About StoneMor Partners L.P.

We are currently the second largest owner and operator of cemeteries and funeral homes in the United States. As of December 31, 2015, we operated 307 cemeteries in 27 states and Puerto Rico. We own 276 of these cemeteries and we manage or operate the remaining 31 under lease, management or operating agreements with the nonprofit cemetery companies that own the cemeteries. As of December 31, 2015, we also owned and operated 105 funeral homes in 19 states and Puerto Rico. Forty-seven of these funeral homes are located on the grounds of the cemeteries that we own.

The cemetery products and services that we sell include the following:

Interment Rights	Merchandise	Services
burial lots	burial vaults	installation of burial vaults
lawn crypts	caskets	installation of caskets
mausoleum crypts	grave markers and grave marker bases	installation of other cemetery merchandise
cremation niches	memorials	other service items

perpetual care rights

We sell these products and services both at the time of death, which we refer to as at-need, and prior to the time of death, which we refer to as pre-need. Our sales of real property, including burial lots (with and without installed vaults), lawn and mausoleum crypts and cremation niches, generally generate qualifying income sufficient for us to be treated as a partnership for federal income tax purposes. In 2015, we performed 54,837 burials and sold 37,086 interment rights (net of cancellations). Based on our sales of interment spaces in 2015, our cemeteries have an aggregated weighted average remaining sales life of 237 years.

Our cemetery properties are located in Alabama, California, Colorado, Delaware, Florida, Georgia, Hawaii, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Michigan, Mississippi, Missouri, New Jersey, North Carolina, Ohio, Oregon, Pennsylvania, Puerto Rico, Rhode Island, South Carolina, Tennessee, Virginia, Washington and West Virginia. One cemetery in Hawaii that we acquired in December 2007 is still awaiting regulatory approval and has not yet been conveyed to us. Our cemetery operations accounted for approximately 81.1%, 83.1% and 81.8% of our revenues in 2015, 2014 and 2013, respectively.

The new notes offered hereby, together with any old notes that remain outstanding after the completion of the exchange offer, will be treated as a single class for all purposes under the indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase. The new notes will have a CUSIP number different from that of any old notes that remain outstanding after the completion of the exchange offer.

Exchange Offer

We are offering to exchange up to \$175.0 million aggregate principal amount of new notes for an equal amount of the old notes.

Expiration Date

The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2016, unless we decide to extend it.

Conditions to the Exchange Offer

We will not accept old notes for exchange if the exchange offer, or the making of any exchange by a holder of the old notes, would violate any applicable law or interpretation of the staff of the SEC. The exchange offer is not conditioned on a minimum aggregate principal amount of old notes being tendered. Please read *The Exchange Offer Conditions to the Exchange Offer* for more information about the conditions to the exchange offer.

Procedures for Tendering Old Notes

To participate in the exchange offer, you must follow the procedures established by The Depository Trust Company, or DTC, for tendering notes held in book-entry form. These procedures for using DTC's Automated Tender Offer Program, or ATOP, require that (i) the exchange agent receive, prior to the expiration date of the exchange offer, a computer generated message known as an agent's message that is transmitted through ATOP, and (ii) DTC confirms that:

DTC has received your instructions to exchange your notes; and

you agree to be bound by the terms of the letter of transmittal.

For more information on tendering your old notes, please refer to the section in this prospectus entitled Exchange Offer Terms of the Exchange Offer, Procedures for Tendering, and Book-Entry; Delivery and Form.

The new notes will evidence the same debt as the old notes, and the same indenture will govern the new notes and the old notes. The following summary contains basic information about the new notes and is not intended to be complete. It does not contain all the information that is important to you. For a more complete understanding of the new notes, please refer to the section of this prospectus entitled "Description of the Notes."

such debt; and

The guarantees of the new notes will rank equally with all other senior indebtedness of the guarantors and ahead of any debt of the guarantors that expressly provides for subordination to the guarantees. The guarantees will be effectively subordinated to all of the secured debt of the guarantors to the extent of the value of the collateral securing such debt, including the guarantees under our credit agreement. See Risk Factors Risk Factors Related to the New Notes Payment of principal and interest on the notes is effectively subordinated to our secured debt to the extent of the value of the assets securing that debt.

Table of Contents

As of December 31, 2015, we had approximately \$329.3 million of senior debt outstanding, of which approximately \$149.5 million effectively ranked senior to the old notes to the extent of the collateral securing such debt, and we had \$30.5 million of availability under our credit facility.

Optional Redemption

We have the option to redeem the notes, in whole or in part, at any time on or after June 1, 2016, at the redemption prices specified under Description of the Notes Optional Redemption.

At any time prior to June 1, 2016, we may, on one or more occasions, redeem all or any portion of the notes, at a redemption price equal to 100% of the principal amount of the notes redeemed, including accrued and unpaid interest, if any, to the redemption date, plus the applicable premium.

In addition, on or prior to June 1, 2016, we may redeem up to 35% of the aggregate principal amount of the notes (including any additional notes) with the net cash proceeds of certain equity offerings at a redemption price equal to 107.875% of the principal amount of the notes, plus accrued and unpaid interest, if any, to the redemption date; provided that 65% of the aggregate principal amount of the notes (including any additional notes) originally issued under the indenture remain outstanding.

Change of Control

If we experience specific kinds of change of control, we must offer to repurchase all of the notes for a cash price equal to 101% of their principal amount, plus accrued and unpaid interest, if any, to the purchase date. See Description of the Notes Change of Control.

Certain Covenants

The indenture governing the notes contains covenants that among other things, limit our ability and the ability of our restricted subsidiaries to:

incur additional debt;

pay dividends or make other distributions;

make other restricted payments and investments;

create liens;

merge, consolidate or transfer or dispose of substantially all of our assets; and

enter into certain types of transactions with affiliates.

These covenants are subject to important exceptions and qualifications described under the heading **Description of the Notes Certain Covenants**.

RISK FACTORS

An investment in our notes is subject to risks and uncertainties. You should carefully consider the risks described below, in addition to the other information contained in or incorporated by reference in this prospectus, before participating in the exchange offer. Realization of these risks could materially adversely affect our business, financial condition or results of operations. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial may also materially adversely affect our business operations. In such case, you may lose all or part of your original investment.

Risks Related to the New Notes

If you do not properly tender your old notes, you will continue to hold unregistered notes and your ability to transfer old notes may be adversely affected.

We will only issue new notes in exchange for old notes that you timely and properly tender. Therefore, you should allow sufficient time to ensure timely delivery of the old notes, and you should carefully follow the instructions on how to tender your old notes. Neither we nor the exchange agent is required to tell you of any defects or irregularities with respect to your tender of old notes.

If you do not exchange your old notes for new notes pursuant to the exchange offer, the old notes you hold will continue to be unregistered. We do not plan to register old notes under the Securities Act. Further, if you continue to hold any old notes after the exchange offer is consummated, you may have trouble selling them because there will be fewer of these notes outstanding.

Our substantial level of indebtedness could materially adversely affect our ability to generate sufficient cash to fulfill our obligations under the notes, our ability to react to changes in our business and our ability to incur additional indebtedness to fund future needs.

We have a substantial amount of debt, which requires significant interest and principal payments. As of December 31, 2015, we had approximately \$329.3 million of total debt outstanding. Subject to the limits contained in the indenture governing the notes and our other debt instruments, we may be able to incur additional debt from time to time to finance working capital, capital expenditures, investments or acquisitions, or for other purposes. If we do so, the risks related to our high level of debt could intensify.

Our substantial level of indebtedness increases the possibility that we may be unable to generate cash sufficient to pay, when due, the principal of, interest on or other amounts due in respect of our indebtedness. Our substantial indebtedness, combined with our other financial obligations and contractual commitments, could have important consequences for holders of our notes. For example, it could:

make it more difficult for us to satisfy our obligations with respect to our indebtedness, including the notes, and any failure to comply with the obligations under any of our debt instruments, including restrictive covenants, could result in an event of default under the indenture governing the notes and the agreements governing such other indebtedness;

require us to dedicate a substantial portion of our cash flow from operations to payments on our indebtedness, thereby reducing funds available for working capital, capital expenditures, acquisitions and other purposes;

increase our vulnerability to adverse economic and industry conditions, which could place us at a competitive disadvantage compared to our competitors that have relatively less indebtedness;

limit our flexibility in planning for, or reacting to, changes in our business and the industry in which we operate;

Table of Contents

limit the rights of the holders of our notes to receive payments under the notes if secured creditors have not been paid;

limit our ability to borrow additional funds, if needed, for working capital, capital expenditures, acquisitions and other purposes; and

prevent us from raising the funds necessary to repurchase all notes tendered to us upon the occurrence of certain changes of control, which would constitute a default under the indenture governing the notes.

We, including our subsidiaries, have the ability to incur substantially more indebtedness, including senior secured indebtedness.

Subject to the restrictions in our senior secured debt obligations and the indenture governing the notes, we, including our subsidiaries, may incur significant additional indebtedness. Although the terms of our senior secured debt obligations and the indenture governing the notes contain restrictions on the incurrence of additional indebtedness, these restrictions are subject to a number of important exceptions, and indebtedness incurred in compliance with these restrictions could be substantial. If we, including our subsidiaries, incur significant additional indebtedness, the related risks that we face could intensify.

We may not be able to generate sufficient cash to service all of our indebtedness, including the notes, and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled payments on, or to refinance, our debt obligations depends on our financial condition and operating performance, which is subject to prevailing economic and competitive conditions and to certain financial, business and other factors beyond our control. We may not be able to maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premium, if any, and interest on our indebtedness, including the notes.

If our cash flows and capital resources are insufficient to fund our debt service obligations, we may be forced to reduce or delay investments and capital expenditures, sell assets, seek additional capital or restructure or refinance our indebtedness, including the notes. Our ability to restructure or refinance our debt will depend on the condition of the capital markets and our financial condition at such time. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations. The terms of existing or future debt instruments and the indenture governing the notes may restrict us from adopting some of these alternatives. In addition, any failure to make payments of interest and principal on our outstanding indebtedness on a timely basis would likely result in a reduction of our credit rating, which could harm our ability to incur additional indebtedness. In the absence of such operating results and resources, we could face substantial liquidity problems and might be required to dispose of material assets or operations to meet our debt service and other obligations. Our senior secured debt obligations and the indenture governing the notes will restrict our ability to dispose of assets and use the proceeds from the disposition. We may not be able to consummate those dispositions or to obtain the proceeds that we could realize from them and these proceeds may not be adequate to meet any debt service obligations then due. These alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations.

Payment of principal and interest on the notes is effectively subordinated to our secured debt to the extent of the value of the assets securing that debt.

The notes are effectively subordinated to claims of our secured creditors to the extent of the value of the assets securing such claims, and the note guarantees are effectively subordinated to the claims of the issuers' secured creditors as well as the secured creditors of the guarantors. As of December 31, 2015, we had approximately \$329.3 million of senior debt outstanding, of which approximately \$149.5 million effectively ranked senior to the old notes to the extent of the collateral securing such debt, and we had \$30.5 million of availability under our credit facility.

Table of Contents

Holders of our senior secured debt obligations have claims that are prior to claims of the holders of the notes with respect to the assets securing those obligations. In the event of a liquidation, dissolution, reorganization, bankruptcy or any similar proceeding, our assets and those of the guarantors will be available to pay obligations on the notes and the note guarantees only after holders of our senior secured debt have been paid the value of the assets securing such obligations. Accordingly, there may not be sufficient funds remaining to pay amounts due on all or any of the notes.

If we default on our obligations to pay our other indebtedness, we may not be able to make payments on the notes.

If we are unable to comply with the restrictions and covenants in the agreements governing our notes or in current or future debt agreements, there could be a default under the terms of these agreements. Our ability to comply with these restrictions and covenants, including meeting financial ratios and tests, may be affected by events beyond our control. As a result, we cannot assure you that we will be able to comply with these restrictions and covenants or meet these tests. Any default under the agreements governing our indebtedness, including a default under our senior secured debt obligations that is not waived by the required lenders, and the remedies sought by the holders of such indebtedness, could prevent us from paying principal, premium, if any, and interest on the notes and substantially decrease the market value of the notes. If we are unable to generate sufficient cash flow and are otherwise unable to obtain funds necessary to meet required payments of principal, premium, if any, and interest on our indebtedness, or if we otherwise fail to comply with the various covenants, including financial and operating covenants in the instruments governing our indebtedness (including covenants in our senior secured debt obligations and the indenture governing the notes), we could be in default under the terms of the agreements governing such indebtedness, including our senior secured debt obligations and the indenture governing the notes. In the event of such default,

the holders of such indebtedness may be able to cause all of our available cash flow to be used to pay such indebtedness and, in any event, could elect to declare all the funds borrowed thereunder to be due and payable, together with accrued and unpaid interest;

the lenders under our credit facility could elect to terminate their commitments thereunder, cease making further loans and institute foreclosure proceedings against our assets and otherwise take action against the collateral; and

we could be forced into bankruptcy or liquidation.

If our operating performance declines, we may in the future need to obtain waivers from the required lenders under our senior secured debt obligations to avoid being in default. If we breach our covenants under our senior secured debt obligations and seek a waiver, we may not be able to obtain a waiver from the required lenders. If this occurs, we would be in default under our senior secured debt obligations, the lenders could exercise their rights, as described above, and we could be forced into bankruptcy or liquidation.

Restrictions in our existing and future debt agreements could limit our ability to capitalize on acquisition and other business opportunities.

The operating and financial restrictions and covenants in our senior secured debt obligations and any future financing agreements could restrict our ability to finance future operations or capital needs or to expand or pursue our business activities. For example, our senior secured debt obligations contain covenants that restrict or limit our ability to:

enter into a new line of business;

enter into any agreement of merger or acquisition;

sell, transfer, assign or convey assets;

grant certain liens;

Table of Contents

incur or guarantee additional indebtedness;

make certain loans, advances and investments;

declare and pay dividends and distributions;

enter into transactions with affiliates; and

make voluntary payments or modifications of indebtedness.

The indenture governing the notes contains similar restrictive covenants. In addition, our senior secured debt obligations contain covenants requiring us to maintain certain financial ratios and tests. These restrictions, together with those in the indenture governing the notes, may also limit our ability to obtain future financings. Our ability to comply with the covenants and restrictions contained in our senior secured debt obligations and in the indenture governing our notes may be affected by events beyond our control, including prevailing economic, financial and industry conditions. If market or other economic conditions continue to deteriorate, our ability to comply with these covenants may be impaired. If we violate any of the restrictions, covenants, ratios or tests in our senior secured debt obligations, the lenders will be able to accelerate the maturity of all borrowings thereunder and demand repayment of amounts outstanding, and our lenders' commitment to make further loans to us may terminate. We might not have, or be able to obtain, sufficient funds to make these accelerated payments. Any subsequent replacement of our senior secured debt obligations or any new indebtedness could have similar or greater restrictions.

We may not be able to repurchase the notes upon a change of control.

In the event of a change of control, we will be required, subject to certain conditions, to offer to purchase all outstanding notes at a cash price equal to 101% of the principal amount thereof, plus accrued and unpaid interest thereon to the date of purchase. If a change of control were to occur today, we would not have sufficient funds available to purchase all of the outstanding notes were they to be tendered in response to an offer made as a result of a change of control. We cannot assure you that we will have sufficient funds available or that we will be permitted by our other debt instruments to fulfill these obligations upon a change of control in the future. Our failure to offer to purchase all outstanding notes or to purchase all validly tendered notes would be an event of default under the indenture and might constitute a default under the terms of our other indebtedness. See Description of the Notes Change of Control.

Any guarantees of the notes by our subsidiaries could be deemed fraudulent conveyances under certain circumstances, and a court may subordinate or void the subsidiary guarantees.

The notes are guaranteed on a senior unsecured basis by StoneMor Operating LLC and StoneMor Partners' other existing subsidiaries (other than CFS West Virginia) that guarantee, or are borrowers under, our credit agreement. In certain circumstances, any of our future subsidiaries may be required to guarantee the notes. A court could subordinate or void the subsidiary guarantees under various fraudulent conveyance or fraudulent transfer laws. Generally, to the extent that a U.S. court were to find that at the time one of our subsidiaries entered into a subsidiary guarantee and either:

the subsidiary incurred the guarantee with the intent to hinder, delay, or defraud any present or future creditor, or contemplated insolvency with a design to favor one or more creditors to the exclusion of others;
or

the subsidiary did not receive fair consideration or reasonably equivalent value for issuing the subsidiary guarantee and, at the time it issued the subsidiary guarantee, the subsidiary:

was insolvent or became insolvent as a result of issuing the subsidiary guarantee,

was engaged or about to engage in a business or transaction for which the remaining assets of the subsidiary constituted unreasonably small capital, or

Table of Contents

intended to incur, or believed that it would incur, debts beyond its ability to pay those debts as they matured, then the court could void or subordinate the subsidiary guarantee in favor of the subsidiary's other obligations.

A legal challenge of a subsidiary guarantee on fraudulent conveyance grounds may focus, among other things, on the benefits, if any, the subsidiary realized as a result of our issuing the notes. To the extent a subsidiary guarantee is voided as a fraudulent conveyance or held unenforceable for any other reason, the holders of the notes would not have any claim against that subsidiary and would be creditors solely of us and any other subsidiary guarantors whose guarantees are not held unenforceable.

