Approximate date of commencement of the proposed sale of the securities to the public: As soon as practicable after this registration statement becomes effective and upon completion of the merger described in the enclosed document.

If the securities being registered on this Form are being offered in connection with the formation of a holding company and there is compliance with General Instruction G, check the following box. "

If this Form is filed to register additional securities for an offering pursuant to Rule 462(b) under the Securities Act, check the following box and list the Securities Act registration statement number of the earlier effective registration statement for the same offering. "

If this Form is a post-effective amendment filed pursuant to Rule 462(d) under the Securities Act, check the following box and list the Securities Act registration statement number of the earlier effective registration statement for the same offering. "

Indicate by check mark whether the registrant is a large accelerated filer, an accelerated filer, a non-accelerated filer, or a smaller reporting company. See the definitions of "large accelerated filer," "accelerated filer" and "smaller reporting company" in Rule 12b-2 of the Exchange Act (check one):

Large accelerated filer Accelerated filer Non-accelerated filer Smaller reporting company

(Do not check if a smaller reporting company)

If applicable, place an X in the box to designate the appropriate rule provision relied upon in conducting this transaction:

Exchange Act Rule 13e-4(i) (Cross-Border Issuer Tender Offer) "

Exchange Act Rule 14d-1(d) (Cross-Border Third-Party Tender Offer) "

The registrant hereby amends this registration statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933, as amended, or until this registration statement shall become effective on such date as the Securities and Exchange Commission, acting pursuant to Section 8(a), may determine.

Table of Contents

Information contained herein is subject to completion or amendment. A registration statement relating to these securities has been filed with the Securities and Exchange Commission. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. This document shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any jurisdiction in which such offer, solicitation or sale is not permitted.

PRELIMINARY, SUBJECT TO COMPLETION, DATED APRIL 8, 2011

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

Dear Shareholders:

The board of directors of Duke Energy Corporation and the board of directors of Progress Energy, Inc. have agreed to a strategic combination of Duke Energy and Progress Energy under the terms of the Agreement and Plan of Merger, dated as of January 8, 2011, which we refer to as the merger agreement. If we complete the merger, Diamond Acquisition Corporation, a wholly-owned subsidiary of Duke Energy, which we refer to as Merger Sub, will merge with and into Progress Energy and Progress Energy will become a wholly-owned subsidiary of Duke Energy.

In the merger, Progress Energy shareholders will have the right to receive 2.6125 shares (to be adjusted as described below) of Duke Energy common stock, par value \$0.001 per share, for each share of Progress Energy common stock, no par value per share, held at the time of the merger, with cash to be paid in lieu of any fractional shares (other than those held in Progress Energy's Stock Purchase and Dividend Reinvestment Plan). We will adjust this exchange ratio proportionately to reflect the 1-for-3 reverse stock split with respect to the issued and outstanding Duke Energy common stock that Duke Energy plans to implement prior to, and conditioned on, the completion of the merger. The resulting adjusted exchange ratio will be 0.87083 of a share of Duke Energy common stock for each share of Progress Energy common stock. Each outstanding option to acquire, and each outstanding equity award relating to, one share of Progress Energy common stock will be converted into an option to acquire, or an equity award relating to, 2.6125 shares of Duke Energy common stock, as applicable, as adjusted for the reverse stock split as described above. Based on the number of shares of common stock of Duke Energy and Progress Energy outstanding on [], 2011, the record date for the two companies' special meetings of shareholders, and after giving effect to the reverse stock split, Duke Energy expects to issue approximately [] shares of Duke Energy common stock to Progress Energy shareholders. Based on these numbers, upon the completion of the merger, Duke Energy shareholders and former Progress Energy shareholders would own approximately []% and []% of the common stock of Duke Energy, respectively, which shares of Duke Energy common stock will be listed on the New York Stock Exchange.

Duke Energy and Progress Energy will each hold a special meeting of shareholders to consider the proposed merger. We cannot complete the merger unless the shareholders of both Duke Energy and Progress Energy approve the respective proposals related to the merger. Your vote is very important, regardless of the number of shares you own. **Whether or not you expect to attend your company's special meeting in person, please vote your shares as promptly as possible by (1) accessing the Internet website specified on your proxy card, (2) calling the toll-free number specified on your proxy card or (3) signing all proxy cards that you receive and returning them in the postage-paid envelopes provided, so that your shares may be represented and voted at the Duke Energy or Progress Energy special meeting, as applicable. You may revoke your proxy at any time before the vote at the special meeting by following the procedures outlined in the accompanying joint proxy statement/prospectus.**

We look forward to the successful combination of Duke Energy and Progress Energy.

Sincerely,

James E. Rogers

Chairman, President and Chief Executive Officer

Sincerely,

William D. Johnson

Chairman, President and Chief Executive Officer

Edgar Filing: Duke Energy CORP - Form S-4/A

Duke Energy Corporation

Progress Energy, Inc.

The obligations of Duke Energy and Progress Energy to complete the merger are subject to the satisfaction or waiver of several conditions set forth in the merger agreement. More information about Duke Energy, Progress Energy, the special meetings, the merger agreement and the merger is contained in the accompanying joint proxy statement/prospectus. **Duke Energy and Progress Energy encourage you to read the entire joint proxy statement/prospectus carefully, including the section entitled RISK FACTORS beginning on page 19.**

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved the merger and other transactions described in the joint proxy statement/prospectus, nor have they approved or disapproved the issuance of the Duke Energy common stock in connection with the merger, or determined if the joint proxy statement/prospectus is accurate or complete. Any representation to the contrary is a criminal offense.

This document is dated [], 2011, and is first being mailed to the shareholders of Duke Energy and Progress Energy on or about [], 2011.

DUKE ENERGY CORPORATION

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON [], 2011

To the Shareholders of Duke Energy Corporation:

We will hold a special meeting of the shareholders of Duke Energy Corporation on [], 2011 at [], Eastern time, in the O.J. Miller Auditorium in the Energy Center located at 526 South Church Street in Charlotte, North Carolina 28202, to consider and vote upon:

- (i) a proposal to approve the amendment of the amended and restated certificate of incorporation of Duke Energy Corporation to provide for a 1-for-3 reverse stock split with respect to the issued and outstanding Duke Energy common stock in connection with the merger contemplated by the Agreement and Plan of Merger, dated as of January 8, 2011, by and among Duke Energy Corporation, Diamond Acquisition Corporation, a wholly-owned subsidiary of Duke Energy Corporation, and Progress Energy, Inc., a copy of which is included as Annex A to the joint proxy statement/prospectus attached to this notice, as such agreement may be amended from time to time and which we refer to as the merger agreement, subject to the Duke Energy board of directors' authority to not complete such amendment if the merger agreement is terminated or the merger is otherwise abandoned (we refer to this proposal as the reverse stock split proposal);
 - (ii) a proposal to approve the issuance of Duke Energy common stock, par value \$0.001 per share, to Progress Energy, Inc. shareholders in connection with the merger contemplated by the merger agreement (we refer to this proposal as the share issuance proposal); and
 - (iii) a proposal to adjourn the special meeting of the shareholders of Duke Energy, if necessary, to solicit additional proxies if there are not sufficient votes to approve either of the proposals above (we refer to this proposal as the Duke Energy adjournment proposal).
- If Duke Energy and Progress Energy do not complete the merger, Duke Energy will not amend its amended and restated certificate of incorporation to effect the reverse stock split contemplated by the reverse stock split proposal, notwithstanding that Duke Energy's shareholders may have previously approved the reverse stock split proposal. Please refer to the attached joint proxy statement/prospectus and the merger agreement for further information with respect to the business to be transacted at the special meeting of Duke Energy shareholders. We expect to transact no other business at the special meeting, except for business properly brought before the special meeting.

Only holders of record of shares of Duke Energy common stock at the close of business on [], 2011, the record date for the special meeting, are entitled to notice of, and to vote at, the special meeting and any adjournments or postponements of the special meeting. A list of these shareholders will be available for inspection by any Duke Energy shareholder, for any purpose germane to the Duke Energy special meeting, at such meeting.

We cannot complete the merger described in the joint proxy statement/prospectus unless (i) holders of at least a majority of all shares of Duke Energy common stock outstanding on the record date for the Duke Energy special meeting vote in favor of the reverse stock split proposal and (ii) holders of at least a majority of the shares of Duke Energy common stock voting on the share issuance proposal approve the proposal, provided that the total votes cast on the proposal (including abstentions) must represent a majority of the shares of Duke Energy common stock outstanding on the record date for the Duke Energy special meeting.

