Item 8.01. Other Events

As previously disclosed, on January 26, 2012, Eastman Chemical Company (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement) with Solutia Inc. (Solutia) and Eagle Merger Sub Corporation, a subsidiary of the Company (Merger Sub).

Pursuant to the Merger Agreement, at the closing of the merger (as defined below) (the Effective Time), Merger Sub will merge with and into Solutia, with Solutia surviving the merger as an indirect wholly-owned subsidiary of the Company (the merger). At the Effective Time, each outstanding share of common stock of Solutia will be canceled and converted automatically into the right to receive (subject to certain limitations set forth in the Merger Agreement) (i) \$22.00 in cash and (ii) 0.12 shares of the Company's common stock.

The consummation of the merger is subject to various customary closing conditions, including (i) approval by Solutia's stockholders, (ii) receipt of various regulatory approvals, and (iii) the absence of a material adverse effect on Solutia or the Company.

Completion of the merger is anticipated to occur by mid-2012, although there can be no assurance the merger will occur within the expected timeframe or at all.

This Current Report on Form 8-K includes certain unaudited condensed combined pro forma financial information of the Company as of March 31, 2012, for the three months ended March 31, 2012 and for the year ended December 31, 2011, giving effect to the completion of the merger.

This Current Report on Form 8-K includes forward-looking statements concerning, among other things, the merger, including the timing of completion thereof and the Company's financial condition and results of operations after giving effect thereto. All such expectations are based upon certain preliminary information, internal estimates, and management assumptions, expectations, and plans, and are subject to a number of risks and uncertainties inherent in projecting future conditions, events, and results. Actual results could differ materially from expectations expressed in the forward-looking statements if one or more of the underlying assumptions or expectations prove to be inaccurate or are unrealized. Important factors that could cause actual results to differ materially from such expectations are detailed in the Company's filings with the Securities and Exchange Commission from time to time, including the Form 10-Q filed for first quarter 2012.
