ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission ("Commission") utilizing a "shelf" registration process or continuous offering process. Under this shelf registration process, the selling shareholders may, from time to time, sell the securities described in this prospectus in one or more offerings. This prospectus provides you with a general description of the securities which may be offered by the selling shareholders. Each time a selling shareholder sells securities, the selling shareholder is required to provide you with this prospectus and a prospectus supplement containing specific information about the selling shareholder and in certain cases, the terms of the securities being offered. That prospectus supplement may include additional risk factors or other special considerations applicable to those securities. Any prospectus supplement may also add, update, or change information in this prospectus. If there is any inconsistency between the information in this prospectus and any prospectus supplement, you should rely on the information in the prospectus supplement. The obligation to deliver a prospectus and prospectus supplement may be satisfied under certain conditions by the Company's filing of a prospectus or prospectus supplement with the Commission and public access to these documents through the Commission's EDGAR system. This prospectus may also be supplemented and updated by the Company filing reports with the Commission which are incorporated by reference in this prospectus. You should read both this prospectus and any prospectus supplement together with additional information described under "Where You Can Find More Information" and "Incorporation of Certain Information By Reference."

As used in this prospectus, the terms "we," "our," "us," "MCBC," "Macatawa," and the "Company" refer to Macatawa Bank Corporation and its consolidated subsidiary, unless the context indicates otherwise.

You should rely only on the information contained or incorporated by reference into this prospectus and in any accompanying prospectus supplement. We have not authorized any other person to provide you with different

or additional information. If anyone provides you with different or additional information, you should not rely on it. You should assume that the information appearing in this prospectus, any prospectus supplement and any other document incorporated by reference is accurate only as of the date of those documents. Our business, risk factors, financial condition, results of operations and prospects may have materially changed since those dates.

Under no circumstances should the delivery of this prospectus to you create any implication that the information contained in this prospectus is correct as of any time after the date of this prospectus.

RISK FACTORS

An investment in our securities involves a high degree of risk. Before making an investment decision, you should carefully consider the information included or incorporated by reference into this prospectus and any prospectus supplement and the risks related to the Company described under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2013 and all of our subsequent Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q, which are incorporated by reference into this prospectus and any prospectus supplement in their entirety, as they may be amended, supplemented or superseded from time to time by other reports we file with the Commission in the future. Our risk factors will change with the passage of time. You should always review and consider the discussion of risk factors and forward-looking statements in our most recent Form 10-K and Annual Report and subsequent Form 10-Q Quarterly Reports before you make an investment decision.

FORWARD-LOOKING STATEMENTS

This prospectus and any prospectus supplement and the documents incorporated by reference into this prospectus and any prospectus supplement contain forward-looking statements that are based on management's beliefs, assumptions, current expectations, estimates and projections about the financial services industry, the economy, and Macatawa Bank Corporation. Forward-looking statements are identifiable by words or phrases such as "outlook", "plan" or "strategy"; that an event or trend "may", "should", "will", "is likely", or is "probable" to occur or "continue", has "begun" or "is scheduled" or "on track" or that the Company or its management "anticipates", "believes", "estimates", "plans", "forecasts", "intends", "predicts", "projects", or "expects" a particular result, or is "committed", "confident", "optimistic" or has an "opinion" that an event will occur, or other words or phrases such as "ongoing", "future", "signs", "efforts", "tend", "exploring", "appearing", "until", "near term", "going forward", "focus", "starting", "initiative," "trend" and variations of such words and similar expressions. Such statements are based upon current beliefs and expectations and involve substantial risks and uncertainties which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These statements include, among others, future levels of earning assets, statements related to stabilization of our loan portfolio, trends in credit quality metrics, future capital levels and capital needs, including the impact of Basel III, real estate valuation, future levels of repossessed and foreclosed properties and nonperforming assets, future levels of losses and costs associated with the administration and disposition of repossessed and foreclosed properties and nonperforming assets, future levels of loan charge-offs, future levels of other real estate owned, future levels of provisions for loan losses, the rate of asset dispositions, future dividends, future growth and funding sources, future cost of funds, future liquidity levels, future profitability levels, future FDIC assessment levels, future net interest margin levels, building and improving our investment portfolio, diversifying our credit risk, the effects on earnings of changes in interest rates, future economic conditions, future effects of new or changed accounting standards, future loss recoveries, future balances of short-term investments, future loan demand and loan growth, future levels of mortgage banking revenue and the future level of other revenue sources. Management's determination of the provision and allowance for loan losses, the appropriate carrying value of intangible assets (including deferred tax assets) and other real estate owned, and the fair value of investment securities (including whether any impairment on any investment security is temporary or other-than-temporary and the amount of any impairment) involves judgments that are inherently forward-looking. All statements with references to future time periods are forward-looking. All of the information concerning interest rate sensitivity is forward-looking. Our ability to sell other real estate owned at its carrying value or at all, successfully implement new programs and initiatives, increase efficiencies, maintain our current levels of deposits and other sources of funding, maintain liquidity, respond to declines in collateral values and credit quality, increase loan

volume, originate high quality loans, maintain or improve mortgage banking income, realize the benefit of our deferred tax assets, resume payment of dividends and improve profitability is not entirely within our control and is not assured. The future effect of changes in the real estate, financial and credit markets and the national and regional economy on the banking industry, generally, and Macatawa Bank Corporation, specifically, are also inherently uncertain. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions ("risk factors") that are difficult to predict with regard to timing, extent, likelihood and degree of occurrence. Therefore, actual results and outcomes may materially differ from what may be expressed or forecasted in such forward-looking statements. Macatawa Bank Corporation does not undertake to update forward-looking statements to reflect the impact of circumstances or events that may arise after the date of the forward-looking statements.

