By majority, the merger of the spun-off portion of EBM's equity into the Company was approved, without the issuance of new shares of Vale, considering that the common shares issued by Minerações Brasileiras Reunidas S.A. – MBR which comprise the spun-off portion mentioned above are indirectly held by Vale, through Vale's interest in EBM, and that JFE Steel Corporation, the only other shareholder of EBM, will not receive common shares issued by Vale, as described under the EBM Protocol. Thus, the merger of the spun-off portion of EBM's equity will not result in any change to Vale's capital stock or By-Laws, as also described under the EBM Protocol. As a result of this transaction, Vale will remain jointly and severally liable for any obligations of EBM prior to the partial spin-off, as provided for in article 233 of Law No. 6,404/1976.

3.791.387.619 votes in favor, 668.097 votes against and 522.192.340 abstentions were counted.
