**Payment of Unpaid Salary by the Issuance of Stock and Options**

On September 27, 2013, in an effort to preserve our cash and reduce outstanding payables, pursuant to a plan previously adopted by our Board, we offered to employees, board members, consultants and vendors the opportunity to convert outstanding payable amounts into either (i) an option to purchase common stock in lieu of cash payment at \$0.30 cents a share, expiring ten years from the date of issuance, and containing “cashless” exercise provisions (each, an “Option”), or (ii) our common stock at \$0.30 per share. As of the date of this Report, we reduced our outstanding payables by an aggregate \$623,554, including unpaid salaries owed to our officers, fees owed to members of our board of directors, and payables owed to vendors.

**Payment of Unpaid Officer Salaries**

On September 30, 2013, we issued 965,660 shares of our common stock, at a conversion price of \$0.30, to three of our executive officers, in lieu of \$289,698 in accrued and unpaid salary and unreimbursed expenses. The stock issued to the executive officers is restricted from sale until the earlier of the termination of the executive’s employment, or the filing of a report of a “change in control” on Form 8-K.

**Payment of Board Payables**

On September 30, 2013, we issued Options to purchase 450,000 share of our common stock at an exercise price of \$0.30 per share to certain non-employee members of our board of directors, in lieu of \$90,000 in accrued and unpaid fees due for services on our board of directors.