Your ability to transfer the new notes may be limited by the absence of a trading market.

The new notes will constitute a new issuance of securities for which currently there is no trading market. Although the new notes will be registered under the Securities Act, they will not be listed on a securities exchange. We do not currently intend to apply for listing of the new notes on any securities exchange or stock market. The liquidity of any market for the notes will depend on the number of holders of those notes, the interest of securities dealers in making a market in those notes and other factors. Accordingly, we cannot assure you as to the development or liquidity of any market for the notes. Historically, the market for noninvestment grade debt has been subject to disruptions that have caused substantial volatility in the prices of securities similar to the new notes. We cannot assure you that the market, if any, for the new notes will be free from similar disruptions. Any such disruption may adversely affect the noteholders' ability to transfer the new notes.

THE EXCHANGE OFFER

Purpose and Effect of the Exchange Offer

We sold the old notes May 28, 2013 pursuant to the purchase agreement, dated as of May 16, 2013, by and among us, our subsidiary guarantors and the initial purchasers named therein. The old notes were subsequently offered by the initial purchasers to qualified institutional buyers pursuant to Rule 144A under the Securities Act and to non-U.S. persons pursuant to Regulation S under the Securities Act.

We are offering holders of the old notes the opportunity to exchange their old notes for the new notes in the exchange offer. The exchange offer will be open for a period of at least 20 business days. During the exchange offer period, we will exchange the new notes for all old notes properly surrendered and not withdrawn before the expiration date. The new notes will be registered under the Securities Act.

For each old note surrendered to us pursuant to the exchange offer, the holder of such old note will receive a new note having a principal amount equal to that of the surrendered old note. Interest on each new note will accrue from December 1, 2015, the latest interest payment date for the surrendered old note. Included in this prospectus is certain information necessary to allow a broker-dealer who holds old notes that were acquired for its own account as a result of market-making activities or other ordinary course trading activities (other than old notes acquired directly from us or one of our affiliates) to exchange such old notes pursuant to the exchange offer and to satisfy the prospectus delivery requirements in connection with resales of new notes received by such broker-dealer in the exchange offer.

We are entitled to close the exchange offer 20 business days after its commencement as long as we have accepted all old notes validly tendered in accordance with the terms of the exchange offer and no brokers or dealers continue to hold any old notes.

Terms of the Exchange Offer

Subject to the terms and conditions described in this prospectus and in the letter of transmittal, we will accept for exchange any old notes properly tendered and not withdrawn prior to 5:00 p.m., New York City time, on the expiration date. We will issue new notes in a principal amount equal to the principal amount of old notes surrendered in the exchange offer. Old notes may be tendered only for new notes and only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

The exchange offer is not conditioned upon any minimum aggregate principal amount of old notes being tendered for exchange.

As of the date of this prospectus, \$175.0 million in aggregate principal amount of the old notes is outstanding. This prospectus and the letter of transmittal are being sent to, among others, all registered holders of old notes. There will be no fixed record date for determining registered holders of old notes entitled to participate in the exchange offer.

We intend to conduct the exchange offer in accordance with the applicable requirements of the Securities Act and the Exchange Act and the rules and regulations of the SEC. Old notes that the holders thereof do not tender for exchange in the exchange offer will remain outstanding and continue to accrue interest. These old notes will continue to be entitled to the rights and benefits such holders have under the indenture relating to the notes.

We will be deemed to have accepted for exchange properly tendered old notes when we have given oral (promptly confirmed in writing) or written notice of the acceptance to the exchange agent. The exchange agent will act as agent

for the tendering holders for the purposes of receiving the new notes from us.

Table of Contents

If you tender old notes in the exchange offer, you will not be required to pay brokerage commissions or fees or, subject to the letter of transmittal, transfer taxes with respect to the exchange of old notes. We will pay all charges and expenses, other than certain applicable taxes described below, in connection with the exchange offer. It is important that you read the section **Fees and Expenses** for more details regarding fees and expenses incurred in connection with the exchange offer.

We will return any old notes that we do not accept for exchange for any reason without expense to their tendering holder promptly after the expiration or termination of the exchange offer.

Expiration Date

The exchange offer will expire at 5:00 p.m., New York City time, on _____, 2016, unless, in our sole discretion, we extend it.

Extensions, Delays in Acceptance, Termination or Amendment

We expressly reserve the right, at any time or various times, to extend the period of time during which the exchange offer is open. We may delay acceptance of any old notes by giving oral or written notice of such extension to their holders at any time until the exchange offer expires or terminates. During any such extensions, all old notes previously tendered will remain subject to the exchange offer, and we may accept them for exchange.

In order to extend the exchange offer, we will notify the exchange agent orally (promptly confirmed in writing) or in writing of any extension. We will notify the registered holders of old notes of the extension by a press release issued no later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date.

Any such notice relating to the extension of the exchange offer will disclose the number of securities tendered as of the date of the notice, as required by Rule 14e-1(d) under the Exchange Act. We expressly reserve the right, at our sole discretion:

to delay accepting the old notes, provided that any such delay is done in a manner consistent with Rule 14e-1(c) of the Exchange Act;

to extend the exchange offer, with or without an extension of the period in which you may withdraw any tender of your old notes;

to terminate the exchange offer and not accept old notes not previously accepted if any of the conditions listed under **Conditions to the Exchange Offer** are not satisfied or waived by us, by giving oral or written notice of such delay, extension or termination to the exchange agent; or

to amend the terms of the exchange offer in any manner.

Following the commencement of the exchange offer, we anticipate that we would only delay accepting old notes tendered in the exchange offer due to an extension of the expiration date. We will follow any delay in acceptance, extension or termination as promptly as practicable by oral or written notice to the exchange agent.

Any such delay in acceptance, extension, termination or amendment will be followed as promptly as practicable by written notice thereof to the registered holders of old notes. If we amend the exchange offer in a manner that we determine to constitute a material change, we will promptly disclose such amendment by means of a prospectus supplement. The prospectus supplement will be distributed to the registered holders of the old notes. Depending upon the significance of the amendment and the manner of disclosure to the registered holders, we may extend the exchange offer. In the event of a material change in the exchange offer, including the waiver

Table of Contents

by us of a material condition, we will extend the exchange offer period, if necessary, so that at least five business days remain in the exchange offer period following notice of the material change.

If we delay accepting any old notes or terminate the exchange offer, we will return any old notes deposited, pursuant to the exchange offer as required by Rule 14e-1(c).

Conditions to the Exchange Offer

We will not be required to accept for exchange, or exchange any new notes for, any old notes if the exchange offer, or the making of any exchange by a holder of old notes, would violate applicable law or any applicable interpretation of the staff of the SEC. Similarly, we may terminate the exchange offer as provided in this prospectus before accepting old notes for exchange in the event of such a potential violation.

In addition, we will not be obligated to accept for exchange the old notes of any holder that has not made to us the representations described under Purpose and Effect of the Exchange Offer, Procedures for Tendering and Plan of Distribution and such other representations as may be reasonably necessary under applicable SEC rules, regulations or interpretations to allow us to use an appropriate form to register the issuance of the new notes under the Securities Act.

We expressly reserve the right to amend or terminate the exchange offer, and to reject for exchange any old notes not previously accepted for exchange, upon the occurrence of any of the conditions to the exchange offer specified above. We will give prompt written notice of any extension, amendment, non-acceptance or termination to the holders of the old notes as promptly as practicable.

These conditions are for our sole benefit, and we may assert them or waive them in whole or in part at any time or at various times in our sole discretion prior to the expiration of the exchange offer.

If we fail at any time to exercise any of these rights, this failure will not mean that we have waived our rights. Each such right will be deemed an ongoing right that we may assert at any time or at various times prior to the expiration of the exchange offer.

In addition, we will not accept for exchange any old notes tendered, and will not issue new notes in exchange for any such old notes, if at such time any stop order has been threatened or is in effect with respect to the registration statement of which this prospectus constitutes a part or the qualification of the indenture relating to the notes under the Trust Indenture Act of 1939, as amended (the Trust Indenture Act).

Procedures for Tendering

In order to participate in the exchange offer, you must properly tender your old notes to the exchange agent as described below. We will only issue new notes in exchange for old notes that you timely and properly tender. Therefore, you should allow sufficient time to ensure timely delivery of the old notes, and you should follow carefully the instructions on how to tender your old notes. It is your responsibility to properly tender your notes. We have the right to waive any defects. However, we are not required to waive defects and are not required to notify you of defects in your tender.

If you have any questions or need help in exchanging your notes, please call the exchange agent, whose address is set forth in Prospectus Summary The Exchange Offer Exchange Agent.

All of the old notes were issued in book-entry form, and all of the old notes are currently represented by one or more global certificates held for the account of DTC. We have confirmed with DTC that the old notes may be tendered using the Automated Tender Offer Program, or ATOP, instituted by DTC. The exchange agent will establish an account with DTC for purposes of the exchange offer promptly after the commencement of the

Table of Contents

exchange offer, and DTC participants may electronically transmit their acceptance of the exchange offer by causing DTC to transfer their old notes to the exchange agent using the ATOP procedures. In connection with the transfer, DTC will send an agent's message to the exchange agent. The agent's message will state that DTC has received instructions from the participant to tender old notes and that the participant agrees to be bound by the terms of the letter of transmittal.

By using the ATOP procedures to exchange old notes, you will not be required to deliver a letter of transmittal to the exchange agent. However, you will be bound by its terms just as if you had signed it.

There is no procedure for guaranteed late delivery of the notes.

Determinations under the Exchange Offer

We will determine, in our sole discretion, all questions as to the validity, form, eligibility, time of receipt, acceptance of tendered old notes and withdrawal of tendered old notes. Our determination will be final and binding. We reserve the absolute right to reject any old notes not properly tendered or any old notes our acceptance of which would, in the opinion of our counsel, be unlawful. We also reserve the right to waive any defect, irregularities or conditions of tender as to particular old notes. Our interpretation of the terms and conditions of the exchange offer, including the instructions in the letter of transmittal, will be final and binding on all parties. Unless waived, all defects or irregularities in connection with tenders of old notes must be cured within such time as we shall determine. Although we intend to notify holders of defects or irregularities with respect to tenders of old notes, neither we, the exchange agent, the trustee nor any other person will incur any liability for failure to give such notification. Tenders of old notes will not be deemed made until such defects or irregularities have been cured or waived. Any old notes received by the exchange agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned to the tendering holder, unless otherwise provided in the letter of transmittal, promptly following the expiration date of the exchange.

When We Will Issue New Notes

In all cases, we will issue new notes for old notes that we have accepted for exchange under the exchange offer only after the exchange agent timely receives:

a book-entry confirmation of such old notes into the exchange agent's account at DTC; and

a properly transmitted agent's message.

Return of Old Notes Not Accepted or Exchanged

If we do not accept any tendered old notes for exchange or if old notes are submitted for a greater principal amount than the holder desires to exchange, the unaccepted or non-exchanged old notes will be returned without expense to their tendering holder. Such non-exchanged old notes will be credited to an account maintained with DTC. These actions will occur promptly after the expiration or termination of the exchange offer.

Your Representations to Us

By agreeing to be bound by the letter of transmittal, you will represent to us that, among other things:

any new notes that you receive will be acquired in the ordinary course of your business;

you have no arrangement or understanding with any person or entity to participate in the distribution of the new notes;

you are not our affiliate, as defined in Rule 405 of the Securities Act;

Table of Contents

if you are a broker-dealer that will receive new notes for your own account in exchange for old notes, you acquired those notes as a result of market-making activities or other trading activities and you will deliver a prospectus (or, to the extent permitted by law, make available a prospectus) in connection with any resale of such new notes; and

if you are a broker-dealer that participates in the exchange offer with respect to old notes acquired for your own account as a result of market-making activities or other trading activities, you have not entered into any arrangement or understanding with us or any of our affiliates to distribute the new notes.

Withdrawal of Tenders

Except as otherwise provided in this prospectus, you may withdraw your tender at any time prior to 5:00 p.m., New York City time, on the expiration date. For a withdrawal to be effective, you must comply with the appropriate procedures of DTC's ATOP system. Any notice of withdrawal must specify the name and number of the account at DTC to be credited with withdrawn old notes and otherwise comply with the procedures of DTC.

We will determine all questions as to the validity, form, eligibility and time of receipt of notice of withdrawal. Our determination shall be final and binding on all parties. We will deem any old notes so withdrawn not to have been validly tendered for exchange for purposes of the exchange offer.

Any old notes that have been tendered for exchange but are not exchanged for any reason will be credited to an account maintained with DTC for the old notes. This crediting will take place promptly after withdrawal, rejection of tender or termination of the exchange offer. You may retender properly withdrawn old notes by following the procedures described under Procedures for Tendering above at any time prior to 5:00 p.m., New York City time, on the expiration date of the exchange offer.

Fees and Expenses

We will bear the expenses of soliciting tenders. The principal solicitation is being made by electronic mail; however, we may make additional solicitation by facsimile, telephone, mail or in person by our officers and regular employees and those of our affiliates.

We have not retained any dealer-manager in connection with the exchange offer and will not make any payments to broker-dealers or others soliciting acceptances of the exchange offer. We will, however, pay the exchange agent reasonable and customary fees for its services and reimburse it for its related reasonable out-of-pocket expenses.

We will pay the cash expenses to be incurred in connection with the exchange offer. They include:

all registration and filing fees and expenses;

all fees and expenses of compliance with federal securities and state blue sky or securities laws;

accounting and legal fees, disbursements and printing, messenger and delivery services, and telephone costs; and

related fees and expenses.

Transfer Taxes

We will pay all transfer taxes, if any, applicable to the exchange of old notes under the exchange offer. The tendering holder, however, will be required to pay any transfer taxes, whether imposed on the registered holder or any other person, if a transfer tax is imposed for any reason other than the exchange of old notes under the exchange offer.

Table of Contents

Consequences of Failure to Exchange

If you do not exchange your old notes for new notes pursuant to the exchange offer, the old notes you hold will continue to be unregistered. We do not plan to register old notes under the Securities Act. Further, if you continue to hold any old notes after the exchange offer is consummated, you may have trouble selling them because there will be fewer of these notes outstanding.

Accounting Treatment

We will record the new notes in our accounting records at the same carrying value as the old notes. This carrying value is the aggregate principal amount of the old notes less any bond discount, as reflected in our accounting records on the date of exchange. Accordingly, we will not recognize any gain or loss for accounting purposes in connection with the exchange offer.

Other

Participation in the exchange offer is voluntary and you should carefully consider whether to accept. You are urged to consult your financial and tax advisors in making your own decision on what action to take.

We may in the future seek to acquire untendered old notes in open market or privately-negotiated transactions, through subsequent exchange offers or otherwise. We have no present plans to acquire any old notes that are not tendered in the exchange offer or to file a registration statement to register any untendered old notes.

USE OF PROCEEDS

We will not receive any proceeds from the issuance of the new notes in the exchange offer. In consideration for issuing the new notes as contemplated by this prospectus, we will receive old notes in a like principal amount. The form and terms of the new notes are identical in all respects to the form and terms of the old notes, except the new notes will be registered under the Securities Act. Old notes surrendered in exchange for the new notes will be retired and cancelled and will not be reissued. Accordingly, the issuance of the new notes will not result in any change in outstanding indebtedness.

Table of Contents

DESCRIPTION OF THE NOTES

We are offering up to \$175.0 million aggregate principal amount of our new 7⁷/₈% senior notes due 2021, which have been registered under the Securities Act, referred to in this prospectus as the new notes, for any and all of our outstanding unregistered 7⁷/₈% senior notes due 2021, referred to in this prospectus as the old notes, that we issued on May 28, 2013 in a transaction not requiring registration under the Securities Act. The new notes will be treated as a single class with any old notes that remain outstanding after the completion of the exchange offer. The old notes and the new notes are collectively referred to in this prospectus as the Notes. The old notes were issued, and the new notes will be issued, under an indenture (as amended and supplemented, the Indenture) dated as of May 28, 2013 among the Issuers, the Guarantors and Wilmington Trust, National Association, as trustee (the Trustee). The terms of the Notes include those stated in the Indenture and those made part of the indenture by reference to the Trust Indenture Act.

For purposes of this description, the term Partnership refers only to StoneMor Partners L.P. and not to any of its Subsidiaries, the term Cornerstone refers only to the co-issuer of the Notes, Cornerstone Family Services of West Virginia Subsidiary, Inc., and not to any of its Subsidiaries or parent companies, and the term Issuers refers collectively to the Partnership and Cornerstone.

The following is a summary of the material terms and provisions of the Notes. The following summary does not purport to be a complete description of the Notes and is subject to the detailed provisions of, and qualified in its entirety by reference to, the Indenture. A copy of the Indenture is filed as an exhibit to the registration statement of which this prospectus is a part. You can find definitions of certain terms used in this description under the heading Certain Definitions.

Principal, Maturity and Interest

Like the old notes, the new notes will mature on June 1, 2021. The new notes will bear interest from December 1, 2015 at 7⁷/₈%, payable on June 1 and December 1 of each year, commencing June 1, 2016, to Holders of record at the close of business on May 15 or November 15, as the case may be, immediately preceding the relevant interest payment date. Interest on the new notes will be computed on the basis of a 360-day year of twelve 30-day months.

The new notes will be issued in registered form, without coupons, and in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess of \$2,000.

