This report and the information incorporated by reference contain forward-looking statements within the meaning of the federal securities laws. Words such as believes, estimates, plans, expects, should, may, might, could, outlook, potential, would, anticipates, the negative of these terms and similar expressions as they relate to BancGroup (including its subsidiaries and its management), are intended to identify forward-looking statements. The forward-looking statements in this report are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in or implied by the statements.

In addition to factors mentioned elsewhere in this report or previously disclosed in BancGroup's Securities and Exchange Commission (the SEC) reports (accessible on the SEC's website at www.sec.gov or on BancGroup's website at www.colonialbank.com), the following factors, among others, could cause actual results to differ materially from forward-looking statements, and future results could differ materially from historical performance. These factors are not exclusive:

losses in our loan portfolio are greater than estimated or expected;

an inability to raise additional capital on terms and conditions that are satisfactory, including the failure to close on Colonial's pending agreement with investors led by Taylor, Bean & Whitaker Mortgage Corp. (TBW);

regulatory conditions or requirements could be imposed upon either Colonial or TBW that could make consummation of the transaction between Colonial and TBW impracticable;

failure to receive final approval and actual funding from the U.S. Treasury Department's Capital Purchase Program;

failure to comply with the recent regulatory order and additional regulatory measures that could be imposed as a result;

the impact of current economic conditions and the results of our operations on our ability to borrow additional funds to meet our liquidity needs;

economic conditions affecting real estate values and transactions in BancGroup's market and/or general economic conditions, either nationally or regionally, that are less favorable or take longer to recover than expected;

changes in the interest rate environment which expand or reduce margins or adversely affect critical estimates as applied, projected returns on investments and fair values of assets;

continued or sustained deterioration of market and economic conditions or business performance could increase the likelihood that we would have an additional goodwill impairment charge;

deposit attrition, customer loss or revenue loss in the ordinary course of business;

increases in competitive pressure in the banking industry and from non-banks;

costs or difficulties related to the integration of the businesses of BancGroup and institutions it acquires are greater than expected;

Edgar Filing: COLONIAL BANGROUP INC - Form 8-K

the inability of BancGroup to realize elements of its strategic and operating plans for 2009 and beyond including a reduction of assets in order to improve capital ratios;

the anticipated savings and revenue enhancements from the Colonial 1st program may not be achieved in their entirety or accomplished within our expected time frame;

natural disasters in BancGroup's primary market areas result in prolonged business disruption or materially impair the value of collateral securing loans;

management's assumptions and estimates underlying critical accounting policies prove to be inadequate or materially incorrect or are not borne out by subsequent events;

the impact of recent and future federal and state regulatory changes;

current and future litigation, regulatory investigations, proceeding, inquiries or directives;

strategies to manage interest rate risk may yield results other than those anticipated;

changes which may occur in the regulatory environment;

a significant rate of inflation (deflation);

unanticipated litigation or claims;

changes in the securities markets;

acts of terrorism or war; and

details of the recently enacted Emergency Economic Stabilization Act of 2008, the American Recovery and Reinvestment Act of 2009, the Homeowner Affordability and Stability Plan and various announced and unannounced programs implemented by the U.S. Treasury Department and bank regulators to address capital and liquidity concerns in the banking system, are still being finalized and may have a significant effect on the financial services industry and BancGroup.

Many of these factors are beyond BancGroup's control. The reader is cautioned not to place undue reliance on any forward looking statements made by or on behalf of BancGroup. Any such statement speaks only as of the date the statement was made or as of such date that may be referenced within the statement. BancGroup does not undertake any obligation to update or revise any forward-looking statements.
