Item 1.01 Entry into a Material Definitive Agreement.

On February 22, 2010, Macatawa Bank Corporation's wholly-owned subsidiary, Macatawa Bank (the "Bank"), entered into a Consent Order with the Federal Deposit Insurance Corporation ("FDIC") and the Michigan Office of Financial and Insurance Regulation ("OFIR"), the primary banking regulators of the Bank. The Bank agreed to the terms of the negotiated Consent Order without admitting or denying any charges of unsafe or unsound banking practices. The Consent Order imposes no fines or penalties on the Bank. The Consent Order will remain in effect and enforceable until it is modified, terminated, suspended, or set aside by the FDIC and the OFIR.

Among other requirements of the Consent Order:

The Consent Order requires the Bank, within 90 days, to have and maintain a Tier 1 Leverage Capital Ratio of at least 8% and a Total Risk Based Capital Ratio of at least 11%.

The Consent Order requires the Bank to charge off all assets or portions of assets classified "Loss" in the most recent FDIC Report of Examination ("ROE") that have not been previously collected or charged off.

The Consent Order prohibits the Bank from extending additional credit to any borrower who is already obligated to the Bank on any loan that has been charged off by the Bank or was classified "Loss" in the ROE, if the existing loan remains uncollected. In addition, the Consent Order prohibits the Bank from extending any additional credit to a borrower who has an uncollected loan that has been classified "Substandard" or "Doubtful" or was listed for Special Mention in the ROE, unless the Bank's board of directors has determined that extending additional credit to the borrower is in the best interest of the Bank.

The Consent Order requires the board of directors of the Bank upon the issuance of the order and before each quarterly Report of Condition and Income to review the adequacy of the Bank's Allowance for Loan and Lease Losses ("ALLL") and make adjustments needed to provide for an adequate ALLL.

While the Consent Order is in effect, the Bank may not declare or pay any cash dividend without the prior written consent of the FDIC and the OFIR.

The Consent Order also requires the Bank and its Board of Directors to adopt and implement a variety of policies, plans, procedures and practices intended to aid in the safe and sound conduct of the Bank's business.

The Bank has already addressed, or taken steps to address, many of the requirements of the Consent Order and continues to develop a comprehensive plan to address all of the requirements of the Consent Order.

The foregoing is a summary only and is qualified in its entirety by reference to the Consent Order, which is filed with this report as Exhibit 10.1 and here incorporated by reference.

Macatawa Bank Corporation expects that it will also enter into a Written Agreement with the Federal Reserve Bank of Chicago, the primary regulator of the holding company, that will address issues arising out of the Federal Reserve Bank's examination of the holding company, which is currently in process.
