Sabesp's management is responsible for the design and implementation of policies, procedures, processes and practices of internal controls to safeguard assets, timely recognition of liabilities, adherence to rules and the integrity and accuracy of information.

The Internal Audit is responsible for assessing the degree of compliance by all of Sabesp's departments in relation to internal controls procedures and practices and that being effectively applied.

5. EVALUATION OF THE EFFECTIVENESS OF INDEPENDENT AND INTERNAL AUDITS

The Committee maintains a regular communication channel with internal and independent auditors, allowing for wide discussions on the results of its work, accounting aspects and relevant internal controls and, therefore, assesses as being fully satisfied with the volume and quality of the information provided by these professionals, who support their opinion on the adequacy and integrity of internal control systems and financial statements. In addition, no situations were identified that could affect the objectivity and independence and/or the autonomy of the independent and internal auditors.

KPMG Auditores Independentes is the audit firm responsible for examining the financial statements and issuing an opinion on the preparation of such statements, in compliance with the accounting practices adopted in Brazil and the International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB).

The Committee monitored the activities carried out by the Internal and the Independent Audit, both through regular meetings and through the review of the reports they issued. As a result, the Committee positively evaluates the coverage and quality of the work carried out by the Internal and Independent Auditors regarding the financial statements for the fiscal year ended December 31, 2018.

The Audit Committee evaluated the structure and budget of the Internal Audit and considered it adequate for the team to carry out their functions.

Finally, the Committee discussed with the independent auditors the results of the works and its conclusions on the audit of these financial statements and issued a report without reservations. The main points discussed were also related to the accounting practices adopted in Brazil and with recommendations and other reports regarding internal controls and presentation of the financial statements.

The Committee verified that the financial statements are appropriate in accordance with the accounting practices and Brazilian corporate law, as well as the rules of the Brazilian Securities and Exchange Commission (CVM) and the International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board - IASB, and the standards issued by the SEC and the Sarbanes-Oxley Act.

8. CONCLUSIONS AND RECOMMENDATIONS

During the course of the works, the Committee did not identify any situation that could affect KPMG's objectivity and independence with respect to its attributions with Sabesp. Accordingly, in accordance with the Internal Regulations of the Audit Committee, the Committee informs the Board of Directors that it is not aware of any type of relationship between KPMG and Sabesp that may have affected its independence in the execution of the independent audit of the financial statements closed on December 31, 2018.

It is also recorded that no situation of significant divergence was identified between the Sabesp's Management, the Independent Auditors of KPMG and the Audit Committee itself in relation to the Financial Statements for the year ended December 31, 2018.

The opinions and judgments of the Committee depend on the information presented by Sabesp, in particular information on Management, the Accounting department, the Legal, Internal Audit, Risk Management and Compliance department and other departments, as necessary, in addition to information on the Independent Auditors. In this sense, the Committee believes that all pertinent matters were adequately disclosed in the Financial Statements for the fiscal year ended December 31, 2018, accompanied by the Independent Auditors' Report issued without reservations, and, therefore, recommended the approval of said Financial Statements by the Board of Directors.