Table of Contents

The Duke Energy board of directors unanimously recommends that the Duke Energy shareholders vote **FOR** the reverse stock split proposal, the share issuance proposal and the Duke Energy adjournment proposal. For a discussion of interests of Duke Energy's directors and executive officers in the merger that may be different from, or in addition to, the interests of Duke Energy's shareholders generally, see disclosure included in the joint proxy/statement prospectus attached to this notice under the heading **The Merger Interests of Directors and Executive Officers in the Merger** Interests of Directors and Executive Officers of Duke Energy in the Merger. Whether or not you expect to attend the Duke Energy special meeting in person, please vote your shares as promptly as possible by (1) accessing the Internet website specified on your proxy card, (2) calling the toll-free number specified on your proxy card or (3) signing all proxy cards that you receive and returning them in the postage-paid envelopes provided, so that your shares may be represented and voted at the Duke Energy special meeting. If your shares are held in the name of a bank, broker or other fiduciary, please follow the instructions on the voting instruction form furnished by the record holder.

By Order of the Board of Directors,

PROGRESS ENERGY, INC.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON [], 2011

To the Shareholders of Progress Energy, Inc.:

We will hold a special meeting of the shareholders of Progress Energy, Inc., on [], 2011 at [], Eastern time, in the Progress Energy Center for the Performing Arts located at 2 East South Street in Raleigh, North Carolina 27601, to consider and vote upon:

- (i) a proposal to approve the plan of merger contained in the Agreement and Plan of Merger, dated as of January 8, 2011, by and among Duke Energy Corporation, Diamond Acquisition Corporation, a wholly-owned subsidiary of Duke Energy Corporation, and Progress Energy, Inc., a copy of which is included as Annex A to the joint proxy statement/prospectus attached to this notice, as such agreement may be amended from time to time and which we refer to as the merger agreement, pursuant to which Diamond Acquisition Corporation will be merged with and into Progress Energy and each outstanding share of common stock of Progress Energy will be converted into the right to receive 2.6125 shares of common stock of Duke Energy, subject to adjustment to reflect the 1-for-3 reverse stock split with respect to the issued and outstanding Duke Energy common stock that Duke Energy plans to implement prior to, and conditioned on, the completion of the merger, resulting in an adjusted exchange ratio of 0.87083, with cash to be paid in lieu of any fractional shares other than those held in Progress Energy's Direct Stock Purchase and Dividend Reinvestment Plan (we refer to this proposal as the merger proposal); and
- (ii) a proposal to adjourn the special meeting of the shareholders of Progress Energy, if necessary, to solicit additional proxies if there are not sufficient votes to approve the merger proposal (we refer to this proposal as the Progress Energy adjournment proposal).

Based on the closing price of Duke Energy common stock on the New York Stock Exchange, or the NYSE, on January 7, 2011, the last trading day before the public announcement of the execution of the merger agreement, the 2.6125 exchange ratio (prior to adjustment for the reverse stock split) represented approximately \$46.48 in Duke Energy common stock for each share of Progress Energy common stock. Based on the closing price of Duke Energy common stock on the NYSE on April 5, 2011, the last practicable date before the date of this document, the unadjusted 2.6125 exchange ratio represented approximately \$48.10 in Duke Energy common stock for each share of Progress Energy common stock. If the proposals are accepted, and other conditions are met, Duke Energy shareholders will continue to own their existing shares of Duke Energy common stock, adjusted for the reverse stock split.

Please refer to the attached joint proxy statement/prospectus and the merger agreement for further information with respect to the business to be transacted at the special meeting of Progress Energy shareholders. We expect to transact no other business at the special meeting, except for business properly brought before the Progress Energy special meeting and any adjournment or postponement of the Progress Energy special meeting.

Only holders of record of shares of Progress Energy common stock at the close of business on [], 2011, the record date for the special meeting, are entitled to notice of, and to vote at, the special meeting and any adjournments or postponements of the special meeting. A list of these shareholders will be available for inspection by any Progress Energy shareholder, for any purpose germane to the Progress Energy special meeting, at such meeting.

We cannot complete the merger described in the joint proxy statement/prospectus unless holders of at least a majority of all shares of Progress Energy common stock outstanding on the record date for the Progress Energy special meeting vote in favor of the merger proposal.

Table of Contents

The Progress Energy board of directors unanimously recommends that the Progress Energy shareholders vote **FOR** the merger proposal and the Progress Energy adjournment proposal. For a discussion of interests of Progress Energy's directors and executive officers in the merger that may be different from, or in addition to, the interests of Progress Energy's shareholders generally, see disclosure included in the joint proxy/statement prospectus attached to this notice under the heading **The Merger Interests of Directors and Executive Officers in the Merger Interests of Directors and Executive Officers of Progress Energy in the Merger**. Whether or not you expect to attend the Progress Energy special meeting in person, please vote your shares as promptly as possible by (1) accessing the Internet website specified on your proxy card, (2) calling the toll-free number specified on your proxy card or (3) signing all proxy cards that you receive and returning them in the postage-paid envelopes provided, so that your shares may be represented and voted at the Progress Energy special meeting. If your shares are held in the name of a bank, broker or other fiduciary, please follow the instructions on the voting instruction form furnished by the record holder.

Do not send any share certificates at this time. If we complete the merger, we will notify you of the procedures for exchanging Progress Energy share certificates for shares of Duke Energy Corporation.

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETINGS

The following are answers to some questions that you, as a shareholder of Duke Energy Corporation or Progress Energy, Inc., may have regarding the merger and the other matters being considered at the special meeting of Duke Energy shareholders and at the special meeting of Progress Energy shareholders. Duke Energy and Progress Energy urge you to read carefully this entire document because the information in this section does not provide all the information that might be important to you with respect to the merger and the other matters being considered at the special meetings. We also include additional important information in the annexes to and the documents incorporated by reference into this document.

Q: Why am I receiving this document?

A: The Duke Energy and Progress Energy boards of directors are using this document to solicit proxies of Duke Energy and Progress Energy shareholders in connection with the merger agreement and the merger. In addition, we are using this document as a prospectus for Progress Energy shareholders because Duke Energy is offering shares of its common stock to be issued in exchange for shares of Progress Energy common stock in the merger.

In order to complete the merger, Duke Energy shareholders must vote to approve (i) an amendment to the amended and restated certificate of incorporation of Duke Energy providing for a 1-for-3 reverse stock split with respect to the issued and outstanding Duke Energy common stock prior to, and conditioned on, the completion of the merger and (ii) the issuance of new shares of Duke Energy common stock in connection with the merger. In addition, in order to complete the merger, Progress Energy shareholders must vote to approve the merger agreement.

Duke Energy and Progress Energy will hold separate special meetings of shareholders to obtain these approvals. This document contains important information about the merger agreement, the merger and the special meetings of the shareholders of Duke Energy and Progress Energy, and you should read it carefully. The enclosed voting materials allow you to vote your shares without attending your respective meetings in person.

Your vote is important. We encourage you to vote as soon as possible.

Q: When and where are the meetings of the shareholders?

A: The special meeting of Duke Energy shareholders will take place at [] a.m., Eastern time, on [], 2011, in the O.J. Miller Auditorium located at 526 South Church Street, Charlotte, North Carolina 28202.

The special meeting of Progress Energy shareholders will take place at [] a.m., Eastern time, on [], 2011, in the Progress Energy Center for the Performing Arts located at 2 East South Street in Raleigh, North Carolina 27601.

We provide additional information relating to the Duke Energy and Progress Energy special meetings on pages [] and [] respectively.

Q: Who can vote at the special meetings?

A: If you are a Duke Energy shareholder of record as of the close of business on [], the record date for the Duke Energy special meeting, you are entitled to receive notice of and to vote at the Duke Energy special meeting.

If you are a Progress Energy shareholder of record as of the close of business on [], the record date for the Progress Energy special meeting, you are entitled to receive notice of and to vote at the Progress Energy special meeting.

Table of Contents

Q: How do I vote?

A: If you are a shareholder of record of Duke Energy as of the record date for the Duke Energy special meeting or a shareholder of record of Progress Energy as of the record date for the Progress Energy special meeting, you may vote by:

accessing the Internet website specified on your proxy card;

calling the toll-free number specified on your proxy card; or

signing the enclosed proxy card and returning it in the postage-paid envelope provided.

You may also cast your vote in person at your respective company's special meeting. If you hold Duke Energy common stock or Progress Energy common stock in street name through a bank, broker or other nominee, please follow the voting instructions provided by your bank, broker or other nominee to ensure that your shares are represented at your special meeting. Shareholders that hold shares through a bank, broker, custodian or other record holder who wish to vote at the meeting will need to obtain a legal proxy from their bank, broker or other nominee.

Q: What will happen in the proposed merger?

A: Prior to entering into the merger agreement, Duke Energy formed a new North Carolina corporation, Diamond Acquisition Corporation. If we complete the merger, Diamond Acquisition Corporation will merge with and into Progress Energy, as a result of which Progress Energy will become a wholly-owned subsidiary of Duke Energy.

