7872(f)(2); provided, however, that no amount shall be payable by the Participant to the Company if and to the extent that such payment would not reduce the amount subject to taxation under Code Section 4999. In the event that the Auditors determine that an Underpayment has occurred, such Underpayment shall promptly be paid or transferred by the Company to or for the benefit of the Participant, together with interest at the applicable federal rate provided in Code Section 7872(f)(2).

---

**Table of Contents**

(viii) *Related Corporations*. For purposes of this Section 14(d), the term *Company* shall include affiliated corporations to the extent determined by the Auditors in accordance with Code Section 280G(d)(5).

**15. Miscellaneous.**

(a) *Other Terms and Conditions*. The grant of any Award may also be subject to other provisions (whether or not applicable to the Award granted to any other Participant) as the Committee determines appropriate, including, without limitation, provisions for:

(i) one or more means to enable Participants to defer the delivery of Shares or recognition of taxable income relating to Awards or cash payments derived from the Awards on such terms and conditions as the Committee determines, including, by way of example, the form and manner of the deferral election, the treatment of dividends paid on the Shares during the deferral period or a means for providing a return to a Participant on amounts deferred, and the permitted distribution dates or events (provided that if Shares would have otherwise been issued under an Award but for the deferral described in this paragraph, then such Shares shall be treated as if they were issued for purposes of Sections 6(a));

(ii) the payment of the purchase price of Options by delivery of cash or other Shares or other securities of the Company (including by attestation) having a then Fair Market Value equal to the purchase price of such Shares, or by delivery (including by fax) to the Company or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the Shares and deliver the sale or margin loan proceeds directly to the Company to pay for the exercise price;

(iii) conditioning the grant or benefit of an Award on the Participant's agreement to comply with covenants not to compete, not to solicit employees and customers and not to disclose confidential information that may be effective during or after the Participant's employment or service, and/or provisions requiring the Participant to disgorge any profit, gain or other benefit received in connection with an Award as a result of the breach of such covenant;

(iv) the automatic grant of a new Option (the *replenishment Option*) to a Participant who pays the exercise price of an existing Option in Shares; provided that the replenishment Option shall cover only that number of Shares that is used to pay the exercise price and shall expire at the same time as the original Option to which it relates;

(v) restrictions on resale or other disposition of Shares, including imposition of a retention period; and

(vi) compliance with federal or state securities laws and stock exchange requirements.

(b) *Employment or Service*. The issuance of an Award shall not confer upon a Participant any right with respect to continued employment or service with the Company or any Affiliate, or the right to continue as a Director. Unless determined otherwise by the Committee, for purposes of the Plan and all Awards, the following rules shall apply:

(i) a Participant who transfers employment between the Corporation and any Affiliate of the Company, or between the Company's Affiliates, will not be considered to have terminated employment;

(ii) a Participant who ceases to be a Non-Employee Director because he or she becomes an employee of the Company or an Affiliate shall not be considered to have ceased service as a Director with respect to any Award until such Participant's termination of employment with the Company and its Affiliates;

**Table of Contents**

(iii) a Participant who ceases to be employed by the Company or an Affiliate of the Company and immediately thereafter becomes a Non-Employee Director, a non-employee director of any Affiliate, or a consultant to the Company or any Affiliate shall not be considered to have terminated employment until such Participant's service as a director of, or consultant to, the Company and its Affiliates has ceased; and

(iv) a Participant employed by an Affiliate of the Company will be considered to have terminated employment when such entity ceases to be an Affiliate of the Company.

(c) *No Fractional Shares.* No fractional Shares or other securities may be issued or delivered pursuant to this Plan, and the Committee may determine whether cash, other securities or other property will be paid or transferred in lieu of any fractional Shares or other securities, or whether such fractional Shares or other securities or any rights to fractional Shares or other securities will be canceled, terminated or otherwise eliminated.

(d) *Unfunded Plan.* This Plan is unfunded and does not create, and should not be construed to create, a trust or separate fund with respect to this Plan's benefits. This Plan does not establish any fiduciary relationship between the Company and any Participant or other person. To the extent any person holds any rights by virtue of an Award granted under this Plan, such rights are no greater than the rights of the Company's general unsecured creditors.

(e) *Requirements of Law and Securities Exchange.* The granting of Awards and the issuance of Shares in connection with an Award are subject to all applicable laws, rules and regulations and to such approvals by any governmental agencies or national securities exchanges as may be required. Notwithstanding any other provision of this Plan or any Award Agreement, the Company has no liability to deliver any Shares under this Plan or make any payment unless such delivery or payment would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity, and unless and until the Participant has taken all actions required by the Company in connection therewith. The Company may impose such restrictions on any Shares issued under the Plan as the Company determines necessary or desirable to comply with all applicable laws, rules and regulations or the requirements of any national securities exchanges.

(f) *Governing Law.* This Plan, and all agreements under this Plan, will be construed in accordance with and governed by the laws of the State of Delaware, without reference to any conflict of law principles. The parties agree that the exclusive venue for any legal action or proceeding with respect to this Plan, any Award or any Award Agreement, or for recognition and enforcement of any judgment in respect of this Plan, any Award or any Award Agreement, shall be a court sitting in the County of Los Angeles, or the Federal District Court for the Central District of California sitting in the County of Los Angeles, in the State of California, and further agree that any such action may be heard only in a bench trial, and any party to such action or proceeding shall agree to waive its right to assert a jury trial.

(g) *Limitations on Actions.* Any legal action or proceeding with respect to this Plan, any Award or any Award Agreement, must be brought within one year (365 days) after the day the complaining party first knew or should have known of the events giving rise to the complaint.

(h) *Construction.* Whenever any words are used herein in the masculine, they shall be construed as though they were used in the feminine in all cases where they would so apply; and wherever any words are used in the singular or plural, they shall be construed as though they were used in the plural or singular, as the case may be, in all cases where they would so apply. Title of sections are for general information only, and this Plan is not to be construed with reference to such titles.

(i) *Severability.* If any provision of this Plan or any Award Agreement or any Award (i) is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or as to any person or Award, or (ii) would disqualify this Plan, any Award Agreement or any Award under any law the Committee deems applicable, then such provision should be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially

altering the intent of this Plan, Award Agreement or Award, then such provision should be stricken as to such jurisdiction, person or Award, and the remainder of this Plan, such Award Agreement and such Award will remain in full force and effect.
