FORWARD-LOOKING STATEMENTS

This document contains certain forward-looking statements within the meaning of Section 21E of the U.S. Securities Exchange Act of 1934, as amended (the Exchange Act), and Section 27A of the U.S. Securities Act of 1933, as amended (the Securities Act), with respect to certain of the Group's plans and its current goals and expectations relating to its future financial condition and performance. Barclays cautions readers that no forward-looking statement is a guarantee of future performance and that actual results could differ materially from those contained in the forward-looking statements. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use words such as may, will, seek, continue, aim, anticipate, target, projected, expect, intend, plan, goal, believe, achieve or other words of similar meaning. Examples of forward-looking statements include, among others, statements regarding the Group's future financial position, income growth, assets, impairment charges and provisions, business strategy, capital, leverage and other regulatory ratios, payment of dividends (including dividend pay-out ratios), projected levels of growth in the banking and financial markets, projected costs, original and revised commitments and targets in connection with the Transform Programme, deleveraging actions, estimates of capital expenditures and plans and objectives for future operations and other statements that are not historical fact. By their nature, forward-looking statements involve risk and uncertainty because they relate to future events and circumstances. These may be affected by changes in legislation, the development of standards and interpretations under International Financial Reporting Standards (IFRS), evolving practices with regard to the interpretation and application of accounting and regulatory standards, the outcome of current and future legal proceedings and regulatory investigations, future levels of conduct provisions, the policies and actions of governmental and regulatory authorities, geopolitical risks and the impact of competition. In addition, factors including (but not limited to) the following may have an effect: capital, leverage and other regulatory rules (including with regard to the future structure of the Group) applicable to past, current and future periods; U.K. domestic, Eurozone and global macroeconomic and business conditions; the effects of continued volatility in credit markets; market related risks such as changes in interest rates and foreign exchange rates; effects of changes in valuation of credit market exposures; changes in valuation of issued securities; volatility in capital markets; changes in credit ratings of the Group; the potential for one or more countries exiting the Eurozone; the ability to implement the Transform Programme; and the success of future acquisitions, disposals and other strategic transactions. A number of these influences and factors are beyond the Group's control. As a result, the Group's actual future results, dividend payments, and capital and leverage ratios may differ materially from the plans, goals, and expectations set forth in the Group's forward-looking statements. Additional risks and factors are identified in our filings with the U.S. Securities and Exchange Commission (the SEC) including in our Annual Report on Form 20-F for the fiscal year ended December 31, 2012, which is available on the SEC's website at <http://www.sec.gov>.

Any forward-looking statements made herein or in the documents incorporated by reference herein speak only as of the date they are made and it should not be assumed that they have been revised or updated in the light of new information or future events. Except as required by the Prudential Regulation Authority, the Financial Conduct Authority (the FCA), the London Stock Exchange plc or applicable law, Barclays expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein or in the documents incorporated by reference herein to reflect any change in Barclays' expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based. The reader should, however, consult any additional disclosures that Barclays has made or may make in documents Barclays has filed or may file with the SEC.

INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE

The SEC allows us to incorporate by reference much of the information we file with the SEC, which means that we can disclose important information to you by referring you to those publicly available documents. The information that we incorporate by reference into this prospectus is an important part of this prospectus. The most recent information that we file with the SEC automatically updates and supersedes earlier information.

In addition, we incorporate by reference into this prospectus any future documents that we may file with the SEC under Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act from the date of this prospectus until the offering contemplated in this prospectus is completed. Reports on Form 6-K we may furnish to the SEC after the date of this prospectus (or portions thereof) are incorporated by reference in this prospectus only to the extent that the report expressly states that it is (or such portions are) incorporated by reference in this prospectus.

We will provide to you, upon your written or oral request, without charge, a copy of any or all of the documents referred to above which we have incorporated in this prospectus by reference. Table of Contents

DESCRIPTION OF DEBT SECURITIES

The following is a summary of the general terms of the debt securities. It sets forth possible terms and provisions for each series of debt securities. Each time that we offer debt securities, we will prepare and file a prospectus supplement with the SEC, which you should read carefully. The prospectus supplement may contain additional terms and provisions of those securities. If there is any inconsistency between the terms and provisions presented here and those in the prospectus supplement, those in the prospectus supplement will apply and will replace those presented here.