We provide additional information on the merger under the heading "The Merger," beginning on page [].

Q: What will I receive for my shares?

A: Upon completion of the merger, each share of Progress Energy common stock that you own immediately prior to the completion of the merger will be converted into the right to receive 0.87083 of a share of Duke Energy common stock together with cash in lieu of fractional shares (other than shares held in Progress Energy's Direct Stock Purchase and Dividend Reinvestment Plan, or the Progress Energy dividend reinvestment plan). This is equal to the exchange ratio provided in the merger agreement adjusted to reflect the reverse stock split that is discussed below. The exchange ratio will not be adjusted as a result of any changes in the trading prices of Duke Energy common stock or Progress Energy common stock. Each outstanding option to acquire, and each outstanding equity award relating to, one share of Progress Energy common stock will be converted into an option to acquire, or an equity award relating to, 0.87083 of a share of Duke Energy common stock, as applicable. Each share of Duke Energy common stock that you own immediately prior to the completion of the merger will be adjusted for the reverse stock split if the merger is completed. We provide additional information on the consideration to be received in the merger under the heading "The Merger Agreement Merger Consideration," beginning on page [], and additional information on the reverse stock split under the heading "Proposals Submitted to Duke Energy's Shareholders The Reverse Stock Split Proposal," beginning on page [].

Q: What is the reverse stock split?

A: Duke Energy is proposing that the Duke Energy shareholders approve an amendment to Duke Energy's amended and restated certificate of incorporation providing for a 1-for-3 reverse stock split with respect to the issued and outstanding Duke Energy common stock in connection with the merger. If the Duke Energy shareholders approve this reverse stock split proposal and the reverse stock split is

Edgar Filing: Duke Energy CORP - Form S-4/A

effected, then every three issued and outstanding shares of Duke Energy common stock would be combined and reclassified into one share of Duke Energy common stock. Immediately following the reverse stock split, each Duke Energy shareholder will own a reduced number of shares of Duke Energy common stock. The reverse stock split will happen at the same time for every Duke Energy shareholder, will affect every Duke Energy shareholder

Table of Contents

uniformly and will not change any Duke Energy shareholder's percentage ownership interest or relative voting rights in Duke Energy (other than to the extent that the reverse stock split would result in any Duke Energy shareholder owning a fractional share, because cash will be paid in lieu of fractional shares other than those held in participant accounts under the Duke Energy Investor/Direct Choice Plan, which we refer to as the Duke Energy dividend reinvestment plan). The reverse stock split would not change the number of authorized shares of Duke Energy common stock. As we explain below, while there can be no assurance as to Duke Energy's future valuation or stock price, the reverse stock split should not in itself change the overall valuation of Duke Energy, the value of a Duke Energy shareholder's investment or the value of the consideration Progress Energy shareholders expect to receive in the merger.

Q: Why is Duke Energy doing a reverse stock split?

A: The reverse stock split will ensure that Duke Energy has a sufficient number of authorized shares of Duke Energy common stock to complete the merger.

Q: What is the impact on the Duke Energy shareholder from the reverse stock split?

A: It is important to remember that this action should NOT affect the value of your ownership in Duke Energy. When the 1-for-3 reverse stock split occurs, Duke Energy's stock price, dividends and earnings per share should all increase by a factor of three. The following is an illustrative example for a shareholder owning 300 shares of Duke Energy common stock prior to the Duke Energy reverse stock split.

	Pre-split	Post-split
Number of shares	300	100
Illustrative share price	\$ 18	\$ 54
Investment value	\$ 5,400	\$ 5,400
Illustrative dividends per share	\$ 1	\$ 3
Dividends received	\$ 300	\$ 300

We cannot guarantee that the Duke Energy reverse stock split will proportionately increase the market price of Duke Energy common stock. Further, the Duke Energy board of directors, in its sole discretion, may change the company's dividend policy in the future. In the Duke Energy reverse stock split, Duke Energy expects to pay cash in lieu of any fractional shares other than those held in the Duke Energy dividend reinvestment plan.

Q: For the Progress Energy shareholder, what is the impact of the Duke Energy reverse stock split?

A: You will receive one-third of the number of Duke Energy shares in the transaction that you would have received on a pre-split basis; however, those shares should be valued at a price per share that is three times greater. Please see the illustrative example above, and note that we cannot assure you that the market price of Duke Energy common stock will increase in proportion to the Duke Energy reverse stock split, or that Duke Energy will maintain the same dividend policy in the future.

Q: How was the adjusted exchange ratio of 0.87083 of a share of Duke Energy common stock for each share of Progress Energy common stock derived?

A: The merger agreement provides that, in the event of a 1-for-3 reverse stock split, the exchange ratio of 2.6125 shares of Duke Energy common stock for each share of Progress Energy common stock will be divided by three, resulting in an adjusted exchange ratio of 0.87083 of a share of Duke Energy common stock for each share of Progress Energy common stock.

Table of Contents

Q: Why have Duke Energy and Progress Energy decided to merge?

A: Duke Energy and Progress Energy believe that the combination will provide substantial strategic and financial benefits to their shareholders, employees and customers. We expect these benefits will include:

increased financial strength and flexibility;

customer benefits in North Carolina and South Carolina from savings related to fuel and joint dispatch of the combined entity's generation base;

efficiencies to help Duke Energy mitigate future rate increases for the combined entity's customers;

other non-fuel related efficiencies from the leveraging of operational and customer service best practices that Duke Energy and Progress Energy believe will lower costs and increase service levels to customers;

a larger, more diverse and better positioned regulated utility business;

a stronger position to build new nuclear generating facilities, which we believe utilities located in the southeast United States will need to consider undertaking to comply with the requirements of future carbon emission restrictions and other environmental legislation; and

an enhanced ability to grow the regulated business, provide consistent and predictable earnings and cash flows, support dividend payments and maintain balance sheet strength.

We include additional information on the reasons for the merger and other factors considered by the Duke Energy and Progress Energy boards of directors under the headings "The Merger" Duke Energy's Reasons for the Merger and Recommendation of Duke Energy's Board of Directors and Progress Energy's Reasons for the Merger and Recommendation of Progress Energy's Board of Directors, beginning on pages [] and [] respectively.

Q: What will Jim Rogers' role be with Duke Energy following completion of the merger? What will Bill Johnson's role be?

A: Duke Energy and Progress Energy have agreed that Mr. Rogers will serve as executive chairman of the board of directors of Duke Energy and Mr. Johnson will serve as president and chief executive officer of Duke Energy following the completion of the merger.

We provide additional information on the senior management of Duke Energy following the completion of the merger under the heading "The Merger" Continuing Board and Management Positions, beginning on page [].

Q: Who will serve on the board of directors of Duke Energy following the completion of the merger?

A: The merger agreement provides that Duke Energy will increase the size of its board of directors to 18 directors upon completion of the merger. The board will consist of 11 designees of Duke Energy and seven designees of Progress Energy. Duke Energy expects that each of

Edgar Filing: Duke Energy CORP - Form S-4/A

its 11 current directors, including Mr. Rogers, will continue serving on its board upon the completion of the merger, subject to such individuals' ability and willingness to serve. Progress Energy expects that the following current members of the Progress Energy board of directors will serve on the board of directors of Duke Energy, subject to such individuals' ability and willingness to serve: Mr. Johnson, John D. Baker II, Harris E. DeLoach, Jr., James B. Hyler, Jr., E. Marie McKee, Carlos A. Saladrigas and Theresa M. Stone. Standing committees of the board of directors of Duke Energy will consist of each of Duke Energy's existing standing committees with the addition of a Regulatory Policy and Operations Committee. The merger agreement provides that Duke Energy will designate an individual to serve as the lead independent director of Duke Energy, following reasonable consultation with Progress Energy and subject to such individual's ability and willingness to serve.

We provide additional information on the board of directors of Duke Energy following the completion of the merger under the heading "The Merger - Continuing Board and Management Positions," beginning on page [].

Table of Contents

Q: Where will Duke Energy be headquartered following the completion of the merger?

A: Duke Energy will maintain its current headquarters in Charlotte, North Carolina, following the completion of the merger. Duke Energy will also maintain substantial operations in Raleigh, North Carolina.

Q: What vote is required to approve the merger?

A: In order to complete the merger,

the merger proposal must be approved by the holders of at least a majority of the outstanding shares of Progress Energy common stock;

the share issuance proposal must be approved by the holders of at least a majority of the shares of Duke Energy common stock voting on that proposal, provided that a majority of the outstanding shares of Duke Energy common stock vote on that proposal; and

the reverse stock split proposal must be approved by the holders of at least a majority of the outstanding shares of Duke Energy common stock.

