## EXPLANATORY NOTE:

### AMENDMENTS TO SECURED CREDIT FACILITIES

On November 20, 2015, Birks Group Inc. (the Company) executed an amendment to its second amended and restated revolving credit and security agreement, as amended (the Revolver Agreement) and to its third amended and restated term loan and security agreement, as amended (the Term Loan Agreement), pursuant to which its lenders agreed to remove the requirement to close a recapitalization transaction on or before January 31, 2016. Consequently, the amendments remove the additional reserve of up to \$2.5 million that may be established by the senior secured lenders that would have lowered the borrowing availability. As part of the same amendments, the minimum adjusted EBITDA levels (calculated on a twelve-month rolling basis as defined in the Revolver Agreement and Term Loan Agreement) were also amended. The minimum adjusted EBITDA levels were reduced for the months of October 2015 through July 2017 to reflect the impact of the weaker Canadian dollar. The minimum adjusted EBITDA levels are tested only in the event the excess availability minimum of \$8.0 million is not met for five consecutive business days. In the event that excess availability falls below \$8.0 million and the minimum adjusted EBITDA levels are not met, an event of default exists that could result in the outstanding balances borrowed under the Company's senior secured credit facilities becoming due immediately.

On September 17, 2015, the Company executed an Amendment Letter with Investissement Québec (IQ) dated August 19, 2015, as further amended by an Amendment Letter dated November 19, 2015, pursuant to which IQ agreed to amend the Loan Agreements with the Company dated February 20, 2009, September 12, 2013 and July 25, 2014, respectively, to reduce the monthly capital requirements amounts of all term loans IQ has with the Company. The impact of the amendments on the first twelve months following the effective date of the amendments translates to a reduction of Cdn\$2.0 million (approximately \$1.5 million in U.S. dollars) of the monthly capital requirements. These amendments were consented to by the senior secured lenders.

The foregoing summary of the amendments to the Revolver Agreement and the Term Loan Agreement are qualified in their entirety by reference to the actual Eighth Amendment to Second Amended and Restated Revolving Credit and Security Agreement dated as of November 20, 2015, the Third Amendment to Third Amended and Restated Term Loan and Security Agreement dated as of November 20, 2015, the Amendment Letter with IQ dated August 19, 2015 and effective as of September 17, 2015 and the Amendment Letter with IQ dated as of November 19, 2015, respectively, which are filed as Exhibits 99.1, 99.2, 99.3 and 99.4, respectively, to this Form 6-K.