The debt securities of any series will be either our senior obligations (the Senior Debt Securities) or our subordinated obligations (the Dated Subordinated Debt Securities and, together with the Senior Debt Securities, the debt securities). Neither the Senior Debt Securities nor the Dated Subordinated Debt Securities will be secured by any assets or property of Barclays PLC or any of its subsidiaries or affiliates (including Barclays Bank PLC, its subsidiary).

We will issue Senior Debt Securities and Dated Subordinated Debt Securities under indentures (respectively, the Senior Debt Indenture and Dated Subordinated Debt Indenture) between us and The Bank of New York Mellon, as trustee. The terms of the debt securities include those stated in the relevant indenture and any supplements thereto, and those terms made part of the indenture by reference to the U.S. Trust Indenture Act of 1939, as amended (the Trust Indenture Act). The Senior and Dated Subordinated Debt Indentures and any supplements thereto are sometimes referred to in this section of the prospectus individually as an indenture and collectively as the indentures. We have filed or incorporated by reference a copy of, or the forms of, each indenture as exhibits to the registration statement of which this prospectus is a part.

Because this section is a summary, it does not describe every aspect of the debt securities in detail. This summary is subject to, and qualified by reference to, all of the definitions and provisions of the relevant indenture, any supplement to the relevant indenture and each series of debt securities. Certain terms, unless otherwise defined here, have the meaning given to them in the relevant indenture.

General

The debt securities are not deposits and are not insured by any regulatory body of the United States or the United Kingdom.

Because we are a holding company, our rights to participate in the assets of any of our subsidiaries upon its liquidation will be subject to the prior claims of the subsidiaries' creditors, including, in the case of our bank subsidiaries, their respective depositors, except, in our case, to the extent that we may ourselves be a creditor with recognized claims against the relevant subsidiary.

The indentures do not limit the amount of debt securities that we may issue. We may issue the debt securities in one or more series, or as units comprised of two or more related series. The prospectus supplement will indicate for each series or of two or more related series of debt securities:

the issue date;

the maturity date;

the specific designation and aggregate principal amount of the debt securities;

any limit on the aggregate principal amount of the debt securities that may be authenticated or delivered;

under what conditions, if any, another issuer may be substituted for Barclays PLC as the issuer of the debt securities of the series;

Edgar Filing: BARCLAYS PLC - Form POSASR

the prices at which we will issue the debt securities;

if interest is payable, the interest rate or rates, or how to calculate the interest rate or rates, and under what circumstances interest is payable;

whether we will issue the debt securities as Discount Debt Securities, as explained in this section below, and the amount of the discount;

provisions, if any, for the discharge and defeasance of debt securities of any series;

any condition applicable to payment of any principal, premium or interest on debt securities of any series;

the terms of any mandatory or optional redemption;

the denominations in which the debt securities will be issued, which may be an integral multiple of either \$1,000, \$25 or any other specified amount;

the amount, or how to calculate the amount, that we will pay to the debt security holder, if the debt security is redeemed before its stated maturity or accelerated, or for which the trustee shall be entitled to file and prove a claim;

whether and how the debt securities may or must be converted into any other type of securities, or their cash value, or a combination of these;

the currency or currencies in which the debt securities are denominated, and in which we make any payments;

whether we will issue the debt securities wholly or partially as one or more global debt securities;

what conditions must be satisfied before we will issue the debt securities in definitive form (definitive debt securities);

any other or different Senior Events of Default, in the case of Senior Debt Securities, or any other or different Dated Subordinated Events of Default or Dated Subordinated Debt Defaults, in the case of Dated Subordinated Debt Securities, or covenants applicable to any of the debt securities, and the relevant terms if they are different from the terms in the applicable indenture;

any restrictions applicable to the offer, sale and delivery of the debt securities;

whether we will pay Debt Security Additional Amounts, as defined below, on the debt securities;

whether we will issue the debt securities in registered form (registered debt securities) or in bearer form (bearer debt securities) or both;

for registered debt securities, the record date for any payment of principal, interest or premium;

any listing of the debt securities on a securities exchange;

the names and duties of any co-trustees, depositaries, authenticating agents, paying agents, transfer agents or registrars of any series;

any other or different terms of the debt securities; and

what we believe are any additional material U.S. federal and U.K. tax considerations.