The Issuers may issue additional Notes having identical terms as the Notes, except for issue date, issue price and first interest payment date, in an unlimited aggregate principal amount (the Additional Notes), subject to compliance with the covenant described under Certain Covenants Limitations on Additional Indebtedness. Any Additional Notes will be part of the same issue as the Notes and will be treated as one class with the Notes, including for purposes of voting, redemptions and offers to purchase. For purposes of this Description of the Notes, except for the covenant described under Certain Covenants Limitations on Additional Indebtedness, references to the Notes include Additional Notes, if any.

Methods of Receiving Payments on the Notes

Principal of and premium, if any, and interest on the new notes will be payable, and the new notes will be exchangeable and transferable, at the office or agency of the Issuers maintained for such purposes, which, initially, will be the corporate trust office of the Trustee in Wilmington, Delaware, acting as the paying agent (the Paying Agent) and registrar (the Registrar) for the Notes or, at the option of the Issuers, payment of interest may be paid by check mailed to the Person entitled thereto as shown on the security register or by wire transfer of immediately

available funds to the account specified by the Person entitled thereto.

Table of Contents

Ranking

The new notes will be general unsecured obligations of the Issuers. The new notes will rank senior in right of payment to all future obligations of the Issuers that are, by their terms, expressly subordinated in right of payment to the new notes and *pari passu* in right of payment with all existing and future obligations of the Issuers that are not so subordinated. Each Note Guarantee (as defined below) will be a general unsecured obligation of the Guarantor thereof and will rank senior in right of payment to all future obligations of such Guarantor that are, by their terms, expressly subordinated in right of payment to such Note Guarantee and *pari passu* in right of payment with all existing and future obligations of such Guarantor that are not so subordinated.

The new notes and each Note Guarantee will be effectively subordinated to secured Indebtedness of the Issuers and the applicable Guarantor to the extent of the value of the assets securing such Indebtedness.

The new notes will also be structurally subordinated to all obligations, including Indebtedness, of any future Unrestricted Subsidiaries. Claims of creditors of these Subsidiaries, including trade creditors, will generally have priority as to the assets of these Subsidiaries over the claims of the Issuers and the holders of the Issuers' Indebtedness, including the new notes.

As of December 31, 2015, we had approximately \$329.3 million of senior debt outstanding, of which approximately \$149.5 million effectively ranked senior to the old notes to the extent of the collateral securing such debt, and we had approximately \$30.5 million of availability under our Credit Agreement. Although the Indenture limits the amount of additional secured Indebtedness that the Partnership and the Restricted Subsidiaries may incur, under certain circumstances, the amount of this Indebtedness could be substantial. See **Certain Covenants Limitations on Additional Indebtedness and Limitations on Liens.**

Note Guarantees

The Issuers' obligations under the new notes and the Indenture will be jointly and severally guaranteed (the **Note Guarantees**) by each Restricted Subsidiary that guarantees any Indebtedness under any Credit Facility, or is a borrower under any Credit Facility and each other Restricted Subsidiary that the Issuers shall otherwise cause to become a Guarantor pursuant to the terms of the Indenture.

As of the issue date of the new notes, we expect that all of our Subsidiaries (other than Cornerstone) will guarantee the new notes and all of our Subsidiaries will be Restricted Subsidiaries. However, under the circumstances described below under the subheading **Certain Covenants Limitation on Designation of Unrestricted Subsidiaries**, the Partnership will be permitted to designate any of its Subsidiaries as Unrestricted Subsidiaries. The effect of designating a Subsidiary as an Unrestricted Subsidiary will be that:

an Unrestricted Subsidiary will not be subject to many of the restrictive covenants in the Indenture;

a Subsidiary that has previously been a Guarantor and that is designated an Unrestricted Subsidiary will be released from its Note Guarantee and its obligations under the Indenture; and

the assets, income, cash flow and other financial results of an Unrestricted Subsidiary will not be consolidated with those of the Partnership for purposes of calculating compliance with the restrictive covenants contained in the Indenture.

The obligations of each Guarantor under its Note Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any guarantees under the Credit Agreement) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under the Indenture, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal

Table of Contents

or state law. Each Guarantor that makes a payment for distribution under its Note Guarantee is entitled to a contribution from each other Guarantor in a *pro rata* amount based on adjusted net assets of each Guarantor.

A Guarantor shall be released from its obligations under its Note Guarantee and its obligations under the Indenture:

(1) in the event of a sale or other disposition of all or substantially all of the assets of such Guarantor, by way of merger, consolidation or otherwise, or a sale or other disposition of all of the Equity Interests of such Guarantor then held by the Partnership and the Restricted Subsidiaries;

(2) if such Guarantor is designated as an Unrestricted Subsidiary or otherwise ceases to be a Restricted Subsidiary, in each case in accordance with the provisions of the Indenture, upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, respectively;

(3) if such Guarantor shall cease to be a guarantor or co-borrower under the Credit Facility; or

(4) upon Legal Defeasance or Covenant Defeasance as described below under the caption Legal Defeasance and Covenant Defeasance or upon satisfaction and discharge of the Indenture as described below under the caption Satisfaction and Discharge.

Optional Redemption

Except as set forth below, the Notes may not be redeemed prior to June 1, 2016. At any time or from time to time on or after June 1, 2016, the Issuers, at their option, may redeem the Notes, in whole or in part, upon prior notice as described below under Selection and Notice of Redemption, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon, if any, to the redemption date, if redeemed during the 12-month period beginning June 1 of the years indicated:

Year	Optional Redemption Price
2016	105.906%
2017	103.938%
2018	101.969%
2019 and thereafter	100.000%

At any time prior to June 1, 2016, the Issuers may, on one or more occasions, redeem all or any portion of the Notes, upon prior notice as described below under Selection and Notice of Redemption, at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium as of the date of redemption, including accrued and unpaid interest to the redemption date.

Redemption with Proceeds from Equity Offerings

At any time or from time to time prior to June 1, 2016, the Issuers, at their option, may redeem up to 35% of the aggregate principal amount of the Notes issued under the Indenture (including any Additional Notes), but in an amount no greater than the net cash proceeds of one or more Qualified Equity Offerings, upon prior notice as described below under Selection and Notice of Redemption, at a redemption price equal to 107.875% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption; *provided that* (1) at least 65% of the aggregate principal amount of Notes issued under the Indenture (including any

Additional Notes) remains outstanding immediately after the occurrence of such redemption and (2) the redemption occurs within 180 days of the date of the closing of any such Qualified Equity Offering.

Table of Contents

Selection and Notice of Redemption

In the event that less than all of the Notes are to be redeemed at any time pursuant to an optional redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not then listed on a national security exchange, on a *pro rata* basis, by lot or by such method as the Trustee shall deem fair and appropriate and in accordance with the applicable procedures of The Depository Trust Company (DTC); *provided, however*, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part. In addition, if a partial redemption is made pursuant to the provisions described under Optional Redemption Redemption with Proceeds from Equity Offerings, selection of the Notes or portions thereof for redemption shall be made by the Trustee only on a *pro rata* basis or on as nearly a *pro rata* basis as is practicable (subject to the applicable procedures of DTC), unless that method is otherwise prohibited.

Notice of redemption will be mailed by first-class mail (or delivered electronically in the case of Notes in global form held by DTC) at least 30 but not more than 60 days before the date of redemption to each Holder of Notes to be redeemed at its registered address, except that redemption notices may be given more than 60 days prior to a redemption date if the notice is issued in connection with a satisfaction and discharge of the Indenture. If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of the Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of the Note will be issued in the name of the Holder of the Note upon cancellation of the original Note. On and after the date of redemption, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuers have deposited with the paying agent for the Notes funds in satisfaction of the redemption price (including accrued and unpaid interest on the Notes to be redeemed) pursuant to the Indenture.

Notice of any redemption upon any Qualified Equity Offering may be given prior to the completion thereof, and any such redemption or notice may, at the Issuers' discretion, be subject to one or more conditions precedent, including, but not limited to, completion of the related Qualified Equity Offering.

Change of Control

Upon the occurrence of any Change of Control, each Holder will have the right to require that the Issuers purchase that Holder's Notes for a cash price (the Change of Control Purchase Price) equal to 101% of the principal amount of the Notes to be purchased, *plus* accrued and unpaid interest thereon, if any, to the date of purchase.

Within 30 days following any Change of Control, the Issuers will send, or caused to be sent, to the Holders a notice:

- (1) describing the transaction or transactions that constitute the Change of Control;
- (2) offering to purchase, pursuant to the procedures required by the Indenture and described in the notice (a Change of Control Offer), on a date specified in the notice (which shall be a Business Day not earlier than 30 days nor later than 60 days from the date the notice is sent) and for the Change of Control Purchase Price, all Notes properly tendered by such Holder pursuant to such Change of Control Offer; and
- (3) describing the procedures that Holders must follow to accept the Change of Control Offer. The Change of Control Offer is required to remain open for at least 20 Business Days or for such longer period as is required by law.

The Issuers will publicly announce the results of the Change of Control Offer on or as soon as practicable after the date of purchase.

If a Change of Control Offer is made, there can be no assurance that the Issuers will have available funds sufficient to pay for all or any of the Notes that might be delivered by Holders seeking to accept the Change of

Table of Contents

Control Offer. In addition, we cannot assure you that in the event of a Change of Control the Issuers will be able to obtain the consents necessary to consummate a Change of Control Offer from the lenders under agreements governing outstanding Indebtedness which may prohibit the offer.

The provisions described above that require us to make a Change of Control Offer following a Change of Control will be applicable regardless of whether any other provisions of the Indenture are applicable to the transaction giving rise to the Change of Control. Except as described above with respect to a Change of Control, the Indenture will not contain provisions that permit the Holders of the Notes to require that the Issuers purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuers will not be required to make a Change of Control Offer upon a Change of Control, and a holder will not have the right to require the Issuers to repurchase any notes pursuant to a Change of Control Offer, if (i) a third party makes an offer to purchase the Notes in the manner, at the times and otherwise in substantial compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer and purchases all Notes that have been validly tendered and not withdrawn under such purchase offer, (ii) a notice to redeem all outstanding Notes has been given pursuant to Optional Redemption above, unless and until the Issuers have defaulted in the payment of the applicable redemption price, or (iii) if, in connection with or in contemplation of any Change of Control, the Issuers have made an offer to purchase (an Alternate Offer) any and all validly tendered notes at a cash price equal to or higher than the Change of Control Payment and have purchased all properly tendered notes in accordance with the terms of such Alternate Offer.

A Change of Control Offer or Alternate Offer may be made in advance of a Change of Control, and conditioned upon the occurrence of such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making the offer.

If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such notes in a Change of Control Offer or Alternate Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers as described above, purchases all of the validly tendered Notes that are not validly withdrawn by such holders, the Issuers will have the right, upon not less than 30 nor more than 60 days prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer of Alternate Offer, as applicable, to redeem all Notes that remain outstanding following such purchase at a redemption price in cash equal to the applicable Change of Control Purchase Price plus, to the extent not included in the Change of Control Purchase Price, accrued and unpaid interest thereon, if any, to the date of redemption.

With respect to any disposition of assets, the phrase all or substantially all as used in the Indenture (including as set forth under the definition of Change of Control and Certain Covenants Limitations on Mergers, Consolidations, Etc. below) varies according to the facts and circumstances of the subject transaction, has no clearly established meaning under New York law (which governs the Indenture) and is subject to judicial interpretation. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of all or substantially all of the assets of the Partnership, and therefore it may be unclear as to whether a Change of Control has occurred and whether the Holders have the right to require the Partnership to purchase Notes.

The Issuers will comply with applicable tender offer rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuers shall comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the Change of Control provisions of the Indenture by virtue of this compliance.

Table of Contents

Certain Covenants

The Indenture contains, among others, the following covenants:

Limitations on Additional Indebtedness

The Partnership will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness); *provided* that the Partnership, Cornerstone or any Guarantor may incur additional Indebtedness and any Restricted Subsidiary may incur Acquired Indebtedness, in each case, if, (x) after giving effect thereto, the Consolidated Interest Coverage Ratio of the Partnership and the Restricted Subsidiaries would be at least 2.00 to 1.00, determined on a pro forma basis (including a pro forma application of proceeds) (the Coverage Ratio Exception) and (y) no Default will have occurred and be continuing or would occur as a consequence of incurring the Indebtedness or transactions relating to such incurrence.

Notwithstanding the above, each of the following shall be permitted (the Permitted Indebtedness):

(1) Indebtedness of the Partnership or any Restricted Subsidiary under the Credit Facilities (it being understood that the Credit Agreement as in effect on the Issue Date is a Credit Facility permitted to be incurred under this clause (1)) in an aggregate principal amount at any time outstanding not to exceed the greater of (i) \$200.0 million, or (ii) at the time of incurrence thereof, two times the Consolidated Cash Flow of the Partnership and its Restricted Subsidiaries for the four full fiscal quarters for which financial statements are publicly available determined on a pro forma basis as set forth in the definition of Consolidated Interest Coverage Ratio;

(2) the Notes and the Note Guarantees;

(3) Indebtedness of the Partnership and the Restricted Subsidiaries to the extent outstanding on the Issue Date giving effect to the use of proceeds of the Notes (other than Indebtedness referred to in clause (1), (2) or (5));

(4) Indebtedness under Hedging Obligations entered into for *bona fide* hedging purposes of the Partnership or any Restricted Subsidiary and not for the purpose of speculation; *provided* that in the case of Hedging Obligations relating to interest rates, (a) such Hedging Obligations relate to payment obligations on Indebtedness otherwise permitted to be incurred by this covenant, and (b) the notional principal amount of such Hedging Obligations at the time incurred does not exceed the principal amount of the Indebtedness to which such Hedging Obligations relate;

(5)(x) Indebtedness of the Partnership owed to a Restricted Subsidiary and Indebtedness of any Restricted Subsidiary owed to the Partnership or any other Restricted Subsidiary and (y) guarantees by the Partnership of any Indebtedness of a Restricted Subsidiary and guarantees by any Restricted Subsidiary that is a Guarantor of any Indebtedness of the Partnership or any other Restricted Subsidiary that is a Guarantor; *provided, however*, that upon any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or such Indebtedness being owed to any Person other than the Partnership or a Restricted Subsidiary, the Partnership or such Restricted Subsidiary, as applicable, shall be deemed to have incurred Indebtedness not permitted by this clause (5);

(6) Indebtedness in respect of bid, performance or surety bonds issued for the account of the Partnership or any Restricted Subsidiary in the ordinary course of business, including guarantees or obligations of the Partnership or any Restricted Subsidiary with respect to letters of credit supporting such bid, performance or surety obligations (in each case other than for an obligation for money borrowed);

(7) Purchase Money Indebtedness incurred by the Partnership or any Restricted Subsidiary, and Refinancing Indebtedness thereof, in an aggregate amount not to exceed at any time outstanding the greater of \$12.5 million and 1.0% of Consolidated Net Tangible Assets;

(8) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds

in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of incurrence;

(9) Indebtedness arising in connection with endorsement of instruments for deposit in the ordinary course of business;

(10) Refinancing Indebtedness with respect to Indebtedness incurred pursuant to the Coverage Ratio Exception or clause (2) or (3) above or this clause (10);

(11) Indebtedness arising or in connection with the guarantee of Indebtedness of the General Partner incurred to maintain its interest in the Partnership upon the issuance of Equity Interests by the Partnership, in an aggregate amount not to exceed \$3.0 million at any time outstanding;

(12) Indebtedness of the Partnership or any Restricted Subsidiary in an aggregate amount not to exceed at any time outstanding the greater of \$25.0 million and 2.00% of Consolidated Net Tangible Assets; and

(13) unsecured Indebtedness of the Partnership or any of its Restricted Subsidiaries to Cemetery Non-Profits in connection with a Cemetery Management or Operating Agreement.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (13) above or is entitled to be incurred pursuant to the Coverage Ratio Exception, the Partnership shall, in its sole discretion, classify such item of Indebtedness and may divide and classify such Indebtedness in more than one of the types of Indebtedness described, except that Indebtedness outstanding under the Credit Facilities on the Issue Date shall be deemed to have been incurred under clause (1) above, and may later reclassify any item of Indebtedness described in clauses (1) through (13) above (*provided* that at the time of reclassification it meets the criteria in such category or categories). In addition, for purposes of determining any particular amount of Indebtedness under this covenant, guarantees, Liens or letter of credit obligations supporting Indebtedness otherwise included in the determination of such particular amount shall not be included so long as incurred by a Person that could have incurred such Indebtedness.

