Item 8.01. Other Events

On April 7, 2015, New Residential Investment Corp., a Delaware corporation (the Company), filed a Current Report on Form 8-K (the April 7th Form 8-K), which included, among other things, descriptions of the Termination Agreement, the Purchase Agreement, the Registration Rights Agreement, the Services Agreement and the New Merger Agreement (each as defined therein) (collectively, the Agreements). This Current Report on Form 8-K is being filed solely to include the Agreements as Exhibits 2.1 through 2.5 under part (d) of Item 9.01 of this Current Report.

The descriptions of the Agreements included in the April 7th Form 8-K do not purport to be complete and are subject to, and qualified in their entirety, in each case, by the full text of each such agreement, copies of which are attached hereto as Exhibits 2.1 through 2.5, and are incorporated by reference into the corresponding descriptions in the April 7th Form 8-K.

Each of the Agreements have been included to provide investors and security holders with information regarding their terms. They are not intended to provide any other factual information about the Company, HLSS, the Buyers, Merger Sub (each as defined in the April 7th Form 8-K) or any of their respective subsidiaries or affiliates. The representations, warranties and covenants that may be contained in such agreements (i) were made by the parties thereto only for purposes of that agreement and as of specific dates; (ii) were made solely for the benefit of the parties to each such agreement; (iii) may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures exchanged between the parties in connection with the execution of the certain of those agreements (such disclosures include information that has been included in public disclosures, as well as additional non-public information); (iv) may have been made for the purposes of allocating contractual risk between the parties to such agreements instead of establishing these matters as facts; and (v) may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Accordingly, such agreements are included with this filing only to provide investors with information regarding the terms of such agreements, and not to provide investors with any other factual information regarding the Company, HLSS, the Buyers, Merger Sub or their respective businesses, or the transactions contemplated by such agreements other than the terms thereof. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the Company, HLSS, the Buyers, Merger Sub or any of their respective subsidiaries or affiliates. Additionally, the representations, warranties, covenants, conditions and other terms of such agreements may be subject to subsequent waiver or modification. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the execution of such agreements, which subsequent information may or may not be fully reflected in the Company's or HLSS's public disclosures. None of such agreements should be read alone, and each should instead be read in conjunction with the other information regarding the Company, HLSS, the Buyers and Merger Sub that is or will be contained in, or incorporated by reference into, the proxy statement of HLSS, as well as the Company's and HLSS's respective Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings that each of the Company and HLSS make with the SEC.

Factors which could have a material adverse effect on the Company's operations and future prospects include, but are not limited to, the following risks relating to the transactions contemplated by the exhibits hereto and described herein, including in respect of the satisfaction of closing conditions to the New Merger; unanticipated difficulties and/or expenditures relating to the transactions; uncertainties as to the timing of the New Merger; litigation relating to the transactions; the impact of the transactions on each party's relationships with employees and third parties; and the inability to obtain, or delays in obtaining cost savings and synergies from the transactions. In addition, the risks to which HLSS's business is subject, including those risks described in the periodic reports of HLSS filed with the SEC, could adversely affect the proposed transactions and the Company's operations and future prospects.

New risks and uncertainties may also emerge from time to time, and it is not possible for the Company to predict or assess the impact of every factor that may cause its actual results to differ from those contained in any forward-looking statements. Such forward-looking statements speak only as of the date of this Current Report on Form 8-K.