If we issue debt securities in bearer form, the special restrictions and considerations relating to such bearer debt securities, including applicable offering restrictions and U.S. tax considerations, will be described in the relevant prospectus supplement.

Debt securities may bear interest at a fixed rate or a floating rate or we may issue debt securities that bear no interest or that bear interest at a rate below the prevailing market interest rate or at a discount to their stated principal amount (Discount Debt Securities). The relevant prospectus supplement will describe special U.S. federal income tax considerations applicable to Discount Debt Securities or to debt securities issued at par that are treated for U.S. federal income tax purposes as having been issued at a discount.

Holders of debt securities have no voting rights except as explained in this section below under Modification and Waiver and Senior Events of Default; Dated Subordinated Events of Default and Debt Defaults; Limitation on Suits.

Market-Making Transactions. If you purchase your debt security in a market-making transaction, you will receive information about the price you pay and your trade and settlement dates in a separate confirmation of sale. A market-making transaction is one in which Barclays Capital Inc. or another of our affiliates resells a security that it has previously acquired from another holder. A market-making transaction in a particular debt security occurs after the original issuance and sale of the debt security.

Table of Contents

Payments and Deferred Payments

The relevant prospectus supplement will specify the date on which we will pay interest, if any, the date for payments of principal and any premium, on any particular series of debt securities. The prospectus supplement will also specify the interest rate or rates, if any, or how the rate or rates will be calculated.

Dated Subordinated Debt Securities

Unless the relevant prospectus supplement provides otherwise, and subject also to the following paragraph, if we do not make a payment on a series of Dated Subordinated Debt Securities on any payment date, our obligation to make that payment shall be deferred (a *Deferred Payment*), until:

if it is an interest payment, the date we pay a dividend on any class of our share capital; and

if it is a payment of principal, the first business day after the date that falls six months after the original payment date.

Each of the above dates is a *deferred payment date*. Our failure to make a payment on or before the deferred payment date is not a Dated Subordinated Debt Default nor will it allow any holder to sue us or take any other action for the payment. Each *Deferred Payment* will accrue interest at the rate which prevailed for that series of Dated Subordinated Debt Securities immediately before the payment's original payment date. Any such *Deferred Payment* shall not be treated as due for any purpose, including for the purpose of determining whether a default has occurred, until the deferred payment date. The term *business day* means any weekday, other than one on which banking institutions are authorized or obligated by law or executive order to close in London, England, or in any jurisdiction where payments on the debt security are payable.

Ranking

Senior Debt Securities. Senior Debt Securities and the coupons (if any) appertaining thereto constitute our direct, unconditional, unsecured and unsubordinated obligations ranking *pari passu*, without any preference among themselves, with all our other outstanding unsecured and unsubordinated obligations, present and future, except such obligations as are preferred by operation of law.

Dated Subordinated Debt Securities. Dated Subordinated Debt Securities and the coupons (if any) appertaining thereto constitute our direct and unsecured obligations ranking *pari passu* without any preference among themselves. In the event of our winding-up in England (or such other jurisdiction in which we may be organized), the claims of the trustee and the holders of the Dated Subordinated Debt Securities will be postponed to the claims of all of our other creditors, including any claims related to our Senior Debt Securities, except for:

claims in respect of Existing Senior Subordinated Obligations (as defined in the Dated Subordinated Debt Indenture), Capital Note Claims (as defined in the Dated Subordinated Debt Indenture) and any other claims ranking or expressed to rank *pari passu* therewith and/or with claims in respect of the Dated Subordinated Debt Securities (*Dated Debt Other Pari Passu Claims*) (with all of which excepted claims the Dated Subordinated Debt Securities shall rank *pari passu*); and

any other claims ranking junior to the excepted claims referred to in the immediately preceding bullet point and/or to claims in respect of Dated Subordinated Debt Securities.