Limitations on Restricted Payments

The Partnership will not, and will not permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment unless, at the time of and after giving effect to such Restricted Payment, (i) no Default (other than a Reporting Default) or Event of Default shall have occurred and be continuing or would occur as a consequence thereof and (ii) either:

(1) if (i) the Consolidated Interest Coverage Ratio for the Partnership's four most recent fiscal quarters for which financial statements are publicly available is not less than 1.85 to 1.0 and (ii) the Consolidated Leverage Ratio of the Partnership for the four most recent fiscal quarters for which financial statements are publicly available is no greater than 4.75 to 1.0, such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Partnership and its Restricted Subsidiaries during the quarter in which such Restricted Payment is made, is less than the sum, without duplication, of:

(a) Available Cash from Operating Surplus as of the end of the immediately preceding quarter, *plus*

(b) the sum of (i) the aggregate net cash proceeds of any (1) substantially concurrent capital contribution to the Partnership from any Person made on or after the Issue Date or (2) substantially concurrent issuance and sale (other

than to a Restricted Subsidiary of the Partnership) made on or after the Issue Date of Qualified Equity Interests of the Partnership or from the issuance or sale made on or after the Issue Date of convertible or exchangeable Disqualified Equity Interests or convertible or exchangeable debt securities of the Partnership that have been converted into or exchanged for such Equity Interests (other than Disqualified Equity Interests) (with a Restricted Payment being deemed substantially concurrent if such capital contribution, issuance, sale, conversion or exchange occurs within 120 days of such Restricted Payment), other than (A) any such proceeds which are used to

redeem Notes in accordance with the second paragraph under Optional Redemption Redemption with Proceeds from Equity Offerings, or (B) any such proceeds or assets received from a Subsidiary of the Partnership, plus

(c) to the extent that any Investment that was treated as a Restricted Payment and that was made on or after the Issue Date is sold for cash or Cash Equivalents or otherwise liquidated or repaid for cash or Cash Equivalents, the lesser of the refund of capital or similar payment made in cash or Cash Equivalents with respect to such Investment (less the cost of such disposition, if any) and the initial amount of such Investment that was treated as a Restricted Payment (other than to a Restricted Subsidiary of the Partnership), plus

(d) the net reduction in Investments treated as Restricted Payments resulting from dividends, repayments of loans or advances, or other transfers of assets in each case to the Partnership or any of its Restricted Subsidiaries from any Person (including, without limitation, Unrestricted Subsidiaries) or from Resignations of Unrestricted Subsidiaries as Restricted Subsidiaries (items (b), (c) and (d) being referred to as Incremental Funds), minus

(e) the aggregate amount of Incremental Funds previously expended pursuant to this clause (1) or clause (2) below; or

(2) if (i) the Consolidated Interest Coverage Ratio for the Partnership's four most recent fiscal quarters for which financial statements are publicly available is less than 1.85 to 1.0 or (ii) the Consolidated Leverage Ratio of the Partnership for the four most recent fiscal quarters for which financial statements are publicly available is greater than 4.75 to 1.0, such Restricted Payment together with the aggregate amount of all other Restricted Payments made by the Partnership and its Restricted Subsidiaries during the quarter in which such Restricted Payment is made (such Restricted Payments for purposes of this clause (2) meaning only distributions on common units of the Partnership, plus the related distribution on the general partner interest) is less than the sum, without duplication, of:

(a) \$30.0 million less the aggregate amount of all prior Restricted Payments made by the Partnership and its Restricted Subsidiaries pursuant to this clause (2)(a) since the Issue Date, plus

(b) Incremental Funds to the extent not previously expended pursuant to this clause (2) or clause (1) above.

For the avoidance of doubt, Incremental Funds can only be used under clause (1) above if they have not been otherwise included in Available Cash from Operating Surplus.

The foregoing provisions will not prohibit:

(1) the payment by the Partnership or any Restricted Subsidiary of any dividend or distribution within 60 days after the date of declaration thereof, if on the date of declaration the payment would have complied with the provisions of the Indenture;

(2) the redemption of any Equity Interests of the Partnership or any Restricted Subsidiary in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests; provided, however, that the amount of any such net cash proceeds that are utilized for any such redemption, will be excluded or deducted from the calculation of Available Cash from Operating Surplus and Incremental Funds;

(3) the redemption of Subordinated Indebtedness of the Partnership or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests (with an exchange or sale being deemed substantially concurrent if such redemption occurs within 120 days of such sale); provided, however, that the amount of any such net cash proceeds that are utilized for any such redemption will be excluded or deducted from the calculation of Available Cash from Operating Surplus and Incremental Funds; (b) in

exchange for, or out of the proceeds of the substantially concurrent incurrence of, Refinancing Indebtedness permitted to be incurred under the Limitations on

Table of Contents

Additional Indebtedness covenant and the other terms of the Indenture or (c) upon a Change of Control or in connection with an Asset Sale to the extent required by the agreement governing such Subordinated Indebtedness but only if the Partnership shall have complied with the covenants described under Change of Control and Limitations on Asset Sales and purchased all Notes validly tendered pursuant to the relevant offer prior to redeeming such Subordinated Indebtedness;

(4) the payment of any dividend or distribution by a Restricted Subsidiary of the Partnership to the holders of its Equity Interests on a *pro rata* basis; or

(5) the redemption of any Equity Interests of the Partnership or any Restricted Subsidiary of the Partnership pursuant to any director or employee equity subscription agreement or equity option agreement or other employee benefit plan or to satisfy obligations under any Equity Interests appreciation rights or option plan or similar arrangement; provided, however, that the aggregate price paid for all such redeemed Equity Interests may not exceed \$5.0 million in any calendar year, with any portion of such \$5.0 million amount that is unused in any calendar year to be carried forward to the next calendar years and added to such amount; provided, further, that such amount in any calendar year may be increased by an amount not to exceed (a) the cash proceeds received by the Partnership or any of the Restricted Subsidiaries from the sale of Equity Interests of the Partnership to members of management or directors of the Partnership or its Affiliates that occurs on or after the Issue Date (to the extent the cash proceeds from the sale of such Equity Interests have not otherwise been applied to the payment of Restricted Payments by virtue of clause (1)(b) of the first paragraph above), plus (b) the cash proceeds of key man life insurance policies received by the Partnership or any of the Restricted Subsidiaries after the Issue Date;

(6) any redemption of Equity Interests made in lieu of withholding taxes in connection with any exercise or exchange of warrants, options or rights to acquire Equity Interests;

(7) in connection with an acquisition by the Partnership or any of its Restricted Subsidiaries, the return to the Partnership or any of its Restricted Subsidiaries of Equity Interests of the Partnership or its Restricted Subsidiaries constituting a portion of the purchase consideration in settlement of indemnification claims;

(8) payments or distributions to dissenting holders of any Equity Interests pursuant to applicable law or in connection with the settlement or other satisfaction of legal claims made pursuant to or in connection with a consolidation, merger or transfer of assets; and

(9) the declaration and payment of scheduled or accrued dividends to holders of any class of or series of Disqualified Equity Interests of the Partnership or any of its Restricted Subsidiaries issued on or after the Issue Date in accordance with the covenant captioned Limitations on Additional Indebtedness.

In computing the amount of Restricted Payments previously made for purposes of the first paragraph of this section, Restricted Payments made under clauses (1) (but only if the declaration of such dividend or other distribution has not been counted in a prior period) and, to the extent of amounts paid to holders other than Partnership or a Restricted Subsidiary, (4) and (5) of this paragraph shall be included, and Restricted Payments made under clauses (2) and (3) and, except to the extent noted above, (4), (6), (7), (8), and (9) of this paragraph shall not be included. The amount of all Restricted Payments (other than cash) shall be the Fair Market Value on the date of the Restricted Payment (or, in the case of a non-cash dividend or distribution, on the date of declaration) of the asset(s) or securities proposed to be transferred or issued by the Partnership or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

For the purposes of determining compliance with this covenant, if a Restricted Payment meets the criteria of more than one of the categories of Restricted Payments described in the preceding clauses (1)-(9), the Partnership will be permitted to classify (or reclassify in whole or in part in its sole discretion) such Restricted Payment in any manner that complies with this covenant.

Limitations on Dividend and Other Restrictions Affecting Restricted Subsidiaries

The Partnership will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(a) pay dividends or make any other distributions on or in respect of its Equity Interests; *provided* that the priority that any series of Preferred Stock of a Restricted Subsidiary has in receiving dividends or liquidating distributions before dividends or liquidating distributions are paid in respect of common securities of such Restricted Subsidiary shall not constitute a restriction on the ability to make dividends or distributions on Equity Interests for purposes of this covenant;

(b) make loans or advances or pay any Indebtedness or other obligation owed to the Partnership or any other Restricted Subsidiary; or

(c) transfer any of its assets to the Partnership or any other Restricted Subsidiary; except for:

(1) encumbrances or restrictions existing under or by reason of applicable law, rule, regulation or order, licenses, permits or similar governmental, judicial or regulatory restriction (including without limitation with respect to funds the Partnership or its Restricted Subsidiaries have deposited into perpetual care trusts and merchandise funds trusts);

(2) encumbrances or restrictions existing under the Indenture, the Notes and the Note Guarantees;

(3) non-assignment provisions of any contract or any lease entered into in the ordinary course of business;

(8) any other agreement governing Indebtedness entered into after the Issue Date that contains encumbrances and restrictions that are not materially more restrictive with respect to any Restricted Subsidiary than those in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to agreements in effect on the Issue Date;

(9) customary provisions in partnership agreements, limited liability company organizational governance documents, joint venture agreements and other similar agreements entered into in the ordinary course of business that restrict the transfer of ownership interests in such partnership, limited liability company, joint venture or similar Person;

(10) Purchase Money Indebtedness or Hedging Obligations incurred in compliance with the covenant described under Limitations on Additional Indebtedness that impose restrictions of the nature described in clause (c) above on the

assets acquired;

(11) encumbrances or restrictions on cash or other deposits or net worth imposed by suppliers or landlords under contracts entered into in the ordinary course of business;

(12) any encumbrances or restrictions imposed by any amendments or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (11) above; *provided* that such amendments or

refinancings are, in the good faith judgment of the Partnership's Board of Directors, no more materially restrictive with respect to such encumbrances and restrictions than those prior to such amendment or refinancing.

Limitations on Transactions with Affiliates

The Partnership will not, and will not permit any Restricted Subsidiary to, directly or indirectly, in one transaction or a series of related transactions, sell, lease, transfer or otherwise dispose of any of its assets to, or purchase any assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate (an Affiliate Transaction), unless:

(1) such Affiliate Transaction is on terms that are no less favorable to the Partnership or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction at such time on an arm's-length basis by the Partnership or that Restricted Subsidiary from a Person that is not an Affiliate of the Partnership or that Restricted Subsidiary; and

(2) the Partnership delivers to the Trustee:

(a) with respect to any Affiliate Transaction involving aggregate value in excess of \$7.5 million but less than \$15.0 million, an Officers' Certificate certifying that such Affiliate Transaction complies with clause (1) above;

(b) with respect to any Affiliate Transaction involving aggregate value of at least \$15.0 million but less than \$30.0 million, a Secretary's Certificate which sets forth and authenticates a resolution that has been adopted by a majority of the disinterested members of the Board of Directors of the Partnership approving such Affiliate Transaction; or

(c) with respect to any Affiliate Transaction involving aggregate value of \$30.0 million or more, a written opinion as to the fairness of such Affiliate Transaction to the Partnership or such Restricted Subsidiary from a financial point of view issued by an Independent Financial Advisor to the Board of Directors of the Partnership.

The foregoing restrictions shall not apply to:

(1) transactions exclusively between or among (a) the Partnership and one or more Restricted Subsidiaries or (b) Restricted Subsidiaries; or

(2) customary director, officer and employee compensation (including bonuses) and other benefits (including retirement, health, stock option and other benefit plans) and indemnification arrangements;

(4) such Affiliate Transaction is with a Person in its capacity as a holder of Indebtedness or Equity Interests of the Partnership or any Restricted Subsidiary where such Person is treated no more favorably than the holders of Indebtedness or Equity Interests of the Partnership or any Restricted Subsidiary who are not Affiliates of the Partnership;

(5) the existence of, or the performance by the Partnership or any Restricted Subsidiary of its obligations under the terms of, (i) any agreements that (x) are described in the Annual Report on Form 10-K of the Partnership for the year ended December 31, 2012 under the heading *Certain Relationships and Related Party Transactions, and Director Independence* to which it is a party on the terms described in such Annual Report on Form 10-K or (y) form part of an

(6) the issuance or sale for cash of Qualified Equity Interests to an Affiliate; and

(7) transactions between or among the Partnership or any of its Restricted Subsidiaries and a Cemetery Non-Profit in connection with a Cemetery Management or Operating Agreement.

Limitations on Liens

The Partnership shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or permit or suffer to exist any Lien (other than Permitted Liens) of any nature whatsoever against any assets of the Partnership or any Restricted Subsidiary (including Equity Interests of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, which Lien secures Indebtedness or trade payables, unless contemporaneously therewith:

(1) in the case of any Lien securing an obligation that ranks *pari passu* with the Notes or a Note Guarantee, effective provision is made to secure the Notes or such Note Guarantee, as the case may be, at least equally and ratably with or prior to such obligation with a Lien on the same assets of the Partnership or such Restricted Subsidiary, as the case may be; and

(2) in the case of any Lien securing an obligation that is subordinated in right of payment to the Notes or a Note Guarantee, effective provision is made to secure the Notes or such Note Guarantee, as the case may be, with a Lien on the same assets of the Partnership or such Restricted Subsidiary, as the case may be, that is prior to the Lien securing such subordinated obligation, in each case, for so long as such obligation is secured by such Lien.

Limitations on Asset Sales

The Partnership will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(1) the Partnership or any Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets included in such Asset Sale; and

(2) at least 75% of the consideration in such Asset Sale consists of cash or Cash Equivalents. For purposes of clause (2), the following shall be deemed to be cash:

(a) the amount (without duplication) of any Indebtedness (other than Subordinated Indebtedness) of the Partnership or any Restricted Subsidiary that is expressly assumed by the transferee in such Asset Sale and with respect to which the Partnership or such Restricted Subsidiary, as the case may be, is unconditionally released by the holder of such Indebtedness,

(b) the amount of any obligations received from such transferee that are within 90 days converted by the Partnership or any Restricted Subsidiary to cash (to the extent of the cash actually so received),

(c) the Fair Market Value of (i) any assets (other than securities) received by the Partnership or any Restricted Subsidiary to be used by it in a Permitted Business, (ii) Equity Interests in a Person that is a Restricted Subsidiary or in a Person engaged in a Permitted Business that shall become a Restricted Subsidiary immediately upon the acquisition of such Person by the Partnership or (iii) a combination of (i) and (ii), and

(d) any Designated Non-cash Consideration received by the Issuer or such Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (d) that is at that time outstanding, not to exceed the greater of (x) \$20.0 million or (y) 1.5% of Consolidated Net Tangible Assets at the time of the receipt of such Designated Non-cash Consideration, with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

If at any time any non-cash consideration received by the Partnership or any Restricted Subsidiary, as the case may be, in connection with any Asset Sale is repaid or converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), then the date of such repayment, conversion or disposition shall be deemed to constitute the date of an Asset Sale hereunder and the Net Available Proceeds thereof shall be applied in accordance with this covenant.

Table of Contents

If the Partnership or any Restricted Subsidiary engages in an Asset Sale, the Partnership or any Restricted Subsidiary shall, no later than 365 days following the consummation thereof, apply all or any of the Net Available Proceeds therefrom to:

- (1) satisfy all mandatory repayment obligations under the Credit Agreement arising by reason of such Asset Sale, and in the case of any such repayment under any revolving credit facility, effect a permanent reduction in the availability under such revolving credit facility;
- (2) repay any Indebtedness which was secured by the assets sold in such Asset Sale;
- (3)(A) invest all or any part of the Net Available Proceeds thereof in the purchase of assets (other than securities) to be used by the Partnership or any Restricted Subsidiary in the Permitted Business, (B) acquire Qualified Equity Interests in a Person that is a Restricted Subsidiary or in a Person engaged in a Permitted Business that shall become a Restricted Subsidiary immediately upon the consummation of such acquisition or (C) a combination of (A) and (B); and/or
- (4) make a Net Proceeds Offer (and redeem Pari Passu Indebtedness) in accordance with the procedures described below and in the Indenture.

The amount of Net Available Proceeds not applied or invested as provided in this paragraph will constitute Excess Proceeds.

When the aggregate amount of Excess Proceeds equals or exceeds \$15.0 million, the Issuers will be required to make an offer to purchase from all Holders and, if applicable, redeem (or make an offer to do so) any Pari Passu Indebtedness of the Partnership the provisions of which require the Partnership to redeem such Indebtedness with the proceeds from any Asset Sales (or offer to do so), in an aggregate principal amount of Notes and such Pari Passu Indebtedness equal to the amount of such Excess Proceeds as follows:

- (1) the Issuers will (a) make an offer to purchase (a Net Proceeds Offer) to all Holders in accordance with the procedures set forth in the Indenture, and (b) redeem (or make an offer to do so) any such other Pari Passu Indebtedness, *pro rata* in proportion to the respective principal amounts of the Notes and such other Indebtedness required to be redeemed, the maximum principal amount of Notes and Pari Passu Indebtedness that may be redeemed out of the amount (the Payment Amount) of such Excess Proceeds;
- (2) the offer price for the Notes will be payable in cash in an amount equal to 100% of the principal amount of the Notes tendered pursuant to a Net Proceeds Offer, *plus* accrued and unpaid interest thereon, if any, to the date such Net Proceeds Offer is consummated (the Offered Price), in accordance with the procedures set forth in the Indenture and the redemption price for such Pari Passu Indebtedness (the Pari Passu Indebtedness Price) shall be as set forth in the related documentation governing such Indebtedness;
- (3) if the aggregate Offered Price of Notes validly tendered and not withdrawn by Holders thereof exceeds the *pro rata* portion of the Payment Amount allocable to the Notes, Notes to be purchased will be selected on a *pro rata* basis; and
- (4) upon completion of such Net Proceeds Offer in accordance with the foregoing provisions, the amount of Excess Proceeds with respect to which such Net Proceeds Offer was made shall be deemed to be zero.

