Item 8.01 Other Events

On March 18, 2008 Visa, Inc. (Visa) completed its initial public offering (IPO). As a result of Visa 's IPO Columbia Banking System, Inc. (the Company) received 118,637 shares of Class B Common Stock. Pursuant to Visa 's Certificate of Incorporation, a portion of the Company 's shares were subject to a mandatory partial redemption. On March 28, 2008 45,866 shares of the Company 's Class B Visa Common Stock were redeemed for net cash proceeds of \$1.96 million. Accordingly, the Company will recognize, in its first quarter financial statements, a pre-tax gain on the cash redemption proceeds of \$1.96 million, or \$0.07 per diluted common share.

On March 31, 2008 Visa funded a litigation escrow account with \$3.0 billion from the IPO proceeds. Based on the Company 's Visa USA membership percentage, the expected economic benefit to the Company from this escrow account is \$889,200. Accordingly, the Company will recognize, in its first quarter financial statements, a pre-tax recapture of previously accrued legal expense of \$889,200, or \$0.03 per diluted common share. The recapture of legal expense is a reduction of the \$1.8 million Visa litigation liability the Company accrued during the fourth quarter of 2007.

Consistent with Securities and Exchange Commission guidance, the Company will not recognize any gain on its remaining 72,771 shares of unredeemed Visa Class B Common Stock until such time they are redeemed for cash. Additionally, the Company 's remaining Visa litigation reserve of approximately \$888,000 will be subject to ongoing review and adjusted accordingly as information on Visa 's litigation matters emerges.
