Item 1.01 Entry into a Material Definitive Agreement.

Edgar Filing: HENNESSY ADVISORS INC - Form 8-K

(a)

On July 25, 2005, Hennessy's board of directors approved new investment advisory agreements covering each mutual fund that is currently managed by Hennessy. These agreements were approved in anticipation of Hennessy filing a Form S-1 registration statement with the Securities and Exchange Commission relating to a proposed underwritten public offering. In connection with that offering, Hennessy will likely be deemed to have experienced a change in control, which will automatically terminate its current investment advisory agreements covering each fund that it currently manages. Therefore, Hennessy is required to enter into new investment advisory agreements covering the funds to continue managing the funds. The terms of the proposed new investment advisory agreements are identical to the current agreements, except for the dates of execution and termination, and thus are not being filed as exhibits to this Current Report on Form 8-K. Each new investment advisory agreement, which is subject to completion of the offering, will not take effect unless approved by the shareholders of the applicable mutual funds.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

(a)

On July 25, 2005, Hennessy's board of directors adopted amended and restated bylaws for the purpose of deleting former Section 3.A, which provided that if Hennessy became a "listed corporation," as defined in Section 301.5 of California's General Corporation Law, Hennessy's board of directors would be classified into three classes.

On July 26, 2005, Hennessy filed a Form S-1 registration statement with the Securities and Exchange Commission relating to a proposed underwritten public offering and in connection therewith intends to apply to list its common stock on The Nasdaq National Market. Without the bylaw amendment, such listing would have caused Hennessy to have a classified board of directors. The board believes that a non-classified board is more shareholder-friendly and therefore voted to amend the bylaws to delete the classified board provision.

The amendments also make several immaterial changes to conform two bylaws provisions with language in the California General Corporation Law.

A copy of the Second Amended and Restated Bylaws adopted by the board is attached as Exhibit 3.2.