The claims of such other creditors, with the foregoing exceptions, are referred to in this document as *Dated Debt Senior Claims*. Accordingly, no amount will be payable in our winding-up in respect of claims in relation to the Dated Subordinated Debt Securities or the coupons (if any) appertaining thereto until all *Dated Debt Senior Claims* admitted in our winding-up have been satisfied.

Any amounts in respect of the Dated Subordinated Debt Securities and the coupons (if any) appertaining thereto paid to the holders of such Dated Subordinated Debt Securities, the holders of the coupons (if any) appertaining thereto or to the trustee *pari passu* with the amounts payable to other creditors admitted in such winding-up will be held by such holders or the trustee upon trust to be applied in the following order: (i) to the amounts due to the trustee in or about the execution of the trusts of the Dated Subordinated Debt Indenture; (ii) in payment of all *Dated Debt Senior Claims* outstanding at the commencement of, or arising solely by virtue of, our winding-up to the extent that such claims shall be

Edgar Filing: BARCLAYS PLC - Form POSASR

admitted in the winding-up and shall not be satisfied out of our other resources; and (iii) in payment of the Dated Subordinated Debt Securities and the coupons (if any) appertaining thereto. By accepting the Dated Subordinated Debt Securities or the coupons (if any) appertaining thereto, each holder agrees to be bound by the Dated Subordinated Debt Indenture's subordination provisions and irrevocably authorizes our liquidator to perform on behalf of the holder the above subordination trust.

Payment of Debt Security Additional Amounts

Unless the relevant prospectus supplement provides otherwise, we will pay any amounts to be paid by us on any series of debt securities without deduction or withholding for, or on account of, any and all present or future income, stamp and other taxes, levies, imposts, duties, charges, fees, deductions or withholdings (taxes) now or hereafter imposed, levied, collected, withheld or assessed by or on behalf of the United Kingdom or any U.K. political subdivision or authority thereof or therein that has the power to tax (each, a taxing jurisdiction), unless the deduction or withholding is required by law. Unless the relevant prospectus supplement provides otherwise, at any time a U.K. taxing jurisdiction requires us to deduct or withhold taxes, we will pay the additional amounts of, or in respect of, the principal of, any premium, and any interest and Deferred Payments on, the debt securities (Debt Security Additional Amounts) that are necessary so that the net amounts paid to the holders, after the deduction or withholding, shall equal the amounts which would have been payable had no such deduction or withholding been required. However, we will not pay Debt Security Additional Amounts for taxes that are payable because:

the holder or the beneficial owner of the debt securities is a domiciliary, national or resident of, or engages in business or maintains a permanent establishment or is physically present in, a U.K. taxing jurisdiction requiring that deduction or withholding, or otherwise has some connection with the U.K. taxing jurisdiction other than the holding or ownership of the debt security, or the collection of any payment of, or in respect of, the principal of, any premium, or any interest or Deferred Payments on, any debt securities of the relevant series;

except in the case of our winding-up in England, the relevant debt security is presented for payment in the United Kingdom;

the relevant debt security is presented for payment more than 30 days after the date payment became due or was provided for, whichever is later, except to the extent that the holder would have been entitled to the Debt Security Additional Amounts on presenting the debt security for payment at the close of such 30-day period;

the holder or the beneficial owner of the relevant debt securities or the beneficial owner of any payment of (or in respect of) principal of, premium, if any, or any interest or Deferred Payments on debt securities failed to make any necessary claim or to comply with any certification, identification or other requirements concerning the nationality, residence, identity or connection with the taxing jurisdiction of such holder or beneficial owner, if such claim or compliance is required by statute, treaty, regulation or administrative practice of the taxing jurisdiction as a condition to relief or exemption from such taxes;

such taxes are imposed on a payment to an individual and are required to be made pursuant to the European Union Directive on the taxation of savings income, adopted on June 3, 2003, or any law implementing or complying with, or introduced in order to conform to, such Directive;

in the case of Senior Debt Securities only, the relevant debt security is presented for payment by or on behalf of a holder who would have been able to avoid such deduction or withholding by presenting the relevant debt security to another paying agent in a member state of the European Union or elsewhere; or

if the taxes would not have been imposed or would have been excluded under one of the preceding points if the beneficial owner of, or person ultimately entitled to obtain an interest in, the debt securities had been the holder of the debt securities.

