On July 13, 2015 (the Restatement Date), Huntington Ingalls Industries, Inc. (the Company) entered into a Second Amended and Restated Credit Agreement (the Amended Credit Facility) among the Company, the lenders party thereto, JPMorgan Chase Bank, N.A., as administrative agent and an issuing bank, and certain other issuing banks. The Amended Credit Facility includes a revolving credit facility of \$1,250 million, with a letter of credit subfacility of \$500 million. On the Restatement Date, the Company used cash on hand to repay all amounts outstanding under the prior credit facility, including \$345 million in principal amount of outstanding term loans.

The revolving credit facility has a variable interest rate on outstanding borrowings based on the London Interbank Offered Rate (LIBOR) plus a spread based upon the Company s leverage ratio, which may vary between 1.25% and 2.00%. The revolving credit facility also has a commitment fee rate on the unutilized balance based on the Company s leverage ratio, which may vary between 0.25% and 0.35%. The Amended Credit Facility contains customary affirmative and negative covenants, as well as a financial covenant based on a maximum total leverage ratio. Each of the Company s existing and future material wholly owned domestic subsidiaries, except those that are specifically designated as unrestricted subsidiaries, are and will be guarantors under the Amended Credit Facility.

The foregoing description of the Amended Credit Facility is qualified in its entirety by reference to the Second Amended and Restated Credit Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

The administrative agent and lenders, together with their affiliates, are full service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, investment research, principal investment, hedging, financing and brokerage activities. The administrative agent and lenders and/or their affiliates have, from time to time, performed, or may in the future perform, various financial advisory and investment banking services for the Company, for which they received or will receive customary fees and expenses.