To the extent that the sum of the aggregate Offered Price of Notes purchased pursuant to a Net Proceeds Offer and the aggregate Pari Passu Indebtedness Price paid to the holders of such Pari Passu Indebtedness is less than the Payment Amount relating thereto (such shortfall constituting a Net Proceeds Deficiency), the Partnership or any Restricted Subsidiary may use the Net Proceeds Deficiency, or a portion thereof, for any purpose permitted by the Indenture.

In the event of the disposition of substantially all (but not all) of the assets of the Partnership and the Restricted Subsidiaries in a transaction covered by and effected in accordance with the covenant described under

Table of Contents

Limitations on Mergers, Consolidations, Etc., the successor shall be deemed to have sold for cash at Fair Market Value the assets of the Partnership and the Restricted Subsidiaries not so disposed of for purposes of this covenant, and the successor shall comply with the provisions of this covenant with respect to such deemed sale as if it were an Asset Sale (with such Fair Market Value being deemed to be Net Available Proceeds for such purpose).

The Issuers will comply with applicable tender offer rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the Limitations on Asset Sales provisions of the Indenture, the Issuers shall comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under the Limitations on Asset Sales provisions of the Indenture by virtue of this compliance.

Limitations on Designation of Unrestricted Subsidiaries

The Partnership may designate any Subsidiary (including any newly formed or newly acquired Subsidiary) of the Partnership as an Unrestricted Subsidiary under the Indenture (a Designation) only if:

- (1) no Default shall have occurred and be continuing at the time of or after giving effect to such Designation; and
- (2) the Partnership would be permitted to make, at the time of such Designation, (a) a Permitted Investment or (b) an Investment pursuant to the first paragraph of Limitations on Restricted Payments above, in either case, in an amount (the Designation Amount) equal to the Fair Market Value of the Partnership's proportionate interest in such Subsidiary on such date.

No Subsidiary shall be Designated as an Unrestricted Subsidiary unless such Subsidiary:

- (1) is not party to any agreement, contract, arrangement or understanding with the Partnership or any Restricted Subsidiary unless the terms of the agreement, contract, arrangement or understanding are no less favorable to the Partnership or the Restricted Subsidiary than those that might be obtained at the time from Persons who are not Affiliates; and
- (2) is a Person with respect to which neither the Partnership nor any Restricted Subsidiary has any direct or indirect obligation (a) to subscribe for additional Equity Interests or (b) to maintain or preserve the Person's financial condition or to cause the Person to achieve any specified levels of operating results.

If, at any time, any Unrestricted Subsidiary fails to meet the preceding requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of the Indenture and any Indebtedness of the Subsidiary and any Liens on assets of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary at such time and, if the Indebtedness is not permitted to be incurred under the covenant described under Limitations on Additional Indebtedness or the Lien is not permitted under the covenant described under Limitations on Liens, the Partnership shall be in default of the applicable covenant.

The Partnership may redesignate an Unrestricted Subsidiary as a Restricted Subsidiary (a Redesignation) only if:

- (1) no Default shall have occurred and be continuing at the time of and after giving effect to such Redesignation; and
- (2) all Liens, Indebtedness and Investments of such Unrestricted Subsidiary outstanding immediately following such Redesignation would, if incurred or made at such time, have been permitted to be incurred or made for all purposes of

the Indenture.

All Designations and Redesignations must be evidenced by resolutions of the Board of Directors of the Partnership, delivered to the Trustee certifying compliance with the foregoing provisions.

Limitations on Mergers, Consolidations, Etc.

Neither of the Issuers may, directly or indirectly, in a single transaction or a series of related transactions, consolidate or merge with or into another Person, or sell, assign, lease, transfer, convey or otherwise dispose of all or substantially all of the assets of the Partnership and the Restricted Subsidiaries (taken as a whole) unless:

(1) either:

(a) such Issuer will be the surviving or continuing Person; or

(b) the Person formed by or surviving such consolidation or merger or to which such sale, assignment, lease, transfer, conveyance or other disposition shall be made (collectively, the **Successor**) is a Person organized and existing under the laws of any State of the United States of America or the District of Columbia (*provided* that Cornerstone may not consolidate or merge with or into any entity other than a corporation satisfying such requirement for so long as the Partnership is not a corporation), and the Successor expressly assumes, by supplemental indenture or other agreements, all of the obligations of such Issuer under the Notes and the Indenture;

(2) immediately prior to and immediately after giving effect to such transaction and the assumption of the obligations as set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis,

(a) no Default shall have occurred and be continuing; and

(b) the Partnership or the Successor, as the case may be, could incur \$1.00 of additional Indebtedness pursuant to the Coverage Ratio Exception.

For purposes of the foregoing, the disposition (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the assets of the Partnership and the Restricted Subsidiaries (taken as a whole), will be deemed to be, the disposition of all or substantially all of the assets of the Partnership and the Restricted Subsidiaries (taken as a whole).

Upon any consolidation or merger of an Issuer or a Guarantor, or any disposition of all or substantially all of the assets of an Issuer in accordance with the foregoing, in which such Issuer or Guarantor is not the continuing obligor under the Notes or its Note Guarantee, the surviving entity formed by such consolidation or into which such Issuer or Guarantor is merged or the Person to which the disposition is made will succeed to, and be substituted for, and may exercise every right and power of, such Issuer or Guarantor under the Indenture, the Notes and the Note Guarantees with the same effect as if such surviving entity had been named therein as such Issuer or Guarantor and, except in the case of a lease, such Issuer or Guarantor, as the case may be, will be released from the obligation to pay the principal of and interest on the Notes or in respect of its Note Guarantee, as the case may be, and all of such Issuer's or Guarantor's other obligations and covenants under the Notes, the Indenture and its Note Guarantee, if applicable.

Notwithstanding the foregoing, the Partnership may reorganize as any other form of entity in accordance with the procedures established in the Indenture, *provided* that:

(1) reorganization involves the conversion (by merger, sale, legal conversion, contribution or exchange of assets or otherwise) of the Partnership into a form of entity other than a limited partnership formed under Delaware law;

- (2) the entity so formed by or resulting from such reorganization is a Person organized or existing under the laws of the United States, any State thereof or the District of Columbia;
- (3) the entity so formed by or resulting from such reorganization assumes all of the obligations of the Partnership under the Notes and the Indenture pursuant to a supplemental indenture or other agreements;
- (4) immediately after such reorganization no Default or Event of Default exists; and

Table of Contents

(5) such reorganization is not materially adverse to the Holders of the Notes (for purposes of this clause (5) it is stipulated that such reorganization shall not be considered materially adverse to the Holders of the Notes solely because the successor or survivor of such reorganization (a) is subject to federal or state income taxation as an entity or (b) is considered to be an includible corporation of an affiliated group of corporations within the meaning of Section 1504(b)(i) of the Code or any similar state or local law).

Notwithstanding the foregoing, any Restricted Subsidiary may consolidate with, merge with or into or sell or otherwise dispose of, in one transaction or a series of transactions, all or substantially all of its assets to the Partnership or another Restricted Subsidiary.

Additional Note Guarantees

If the Partnership or any of its Restricted Subsidiaries acquires or creates another Subsidiary (other than a Subsidiary that has been designated an Unrestricted Subsidiary) and such Subsidiary guarantees or otherwise incurs any Indebtedness under a Credit Facility, then that newly acquired or created Subsidiary shall become a Guarantor within 30 days of the date on which it guaranteed such other Indebtedness or become a borrower under such Credit Facility and, the Partnership shall cause such Restricted Subsidiary to:

(1) execute and deliver to the Trustee (a) a supplemental indenture pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuers' obligations under the Notes and the Indenture and (b) a notation of guarantee in respect of its Note Guarantee; and

(2) deliver to the Trustee one or more opinions of counsel that such supplemental indenture (a) has been duly authorized, executed and delivered by such Restricted Subsidiary and (b) constitutes a valid and legally binding obligation of such Restricted Subsidiary in accordance with its terms, subject to customary exceptions.

Conduct of Business

The Partnership will not, and will not permit any Restricted Subsidiary to, engage in any business other than the Permitted Business.

Reports

Whether or not required by the SEC, so long as any Notes are outstanding, the Partnership will

(i) furnish to the Holders of Notes (with a copy to the Trustee) or (ii) file electronically with the SEC through the SEC's Electronic Data Gathering, Analysis and Retrieval System (or any successor system), within the time periods applicable to a non-accelerated filer under Section 13(a) or 15(d) of the Exchange Act:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Partnership were required to file these Forms, including a Management's Discussion and Analysis of Financial Condition and Results of Operations and, with respect to the annual information only, a report on the annual financial statements by the Partnership's certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Partnership were required to file these reports.

Any and all Defaults or Events of Default arising from a failure to furnish or file in a timely manner a report or other information required by this covenant shall be deemed to be cured (and the Partnership shall be deemed to be in compliance with this covenant) upon furnishing or filing such report or information as contemplated by this covenant (but without regard to the date on which such report or information is so furnished or filed); *provided* that such cure shall not otherwise affect the rights of the Holders or the Trustee under Events of

Default if payment of the Notes has been accelerated in accordance with the Indenture and not rescinded or cancelled prior to such cure.

The Issuers and the Guarantors have agreed in the Indenture that, for so long as any old notes remain outstanding, the Partnership will furnish to the holders of such old notes and the securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default

Each of the following is an Event of Default :

- (1) failure by the Issuers to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;
- (2) failure by the Issuers to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;
- (3) failure by the Issuers to comply with any of their agreements or covenants described above under Certain Covenants Limitations on Mergers, Consolidations, Etc., or in respect of their obligations to purchase Notes when required by a Change of Control Offer as described under Change of Control ;
- (4) failure by the Partnership to perform or comply with the covenant described under Reports and continuance of such failure to perform or comply for a period of 120 days after written notice thereof has been given to the Partnership by the Trustee or by the Holders of at least 25% in aggregate principal amount of the Notes then outstanding;
- (5) failure by the Issuers to comply with any other agreement or covenant in the Indenture and continuance of this failure for 60 days after written notice of the failure has been given to the Partnership by the Trustee or by the Holders of at least 25% of the aggregate principal amount of the Notes then outstanding;
- (6) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness of the Partnership or any Restricted Subsidiary, which default:
 - (a) is caused by a failure to pay at final maturity principal on such Indebtedness within the applicable express grace period and any extensions thereof,
 - (b) results in the acceleration of such Indebtedness prior to its express final maturity, or
 - (c) results in the commencement of judicial proceedings to foreclose upon, or to exercise remedies under applicable law or applicable security documents to take ownership of, the assets securing such Indebtedness, andin each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (a), (b) or (c) has occurred and is continuing, aggregates \$10.0 million or more; *provided, however*, that if, prior to any acceleration of the Notes, (i) any such default is cured or waived, (ii) any such acceleration of such Indebtedness is rescinded, or (iii) such Indebtedness is repaid during the 30 day period commencing upon the end of any applicable grace period for such default or the occurrence of such acceleration of such Indebtedness, as applicable, any Default or Event of Default (but not any acceleration) caused by such Payment Default or acceleration of such Indebtedness shall automatically be rescinded, so long as such rescission does not

conflict with any judgment, decree or applicable law;

(7) one or more judgments or orders that exceed \$10.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent

jurisdiction against the Partnership or any Restricted Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days of being entered;

(8) the Partnership or any Significant Subsidiary or the General Partner pursuant to or within the meaning of any Bankruptcy Law:

(a) commences a voluntary case,

(b) consents to the entry of an order for relief against it in an involuntary case,

(c) consents to the appointment of a Custodian of it or for all or substantially all of its assets, or

(d) makes a general assignment for the benefit of its creditors;

(9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(a) is for relief against the Partnership or any Significant Subsidiary as debtor in an involuntary case,

(b) appoints a Custodian of the Partnership or any Significant Subsidiary or a Custodian for all or substantially all of the assets of the Partnership or any Significant Subsidiary, or

(c) orders the liquidation of the Partnership or any Significant Subsidiary, and the order or decree remains unstayed and in effect for 60 days; or

(10) the Note Guarantee of any Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and the Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Note Guarantee (other than by reason of release of a Guarantor from its Note Guarantee in accordance with the terms of the Indenture and the Note Guarantee).

If an Event of Default (other than an Event of Default specified in clause (8) or (9) above with respect to the Partnership), shall have occurred and be continuing under the Indenture, the Trustee, by written notice to the Partnership, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Partnership and the Trustee, may declare (an acceleration declaration) all amounts owing under the Notes to be due and payable. Upon such declaration of acceleration, the aggregate principal of and accrued and unpaid interest on the outstanding Notes shall immediately become due and payable (a) if there is no Indebtedness outstanding under any Credit Facility at such time, immediately and (b) if otherwise, upon the earlier of (x) the final maturity (after giving effect to any applicable grace period or extensions thereof) or an acceleration of any Indebtedness under any Credit Facility prior to the express final stated maturity thereof and (y) five business days after the Representative under each Credit Facility receives the acceleration declaration, but, in the case of this clause (b) only, if such Event of Default is then continuing; *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of such outstanding Notes may rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in the Indenture. If an Event of Default specified in clause (8) or (9) with respect to the Partnership occurs, all outstanding Notes shall become due and payable without any further action or notice.

The Indenture will provide that if a Default with respect to the Notes occurs and is continuing and is known to the Trustee, the Trustee shall, within 90 days after the occurrence of such Default, give the Holders notice thereof;

provided, however, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Certain Covenants Limitations on Mergers, Consolidations, Etc., the Trustee shall be protected in withholding such notice if and so long as a committee of its trust officers in good faith determines that the withholding of such notice is in the interest of the Holders.

No Holder will have any right to institute any proceeding with respect to the Indenture or for any remedy thereunder, unless the Trustee:

(1) has failed to act for a period of 60 days after receiving written notice of a continuing Event of Default by such Holder and a request to act by Holders of at least 25% in aggregate principal amount of Notes outstanding;

(2) has been offered security or indemnity satisfactory to it; and

(3) has not received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request.

However, such limitations do not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of or interest on such Note on or after the due date therefor (after giving effect to the grace period specified in clause (1) of the first paragraph of this Events of Default section).

The Indenture requires the Issuers to deliver to the Trustee annually an Officers Certificate regarding compliance with the Indenture and, upon any Officer of the Issuers becoming aware of any Default, a statement specifying such Default and what action the Issuers are taking or propose to take with respect thereto.

Legal Defeasance and Covenant Defeasance

The Issuers may, at their option and at any time, elect to have their obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes (Legal Defeasance). Legal Defeasance means that the Issuers and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the Notes and the Note Guarantees, and the Indenture shall cease to be of further effect as to all outstanding Notes and Note Guarantees, except as to

(1) rights of Holders to receive payments in respect of the principal of and interest on the Notes when such payments are due from the trust funds referred to below,

(2) the Issuers obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes, and the maintenance of an office or agency for payment and money for security payments held in trust,

(3) the rights, powers, trust, duties, and immunities of the Trustee, and the Issuers obligation in connection therewith, and

(4) the Legal Defeasance provisions of the Indenture.

In addition, the Issuers may, at their option and at any time, elect to have their obligations and the obligations of the Guarantors released with respect to most of the covenants under the Indenture, except as described otherwise in the Indenture (Covenant Defeasance), and thereafter any omission to comply with such obligations shall not constitute a Default. In the event Covenant Defeasance occurs, certain Events of Default (not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events) will no longer apply. The Issuers may exercise their Legal Defeasance option regardless of whether they previously exercised Covenant Defeasance.

In order to exercise either Legal Defeasance or Covenant Defeasance:

(1) the Issuers must irrevocably deposit with the Trustee, as trust funds, in trust solely for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) in the opinion of a nationally recognized firm of independent public accountants selected by the Issuers, to pay the principal of and interest on the Notes on the stated date for payment or on the redemption date of the Notes;

Table of Contents

(2) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an opinion of counsel in the United States confirming that:

(a) the Issuers have received from, or there has been published by the Internal Revenue Service, a ruling, or

(b) since the date of the Indenture, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon this opinion of counsel shall confirm that, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an opinion of counsel in the United States reasonably acceptable to the Trustee confirming that the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred;

(4) no Default shall have occurred and be continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(5) the Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a Default under the Indenture or a default under any other material agreement or instrument to which the Partnership or any of its Subsidiaries is a party or by which the Partnership or any of its Subsidiaries is bound (other than any such Default or default resulting solely from the borrowing of funds to be applied to such deposit and the granting of Liens to secure such borrowings);

(6) the Issuers shall have delivered to the Trustee an Officers Certificate stating that the deposit was not made by them with the intent of preferring the Holders over any other of their creditors or with the intent of defeating, hindering, delaying or defrauding any other of their creditors or others; and

(7) the Issuers shall have delivered to the Trustee an Officers Certificate and an opinion of counsel, each stating that the conditions provided for in, in the case of the Officers Certificate, clauses (1) through (6) and, in the case of the opinion of counsel, clauses (2) and/or (3) and (5) of this paragraph have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes when due, then our obligations and the obligations of Guarantors under the Indenture will be revived and no such defeasance will be deemed to have occurred.