Whenever we refer in this prospectus and any prospectus supplement to the payment of the principal of, any premium, or any interest or Deferred Payments, if any, on, or in respect of, any debt securities of any series, we mean to include the payment of Debt Security Additional Amounts to the extent that, in context, Debt Security Additional Amounts are, were or would be payable.

The government of any jurisdiction where Barclays PLC is incorporated may require Barclays PLC to withhold amounts from payments on the principal or interest on the notes, as the case may be, for taxes or any other governmental charges. If a withholding of this type is required, Barclays PLC may be required to pay you Debt Security Additional Amounts so that the net amount you receive will be the amount specified in

Edgar Filing: BARCLAYS PLC - Form POSASR

the note to which you are entitled.

For the avoidance of doubt, unless the relevant prospectus supplement provides otherwise, any amounts to be paid by us on the debt securities will be paid net of any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the Code), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of

the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (or any law implementing such an intergovernmental agreement) (a FATCA Withholding Tax), and we will not be required to pay Debt Security Additional Amounts on account of any FATCA Withholding Tax.

Redemption

Redemption for Tax Reasons. Unless the relevant prospectus supplement provides otherwise, we will have the option to redeem the debt securities of any series upon not less than 30 nor more than 60 days notice to the holders on any dates as are specified in the applicable prospectus supplement, if:

we are required to issue definitive debt securities (see Description of Certain Provisions Relating to Debt Securities and Contingent Convertible Securities Special Situations When a Global Security Will Be Terminated) and, as a result, we are or would be required to pay Debt Security Additional Amounts with respect to the debt securities; or

we determine that as a result of a change in or amendment to the laws or regulations of a taxing jurisdiction, including any treaty to which the relevant taxing jurisdiction is a party, or a change in an official application or interpretation of those laws or regulations, including a decision of any court or tribunal, which becomes effective on or after the date of the applicable prospectus supplement (and, in the case of a successor entity, which becomes effective on or after the date of that entity's assumption of our obligations), we (or any successor entity) will or would be required to pay holders Debt Security Additional Amounts, or we (or any successor entity) would not be entitled to claim a deduction in respect of any payments in computing our (or its) taxation liabilities or the amount of the deduction would be materially reduced.

In each case and unless the relevant prospectus supplement provides otherwise, before we give a notice of redemption, we shall be required to deliver to the trustee a written legal opinion of independent counsel of recognized standing, chosen by us, in a form satisfactory to the trustee confirming that we are entitled to exercise our right of redemption. The redemption must be made in respect of all, but not some, of the debt securities of the relevant series. The redemption price will be equal to 100% of the principal amount of debt securities being redeemed together with any accrued but unpaid interest and Deferred Payments, if any, in respect of such debt securities to the date fixed for redemption or, in the case of Discount Debt Securities, such portion of the principal amount of such Discount Debt Securities as may be specified by their terms.

Optional Redemption. The relevant prospectus supplement will specify whether we may redeem the debt securities of any series, in whole or in part, at our option, in any other circumstances. The prospectus supplement will also specify the notice we will be required to give, what prices and any premium we will pay, and the dates on which we may redeem the debt securities. Any notice of redemption of debt securities will state:

the date fixed for redemption;

the amount of debt securities to be redeemed if we are only redeeming a part of the series;

the redemption price;

that on the date fixed for redemption the redemption price will become due and payable on each debt security to be redeemed and, if applicable, that any interest will cease to accrue on or after the redemption date;

the place or places at which each holder may obtain payment of the redemption price; and

the CUSIP number or numbers, if any, with respect to the debt securities.