Each of the shareholder approvals listed above must be obtained to complete the merger. If you are a Duke Energy shareholder and fail to vote, it will have the same effect as a vote against the reverse stock split proposal that is required to complete the merger. If you are a Progress Energy shareholder and fail to vote, it will have the same effect as a vote against the merger proposal that is required to complete the merger. Your vote is important.

As of [], 2011, the record date for the special meetings of shareholders of Duke Energy and Progress Energy, less than []% of the outstanding shares of Duke Energy common stock were owned by the directors and executive officers of Duke Energy, and less than []% of the outstanding shares of Progress Energy common stock were owned by the directors and executive officers of Progress Energy.

We provide additional information on the shareholder approvals required to complete the merger under the headings The Duke Energy Special Meeting and The Progress Energy Special Meeting, beginning on pages [] and [] respectively.

Q: If I hold my shares in street name through my broker, will my broker vote my shares for me?

A: If you hold your shares in a stock brokerage account or through a bank or other nominee (that is, in street name), you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker or other nominee. You may not vote shares held in street name by returning a proxy card directly to Duke Energy or Progress Energy or by voting in person at your special meeting unless you provide a legal proxy, which you must obtain from your broker or other nominee. Further, brokers who hold shares of Duke Energy common stock or Progress Energy common stock on behalf of their customers may not give a proxy to Duke Energy or Progress Energy to vote those shares without specific instructions from their customers.

If you are a Duke Energy shareholder and you do not instruct your broker on how to vote your shares, your broker may not vote your shares on the proposals to approve the reverse stock split, to approve the share issuance proposal or to approve the Duke Energy adjournment proposal. We refer to this as a broker non-vote. For a Duke Energy shareholder, a broker non-vote:

will have the same effect as a vote against the reverse stock split proposal;

Edgar Filing: Duke Energy CORP - Form S-4/A

will have no effect on the share issuance proposal, but may make it more difficult to meet the NYSE requirement that the total votes cast on such proposal (including abstentions) represent a majority of the shares of Duke Energy common stock outstanding as of the Duke Energy record date; and

will have no effect on the Duke Energy adjournment proposal.

Table of Contents

If you are a Progress Energy shareholder and you do not instruct your broker on how to vote your shares, your broker may not vote your shares on the merger proposal or the Progress Energy adjournment proposal. For a Progress Energy shareholder, a broker non-vote:

will have the same effect as a vote against the merger proposal; and

will have no effect on the Progress Energy adjournment proposal.

Q: What will happen to my future dividends?

A: During the period until the completion of the merger, the parties have agreed in the merger agreement that Progress Energy will not increase its \$0.62 per share regular quarterly cash dividend without the prior written consent of Duke Energy and Duke Energy may, without the consent of Progress Energy, increase its \$0.245 per share regularly quarterly cash dividend to \$0.25 per share commencing with the regular quarterly dividend that would be payable with respect to the second quarter of 2011 and to \$0.255 per share commencing with the regular quarterly dividend that would be payable with respect to the second quarter of 2012.

After the merger, we currently expect that Duke Energy will continue its dividend policy in effect at the time of the merger.

We provide additional information on Duke Energy's expected dividend policy under the heading "The Merger - Dividends," beginning on page [].

Q: What do I need to do now?

A: After carefully reading and considering the information contained or incorporated by reference into this document, please vote your proxy by telephone or Internet, or by completing and signing your proxy card and returning it in the enclosed postage-paid envelope as soon as possible so that your shares may be represented at your special meeting. In order to ensure that your vote is recorded, please vote your proxy as instructed on your proxy card even if you currently plan to attend your special meeting in person. Please do not send in your share certificates now. If we complete the merger, (i) Duke Energy shareholders at the effective time of the reverse stock split will receive instructions as to what to do with their pre-reverse stock split Duke Energy share certificates and (ii) former Progress Energy shareholders will receive instructions as to what to do with their share certificates formerly representing Progress Energy common stock.

We provide additional information on voting procedures under the headings "The Duke Energy Special Meeting - How to Vote" and "The Progress Energy Special Meeting - How to Vote," beginning on pages [] and [] respectively.

Q: How will my proxy be voted?

A: If you vote by telephone, by Internet, or by completing, signing, dating and returning your signed proxy card, your proxy will be voted in accordance with your instructions. If you sign, date, and send your proxy card and do not indicate how you want to vote on any particular proposal, we will vote your shares in favor of that proposal.

We provide additional information on voting procedures under the headings "The Duke Energy Special Meeting - Voting of Proxies" and "The Progress Energy Special Meeting - Voting of Proxies," beginning on pages [] and [] respectively.

Q: May I vote in person?

Edgar Filing: Duke Energy CORP - Form S-4/A

- A: Yes. If you are a shareholder of record of Duke Energy common stock or of Progress Energy common stock at the close of business on [], 2011, you may attend your special meeting and vote your shares in person, in lieu of submitting your proxy by telephone, Internet or returning your signed proxy card. If you hold your shares through a bank, broker, custodian or other record holder, you must provide a legal proxy at the special meeting, which you must obtain from your broker or other nominee.

x

Table of Contents

Q: What must I bring to attend my special meeting?

A: Only shareholders of Duke Energy or Progress Energy, as the case may be, or their authorized representatives, may attend the special meeting. If you wish to attend your special meeting, bring your proxy or your voter information form. You must also bring photo identification. If you hold your shares through a bank, broker, custodian or other record holder, you must also bring proof of ownership such as the voting instruction form from your broker or other nominee, or an account statement.

Q: What does it mean if I receive more than one set of materials?

A: This means you own shares of both Duke Energy and Progress Energy common stock or you own shares of Duke Energy or Progress Energy common stock that are registered under different names. For example, you may own some shares directly as a shareholder of record and other shares through a broker or you may own shares through more than one broker. In these situations, you will receive multiple sets of proxy materials. You must vote, sign and return all of the proxy cards or follow the instructions for any alternative voting procedure on each of the proxy cards you receive in order to vote all of the shares you own. Each proxy card you receive will come with its own postage-paid return envelope; if you vote by mail, make sure you return each proxy card in the return envelope that accompanied that proxy card.

Q: What do I do if I want to change my vote?

A: Send a later-dated, signed proxy card so that we receive it prior to your company's special meeting or attend your company's special meeting in person and vote. You may also revoke your proxy card by sending a notice of revocation that we receive prior to your company's special meeting to your company's Corporate Secretary at the address under the heading "Summary The Companies" beginning on page []. You may also change your vote by telephone or Internet. You may change your vote by using any one of these methods regardless of the procedure used to cast your previous vote.

We provide additional information on changing your vote under the headings "The Duke Energy Special Meeting Revoking Your Proxy" and "The Progress Energy Special Meeting Revoking Your Proxy," beginning on pages [] and [], respectively.

Q: As a participant in the Duke Energy Retirement Savings Plan, the Duke Energy Retirement Savings Plan for Legacy Cinergy Union Employees (Midwest) or the Duke Energy Retirement Savings Plan for Legacy Cinergy Union Employees (IBEW 1393), how do I vote shares held in my plan account?

A: If you are a participant in any of these plans, you have the right to provide voting directions to the plan trustee, by submitting your proxy card, for those shares of Duke Energy common stock that are held by the plan and allocated to your account. Plan participant proxies are treated confidentially.

If you elect not to provide voting directions to the plan trustee, the plan trustee will vote the Duke Energy shares allocated to your plan account in the same proportion as those shares held by the plan for which the plan trustee has received voting directions from other plan participants. The plan trustee will follow participants' voting directions and the plan procedure for voting in the absence of voting directions, unless it determines that to do so would be contrary to the Employee Retirement Income Security Act of 1974, as amended. Because the plan trustee must process voting instructions from participants before the date of the Duke Energy special meeting, we urge you to deliver your instructions no later than [], 2011.

Q: As a participant in the Progress Energy 401(k) Savings & Stock Ownership Plan, how do I vote shares held in my plan account?

Edgar Filing: Duke Energy CORP - Form S-4/A

- A: If you are a participant in this plan, the plan trustee will vote the Progress Energy shares allocated to your plan account only if you execute and return your proxy card, or vote by telephone or via the Internet. Plan participants must provide voting instructions on or before 11:59 p.m. Eastern Daylight Time on [], 2011. Any Progress Energy shares allocated to your plan account for which voting instructions are not provided by this time will not be voted and this will have the same effect as being voted against the merger proposal.

Table of Contents

Q: As a participant in the Savings Plan for Employees of Florida Progress Corporation, how do I vote shares held in my plan account?

A: If you are a participant in this plan, the plan trustee will vote the Progress Energy shares allocated to your plan account when you execute and return your proxy card, or vote by telephone or via the Internet. Plan participants must provide voting instructions on or before 11:59 p.m. Eastern Daylight Time on [], 2011. If you do not give direction, your shares will be voted in proportion with how the shares held in the plan (for which the plan trustee has received voting directions from other plan participants) are voted and in the best interest of the plan.

