Section 5 — Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously reported, John P. Rijos, Co-President and Chief Operating Officer of Brookdale Senior Living Inc. (the "Company"), will retire from the Company, effective June 15, 2013. On June 13, 2013, the Company's Board of Directors appointed Gregory B. Richard to serve as the Company's Executive Vice President and Chief Operating Officer, effective June 16, 2013.

Mr. Richard, 59, has served as the Company's Executive Vice President – Field Operations since January 2008. He previously served as Executive Vice President – Operations from July 2006 through December 2007. Previously, Mr. Richard served as Executive Vice President and Chief Operating Officer of American Retirement Corporation since January 2003 and previously served as its Executive Vice President – Community Operations since January 2000. Mr. Richard was formerly with a pediatric practice management company from May 1997 to May 1999, serving as President and Chief Executive Officer from October 1997 to May 1999. Prior to this, Mr. Richard was with Reability Corporation, a publicly traded outpatient physical rehabilitation service provider, from July 1986 to October 1996, serving as Senior Vice President of Operations and Chief Operating Officer from September 1992 to October 1996.

In connection with his appointment, Mr. Richard's base salary was increased to \$450,000, effective June 16, 2013.

Mr. Richard will also be eligible to receive a total annual cash incentive opportunity equal to 100% of his annual base salary, subject to the terms of the Company's incentive compensation plan for senior executive officers. In addition, Mr. Richard was granted 10,429 shares of Company time-based restricted stock and 10,428 shares of Company performance-based restricted stock under the terms of the Company's Omnibus Stock Incentive Plan, as amended and/or restated from time to time (the "Plan").

The time-based shares of restricted stock vest ratably in four installments on May 20, 2014, May 20, 2015, May 20, 2016 and May 20, 2017, subject only to Mr. Richard's continued employment. Seventy-five percent (75%) of the performance-based shares will vest on May 20, 2016 and twenty-five percent (25%) of the performance-based shares will vest on May 20, 2017, in each case subject to Mr. Richard's continued employment and dependent upon the level of achievement of performance goals established for each tranche by the Compensation Committee of the Company's Board of Directors.

The performance targets for the first tranche of performance-based shares are based on the Company's three year compound annual growth rate ("CAGR") of Cash From Facility Operations ("CFFO") per share, with results to be measured based on the Company's CFFO per share in 2015. The performance targets for the second tranche of performance-based shares are based on the Company's calendar year 2016 return on investment ("ROI") on all Program Max projects approved in 2013 and completed prior to the end of 2014. Any performance-based shares which do not vest in either tranche will be forfeited.

---