Satisfaction and Discharge

The Indenture will be discharged and will cease to be of further effect (except as to rights of registration of transfer or exchange of Notes, which shall survive until all Notes have been cancelled) as to all outstanding Notes when either

(1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Issuers and thereafter repaid to the Issuers or discharged from this trust) have been delivered to the Trustee for cancellation, or

(2)(a) all Notes not delivered to the Trustee for cancellation otherwise (i) have become due and payable, (ii) will become due and payable, or may be called for redemption, within one year or (iii) have been called for redemption pursuant to the provisions described under Optional Redemption, and, in any case, the Issuers have irrevocably deposited or caused to be deposited with the Trustee as trust funds, in

trust solely for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without consideration of any reinvestment of interest) to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation,

(b) the Issuers have paid all sums payable by them under the Indenture, and

(c) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at stated maturity or on the date of redemption, as the case may be.

In addition, the Issuers must deliver an Officers Certificate and an opinion of counsel stating that all conditions precedent to satisfaction and discharge have been complied with.

Transfer and Exchange

A Holder may register the transfer of or exchange Notes only in accordance with the provisions of the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Without the prior consent of the Issuers, the Registrar is not required (1) to register the transfer of or exchange any Note selected for redemption, (2) to register the transfer of or exchange any Note for a period of 15 days before a selection of Notes to be redeemed or (3) to register the transfer of or exchange a Note between a record date and the next succeeding interest payment date.

The new notes will be issued in registered form, and the registered Holder will be treated as the owner of such Note for all purposes.

Amendment, Supplement and Waiver

Subject to certain exceptions, the Indenture or the Notes may be amended with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of a majority in aggregate principal amount of the Notes then outstanding, and any existing Default under, or compliance with any provision of, the Indenture may be waived (other than any continuing Default in the payment of the principal or interest on the Notes) with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of a majority in aggregate principal amount of the Notes then outstanding; *provided* that, without the consent of each Holder affected, no amendment or waiver may:

(1) reduce, or change the maturity of, the principal of any Note;

(2) reduce the rate of or extend the time for payment of interest on any Note;

(3) reduce any premium payable upon redemption of the Notes or change the date on which any Notes are subject to redemption (other than provisions relating to the purchase of Notes described above under **Change of Control** and **Certain Covenants Limitations on Asset Sales**, except that if a Change of Control has occurred, no amendment or other modification of the obligation of the Issuers to make a Change of Control Offer relating to such Change of Control shall be made without the consent of each Holder of the Notes affected);

(4) make any Note payable in money or currency other than that stated in the Notes;

- (5) modify or change any provision of the Indenture or the related definitions to affect the ranking of the Notes or any Note Guarantee in a manner that adversely affects the Holders;
- (6) reduce the percentage of Holders necessary to consent to an amendment or waiver to the Indenture or the Notes;

Table of Contents

(7) waive a default in the payment of principal of or interest on any Notes (except a rescission of acceleration of the Notes by the Holders thereof as provided in the Indenture and a waiver of the payment default that resulted from such acceleration);

(8) impair the rights of Holders to receive payments of principal of or interest on the Notes on or after the due date therefor or to institute suit for the enforcement of any payment on the Notes;

(9) release any Guarantor that is a Significant Subsidiary from any of its obligations under its Note Guarantee or the Indenture, except as permitted by the Indenture; or

(10) make any change in these amendment and waiver provisions.

Notwithstanding the foregoing, the Issuers, the Guarantors and the Trustee may amend the Indenture, the Note Guarantees or the Notes without the consent of any Holder, to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of an Issuer's or a Guarantor's obligations to the Holders in the case of a merger, consolidation or disposition of all or substantially all of the assets in accordance with Certain Covenants Limitations on Mergers, Consolidations, Etc., to release any Guarantor from any of its obligations under its Note Guarantee or the Indenture (to the extent permitted by the Indenture), to secure the Notes or any Note Guarantee in accordance with Certain Covenants Limitations on Liens, to conform the text of the Indenture, the Notes or the Note Guarantees to any provision of this Description of the Notes, to make any change that does not materially adversely affect the rights of any Holder or, in the case of the Indenture, to maintain the qualification of the Indenture under the Trust Indenture Act.

After an amendment requiring the approval of Holders becomes effective, the Issuers will send to the Holders a notice briefly describing such amendment. However, the failure to give such notice to all the Holders, or any defect in the notice, will not impair or affect the validity of the amendment.

No Personal Liability of Directors, Officers, Employees, Stockholders and Members

No director, officer, employee, incorporator, member, partner, unitholder or stockholder of the Issuers or any Guarantor will have any liability for any obligations of the Issuers under the Notes or the Indenture or of any Guarantor under its Note Guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note has waived and released all such liability. The waiver and release were part of the consideration for issuance of the old notes and the Note Guarantees. The waiver may not be effective to waive liabilities under the federal securities laws. It is the view of the SEC that this type of waiver is against public policy.

Concerning the Trustee

Wilmington Trust, National Association is the Trustee under the Indenture and acts as Registrar and Paying Agent with regard to the Notes. The Indenture limits the rights of the Trustee, should it become a creditor of the Issuers or the Guarantors, to obtain payment of claims in certain cases, or to realize on certain assets received in respect of any such claim as security or otherwise. The Trustee is permitted to engage in other transactions; however, if it acquires any conflicting interest (as defined in the Indenture), it must eliminate such conflict within 90 days, apply to the SEC for permission to continue (if the Indenture has been qualified under the Trust Indenture Act) or resign.

The Holders of a majority in aggregate principal amount of the then outstanding Notes have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee, subject to certain exceptions. If Event of Default occurs and is not cured, the Trustee will be required, in the exercise of its

power, to use the degree of care of a prudent person in similar circumstances in the conduct of his own affairs. Subject to such provisions, the Trustee will be under no obligation to exercise any of its rights or powers under the Indenture at the request of any Holder, unless such Holder shall have offered to the Trustee security or indemnity satisfactory to the Trustee.

For purposes of this definition, Consolidated Cash Flow and Consolidated Interest Expense shall be calculated after giving effect on a pro forma basis for the period of such calculation to:

- (1) the incurrence of any Indebtedness or the issuance of any Preferred Stock of the Partnership or any Restricted Subsidiary (and the application of the proceeds thereof) and any repayment of other Indebtedness or redemption of other Preferred Stock (and the application of the proceeds therefrom) (other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to any revolving credit arrangement) occurring during the Four-Quarter Period or at any time subsequent to the last day of the Four-Quarter Period and on or prior to the Transaction Date, as if such incurrence, repayment, issuance or redemption, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four-Quarter Period; and
- (2) any Asset Sale or Asset Acquisition (including, without limitation, any Asset Acquisition giving rise to the need to make such calculation as a result of the Partnership or any Restricted Subsidiary (including any Person who becomes a Restricted Subsidiary as a result of such Asset Acquisition) incurring Acquired Indebtedness and also including any Consolidated Cash Flow (including any pro forma expense and cost reductions and operating or trust fund improvements that have occurred or are reasonably expected to occur, in the reasonable judgment of the chief financial or accounting officer of the Partnership (regardless of whether those expense or cost savings or operating or trust fund improvements could then be reflected in pro forma financial statements in accordance with Regulation S-X promulgated under the Securities Act or any other regulation or policy of the SEC related thereto) associated with any such Asset Acquisition) occurring during the Four-Quarter Period or at any time subsequent to the last day of the Four-Quarter Period and on or prior to the Transaction Date, as if such Asset Sale or Asset Acquisition (including the incurrence of, or assumption or liability for, any such Indebtedness or Acquired Indebtedness) occurred on the first day of the Four-Quarter Period.

In calculating Consolidated Interest Expense for purposes of determining the denominator (but not the numerator) of this Consolidated Interest Coverage Ratio:

- (1) interest on outstanding Indebtedness determined on a fluctuating basis as of the Transaction Date and which will continue to be so determined thereafter shall be deemed to have accrued at a fixed rate per annum equal to the rate of interest on such Indebtedness in effect on the Transaction Date;
- (2) if interest on any Indebtedness actually incurred on the Transaction Date may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rates, then the interest rate in effect on the Transaction Date will be deemed to have been in effect during the Four-Quarter Period; and
- (3) notwithstanding clause (1) or (2) above, interest on Indebtedness determined on a fluctuating basis, to the extent such interest is covered by agreements relating to Hedging Obligations, shall be deemed to accrue at the rate per annum resulting after giving effect to the operation of these agreements.

For purposes of this definition, Consolidated Cash Flow and Indebtedness shall be calculated after giving effect on a pro forma basis for the period of such calculation to:

- (1) the incurrence of any Indebtedness or the issuance of any Preferred Stock of the Partnership or any Restricted Subsidiary (and the application of the proceeds thereof) and any repayment of other Indebtedness or redemption of other Preferred Stock (and the application of the proceeds therefrom) (other than the incurrence or repayment of Indebtedness in the ordinary course of business for working capital purposes pursuant to any revolving credit arrangement) occurring during the Four-Quarter Period or at any time subsequent to the last day of the Four-Quarter Period and on or prior to the Transaction Date, as if such incurrence, repayment, issuance or redemption, as the case may be (and the application of the proceeds thereof), occurred on the first day of the Four-Quarter Period; and

Four-Quarter Period and on or prior to the Transaction Date, as if such Asset Sale or Asset Acquisition (including the incurrence of, or assumption or liability for, any such Indebtedness or Acquired Indebtedness) occurred on the first day of the Four-Quarter Period.

- (4) the Refinancing Indebtedness has a final stated maturity either (a) no earlier than the Refinanced Indebtedness being repaid or amended or (b) after the maturity date of the Notes;
- (5) the portion, if any, of the Refinancing Indebtedness that is scheduled to mature on or prior to the maturity date of the Notes has a Weighted Average Life to Maturity at the time such Refinancing Indebtedness is incurred that is equal to or greater than the Weighted Average Life to Maturity of the portion of the Refinanced Indebtedness being repaid that is scheduled to mature on or prior to the maturity date of the Notes; and
- (6) the proceeds of the Refinancing Indebtedness shall be used substantially concurrently with the incurrence thereof to redeem or refinance the Refinanced Indebtedness, unless the Refinanced Indebtedness is not then due and is not redeemable or prepayable at the option of the obligor thereof or is redeemable or prepayable only with notice, in which case such proceeds shall be held in a segregated account of the obligor of the Refinanced Indebtedness until the Refinanced Indebtedness becomes due or redeemable or prepayable or such notice period lapses and then shall be used to refinance the Refinanced Indebtedness; *provided* that in any event the Refinanced Indebtedness shall be

BOOK-ENTRY; DELIVERY AND FORM

The certificates representing the new notes will be issued in fully registered form without interest coupons and in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Except as set forth below, the new notes will be issued in global form (Global Notes).

Global Notes will be deposited upon issuance with the Trustee as custodian for The Depository Trust Company (DTC), and registered in the name of DTC or its nominee, in each case for credit to an account of a direct or indirect participant in DTC as described below.

Except as set forth below, Global Notes may be transferred only to another nominee of DTC or to a successor of DTC or its nominee, in whole and not in part. Except in the limited circumstances described below, beneficial interests in Global Notes may not be exchanged for notes in definitive or certificated form (Certificated Notes) and owners of beneficial interests in Global Notes will not be entitled to receive physical delivery of Certificated Notes. See Exchange of Global Notes for Certificated Notes.

Transfer of beneficial interest in Global Notes will be subject to applicable rules and procedures of DTC and direct or indirect participants (including Euroclear and Clearstream), which may change from time to time.

Depository Procedures

The following description of the operations and procedures of DTC, Euroclear and Clearstream is provided solely as a matter of convenience. These operations and procedures are solely within the control of the respective settlement systems and are subject to changes by them. The Issuers take no responsibility for these operations and procedures and urges investors to contact the system or their participants directly to discuss these matters.

DTC has advised the Issuers that DTC is a limited-purpose trust company organized under the laws of the State of New York, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the Uniform Commercial Code and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participating organizations (collectively, the Participants) and to facilitate the clearance and settlement of transactions in those securities between Participants through electronic book-entry changes in accounts of its Participants. The Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. Access to DTC's system is also available to other entities such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Participant, either directly or indirectly (collectively, the Indirect Participants). Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Participants or the Indirect Participants. The ownership interests in, and transfers of ownership interests in, each security held by or on behalf of DTC are recorded on the records of the Participants and Indirect Participants.

DTC has also advised the Issuers that, pursuant to procedures established by it:

- (1) upon deposit of the Global Notes, DTC will credit the accounts of Participants designated by the exchange agent with portions of the principal amount of the Global Notes; and

- (2) ownership of these interests in Global Notes will be shown on, and the transfer of ownership of these interests will be effected only through, records maintained by DTC (with respect to the Participants) or by the Participants and the Indirect Participants (with respect to other owners of beneficial interests in Global Notes).

Investors in new notes represented by Global Notes who are Participants in DTC's system may hold their interests therein directly through DTC. Investors in new notes represented by Global Notes who are not Participants may hold their interests therein indirectly through organizations (including Euroclear and

Table of Contents

Clearstream) that are Participants in DTC. All interests in a Global Note may be subject to the procedures and requirements of DTC. Interests in a Global Note held through Euroclear or Clearstream may be subject to the procedures and requirements of those systems (as well as to the procedures and requirements of DTC). The laws of some jurisdictions may require that certain persons take physical delivery in definitive form of securities that they own and the ability to transfer beneficial interests in a Global Note to Persons that are subject to those requirements will be limited to that extent. Because DTC can act only on behalf of Participants, which in turn act on behalf of Indirect Participants, the ability of a person having beneficial interests in a Global Note to pledge those interests to Persons that do not participate in the DTC system, or otherwise take actions in respect of those interests, may be affected by the lack of a physical certificate evidencing those interests.

Except as described below, owners of an interest in Global Notes will not have notes registered in their names, will not receive physical delivery of Certified Notes and will not be considered the registered owners or Holders thereof under the Indenture for any purpose.

Payments in respect of the principal of, and premium, if any, and interest, on a Global Note registered in the name of DTC or its nominee will be payable to DTC in its capacity as the registered Holder under the Indenture. Under the terms of the Indenture, the Issuers and the Trustee will treat the Persons in whose names notes, including Global Notes, are registered as the owners of such notes for the purpose of receiving payments and for all other purposes. Consequently, neither the Issuers, the Trustee nor any agent of the Issuers or the Trustee has or will have any responsibility or liability for:

- (1) any aspect of DTC's records or any Participant's or Indirect Participant's records relating to or payments made on account of beneficial ownership interests in Global Notes or for maintaining, supervising or reviewing any of DTC's records or any Participant's or Indirect Participant's records relating to the beneficial ownership interests in Global Notes; or
- (2) any other matter relating to the actions and practices of DTC or any of its Participants or Indirect Participants.

DTC has advised the Issuers that its current practice, upon receipt of any payment in respect of securities such as the notes (including principal and interest), is to credit the accounts of the relevant Participants with the payment on the payment date unless DTC has reason to believe it will not receive payment on that payment date.

Each relevant Participant is credited with an amount proportionate to its beneficial ownership of an interest in the principal amount of the relevant security as shown on the records of DTC. Payments by the Participants and the Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practices and will be the responsibility of the Participants or the Indirect Participants and will not be the responsibility of DTC, the Trustee or the Issuers. Neither the Issuers nor the Trustee will be liable for any delay by DTC or any of its Participants in identifying the beneficial owners of any Notes, and the Issuers and the Trustee may conclusively rely on and will be protected in relying on instructions from DTC or its nominee for all purposes.

Transfers between Participants in DTC will be effected in accordance with DTC's procedures, and will be settled in same-day funds and transfers between participants in Euroclear and Clearstream will be effected in accordance with their respective rules and operating procedures.

Cross-market transfers between the Participants, on the one hand, and Euroclear or Clearstream participants, on the other hand, will be effected through DTC in accordance with DTC's rules on behalf of Euroclear or Clearstream, as the case may be, by its respective depository; however, such cross-market transactions will require delivery of instructions to Euroclear or Clearstream, as the case may be, by the counterparty in such system in accordance with the rules and procedures and within the established deadlines (Brussels time) of such system. Euroclear or Clearstream, as the case may be, will, if the transaction meets its settlement requirements, deliver instructions to its depository to take action to effect final settlement on its behalf by delivering or

Table of Contents

receiving interests in the relevant Global Note from DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Euroclear participants and Clearstream participants may not deliver instructions directly to the depositories for Euroclear or Clearstream.

DTC has advised the Issuers that it will take any action permitted to be taken by a Holder only at the direction of one or more Participants to whose account DTC has credited the interests in Global Notes and only in respect of the portion of the aggregate principal amount of the notes as to which that Participant or those Participants has or have given the relevant direction. However, if there is an Event of Default under the Indenture, DTC reserves the right to exchange the applicable Global Notes for Certificated Notes, and to distribute those Notes to its Participants.

Although DTC, Euroclear and Clearstream have agreed to the foregoing procedures in order to facilitate transfers of interests in Global Notes among Participants, they are under no obligation to perform those procedures, and may discontinue or change those procedures at any time. Neither the Issuers nor the Trustee nor any of their respective agents will have any responsibility for the performance by DTC, Euroclear, Clearstream or their respective Participants or Indirect Participants of their respective obligations under the rules and procedures governing their operations.