Q: Should I send in my share certificates now?

A: No. If we complete the merger:

we will send Duke Energy shareholders at the effective time of the reverse stock split written instructions for exchanging certificates representing their pre-reverse stock split shares. We will issue the appropriate number of shares of Duke Energy common stock to you in uncertificated book-entry form unless the holder requests a physical certificate; and

we will send former shareholders of Progress Energy written instructions for exchanging their share certificates. We will issue shares of Duke Energy common stock to former holders of Progress Energy common stock in uncertificated book-entry form unless the holder requests a physical certificate.

Q: When do you expect to complete the merger?

A: The companies are targeting a closing by the end of 2011, although we cannot assure completion by any particular date. Completion of the merger is conditioned upon the approval of the merger-related matters by shareholders of both Duke Energy and Progress Energy, as well as other customary closing conditions, including the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976. Other necessary regulatory approvals include: the Federal Energy Regulatory Commission, the Nuclear Regulatory Commission, the North Carolina Utilities Commission, the South Carolina Public Service Commission, the Kentucky Public Service Commission and the Federal Communications Commission. Please see Regulatory Matters, beginning on page [].

Q: Do I have dissenters or appraisal rights as a holder of Progress Energy common stock?

A: No, dissenters rights under the North Carolina Business Corporation Act, also referred to as appraisal rights, will not be available to holders of Progress Energy common stock given the structure of the merger and the nature of the consideration that Progress Energy shareholders would receive.

Q: How can I find more information about Duke Energy and Progress Energy?

A: For more information about Duke Energy and Progress Energy, see the section of this document entitled Where You Can Find More Information, beginning on page [].

Table of Contents

Q: Who can answer any questions I may have about the special meetings or the merger?

A: Duke Energy and Progress Energy shareholders who have questions about the merger or the other matters to be voted on at the special meetings or desire additional copies of this document or additional proxy cards should contact:

if you are a Duke Energy shareholder:

Georgeson Inc.
199 Water Street, 26th Floor
New York, New York 10038

SUMMARY

This summary highlights selected information contained in this document and may not contain all of the information that is important to you. For a more complete description of the merger agreement and the merger, and for other relevant information, you should carefully read this entire document and the other documents to which we have referred you. See **Where You Can Find More Information beginning on page []. We include page references to direct you to a more complete description of the topics presented in this summary.**

The Companies

Duke Energy Corporation (see page [])

526 South Church Street

Charlotte, North Carolina 28202

(704) 594-6200

Duke Energy, together with its subsidiaries, is a diversified energy company with both regulated and unregulated utility operations. Duke Energy supplies, delivers and processes energy for customers in the United States and selected international markets. Duke Energy's regulated utility operations consist of its U.S. franchised electric and gas segment, which owns approximately 27,000 megawatts of generating capacity and serves approximately four million customers located in five states in the southeast and midwest regions of the United States, representing a population of approximately 12 million people. Duke Energy's commercial power and international business segments own and operate diverse power generation assets in North America and Latin America, including a portfolio of renewable energy assets in the United States.

For the year ended December 31, 2010, Duke Energy had total revenues of \$14.3 billion and net income of \$1.3 billion. Duke Energy's consolidated assets as of December 31, 2010 were \$59.1 billion. Duke Energy's common stock is listed and trades on the NYSE under the symbol DUK.

Progress Energy, Inc. (see page [])

410 South Wilmington Street

Raleigh, North Carolina 27601

(919) 546-6111

Progress Energy is a public utility holding company primarily engaged in the regulated electric utility business. Progress Energy owns, directly or indirectly, all of the outstanding common stock of its utility subsidiaries, Carolina Power & Light Company d/b/a Progress Energy Carolinas, Inc., or Progress Energy Carolinas, and Florida Power Corporation d/b/a Progress Energy Florida, Inc., or Progress Energy Florida. Progress Energy's utility business has more than 22,000 megawatts of regulated electric generating capacity and serves approximately 3.1 million retail electric customers as well as other load-serving entities.

For the year ended December 31, 2010, Progress Energy had total revenues of \$10.2 billion and net income of \$863 million. Progress Energy's consolidated assets as of December 31, 2010 were \$33.1 billion. Progress Energy's common stock is listed and trades on the NYSE under the symbol PGN.

Diamond Acquisition Corporation (see page [])

Diamond Acquisition Corporation is a North Carolina corporation and a wholly-owned subsidiary of Duke Energy. Diamond Acquisition Corporation was formed on January 6, 2011, for the purpose of effecting the merger. Diamond Acquisition Corporation has not conducted any activities other than those incidental to its formation and the matters contemplated in the merger agreement.

Table of Contents

Risk Factors

Before deciding whether to vote for the proposals presented in this document, you should carefully consider all of the information contained in or incorporated by reference into this document, as well as the specific factors under the heading "Risk Factors" beginning on page [].

The Merger (see page [])

Upon completion of the merger, Diamond Acquisition Corporation will merge with and into Progress Energy. Progress Energy will be the surviving corporation in the merger and will thereby become a wholly-owned subsidiary of Duke Energy.

In the merger, each outstanding share of Progress Energy common stock (other than certain shares owned by Progress Energy, Duke Energy, or Diamond Acquisition Corporation, which will be cancelled) will be converted into the right to receive shares of Duke Energy common stock, with cash to be paid in lieu of fractional shares (other than in respect of shares held in the Progress Energy dividend reinvestment plan). The merger agreement provides for an exchange ratio of 0.87083 of a share of Duke Energy common stock for each share of Progress Energy common stock, after giving effect to a 1-for-3 reverse stock split with respect to the Duke Energy common stock that Duke Energy plans to implement before the merger. Duke Energy shareholders will continue to own their existing shares of Duke Energy common stock, after adjustment for the reverse stock split.

Based on the number of shares of Duke Energy common stock and Progress Energy common stock outstanding on [], 2011, the record date for the two companies' special meetings of shareholders, existing Duke Energy shareholders would own approximately []% of the common stock of Duke Energy and former Progress Energy shareholders would own approximately []% of the common stock of Duke Energy upon the completion of the merger.

Upon completion of the merger, Mr. Rogers, the current chairman, president and chief executive officer of Duke Energy, will serve as the executive chairman of the board of directors of Duke Energy, and Mr. Johnson, the current chairman, president and chief executive officer of Progress Energy, will serve as the president and chief executive officer of Duke Energy, subject to their ability and willingness to serve. Both Mr. Rogers and Mr. Johnson would serve on the board of directors of Duke Energy upon completion of the merger, which at that time will be comprised of 18 members, with 11 members designated by Duke Energy and seven members designated by Progress Energy.

The combined company will maintain Duke Energy's current headquarters in Charlotte, North Carolina, following the completion of the merger. Duke Energy will also maintain substantial operations in Raleigh, North Carolina. Until the merger has received all necessary approvals and is completed, Duke Energy and Progress Energy will continue operating as separate entities. The companies are targeting to complete the merger by the end of 2011, subject to receipt of the necessary shareholder and regulatory approvals, although we cannot assure completion by any particular date.

Recommendation of the Board of Directors of Duke Energy (see page [])

The Duke Energy board of directors unanimously recommends that the holders of Duke Energy common stock vote **FOR** the reverse stock split proposal, the share issuance proposal and the Duke Energy adjournment proposal.

For a more complete description of Duke Energy's reasons for the merger and the recommendation of the Duke Energy board of directors, see "The Merger - Duke Energy's Reasons for the Merger and Recommendation of Duke Energy's Board of Directors" beginning on page []. For a discussion of interests of Duke Energy's directors and executive officers in the merger that may be different from, or in addition to, the

Table of Contents

interests of Duke Energy's shareholders generally, see *The Merger* Interests of Directors and Executive Officers in the Merger Interests of Directors and Executive Officers of Duke Energy in the Merger, beginning on page [].

Recommendation of the Board of Directors of Progress Energy (see page [])

The Progress Energy board of directors unanimously recommends that the holders of Progress Energy common stock vote **FOR** the merger proposal and the Progress Energy adjournment proposal.

For a more complete description of Progress Energy's reasons for the merger and the recommendation of the Progress Energy board of directors, see *The Merger* Progress Energy's Reasons for the Merger and Recommendation of Progress Energy's Board of Directors beginning on page []. For a discussion of interests of Progress Energy's directors and executive officers in the merger that may be different from, or in addition to, the interests of Progress Energy's shareholders generally, see *The Merger* Interests of Directors and Executive Officers in the Merger Interests of Directors and Executive Officers of Progress Energy in the Merger, beginning on page [].

