Item 2.02 Results of Operations and Financial Condition.

Olin Corporation (the “Company”) announced that it will include an impairment charge of \$26.6 million in its third quarter results of operations, as discussed in Item 2.06 below. The Company also announced that it expects to report third quarter 2008 earnings, excluding such impairment charge, that exceed the high end of the \$0.65 to \$0.70 per diluted share range it provided in its July 24, 2008 second quarter earnings release.

Attached as Exhibit 99.1 is a copy of the Company’s press release dated October 9, 2008 with respect to the impairment charge and third quarter earnings. The information in this Item 2.02 and the exhibit hereto are furnished to, but not filed with, the Securities and Exchange Commission.

Item 2.06 Material Impairments.

On October 3, 2008, the chief financial officer of the Company concluded that an impairment charge is required under generally accepted accounting principles applicable to the Company. The impairment charge is expected to be the full value of a \$26.6 million investment in corporate debt securities. The Company does not anticipate that the impairment charge will result in future cash expenditures.

As of June 30, 2008, these corporate debt securities totaling \$26.6 million of par value had a fair value of \$20.5 million. We concluded no permanent impairment losses had occurred. A temporary unrealized after-tax loss of \$3.7 million (\$6.1 million pretax) was recorded in Accumulated Other Comprehensive Loss.

On October 1, 2008, the issuer of these debt securities announced it would cease trading and appoint a receiver as a result of financial market turmoil. The decline in the market value of the assets supporting these debt securities negatively impacted the liquidity of the issuer. The impairment occurred as a result of the ongoing financial market turmoil. Olin does not expect to realize a tax benefit from this impairment charge.

Item 7.01. Regulation FD Disclosure.

In accordance with General Instruction B.2. of Form 8-K, the following information shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended. Olin disclaims any intention or obligation to update or revise this information.

Attached as Exhibit 99.1 is a copy of the Company’s press release dated October 9, 2008, announcing (i) the impairment charge described in Item 2.06 above, (ii) that it expects to report third quarter 2008 earnings, excluding such impairment charge that exceed the high end of the \$0.65 to \$0.70 per diluted share range it provided in its July 24, 2008 second quarter earnings release as described in Item 2.02 above, and (iii) as announced in a press release dated October 7, 2008, that it will release its third quarter 2008 earnings after the close of business on October 23, 2008 and will hold its third quarter 2008 earnings conference call at 10:00 A.M.