In the case of a partial redemption, the trustee shall select the debt securities that we will redeem in any manner it deems fair and appropriate.

We or any of our subsidiaries may at any time purchase debt securities of any series in the open market or by tender (available alike to each holder of debt securities of the relevant series) or by private agreement, if applicable law allows. We will treat as cancelled and no longer issued and outstanding any debt securities of any series that we purchase beneficially for our own account, other than a purchase in the ordinary course of a business dealing in securities. Unless otherwise specified in the applicable prospectus supplement, you have no right to require us to repurchase the debt securities. Such debt securities will stop bearing interest on the redemption date, even if you do not collect your money.

We may not redeem at our option any Dated Subordinated Debt Securities, nor may we or any of our subsidiaries purchase beneficially or procure others to purchase beneficially for our accounts any Dated

Subordinated Debt Securities, other than a purchase in the ordinary course of a business dealing in securities, unless our auditors shall have reported to the trustee within six months before such redemption or purchase that, in their opinion, based on the most recent published consolidated balance sheet of us and our Subsidiaries, as defined in the Dated Subordinated Debt Indenture, available at the date of such report, the aggregate book value of the tangible assets of us and our Subsidiaries exceeds the aggregate book value of the liabilities of us and our Subsidiaries.

We will give notice to DTC of any redemption we propose to make at least 30 days, but not more than 60 days, before the redemption date. Notice by DTC to participating institutions and by these participants to street name holders of indirect interests in the debt securities will be made according to arrangements among them and may be subject to statutory or regulatory requirements.

Notice to the PRA

Unless the relevant prospectus supplement provides otherwise, we may only redeem the Dated Subordinated Debt Securities prior to their scheduled maturity date if we have obtained the PRA's prior consent (as (and to the extent) required by applicable law and regulation) for the redemption of the relevant securities.

Limitations on Redemption

We may redeem the Dated Subordinated Debt Securities prior to the fifth anniversary of their date of issue only if (1) the circumstance that entitles us to exercise that right of redemption is the result of a change in the applicable tax treatment or regulatory classification of such Dated Subordinated Debt Securities; and (2) if at the time of the exercise of the right of redemption (and if and to the extent required at such time), we comply with the PRA's main Pillar 1 rules applicable to us and other BIPRU firms (within the meaning of the PRA's General Prudential Sourcebook) and will continue to do so after the redemption of the relevant securities.

Modification and Waiver

We and the trustee may make certain modifications and amendments to the indenture applicable to each series of debt securities without the consent of the holders of the debt securities. We may make other modifications and amendments with the consent of the holder(s) of not less than, in the case of the Senior Debt Securities, a majority of or, in the case of the Dated Subordinated Debt Securities, 66 2/3% in aggregate principal amount of the debt securities of the series outstanding under the applicable indenture that are affected by the modification or amendment. However, we may not make any modification or amendment without the consent of the holder of each affected debt security that would:

change the terms of any debt security to change the stated maturity date of its principal amount;

change the principal amount of, or any premium, rate of interest or Deferred Payments, with respect to any debt security;

reduce the amount of principal on a Discount Debt Security that would be due and payable upon an acceleration of the maturity date of any series of debt securities;

change our obligation, or any successors, to pay Debt Security Additional Amounts;

change the places at which payments are payable or the currency of payment;

impair the right to sue for the enforcement of any payment due and payable;

Edgar Filing: BARCLAYS PLC - Form POSASR

reduce the percentage in aggregate principal amount of outstanding debt securities of the series necessary to modify or amend the indenture or to waive compliance with certain provisions of the indenture and any past Senior Event of Default, Dated Subordinated Event of Default or Dated Subordinated Debt Default (in each case as defined below);

change our obligation to maintain an office or agency in the place and for the purposes specified in the indenture;

modify the subordination provisions, if any, or the terms and conditions of our obligations in respect of the due and punctual payment of the amounts due and payable on the debt securities, in either case in a manner adverse to the holders; or

modify the foregoing requirements or the provisions of the indenture relating to the waiver of any past Senior Event of Default, Dated Subordinated Event of Default, Dated Subordinated Debt Default or covenants, except as otherwise specified.