Opinions of Financial Advisors

Opinions of Financial Advisors to Duke Energy (see page [])

Opinion of J.P. Morgan Securities LLC. In connection with the execution of the merger agreement, the Duke Energy board of directors received an opinion, dated January 8, 2011, from Duke Energy's financial advisor, J.P. Morgan Securities LLC, or J.P. Morgan, as to the fairness, from a financial point of view and as of such date, to Duke Energy of the exchange ratio provided for in the merger agreement. For purposes of J.P. Morgan's opinion, the exchange ratio refers to the 2.6125 exchange ratio provided for in the merger agreement before adjustment for the Duke Energy reverse stock split that Duke Energy plans to effect prior to the completion of the merger as to which reverse stock split J.P. Morgan expressed no opinion. The full text of the written opinion of J.P. Morgan dated January 8, 2011, which sets forth, among other things, the assumptions made, procedures followed, matters considered, and qualifications and limitations on the opinion and the review undertaken by J.P. Morgan in connection with rendering its opinion, is included as Annex B to this document and is incorporated by reference herein in its entirety. You are encouraged to read the opinion and the description beginning on page [] carefully in their entirety. This summary and the description of the opinion beginning on page [] are qualified in their entirety by reference to the full text of the opinion. **J.P. Morgan provided its written opinion to the Duke Energy board of directors (in its capacity as such) in connection with and for purposes of its evaluation of the exchange ratio. J.P. Morgan's opinion was limited to the fairness, from a financial point of view, to Duke Energy of the exchange ratio in the merger agreement and J.P. Morgan expressed no opinion as to any other matter. The opinion does not constitute a recommendation to any shareholder as to how any shareholder should vote with respect to the merger or any other matter.**

Opinion of BofA Merrill Lynch. In connection with the execution of the merger agreement, Merrill Lynch, Pierce, Fenner & Smith Incorporated, or BofA Merrill Lynch, financial advisor to the Duke Energy board of directors, delivered to the Duke Energy board of directors at its meeting on January 8, 2011, an opinion as to the fairness, from a financial point of view and as of the date of the opinion, to Duke Energy of the exchange ratio provided for in the merger agreement. For purposes of BofA Merrill Lynch's opinion, the exchange ratio refers to the 2.6125 exchange ratio provided for in the merger agreement before adjustment for the Duke Energy reverse stock split that Duke Energy plans to effect prior to the completion of the merger, as to which reverse stock split BofA Merrill Lynch expressed no opinion. The full text of the written opinion of BofA Merrill Lynch, which describes, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken by BofA Merrill Lynch, is attached as Annex C to this document and is incorporated by reference herein in its entirety. You are encouraged to read the opinion and the description beginning on page [] carefully in their entirety. This summary and the description of the opinion beginning on page [] are qualified in

Table of Contents

their entirety by reference to the full text of the opinion. **BofA Merrill Lynch provided its opinion to the Duke Energy board of directors (in its capacity as such) for the benefit and use of the Duke Energy board of directors in connection with and for purposes of its evaluation of the exchange ratio from a financial point of view. BofA Merrill Lynch's opinion does not address any other aspect of the merger and does not constitute a recommendation to any shareholder as to how to vote or act in connection with the merger or any other matter.**

Opinions of Financial Advisors to Progress Energy (see page [])

Opinion of Lazard Frères & Co. LLC. In connection with the execution of the merger agreement, on January 8, 2011, Lazard Frères & Co. LLC, or Lazard, delivered its opinion to the Progress Energy board of directors that, as of such date, and based upon and subject to the assumptions, procedures, factors, qualifications and limitations set forth therein, the exchange ratio was fair, from a financial point of view, to holders of Progress Energy common stock. For purposes of Lazard's opinion, the exchange ratio refers to the 2.6125 exchange ratio provided for in the merger agreement before adjustment for the Duke Energy reverse stock split that Duke Energy plans to effect prior to the completion of the merger, as to which reverse stock split Lazard expressed no opinion. The full text of Lazard's written opinion, dated January 8, 2011, which sets forth the assumptions made, procedures followed, factors considered and qualifications and limitations on the review undertaken by Lazard in connection with its opinion, is attached to this document as Annex D and is incorporated by reference herein in its entirety. You are encouraged to read Lazard's opinion and the description beginning on page [] carefully and in their entirety. This summary and the description of the opinion beginning on page [] are qualified in their entirety by reference to the full text of the opinion. **Lazard's opinion was directed to the Progress Energy board of directors for the information and assistance of the Progress Energy board of directors in connection with its evaluation of the merger and addressed only the fairness as of the date of the opinion, from a financial point of view, of the exchange ratio to holders of Progress Energy common stock. Lazard's opinion was not intended to, and does not, constitute a recommendation to any shareholder as to how such shareholder should vote or act with respect to the merger or any matter relating thereto.**

Opinion of Barclays Capital Inc. In connection with the execution of the merger agreement, on January 8, 2011, Barclays Capital Inc., or Barclays Capital, rendered its oral opinion (which Barclays Capital subsequently confirmed in writing) to the Progress Energy board of directors that, as of such date and based upon and subject to the qualifications, limitations and assumptions stated in its opinion, from a financial point of view, the exchange ratio was fair to shareholders of Progress Energy. The full text of Barclays Capital's written opinion, dated as of January 8, 2011, is attached as Annex E to this document and is incorporated by reference herein in its entirety. Barclays Capital's written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations upon the review undertaken by Barclays Capital in rendering its opinion. You are encouraged to read the opinion and the description beginning on page [] carefully and in their entirety. This summary and the description of the opinion beginning on page [] are qualified in their entirety by reference to the full text of the opinion. **Barclays Capital's opinion, the issuance of which was approved by Barclays Capital's fairness opinion committee, is addressed to the Progress Energy board of directors, addresses only the fairness, from a financial point of view, of the exchange ratio to the Progress Energy shareholders and does not constitute a recommendation to any shareholder of Progress Energy as to how such shareholder should vote with respect to the merger or any other matter.**

Interests of Directors and Executive Officers in the Merger (see page [])

Duke Energy

Some of Duke Energy's directors and executive officers have financial interests in the merger that may be different from, or in addition to, the interests of Duke Energy shareholders generally. The Duke Energy board of directors was aware of and considered these potential interests, among other matters, in evaluating and

Table of Contents

negotiating the merger agreement and the merger, in approving the merger agreement and in recommending the approval of the reverse stock split proposal, the share issuance proposal and the Duke Energy adjournment proposal.

As provided in the merger agreement, at the completion of the merger, the Duke Energy board of directors will include 11 directors designated by Duke Energy and seven directors designated by Progress Energy. Mr. Rogers, the current chairman, president and chief executive officer of Duke Energy, will serve as the executive chairman of the Duke Energy board of directors upon the completion of the merger, subject to his ability and willingness to serve. The merger agreement also provides that certain executive officers of Duke Energy at the time the parties signed the merger agreement may continue to be executive officers of Duke Energy at the time the merger is completed. The continuing management of Duke Energy following completion of the merger is described under the heading *The Merger Continuing Board and Management Positions*, beginning on page [].

Please see *The Merger Interests of Directors and Executive Officers in the Merger Interests of Directors and Executive Officers of Duke Energy in the Merger* beginning on page [] for additional information about these interests.

Progress Energy

Progress Energy's directors and executive officers have financial interests in the merger that may be different from, or in addition to, the interests of Progress Energy's shareholders generally. The board of directors of Progress Energy was aware of and considered these potential interests, among other matters, in evaluating and negotiating the merger agreement and the merger, in adopting the merger agreement and in recommending the approval of the merger proposal and the Progress Energy adjournment proposal.

As provided in the merger agreement, at the completion of the merger, the Duke Energy board of directors will include seven directors designated by Progress Energy (after consultation with Duke Energy). Mr. Johnson, the current chairman, president and chief executive officer of Progress Energy, will serve as the president and chief executive officer of Duke Energy upon the completion of the merger, subject to his ability and willingness to serve. See *The Merger Continuing Board and Management Positions* beginning on page []. In connection with the execution of the merger agreement, Duke Energy, Diamond Acquisition Corporation and Mr. Johnson executed a term sheet in which the parties agreed to enter into a new employment agreement.

Executive officers of Progress Energy will not receive any compensation solely on account of the completion of the merger. Outstanding options to purchase shares of Progress Energy common stock and outstanding awards of restricted stock, restricted stock units and performance shares will be converted into Duke Energy common stock options and other awards that will remain subject to the original vesting requirements under the applicable Progress Energy plan, i.e., the vesting of the options and other awards will not be accelerated on account of the completion of the merger. The outstanding annual incentive awards of executive officers of Progress Energy also will remain subject to the original vesting requirements and will remain subject to performance criteria. As soon as practicable after the completion of the merger, the compensation committee of the Duke Energy board of directors will adjust the original performance criteria for such awards as it determines is appropriate and equitable to reflect the merger, Progress Energy's performance prior to completion of the merger and the performance criteria of awards made to similarly situated Duke Energy employees.

