Item 2.01. Completion of Acquisition or Disposition of Assets.

On April 21, 2006, Kohl's Department Stores, Inc. completed the previously announced sale of its proprietary credit card accounts to JPMorgan Chase. The press release issued by Kohl's on April 21, 2006 with respect to the completion of the transaction is filed as Exhibit 99.1 hereto and is incorporated herein by reference.

Under the Purchase and Sale Agreement, dated as of March 5, 2006 (the "Purchase Agreement"), Kohl's sold to Chase all right, title and interest in its approximately 13 million proprietary credit card accounts and outstanding balances associated with those accounts for approximately \$1.6 billion in cash.

In connection with the execution and delivery of the Purchase Agreement, Kohl's entered into a Private Label Credit Card Program Agreement, dated March 5, 2005 (the "Program Agreement"), pursuant to which Chase will offer private label credit cards to new and existing customers of Kohl's and Kohl's will receive ongoing payments related to the profitability of the credit card program. Kohl's will continue to handle all customer service functions and will continue to be responsible for all advertising and marketing related to its credit card customers. In addition, Kohl's retained the option to repurchase the program assets from Chase upon expiration of the initial five year term or upon earlier termination of the Program Agreement.

The Purchase Agreement and Program Agreement were filed as exhibits to the Company's Annual Report on Form 10-K for the fiscal year ended January 28, 2006.

Item 9.01. Financial Statements and Exhibits.

(b)

Unaudited Pro Forma Consolidated Financial Statements

The unaudited pro forma consolidated financial statements are presented for illustrative purposes only and, therefore, are not necessarily indicative of the operating results and financial position that might have been achieved had the transactions occurred as of an earlier date, nor are they necessarily indicative of operating results and financial position that may occur in the future. The unaudited pro forma consolidated financial statements do not reflect the use of the net cash proceeds in the Company's on-going operations or the effect on the Company's future financial position, except where used to reduce short-term borrowings. The unaudited pro forma consolidated financial statements should be read in conjunction with the historical consolidated financial statements and notes thereto in the Annual Report on Form 10-K for the fiscal year ended January 28, 2006.