Senior Events of Default; Dated Subordinated Events of Default and Debt Defaults; Limitation on Suits

Senior Events of Default

Unless the relevant prospectus supplement provides otherwise, a Senior Event of Default with respect to any series of Senior Debt Securities shall result if:

we do not pay any principal or interest on any Senior Debt Securities of that series within 14 days from the due date for payment and the principal or interest has not been duly paid within a further 14 days following written notice from the trustee or from holders of 25% in principal amount of the Senior Debt Securities of that series to us requiring the payment to be made. It shall not, however, be a Senior Event of Default if during the 14 days after the notice we satisfy the trustee that such sums (Withheld Amounts) were not paid in order to comply with a law, regulation or order of any court of competent jurisdiction. Where there is doubt as to the validity or applicability of any such law, regulation or order, it shall not be a Senior Event of Default if we act on the advice given to us during the 14-day period by independent legal advisers approved by the trustee; or

we breach any covenant or warranty of the Senior Debt Indenture (other than as stated above with respect to payments when due) and that breach has not been remedied within 21 days of receipt of a written notice from the trustee certifying that in its opinion the breach is materially prejudicial to the interests of the holders of the Senior Debt Securities of that series and requiring the breach to be remedied or from holders of at least 25% in principal amount of the Senior Debt Securities of that series requiring the breach to be remedied; or

either an English court of competent jurisdiction issues an order which is not successfully appealed within 30 days, or an effective shareholders' resolution is validly adopted, for our winding-up (other than under or in connection with a scheme of reconstruction, merger or amalgamation not involving bankruptcy or insolvency).

If a Senior Event of Default occurs and is continuing, the trustee or the holders of at least 25% in outstanding principal amount of the Senior Debt Securities of that series may at their discretion declare the Senior Debt Securities of that series to be due and repayable immediately (and the Senior Debt Securities of that series shall thereby become due and repayable) at their outstanding principal amount (or at such other repayment amount as may be specified in or determined in accordance with the relevant prospectus supplement) together with accrued interest, if any, as provided in the prospectus supplement. The trustee may at its discretion and without further notice institute such proceedings as it may think suitable against us to enforce payment. Subject to the indenture provisions for the indemnification of the trustee, the holders of a majority in aggregate principal amount of the outstanding Senior Debt Securities of any series shall have the right to direct the time, method and place of conducting any proceeding in the name of and on the behalf of the trustee for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the series. However, this direction must not be in conflict with any rule of law or the Senior Debt Indenture, and must not be unjustly prejudicial to the holder(s) of any Senior Debt Securities of that series not taking part in the direction, as determined by the trustee. The trustee may also take any other action, consistent with the direction, that it deems proper.

If lawful, Withheld Amounts or a sum equal to Withheld Amounts shall be placed promptly on interest bearing deposit as described in the Senior Debt Indenture. We will give notice if at any time it is lawful to pay any Withheld Amount to holders of Senior Debt Securities or holders of coupons or if such payment is possible as soon as any doubt as to the validity or applicability of the law, regulation or order is resolved. The notice will give the date on which the Withheld Amount and the interest accrued on it will be paid. This date will be the earliest day after the day on which it is decided Withheld Amounts can be paid on which the interest bearing deposit falls due for repayment or may be repaid without penalty. On such date, we shall be bound to pay the Withheld Amount together with interest accrued on it. For the purposes of this subsection, this date will be the due date for those sums. Our obligations under this paragraph are in lieu of any other remedy against us in respect of Withheld Amounts. Payment will be subject to applicable laws, regulations or court orders, but in the case of payment of any Withheld Amount, without prejudice to the provisions described under Debt Security Additional Amounts. Interest accrued on any Withheld Amount will be paid net of any taxes required by applicable law to be withheld or deducted and we shall not be obliged to pay any Debt Security Additional Amount in respect of any such withholding or deduction.