Additionally, although each of Messrs. Johnson, Yates, Lyash, McArthur and Mulhern will be entitled to severance benefits under the Progress Energy Management Change-in-Control Plan, or the Progress Energy CIC Plan, if their employment is terminated without cause or they resign with good reason within 24 months after completion of the merger, certain provisions of Mr. Johnson's term sheet and letter agreement waivers executed by each of Messrs. Yates, Lyash, McArthur and Mulhern, among other things, limit the executives' eligibility to

Table of Contents

receive those benefits. In addition, Mr. Johnson's term sheet provides for the waiver of his right to receive the excise tax gross-up otherwise payable under the Progress Energy CIC Plan on any severance payment he receives.

A member of the board of directors of Progress Energy is an employee of J.P. Morgan, which firm acted as financial advisor to Duke Energy with respect to the merger. Such member has informed the board of directors of Progress Energy that he did not have any involvement in J.P. Morgan's engagement with Duke Energy in connection with the merger, and that his compensation would not be directly related to that engagement.

Please see "The Merger - Interests of Directors and Executive Officers in the Merger - Interests of Directors and Executive Officers of Progress Energy in the Merger" beginning on page [] for additional information about these interests.

The Management of Duke Energy Following the Completion of the Merger (see page [])

The merger agreement provides that William D. Johnson will serve as the president and chief executive officer of Duke Energy and James E. Rogers will serve as the executive chairman of the board of directors of Duke Energy, in each case as of the completion of the merger and subject to such individual's ability and willingness to serve.

The merger agreement also provides that, subject to such individuals' ability and willingness to serve, the following individuals will be the senior officers of Duke Energy upon completion of the merger:

Lynn J. Good, currently group executive and chief financial officer of Duke Energy, will continue as chief financial officer;

Dhiaa M. Jamil, currently group executive, chief generation officer and chief nuclear officer of Duke Energy, will lead nuclear generation;

Jeffrey J. Lyash, currently executive vice president of energy supply of Progress Energy, will lead energy supply;

Marc E. Manly, currently group executive, chief legal officer and corporate secretary of Duke Energy, will be general counsel and corporate secretary;

John R. McArthur, currently executive vice president, general counsel and corporate secretary of Progress Energy, will lead regulated utilities;

Mark F. Mulhern, currently senior vice president and chief financial officer of Progress Energy, will be chief administrative officer;

B. Keith Trent, currently group executive and president of commercial businesses of Duke Energy, will lead commercial businesses;

Jennifer L. Weber, currently group executive - human resources and corporate relations of Duke Energy, will lead human resources; and

Lloyd M. Yates, currently president and chief executive officer of Progress Energy Carolinas, will lead customer operations.

The Merger Agreement (see page [])

Edgar Filing: Duke Energy CORP - Form S-4/A

We include the merger agreement as Annex A to this document. We encourage you to read carefully the merger agreement in its entirety. It is the principal document governing the merger and the other related transactions.

Table of Contents

Conditions to the Completion of the Merger (see page [])

We expect to complete the merger after all of the conditions to the merger in the merger agreement are satisfied or waived, including after Duke Energy and Progress Energy receive shareholder approvals at their respective special meetings of shareholders and receive all required regulatory approvals.

The obligation of each of Duke Energy and Progress Energy to complete the merger is subject to the satisfaction or waiver of a number of customary conditions, including the following:

the approval by Progress Energy shareholders of the merger proposal;

the approval by Duke Energy shareholders of the reverse stock split proposal and the share issuance proposal;

the absence of governmental action preventing the completion of the merger;

the effectiveness of the registration statement on Form S-4 of which this document is a part;

the approval for listing on the NYSE, subject to official notice of issuance, of the shares of Duke Energy common stock that will be issued pursuant to the merger agreement;

the effectiveness of the amendment of the amended and restated certificate of incorporation of Duke Energy providing for the reverse stock split;

the truth and accuracy of the representations and warranties of the other party, except where the failure to be true and accurate could not reasonably be expected to have a material adverse effect on such other party;

the performance in all material respects of the other party's obligations under the merger agreement;

the receipt by each party of written opinions from the party's legal counsel, dated as of the closing date, to the effect that the merger will qualify as a reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code;

the receipt of all of the statutory approvals required to complete the merger, free of any condition that, if effected, would have a material adverse effect on the expected benefits for either company or cause a material reduction in the expected benefits for either party's shareholders and the absence of any other regulatory order that would have such effect; and

the absence since December 31, 2009 of any undisclosed change, event, occurrence or development that, individually or in the aggregate, has had or could reasonably be expected to have a material adverse effect on the other party.

Termination of the Merger Agreement (see page [])

Edgar Filing: Duke Energy CORP - Form S-4/A

Generally, the merger agreement may be terminated at any time prior to the completion of the merger, whether before or (unless otherwise noted below) after the receipt of the necessary shareholder approvals, under the following circumstances:

by mutual written consent of Duke Energy and Progress Energy;

by either Duke Energy or Progress Energy:

if the merger has not been completed by January 8, 2012, provided that this right to terminate the merger agreement is not available to any party whose failure to perform any of its obligations under the merger agreement results in the failure of the merger to be completed by that date and provided that either party may extend the date on which this termination right would arise by up to an additional six months if the only unsatisfied conditions to completion of the merger are the receipt of required statutory approvals;

Table of Contents

if either the Duke Energy shareholders or the Progress Energy shareholders do not give the approval required by the merger agreement for completion of the merger;

if any final and nonappealable order or injunction by any federal or state court of competent jurisdiction preventing completion of the merger, or applicable federal or state law prohibiting completion of the merger, is in effect, provided that the party seeking termination has used its reasonable best efforts to prevent the entry of and to remove the prohibition;

if certain conditions to the terminating party's obligation to close the merger become incapable of satisfaction prior to the otherwise applicable termination date (whether initial or extended) other than by reason of a material breach by the party seeking to terminate the merger agreement;

if the other party breaches the merger agreement or fails to perform its obligations in any material respect, which breach or failure to perform (a) would give rise to the failure of a condition to the terminating party's obligation to complete the merger and (b) is incapable of being cured or is not cured within 60 days following receipt of written notice from the non-breaching party of the breach or failure to perform; or

prior to obtaining the requisite shareholder approvals for completion of the merger, in response to a superior third-party takeover proposal involving the terminating party, so long as certain additional conditions are met, including payment of a termination fee to the non-terminating party.

Either party may also terminate the merger agreement prior to the shareholder approval of the other party being obtained, if the board of directors of the other party:

withdraws or modifies, or proposes publicly to withdraw or modify, its approval or recommendation of the merger proposal, in the case of Progress Energy, or the share issuance proposal and reverse stock split proposal, in the case of Duke Energy;

fails to reaffirm its approval or recommendation within 15 business days of receipt of a written request for reaffirmation by the other party when such party is in receipt of a third-party takeover proposal that has not been rejected, provided that the 15-business day period will be extended for an additional ten business days following any material modification to the third-party takeover proposal occurring after the receipt of the written request to reaffirm, and that the 15-business day period will recommence each time a third-party takeover proposal is made following the receipt of a written request from the other party from a person that had not previously made a third-party takeover proposal prior to the receipt of the written request from the other party; or

approves or recommends, or proposes to approve or recommend, a third-party takeover proposal.

Termination Fees; Reimbursement of Expenses (see page [])

Under certain circumstances involving a third-party acquisition proposal, a change in a board of directors' recommendation of the proposals contained in this document or a termination of the merger agreement by the other party due to a breach of the merger agreement, Duke Energy or Progress Energy may be required, subject to certain conditions, to (i) reimburse the other party for its fees and expenses in an amount not to exceed \$30 million and/or (ii) pay a termination fee of \$675 million, in the case of a termination fee payable by Duke Energy to Progress Energy, or a termination fee of \$400 million, in the case of a termination fee payable by Progress Energy to Duke Energy, provided that any termination fee payable will be reduced by the amount of any fees and expenses previously reimbursed by such party.

No Solicitation; Board Recommendation (see page [])

The merger agreement restricts the ability of either Duke Energy or Progress Energy to directly or indirectly, solicit, initiate, knowingly encourage or engage in discussions with a third-party regarding a third-

Table of Contents

party takeover proposal of Duke Energy or Progress Energy, respectively. If, however, either party, as applicable, receives an unsolicited takeover proposal from a third-party that, prior to receipt of its respective shareholder approvals required to complete the merger, such party's board of directors determines in good faith, after consultation with such party's legal and financial advisors, constitutes a superior proposal or is reasonably likely to result in a superior proposal, that party may furnish information to the third-party and engage in discussions or negotiations regarding a takeover proposal with the third-party, subject to specified conditions. The board of directors of either Duke Energy or Progress Energy may also withdraw its approval or recommendation of the proposals described in this document, subject to certain conditions, if such board first determines in good faith, after consulting with outside counsel, that the failure to take such action would be reasonably likely to result in a breach of the board of directors' fiduciary duties under applicable law.

