Item 8.01 Other Events

On January 23, 2012, PowerSecure International, Inc., a Delaware corporation (the Company), issued a press release announcing that it has expanded and enhanced its strategy to serve customers in the large and growing Data Center and Hospital markets with mission critical power systems. The Company's sharpened focus includes the hiring of two industry executives to lead the Company's sales and marketing efforts in each of the Data Center and Hospital verticals. Additionally, the Company announced that it has introduced a new industry-leading version of its PowerBlock® proprietary generator system that runs on a combination of natural gas and diesel fuel, is Tier 4 Interim emissions compliant, and improves redundancy.

The press release filed herewith as Exhibit 99.1 contains forward-looking statements relating to the Company's future performance made within the meaning of and pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. A more thorough discussion of certain risks, uncertainties and other factors that may affect the Company is included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 and in subsequent reports, including the Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, that the Company files or furnishes with the Securities and Exchange Commission.