The holders of a majority of the aggregate principal amount of the outstanding Senior Debt Securities of any affected series may waive any past Senior Event of Default with respect to the series, except any default in respect of either:

the payment of principal of, or any premium, or interest, on any Senior Debt Securities; or

a covenant or provision of the relevant indenture which cannot be modified or amended without the consent of each holder of Senior Debt Securities of the series.

Subject to exceptions, the trustee may, without the consent of the holders, waive or authorize a Senior Event of Default if, in the opinion of the trustee, such waiver or authorization would not be materially prejudicial to the interests of the holders.

The trustee will, within 90 days of a default with respect to the Senior Debt Securities of any series, give to each affected holder of the Senior Debt Securities of the affected series notice of any default it knows about, unless the default has been cured or waived. However, except in the case of a default in the payment of the principal of, or premium, if any, or interest, if any, on the Senior Debt Securities, the trustee will be entitled to withhold notice if the board of directors, the executive committee or a trust committee of directors or responsible officers of the trustee determine in good faith that withholding of notice is in the interest of the holders.

We are required to furnish to the trustee annually a statement as to our compliance with all conditions and covenants under the Senior Debt Indenture.

Notwithstanding any contrary provisions, nothing shall impair the right of a holder, absent the holder's consent, to sue for any payments due but unpaid with respect to the Senior Debt Securities.

Street name and other indirect holders should consult their banks or brokers for information on how to give notice or direction to or make a request of the trustee and how to waive a Senior Event of Default, as described below in Description of Certain Provisions Relating to Debt Securities and Contingent Convertible Securities Legal Ownership; Form of Securities.

Dated Subordinated Events of Default

If either a court of competent jurisdiction issues an order which is not successfully appealed within 30 days, or an effective shareholders resolution is validly adopted, for our winding-up, other than under or in connection with a scheme of amalgamation, merger or reconstruction not involving a bankruptcy or insolvency, that order or resolution will constitute a Dated Subordinated Event of Default with respect to all of the Dated Subordinated Debt Securities. If a Dated Subordinated Event of Default occurs and is continuing, the trustee or the holders of at least 25% in aggregate principal amount of the outstanding Dated Subordinated Debt Securities of each series may declare any accrued but unpaid payments, or, in the case of Discount Debt Securities, the portion of principal amount specified in its terms, on the debt securities of the series to be due and payable immediately. However, after this declaration but before the trustee obtains a judgment or decree for payment of money due, the holders of a majority in aggregate principal amount of the outstanding Dated Subordinated Debt Securities of the series may rescind the declaration of acceleration and its consequences, but only if the Dated Subordinated Event of Default has been cured or waived and all payments due, other than those due as a result of acceleration, have been made.

Dated Subordinated Debt Defaults. Unless the relevant prospectus supplement provides otherwise, a Dated Subordinated Debt Default with respect to any series of Dated Subordinated Debt Securities shall result if we do not pay any installment of interest upon, or any part of the principal of, and any premium on, any Dated Subordinated Debt Securities of that series on the date on which the payment is due and payable, whether upon redemption or otherwise, and the failure continues for 14 days.

If a Dated Subordinated Debt Default occurs and is continuing, and such Dated Subordinated Debt Default has neither been cured nor waived within a period of 14 days following the provision of notice of such Dated Subordinated Debt Default to us from the trustee, the trustee may at its discretion and without further notice to us institute proceedings for our winding up in England (or such other jurisdiction in which we may be organized) (but not elsewhere) for our winding up. Failure to make any payment in respect of a series of Dated Subordinated Debt Securities shall not be a Dated Subordinated Debt Default if the payment is withheld or refused either:

in case of doubt as to the validity or applicability of any such law, regulation or order, in accordance with advice given as to such validity or applicability at any time before the expiry of the 14-day period by independent legal advisers acceptable to the trustee. In the second case, however, the trustee may, by notice to us, require us to take action, including proceedings for a court declaration, to resolve the doubt, if counsel advises it that the action is appropriate and reasonable. In this situation we will take the action promptly and be bound by any final resolution of the doubt. If the action results in a determination that we can make the relevant payment without violating any law, regulation or order then the payment shall become due and payable on the expiration of the 14-day period after the trustee gives us written notice informing us of the determination.