Accounting Treatment (see page [])

Duke Energy prepares its financial statements in accordance with accounting principles generally accepted in the United States, which we refer to as GAAP. The merger will be accounted for by applying the acquisition method with Duke Energy treated as the acquiror.

Material U.S. Federal Income Tax Consequences of the Reverse Stock Split (see page [])

Duke Energy intends for the reverse stock split to qualify as a recapitalization within the meaning of Section 368(a) of the Code for U.S. federal income tax purposes. On the basis that the reverse stock split so qualifies, Duke Energy shareholders whose pre-reverse stock split shares of Duke Energy common stock are exchanged in the reverse stock split will not recognize gain or loss for U.S. federal income tax purposes, except to the extent of cash, if any, received in lieu of a fractional share of Duke Energy common stock (which fractional share will be treated as received and then exchanged for such cash).

The discussion of material U.S. federal income tax consequences of the reverse stock split contained in this document is intended to provide only a general summary and is not a complete analysis or description of all potential U.S. federal income tax consequences of the reverse stock split. The discussion does not address tax consequences that may vary with, or are contingent on, individual circumstances. In addition, it does not address the effects of any foreign, state or local tax laws.

Duke Energy shareholders are strongly urged to consult with their tax advisors regarding the tax consequences of the reverse stock split to them, including the effects of U.S. federal, state, local, foreign and other tax laws.

For additional information, please see Proposals Submitted to Duke Energy's Shareholders The Reverse Stock Split Proposal Material U.S. Federal Income Tax Consequences of the Reverse Stock Split beginning on page [].

Material U.S. Federal Income Tax Consequences of the Merger (see page [])

It is a condition to the obligation of Progress Energy to complete the merger that Progress Energy receive a written opinion from Hunton & Williams LLP, counsel to Progress Energy, dated as of the closing date, to the effect that the merger will qualify as a reorganization under Section 368(a) of the Code. It is a condition to the obligation of Duke Energy to effect the merger that Duke Energy receive a written opinion from Wachtell, Lipton, Rosen & Katz, counsel to Duke Energy, dated as of the closing date, to the effect that the merger will qualify as a reorganization under Section 368(a) of the Code. In addition, in connection with the effective registration statement, each of Hunton & Williams LLP and Wachtell, Lipton, Rosen & Katz will deliver an opinion to Progress Energy and Duke Energy, respectively, to the same effect as the opinions described above. As a result of the merger qualifying as a reorganization within the meaning of Section 368(a) of the Code,

Table of Contents

holders of Progress Energy common stock whose shares of Progress Energy common stock are exchanged in the merger for shares of Duke Energy common stock will not recognize gain or loss, except to the extent of cash, if any, received in lieu of a fractional share of Duke Energy common stock.

The discussion of material U.S. federal income tax consequences of the merger contained in this document is intended to provide only a general summary and is not a complete analysis or description of all potential U.S. federal income tax consequences of the merger. The discussion does not address tax consequences that may vary with, or are contingent on, individual circumstances. In addition, it does not address the effects of any foreign, state or local tax laws.

Progress Energy shareholders are strongly urged to consult with their tax advisors regarding the tax consequences of the merger to them, including the effects of U.S. federal, state, local, foreign and other tax laws.

For additional information, please see *The Merger* *Material U.S. Federal Income Tax Consequences of the Merger* beginning on page [].

Regulatory Matters (see page [])

To complete the merger, Duke Energy and Progress Energy must obtain approvals or consents from, or make filings with, a number of United States federal and state public utility, antitrust and other regulatory authorities. The material United States federal and state approvals, consents and filings include the following:

the expiration or early termination of certain waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act and the related rules and regulations, which provide that certain acquisition transactions may not be completed until required information has been furnished to the Antitrust Division of the Department of Justice and the Federal Trade Commission;

authorization from the Federal Energy Regulatory Commission under the Federal Power Act;

approval from the Nuclear Regulatory Commission under the Atomic Energy Act of 1954;

approval from the North Carolina Utilities Commission under Section 62-111(a) of the North Carolina General Statutes;

approval from the Kentucky Public Service Commission; and

approval from the South Carolina Public Service Commission.

Duke Energy and Progress Energy will also provide information regarding the merger to their other state regulators as applicable and as requested. Finally, the transfer of indirect control over certain Federal Communications Commission, or FCC, licenses for private internal communications held by certain subsidiaries of Progress Energy will require the approval of the FCC.

Duke Energy and Progress Energy have made or intend to make various filings and submissions for the above-mentioned authorizations and approvals. Duke Energy and Progress Energy will seek to complete the merger by the end of 2011. Although Duke Energy and Progress Energy believe that they will receive the required consents and approvals described above to complete the merger, we cannot give any assurance as to the timing of these consents and approvals or as to Duke Energy's and Progress Energy's ultimate ability to obtain such consents or approvals (or any additional consents or approvals which may otherwise become necessary). We also cannot ensure that we will obtain such consents or approvals on terms and subject to conditions satisfactory to Duke Energy and Progress Energy. Please see *Regulatory Matters*, beginning on page [], for additional information about these matters.

Table of Contents

Effect on Awards Outstanding Under Progress Energy Stock Plans (see page [])

At the effective time of the merger, each option to purchase shares of Progress Energy common stock that was granted under the Progress Energy employee stock option plans and that is outstanding immediately prior to the effective time of the merger will be converted into an option to acquire a number of shares of Duke Energy common stock equal to the number of shares of Progress Energy common stock subject to the Progress Energy stock option immediately prior to the effective time of the merger multiplied by the exchange ratio, as adjusted to reflect the reverse stock split, rounded down to the nearest whole share of Duke Energy common stock, with an exercise price per share of Duke Energy common stock equal to the exercise price per share under such Progress Energy stock option divided by the exchange ratio, as adjusted to reflect the reverse stock split, rounded up to the nearest cent. Also upon completion of the merger, each Progress Energy restricted share, Progress Energy restricted stock unit, Progress Energy performance share or other Progress Energy equity award will be converted into an award in respect of a number of shares of Duke Energy common stock equal to the number of shares of Progress Energy common stock represented by such award multiplied by the exchange ratio, as adjusted to reflect the reverse stock split.

Except as set forth above, each converted Progress Energy stock option, Progress Energy restricted share, Progress Energy restricted stock unit, Progress Energy performance share or other Progress Energy equity award will be subject to the same terms and conditions, including vesting, as were applicable to the corresponding Progress Energy stock option, Progress Energy restricted share, Progress Energy restricted stock unit, Progress Energy performance share or other Progress Energy equity award immediately prior to the effective time of the merger. However, the compensation committee of the Duke Energy board of directors will as soon as practicable after the effective time of the merger adjust the performance measures applicable to performance shares as it determines is appropriate and equitable to reflect the performance of Progress Energy during the performance measurement period prior to the effective time of the merger, the transactions undertaken pursuant to the merger agreement and the performance measures under awards made to similarly situated Duke Energy employees for the same or comparable performance cycle.

Legal Proceedings Related to the Merger (see page [])

Duke Energy and Progress Energy are aware of eleven purported class action lawsuits that plaintiffs had filed against Progress Energy, each member of Progress Energy's board of directors, Duke Energy and Diamond Acquisition Corporation in connection with the merger. Among other things, the lawsuits seek injunctive relief that would prevent completion of the merger in accordance with the terms of the merger agreement. Both Duke Energy and Progress Energy believe the lawsuits are without merit. The plaintiffs brought ten of the cases in the North Carolina state courts and one in the U.S. District Court for the Eastern District of North Carolina.

We provide additional information on legal proceedings related to the merger beginning on page [].

Comparison of Shareholder Rights (see page [])

Progress Energy is a North Carolina corporation. Duke Energy is a Delaware corporation. The shares of Duke Energy common stock that Progress Energy shareholders will receive in the merger will be shares of a Delaware corporation. Progress Energy shareholder rights under North Carolina law and Duke Energy shareholder rights under Delaware law are different. In addition, Duke Energy's amended and restated certificate of incorporation and its amended and restated by-laws contain provisions that are different from Progress Energy's amended and restated articles of incorporation and by-laws, each as amended.

For a summary of certain differences between the rights of Duke Energy shareholders and Progress Energy shareholders, see Comparison of Shareholder Rights, beginning on page [].

Table of Contents**SELECTED HISTORICAL FINANCIAL DATA OF DUKE ENERGY**

The following table sets forth selected consolidated financial information for Duke Energy. Duke Energy derived the selected statement of operations data for each of the years in the five year period ended December 31, 2010 and the selected balance sheet data as of December 31 for each of the five years in the period ended December 31, 2010 from Duke Energy's consolidated audited financial statements.