Exchange of Global Notes for Certificated Notes

A Global Note is exchangeable for Certificated Notes if:

DTC (a) notifies the Issuers that it is unwilling or unable to continue as depository for the applicable Global Notes or (b) has ceased to be a clearing agency registered under the Exchange Act and, in each case, a successor depository is not appointed;

the Issuers, at their option, notify the Trustee in writing that they elect to cause the issuance of Certificated Notes; or

there has occurred and is continuing a Default with respect to the Notes.

In addition, beneficial interests in a Global Note may be exchanged for Certificated Notes upon prior written notice given to the Trustee by or on behalf of DTC in accordance with the Indenture. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests in a Global Note will be registered in the names, and issued in any approved denominations, requested by or on behalf of the depository (in accordance with its customary procedures).

Same-Day Settlement and Payment

The Issuers will make payments in respect of the new notes represented by Global Notes, including payments of principal, premium, if any, and interest by wire transfer of immediately available funds to the accounts specified by the DTC or its nominee. The Issuers will make all payments of principal of, and premium, if any, and interest on, Certificated Notes in the manner described above under *Description of the Notes Methods of Receiving Payments on the Notes*. Because of time zone differences, the securities account of a Euroclear or Clearstream participant purchasing an interest in a Global Note from a Participant will be credited, and any such crediting will be reported to the relevant Euroclear or Clearstream participant, during the securities settlement processing day (which must be a

business day for Euroclear and Clearstream) immediately following the settlement date of DTC. DTC has advised the Issuers that cash received in Euroclear or Clearstream as a result of sales of interests in a Global Note by or through a Euroclear or Clearstream participant to a Participant will be received with value on the settlement date of DTC but will be available in the relevant Euroclear or Clearstream cash account only as of the business day for Euroclear or Clearstream following DTC's settlement date.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSEQUENCES

The following discussion is a summary of certain U.S. federal income tax considerations relevant to the exchange of old notes for new notes, but does not purport to be a complete analysis of all potential tax effects. The discussion is based upon the Internal Revenue Code of 1986, as amended, Treasury Regulations, Internal Revenue Service rulings and pronouncements and judicial decisions now in effect, all of which may be subject to change at any time by legislative, judicial or administrative action. These changes may be applied retroactively in a manner that could adversely affect a holder of new notes. We cannot assure you that the Internal Revenue Service will not challenge one or more of the tax consequences described in this discussion, and we have not obtained, nor do we intend to obtain, a ruling from the IRS or an opinion of counsel with respect to the U.S. federal tax consequences described herein. Some holders, including financial institutions, insurance companies, regulated investment companies, tax-exempt organizations, dealers in securities or currencies, persons whose functional currency is not the U.S. dollar, or persons who hold the notes as part of a hedge, conversion transaction, straddle or other risk reduction transaction may be subject to special rules not discussed below.

We recommend that each holder consult his own tax advisor as to the particular tax consequences of exchanging such holder's old notes for new notes, including the applicability and effect of any foreign, state, local or other tax laws or estate or gift tax considerations.

We believe that the exchange of old notes for new notes will not be an exchange or otherwise a taxable event to a holder for United States federal income tax purposes. Accordingly, a holder will not recognize gain or loss upon receipt of a new note in exchange for an old note in the exchange, and the holder's basis and holding period in the new note will be the same as its basis and holding period in the corresponding old note immediately before the exchange.

PLAN OF DISTRIBUTION

You may transfer new notes issued under the exchange offer in exchange for the old notes if:

you acquire the new notes in the ordinary course of your business;

you have no arrangement or understanding with any person to participate in the distribution (within the meaning of the Securities Act) of such new notes in violation of the provisions of the Securities Act; and

you are not our affiliate (within the meaning of Rule 405 under the Securities Act).

Each broker-dealer that receives new notes for its own account pursuant to the exchange offer in exchange for old notes that were acquired by such broker-dealer as a result of market-making or other trading activities must acknowledge that it will deliver a prospectus in connection with any resale of such new notes. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of new notes received in exchange for old notes, where such old notes were acquired as a result of market-making activities or other trading activities.

If you wish to exchange new notes for your old notes in the exchange offer, you will be required to make representations to us as described in Exchange Offer Purpose and Effect of the Exchange Offer and Procedures for Tendering Your Representations to Us in this prospectus and in the letter of transmittal. In addition, if you are a broker-dealer who receives new notes for your own account in exchange for old notes that were acquired by you as a result of market-making activities or other trading activities, you will be required to acknowledge that you will deliver a prospectus in connection with any resale by you of such new notes.

We will not receive any proceeds from any sale of new notes by broker-dealers. New notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in any of the following ways:

in the over-the-counter market;

in negotiated transactions;

through the writing of options on the new notes or a combination of such methods of resale;

at market prices prevailing at the time of resale;

at prices related to such prevailing market prices; or

at negotiated prices.

Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such new notes.

Any broker-dealer that resells new notes that were received by it for its own account pursuant to the exchange offer in exchange for old notes that were acquired by such broker-dealer as a result of market-making or other trading activities may be deemed to be an underwriter within the meaning of the Securities Act and must, therefore, deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of new notes received by it in the exchange offer. The letter of transmittal states that by acknowledging that it will deliver and by delivering a prospectus, a broker-dealer will not be deemed to admit that it is an underwriter within the meaning of the Securities Act. We agreed to permit the use of this prospectus for a period of up to 180 days after the completion of the exchange offer by such broker-dealers to satisfy this prospectus delivery requirement. Furthermore, we agree to amend or supplement this prospectus during such period, if so requested, in order to expedite or facilitate the disposition of any new notes by broker-dealers.

Table of Contents

We have agreed to pay all expenses incident to the exchange offer, other than fees and expenses of counsel to the holders and brokerage commissions and transfer taxes, if any, and will indemnify the holders of the old notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

**Item 20. Indemnification of Directors and Officers
StoneMor Partners L.P. and StoneMor GP LLC**

Pursuant to Section 7.7 of our Second Amended and Restated Agreement of Limited Partnership, dated as of September 9, 2008 (the Partnership Agreement), we are required to indemnify, among other persons, StoneMor GP LLC (the General Partner) and its affiliates, the officers, directors and managers of the General Partner, to the fullest extent permitted by law, subject to the terms of the Partnership Agreement, against all losses, claims, damages, liabilities, and expenses (including legal fees and expenses) incurred by such persons. This indemnification is required unless there has been a final and non-appealable judgment by a court of competent jurisdiction determining that these persons acted in bad faith or engaged in fraud, willful misconduct or gross negligence. We are also required to indemnify the General Partner and its affiliates, the officers, directors and managers of the General Partner for criminal proceedings unless these persons acted with knowledge that their conduct was unlawful. Consequently, the General Partner and its affiliates, the officers, directors and managers of the General Partner could be indemnified for their negligent acts if they meet the requirements described in the Partnership Agreement. Any indemnification will be only out of our assets. Unless the General Partner otherwise agrees in its sole discretion, the General Partner will not be personally liable for, or have any obligation to contribute or loan funds or property to us to enable us to effectuate such indemnification. We are authorized to purchase insurance, on behalf of the General Partner, its affiliates and such other persons as the General Partner will determine, against any liability that may be asserted against or expenses that may be incurred by such persons in connection with our activities or such person's activities on behalf of us, regardless of whether we have the power to indemnify those persons against liabilities under the Partnership Agreement.

In addition, pursuant to Section 9.3 of the Second Amended and Restated Limited Liability Company Agreement of the General Partner, dated as of May 21, 2014 (the LLC Agreement), the General Partner is required to indemnify, among other persons, its officers, directors and affiliates, to the fullest extent permitted by law, subject to the terms of LLC Agreement, against all losses, claims, damages, liabilities, and expenses (including legal fees and expenses) incurred by such officers, directors and affiliates. The indemnification provisions of the LLC Agreement are similar to the indemnification provisions set forth in the Partnership Agreement discussed above. The General Partner is authorized to purchase insurance on behalf of its officers, directors and affiliates, against any liability that may be asserted against or expenses that may be incurred by such persons in connection with the General Partner's activities or the activities of such persons.

The General Partner has entered into separate indemnification agreements with its directors. The terms of those agreements are generally consistent with the terms of the indemnification provided by the LLC Agreement.

Subject to any terms, conditions or restrictions set forth in the Partnership Agreement, Section 17-108 of the Delaware Revised Uniform Limited Partnership Act empowers a Delaware limited partnership to indemnify and hold harmless any partner or other person from and against all claims and demands whatsoever.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

A corporation may indemnify and advance expenses to an officer of the corporation to the same extent as to a director or, if he is an officer but not a director, to the further extent as may be provided in the articles of incorporation, the bylaws, a board resolution or a contract, except as otherwise provided in the WVBCA. A corporation may also purchase and maintain on behalf of a director or officer of the corporation insurance against liabilities incurred in such capacities or arising from his status as a director or officer, whether or not the corporation would have the power to indemnify him against the same liability under the WVBCA.

Also, Section 10A-2-8.52 states that, to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) reasonably incurred by him in connection therewith, notwithstanding that he has not been successful on any other claim, issue or matter in any such action, suit or proceeding.

A written affirmation of his or her good faith belief that he or she has met the relevant standard of conduct described in this section or that the proceeding involves conduct for which liability has been eliminated under a provision of the articles of incorporation as authorized by paragraph (4) of subsection (b) of Code Section 14-2-202; and

b. His or her written undertaking to repay any funds advanced if it is ultimately determined that the director is not entitled to indemnification under this part.

c. The undertaking required by paragraph (b) of this section must be an unlimited general obligation of the director but need not be secured and may be accepted without reference to the financial ability of the director to make repayment.

7. Authorizations under this Code section shall be made:

a. By the board of directors:

b. When there are two or more disinterested directors, by a majority vote of all the disinterested directors (a majority of whom shall for such purpose constitute a quorum) or by a majority of the members of a committee of two or more disinterested directors appointed by such a vote; or

c. When there are fewer than two disinterested directors, by the vote necessary for action by the board in accordance with subsection (c) of Code Section 14-2-824, in which authorization directors who do not qualify as disinterested directors may participate; or

8. A director who is a party to a proceeding because he or she is a director may apply for indemnification or advance for expenses to the court conducting the proceeding or to another court of competent jurisdiction. After receipt of an application and after giving any notice it considers necessary, the court shall:

a. Order indemnification or advance for expenses if it determines that the director is entitled to indemnification under this part; or

b. Order indemnification or advance for expenses if it determines, in view of all the relevant circumstances, that it is fair and reasonable to indemnify the director or to advance expenses to the director, even if the director has not met the relevant standard of conduct set forth in subsections (a) and (b) of Code Section 14-2-851, failed to comply with Code Section 14-2-853, or was adjudged liable in a proceeding referred to in paragraph (1) or (2) of subsection (d) of Code Section 14-2-851, but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred in connection with the proceeding.

9. If the court determines that the director is entitled to indemnification or advance for expenses under this part, it may also order the corporation to pay the director's reasonable expenses to obtain court-ordered indemnification or advance for expenses.

10. a. b. The determination shall be made:

(i) If there are two or more disinterested directors, by the board of directors by a majority vote of all the disinterested directors (a majority of whom shall for such purpose constitute a quorum) or by a majority of the members of a committee of two or more disinterested directors appointed by such a vote;

(ii) By special legal counsel:

(A) Selected in the manner prescribed in paragraph (i) of this subsection; or

(C) By the shareholders, but shares owned by or voted under the control of a director who at the time does not qualify as a disinterested director may not be voted on the determination.

c. Authorization of indemnification or an obligation to indemnify and evaluation as to reasonableness of expenses shall be made in the same manner as the determination that indemnification is permissible, except that if there are fewer than two disinterested directors or if the determination is made by special legal counsel, authorization of indemnification and valuation as to reasonableness of expenses shall be made by those entitled under subparagraph (b)(ii)(B) of this Code section to select special legal counsel.

11. a. If authorized by the articles of incorporation or a bylaw, contract, or resolution approved or ratified by the shareholders by a majority of the votes entitled to be cast, a corporation may indemnify or obligate itself to indemnify a director made a party to a proceeding including a proceeding brought by or in the right of the corporation, without regard to the limitations in other Code sections, but shares owned or voted under the control of a director who at the time does not qualify as a disinterested director with respect to any existing or threatened proceeding that would be covered by the authorization may not be voted on the authorization.

b. The corporation shall not indemnify a director under this Article for any liability incurred in a proceeding in which the director is adjudged liable to the corporation or is subjected to injunctive relief in favor of the corporation:

(i) For any appropriation, in violation of the director's duties, of any business opportunity of the corporation;

(ii) For acts or omissions which involve intentional misconduct or a knowing violation of law;

(iii) For the types of liability set forth in Code Section 14-2-832; or

(iv) For any transaction from which he or she received an improper personal benefit.

(ii) The director furnishes the corporation a written undertaking, executed personally or on his or her behalf to repay any advances if it is ultimately determined that the director is not entitled to indemnification under this Article.

12. A corporation may indemnify and advance expenses under this part to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation:

a. To the same extent as a director; and

b. If he or she is not a director, to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for liability arising out of conduct that constitutes:

(i) Appropriation, in violation of his or her duties, of any business opportunity of the corporation;

(ii) Acts or omissions which involve intentional misconduct or a knowing violation of law;

(iii) The types of liability set forth in Code Section 14-2-832; or

(iv) Receipt of an improper personal benefit.

c. The provisions of paragraph (1) of subsection (b) of this Code section shall apply to an officer who is also a director if the sole basis on which he or she is made a party to the proceeding is an act or omission solely as an officer.

d. An officer of a corporation who is not a director is entitled to mandatory indemnification under Code Section 14-2-852, and may apply to a court under Code Section 14-2-854 for indemnification or advances for expenses, in each case to the same extent to which a director may be entitled to indemnification or advances for expenses under those provisions.

e. A corporation may also indemnify and advance expenses to an employee or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors or contract.

14. a. A corporation may, by a provision in its articles of incorporation or bylaws or in a resolution adopted or a contract approved by its board of directors or shareholders, obligate itself in advance of the act or omission giving rise to a proceeding to provide indemnification or advance funds to pay for or reimburse expenses consistent with this part. Any such obligatory provision shall be deemed to satisfy the requirements for authorization referred to in subsection (c) of Code Section 14-2-853 or subsection (c) of Code Section 14-2-855. Any such provision that obligates the corporation to provide indemnification to the fullest extent permitted by law shall be deemed to obligate the corporation to advance funds to pay for or reimburse expenses in accordance with Code Section 14-2-853 to the fullest extent permitted by law, unless the provision specifically provides otherwise.

b. Any provision pursuant to subsection (a) of this Code section shall not obligate the corporation to indemnify or advance expenses to a director of a predecessor of the corporation, pertaining to conduct with respect to the predecessor, unless otherwise specifically provided. Any provision for indemnification or advance for expenses in the articles of incorporation, bylaws, or a resolution of the board of directors or shareholders, partners, or, in the case of limited liability companies, members or

managers of a predecessor of the corporation or other entity in a merger or in a contract to which the predecessor is a party, existing at the time the merger takes effect, shall be governed by paragraph (3) of subsection (a) of Code Section 14-2-1106.

c. A corporation may, by a provision in its articles of incorporation, limit any of the rights to indemnification or advance for expenses created by or pursuant to this part.

d. This part does not limit a corporation's power to pay or reimburse expenses incurred by a director or an officer in connection with his or her appearance as a witness in a proceeding at a time when he or she is not a party.

e. Except as expressly provided in Section (12) of this Article, this part does not limit a corporation's power to indemnify, advance expenses to, or provide or maintain insurance on behalf of an employee or agent.

Section 11 of the operating agreement of Lakewood Memory Gardens South, LLC provides that the company shall indemnify its member and those authorized managers, officers, agents and employees of the company identified in writing by the member or managers as entitled to be indemnified under Section 11 for all costs, losses, liabilities and damages paid or accrued by the member (as the member or as a manager, officer, agent or employee) or any such manager, officer, agent or employee in connection with the business of the company, except to the extent prohibited by the law. In addition, the company may advance costs of defense of any proceeding to the member or any such manager, officer, agent or employee upon receipt by the company of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that the person is not entitled to be indemnified by the company.

(1) if (a) the individual conducted himself or herself in good faith, and (b) the individual reasonably believed (i) in the case of conduct of official capacity, that his or her conduct was in the best interests of the corporation, and (ii) in all other cases, that his or her conduct was at least not opposed to the best interests of

the corporation, and (c) in the case of any criminal proceeding, the individual had no reasonable cause to believe his or her conduct was unlawful; or

(2) if the individual engaged in conduct for which broader indemnification has been made permissible or obligatory under a provision of the articles of incorporation, subject to the provisions of HBCA Section 32(b)(5) which prohibit corporations from indemnifying directors against liability for (a) receipt of a financial benefit to which the director is not entitled, (b) an intentional infliction of harm on the corporation or its shareholders, (c) approving an unlawful distribution to shareholders, or (d) an intentional violation of criminal law.

HBCA Section 243 provides that a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

In addition, pursuant to HBCA Section 244, before final disposition of a proceeding, a corporation may also advance funds to pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding because he or she is a director, if the director delivers to the corporation:

(1) a written affirmation of the director's good faith belief that (a) he or she has met the relevant standard of conduct described in HBCA Section 242 (referred to above), or (b) the proceeding involves conduct for which liability has been eliminated under a provision of the articles of incorporation, subject to the provisions of HBCA Section 32(b)(4) which prohibit corporations from eliminating directors' liability for (i) receipt of a financial benefit to which the director is not entitled, (ii) an intentional infliction of harm on the corporation or its shareholders, (iii) approving an unlawful distribution to shareholders, or (iv) an intentional violation of criminal law; and

(2) the director's written undertaking to repay any funds advanced if the director is not entitled to mandatory indemnification under HBCA Section 243 (referred to above) and it is ultimately determined that the director has not met the relevant standard of conduct described in HBCA Section 242 (referred to above).

Pursuant to HBCA Section 245, a director who is a party to a proceeding because he or she is a director may apply for indemnification or an advance for expenses to the court conducting the proceeding or another court of competent jurisdiction. The court may order indemnification or an advance for expenses (if applicable) upon determining that the director is entitled to mandatory indemnification under HBCA Section 243 (referred to above) or that such indemnification or advance is authorized by the corporation's articles of incorporation or by-laws or is otherwise reasonable in view of all relevant circumstances.

HBCA Section 247 provides that a corporation may indemnify and advance expenses for an officer who is a party to a proceeding because he or she is an officer of the corporation to the same extent as a director, except for liability in connection with a proceeding by or in the right of the corporation (other than reasonable expenses in connection with the proceeding). An officer is also entitled to mandatory indemnification and may apply to a court for indemnification or an advance of expenses to the same extent as a director pursuant to HBCA Sections 243 and 245 (referred to above).

In actions brought by or in the right of the corporation, a corporation may indemnify such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which that person shall have been adjudged to be liable to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which the court shall deem proper. To the extent that such person has been successful on the merits or otherwise in defending any such action, suit or proceeding referred to above or any claim, issue or matter therein, he or she is entitled to indemnification for expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith, if such person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation. Section 8.75(f) of the ILBCA further provides that the indemnification and advancement of expenses provided by or granted under Section 8.75 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office.

Indiana Corporations

Chapter 37 of the Indiana Corporation Law (INCL) states that a corporation may indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if: (1) the individual's conduct was in good faith; and (2) the individual reasonably believed, in the case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in its best interests; and (3) in all other cases, that the individual's conduct was at least not opposed to its best interests; and (4) in the case of any criminal proceeding, the individual either had reasonable cause to believe the individual's conduct was lawful or had no reasonable cause to believe the individual's conduct was unlawful. Unless limited by its articles of incorporation, a corporation must indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. A corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if: (1) the director furnishes the corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in the INCL; (2) the director furnishes the corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct; and (3) a determination is made that the facts then known to those making the determination would not preclude indemnification under the law. A corporation may not indemnify a director unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth under the law. The determination shall be made by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding, or by the other methods specified in Chapter 37 of the INCL.

A corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation, or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, member, manager, trustee, employee, or agent of another foreign or domestic corporation, partnership, limited liability company, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by the individual in that capacity or arising from the individual's status as a director, officer, member, manager, employee, or agent. The indemnification and advance for expenses provided for or authorized by the INCL does not exclude any other rights to indemnification and advance for expenses that a person may have under a corporation's articles of incorporation, bylaws or certain other duly authorized agreements.

The Articles of Incorporation or Bylaws of our guarantors that are Indiana corporations provide that the corporation shall indemnify its directors and officers to the full extent possible under the law.

Maryland Corporations

Under Section 2-418 of the Maryland General Corporation Law (MDGCL), a Maryland corporation may indemnify any director who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that he is a present or former director of the corporation and any person who, while a director of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another corporation, partnership, joint venture, trust, other enterprise, or employee benefit plan. Such indemnification may be against

judgments, penalties, fines, settlements and reasonable expenses actually incurred by him in connection with the proceeding unless it is proven that (a) the act or omission of the director

II-15

was material to the matter giving rise to the proceeding and (i) was committed in bad faith, or (ii) was the result of active and deliberate dishonesty; or (b) the director actually received an improper personal benefit in money, property, or services; or (c) in the case of any criminal proceeding, the director had reasonable cause to believe his act or omission was unlawful. However, the corporation may not indemnify any director in connection with a proceeding by or in the right of the corporation if the director has been adjudged to be liable to the corporation. A director who has been successful in the defense of any proceeding described above shall be indemnified against reasonable expenses incurred in connection with the proceeding. The corporation may not indemnify a director in respect of any proceeding charging improper personal benefits to the director in which the director was adjudged to be liable on the basis that personal benefit was improperly received. The corporation may not indemnify a director or advance expenses for a proceeding brought by the director against the corporation except if the proceeding is brought to enforce indemnification by the corporation or if the corporation's charter or by-laws, a board resolution or contract provides otherwise. Notwithstanding the above provisions, a court of appropriate jurisdiction, upon application of the director, may order indemnification if it determines that in view of all the relevant circumstances, the director is fairly and reasonably entitled to indemnification; however, indemnification with respect to any proceeding by or in the right of the corporation or in which liability was adjudged on the basis that personal benefit was improperly received shall be limited to expenses. A corporation may advance reasonable expenses to a director under certain circumstances, including a written undertaking by or on behalf of such director to repay the amount if it shall ultimately be determined that the standard of conduct necessary for indemnification by the corporation has not been met.

A corporation may indemnify and advance expenses to an officer of the corporation to the same extent that it may indemnify directors under Section 2-418 of the MDGCL.

The indemnification and advancement of expenses provided by statute is not exclusive of any other rights, by indemnification or otherwise, to which a director or officer may be entitled under the charter, by-laws, a resolution of shareholders or directors, an agreement or otherwise.

A corporation may purchase and maintain insurance on behalf of any person who is or was a director or officer, whether or not the corporation would have the power to indemnify a director or officer against liability under the provision of Section 2-418 of the MDGCL. Under Section 562 of the MIBCA, a Michigan corporation may also provide similar indemnity to such a person for expenses, including attorney's fees, and amounts paid in settlement actually and reasonably incurred by the person in connection with actions or suits by or in the right of the corporation if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the interests of the corporation or its shareholders, except in respect of any claim, issue or matter in which the person has been found liable to the corporation, unless the court determines that the person is fairly and reasonably entitled to indemnification in view of all relevant circumstances, in which case indemnification is limited to reasonable expenses incurred. To the extent that such person has been successful on the merits or otherwise in defending any such action, suit or proceeding referred to above or any claim, issue or matter therein, he or she is entitled to indemnification for expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

In actions brought by or in the right of the corporation, a corporation may indemnify such person against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner that person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of (i) any claim, issue or matter as to which that person is adjudged to be liable for negligence or misconduct in the performance of the person's duty to the corporation unless, and only to the extent that, the court of common pleas or the court in which such action or suit was brought determines upon application that, despite the adjudication of liability, but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses as the court of common pleas or such other court shall deem proper; or (ii) any action or suit in which the only liability asserted against a director is pursuant to Section 1701.95 of the ORC. However, indemnification may only be made upon a determination that the person has met the applicable standard of conduct required for indemnification by (a) a majority vote of a quorum of directors who were not parties, or threatened to be made parties, to the relevant proceeding, (b) if directed by a majority vote of a quorum of disinterested directors, a written opinion of independent legal counsel, (c) the shareholders, or (d) the court in which the relevant proceeding was brought.

An Ohio corporation is required to indemnify a director, trustee, officer, employee, member, manager or agent against expenses (including attorneys' fees) actually and reasonably incurred by the person to the extent that the person is successful in defending a lawsuit of the type referenced in the above paragraph, regardless of whether such indemnification has been authorized as discussed above.

In the case of directors, the corporation is required to advance expenses upon receipt of the aforementioned undertaking to repay and the director's agreement to cooperate.

The indemnification provided under Section 1701.13(E) of the ORC is not exclusive of, and is in addition to, any other rights granted to persons seeking indemnification under a corporation's articles or regulations, any agreement, a vote of the corporation's shareholders or disinterested directors, or otherwise. Section 1742 of the PBCL permits indemnification in derivative and corporate actions if the director or officer acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation,

except in respect of any claim, issue or matter as to which the officer or director has been adjudged to be liable to the corporation unless and only to the extent that the proper court determines upon

application that, despite the adjudication of liability but in view of all the circumstances of the case, the officer or director is fairly and reasonably entitled to indemnity for the expenses that the court deems proper.

Under Section 1743 of the PBCL, indemnification is mandatory to the extent that the officer or director has been successful on the merits or otherwise in defense of any action or proceeding referred to in Section 1741 or 1742 of the PBCL.

Section 1744 of the PBCL provides that, unless ordered by a court, any indemnification under Section 1741 or 1742 of the PBCL shall be made by the corporation only as authorized in the specific case upon a determination that the officer or director met the applicable standard of conduct, and such determination must be made by (i) the board of directors by a majority vote of a quorum of directors not parties to the action or proceeding, (ii) if a quorum is not obtainable, or if obtainable and a majority vote of a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the shareholders.

Section 1745 of the PBCL provides that expenses (including attorneys' fees) incurred by a director or officer in defending any action or proceeding referred to in Subchapter D of Chapter 17 of the PBCL may be paid by the corporation in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation. Except as otherwise provided in the corporation's by-laws, advancement of expenses must be authorized by the board of directors.

In no event may indemnification be made in any case where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Sections 1748 and 1749 of the PBCL extend the indemnification and advancement of expenses provisions contained in Subchapter D of Chapter 17 of the PBCL to successor corporations in fundamental changes and to officers and directors serving as fiduciaries of employee benefit plans.

Section 1750 of the PBCL provides that the indemnification and advancement of expenses provided by, or granted pursuant to, Subchapter D of Chapter 17 of the PBCL shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer shall inure to the benefit of the heirs and personal representatives of such person.

Article 4.08 of the Puerto Rico General Corporation Law provides that a corporation may compensate any person who is, has been a party, or is under threat of becoming a party to any imminent, pending or resolved civil, criminal, administrative or investigative action, suit or proceeding (except an action initiated by the corporation or initiated to protect the interests of the corporation), because the person has been or is a director, officer, employee or agent of the corporation, or had been or is acting by request of the corporation as director, officer, employee, or agent of another corporation, partnership, joint venture, trust or any other enterprise. The compensation may include the expenses incurred in a reasonable manner, including attorney fees, adjudication or judgments, fines and amounts paid upon settling such action, suit or proceeding, if the person acted in good faith and in a manner which the person deemed to be reasonable and consistent with the best interests of the corporation and not opposed thereto, and that with respect to any criminal action or proceeding, the person did not have reasonable cause to believe that his conduct was unlawful. The termination of any legal action, suit or proceeding by judgment, order, settlement or conviction or by a plea of nolo contendere, or its equivalent, shall not in itself create the presumption that the person did not act in good faith nor in a manner which he reasonably believed to be consistent with the best interests of the corporation or not opposed thereto and that, with respect to any criminal action or proceeding, the person did not have reasonable cause to believe that his conduct was unlawful.

In addition, pursuant to subsection (B) of Article 4.08 a corporation may compensate any person who is, has been a party, or is under threat of becoming a party to any imminent, pending or resolved action or suit initiated by the corporation or initiated to protect the interests of the corporation to procure a judgment in its favor because the person is or has been a director, officer, employee or agent of the corporation, or is or has been acting by request of the corporation as director, officer, employee or agent of another corporation, partnership, joint venture, trust or any other enterprise. The compensation may include the expenses incurred in a reasonable manner, including attorney fees, with respect to the defense or settlement of such action or suit, if the person acted in good faith and in a manner he/she reasonably deemed to be consistent with the best interests of the corporation and not opposed thereto. Notwithstanding the foregoing, no compensation shall be made with respect to a claim, matter or controversy in which it has been determined that such person is liable to the corporation, except that through a motion to that effect, the court presiding in such action or suit determines that in spite of the adjudication of liability against, and in light of all of the circumstances of the case, such person has the fair and reasonable right to be compensated for those expenses which

the court deems proper and only insofar as said court so deems.

Rhode Island Corporations

The Rhode Island Business Corporation Act (the "RIBCA") generally permits a corporation to indemnify a director or officer for expenses incurred by them by reason of their position with the corporation if the person has acted in good faith and with the reasonable belief (i) in the case of conduct in his or her official capacity that his or her conduct was in the best interests of the corporation and, (ii) in all other cases, that his or her conduct was at least not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, he or she had no reasonable cause to believe his or her conduct was unlawful. Unless limited by the corporation's charter, the RIBCA also permits indemnification if a court of appropriate jurisdiction, upon application of a director or officer and such notice as the court shall require, determines that the individual is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not he or she has met the standard of conduct referred to above. However, the RIBCA does not permit a corporation to indemnify persons (1) in actions brought by or in the right of the corporation if the person is adjudged to be liable to the corporation, or (2) in actions in which the director is adjudged to be liable on the basis that personal benefit was improperly received by him or her, although, in both cases, it does permit indemnification, but only of expenses, if, and only to the extent, approved by a court of appropriate jurisdiction. The RIBCA permits the right to indemnification to include the right to be paid by the corporation for expenses the indemnified person incurs in defending the proceeding in advance of its final disposition; provided, that the indemnified party deliver to the corporation a written affirmation of a good faith belief that he or she has met the applicable standards of conduct and that he or she undertakes to repay all amounts advanced if it is ultimately determined that he or she is not entitled to be indemnified under the charter or otherwise. However, under the RIBCA, except where indemnification is ordered by a court of appropriate jurisdiction upon application of any director, officer, employee or agent, no indemnification will be made unless authorized in the specific case after a determination has been made, by the board of directors, special legal counsel or the shareholders that indemnification is permissible in the circumstances because the director, officer, employee or agent has met the standard of conduct for indemnification described above.

Virginia Corporations

Sections 13.1-697-699 and 701-704 of the Virginia Stock Corporation Act (VSCA) provide, generally and in part, that a corporation may indemnify an individual made a party to a proceeding because he is or was a director, against liability incurred in the proceeding if he conducted himself in good faith and reasonably believed, in the case of conduct in his official capacity with the corporation, that his conduct was in its best interests, or in all other cases, that his conduct was at least not opposed to its best interests and, in the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful; provided, however, that a corporation may not indemnify a director in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or in connection with any other proceeding charging improper personal benefit to him in which he was adjudged liable. Such indemnification in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection therewith.

Unless limited by a corporation's certificate of incorporation, similar indemnity with respect to expenses incurred is mandatory under the above-referenced Sections of the VSCA for a director or officer who was wholly successful on the merits or otherwise, in defense of any proceedings to which he was a party because he is or was a director or officer, as the case may be. Any such indemnification may be made only as authorized in each specific case after a determination by disinterested directors, special legal counsel or disinterested shareholders that indemnification is permissible because the indemnitee has met the applicable standard of conduct. Directors and officers may also apply for court-ordered indemnification. Pursuant to Section 13.1-704 of the VSCA, a corporation may also indemnify and advance expenses to any director or officer to the extent provided by the corporation's certificate of incorporation, any bylaw made by the shareholders or any resolution adopted by the shareholders, except an indemnity against willful misconduct or a knowing violation of the criminal law.

The Washington Business Corporation Act (WABCA) empowers a corporation to indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if: (1) the individual acted in good faith; and (2) the individual reasonably believed (i) in the case of conduct in the individual's official capacity with the corporation, that the individual's conduct was in its best interests; and (ii) in all other cases, that the individual's conduct was at least not opposed to its best interests; and (3) in the case of any criminal

proceeding, the individual had no reasonable cause to believe the individual's conduct was unlawful. A corporation may not indemnify a director (1) in connection with a proceeding by or in

the right of the corporation in which the director was adjudged liable to the corporation; or (2) in connection with any other proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director. Indemnification permitted under such provisions in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding. Unless limited by its articles of incorporation, a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because of being a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. Under the WABCA, a corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if: (a) the director furnishes the corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in Section 23B.08.510 of the WABCA; and (b) the director furnishes the corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct. Unless a corporation's articles of incorporation provide otherwise, the corporation may indemnify and advance expenses to an officer, employee or agent of the corporation who is not a director to the same extent as to a director. A corporation may also purchase and maintain on behalf of a director, officer, employee or agent of the corporation insurance against liabilities incurred in such capacities, whether or not the corporation would have the power to indemnify him against the same liability under the WABCA.

The Articles of Incorporation or Bylaws of StoneMor Washington, Inc., a Washington corporation, contain provisions for indemnification of directors and officers, but do not provide that the corporation shall indemnify its directors and officers to the full extent possible under the law.

Item 22. Undertakings

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrants, we have been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by any registrant of expenses incurred or paid by a director, officer or controlling person of a registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, such registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Each registrant hereby undertakes:

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to:

(a) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

II-32

Table of Contents

(b) reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(c) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement, or any material change to such information in this registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if such registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

That, for the purpose of determining liability of such registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of such registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(a) any preliminary prospectus or prospectus of the undersigned registrants relating to the offering required to be filed pursuant to Rule 424;

(b) any free writing prospectus relating to the offering prepared by or on behalf of such registrant or used or referred to by the undersigned registrants;

(c) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrants or their securities provided by or on behalf of such registrant; and

(d) any other communication that is an offer in the offering made by such registrant to the purchaser.

That, for purposes of determining any liability under the Securities Act of 1933, each filing of a registrant annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each

filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new

registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

To deliver or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to, and meeting the requirements of, Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X is not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.

To respond to requests for information that are incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.