Risk factors include, but are not limited to, the risk factors described under the heading "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2013 and all of our subsequent Annual Reports on Form 10-K and Quarterly Reports on Form 10-Q. These and other factors are representative of the risk factors that may emerge and could cause a difference between an ultimate actual outcome and a preceding forward-looking statement.

USE OF PROCEEDS

We will not receive any proceeds from the sale by selling shareholders of shares of common stock under this prospectus.

DETERMINATION OF OFFERING PRICE

We are not selling any shares of common stock under this prospectus. We will not have any control over the price at which selling shareholders offer and sell shares of common stock under this prospectus. The price at which shares are offered and sold by selling shareholders will be determined by the selling shareholders, their purchasers and market conditions at the time of the offer and sale.

SELLING SHAREHOLDERS

This prospectus relates to the possible sale from time to time of shares of our common stock by certain of our shareholders. Certain shares of our common stock included in this prospectus for resale by the selling shareholders were acquired when all of the outstanding shares of the Company's Series A Noncumulative Perpetual Preferred Stock, Liquidation Preference Amount \$1,000 per share, and Series B Noncumulative Perpetual Preferred Stock, Liquidation Preference Amount \$1,000 per share, were canceled and exchanged by the Company for shares of common stock. The remaining shares of common stock that may be offered by the selling shareholders were acquired when the holder of the Company's 2% Subordinated Note due 2018 in the aggregate principal amount of \$1,000,000 converted that note into shares of common stock in accordance with the terms of the note. Information about the selling shareholders will be set forth in an applicable prospectus supplement. The initial purchasers of these securities, as well as their transferees, pledgees, donees or successors, all of whom are referred to herein as "selling shareholders," may from time to time offer and sell such securities pursuant to this prospectus and any applicable prospectus supplement. Some of the selling shareholders are affiliates of the Company.

An applicable prospectus supplement will set forth the name of each selling shareholder, the nature of any position, office, or other material relationship which any selling shareholder has had within the past three years with Macatawa or any of its predecessors or affiliates, if any, the amount of our common stock owned by each selling shareholder prior to the offering, the amount of our common stock which may be offered for each selling shareholder's account,

and the amount and (if one percent or more) the percentage of our common stock to be owned by each selling shareholder after completion of the offering.

The selling shareholders shall not sell any shares of our common stock pursuant to this prospectus until we have identified such selling shareholders and the shares of our common stock which may be offered for resale by such selling shareholders in a subsequent prospectus supplement. However, the selling shareholders may sell or transfer all or a portion of their shares of common stock pursuant to any available exemption from the registration requirements of the Securities Act of 1933, as amended ("Securities Act").

PLAN OF DISTRIBUTION

The shares of common stock covered by this prospectus may be offered and sold from time to time by the selling shareholders or the selling shareholders' pledgees, donees, transferees or other successors-in-interest who have received from the selling shareholders shares as a gift, pledge, partnership distribution or other non-sale related transfer. The selling shareholders will act independently of us in making decisions with respect to the timing, manner, price and size of each sale. Such sales may be made at fixed prices that may be changed, at prices and under terms then prevailing or at prices related to the then current market price or in negotiated transactions or otherwise in accordance with the rules of the applicable exchange or market. The selling shareholders may sell their shares by one or more of, or a combination of, the following methods:

purchases by a broker-dealer as principal and resale by such broker-dealer for their own accounts pursuant to this prospectus;

ordinary brokerage transactions and transactions in which the broker solicits purchasers;

crosses;

a transaction on the NASDAQ Global Select Market;

in privately negotiated transactions;

through the distribution of the shares to a shareholder's partners, members or shareholders;

in options transactions, including through the writing of put or call options (whether those options are listed on an options exchange or otherwise) relating to the shares to be resold pursuant to this prospectus, or the short sales; and

loans or pledges of shares to broker-dealers or other financial institutions, which in turn may sell such shares.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than under this prospectus.

In offering the shares covered by this prospectus, the selling shareholders and any underwriters, broker-dealers, or agents that participate in the distribution of shares covered by this prospectus may be deemed to be "underwriters" within the meaning of the Securities Act in connection with such sales. Selling shareholders who are deemed to be "underwriters" within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act. To the extent selling shareholders may be deemed to be "underwriters," they may be subject to statutory liabilities, including, but not limited to, Sections 11, 12 and 17 of the Securities Act, and Rule 10b5-1 under the Securities Exchange Act of 1934. The selling shareholders may indemnify any underwriter, broker-dealer, or agent that participates in transactions involving the sale of shares against certain liabilities, including liabilities arising under the Securities Act.

In order to comply with the securities laws of certain states, if applicable, the shares must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless it has been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We will make copies of this prospectus available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. As of the date of this prospectus, the Company is not aware of any plans, arrangements or undertakings between any selling shareholder and any underwriter, broker-dealer or agent regarding the sale of the shares by the selling shareholders. At the time a particular offer of shares is made pursuant to this prospectus, if required, a prospectus supplement will be filed that will set forth

the amount of shares being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

The following table sets forth the costs and expenses in connection with the offering and sale of common stock being registered (all amounts are estimated except the Securities and Exchange Commission registration fee). The Company will bear all costs and expenses of the offering.

Securities and Exchange Commission Registration Fee	\$4,610.12

Item 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Sections 450.1561 through 450.1565 of the Michigan Business Corporation Act contain specific provisions relating to indemnification of directors and officers of Michigan corporations. In general, the statute provides that (a) a corporation must indemnify a director or officer who is wholly successful in his defense of a proceeding to which he is a party because of his status as such, and (b) a corporation may indemnify a director or officer if he is not wholly successful in such defense, if it is determined as provided in the statute that the director meets a certain standard of conduct and upon an evaluation of the reasonableness of expenses and amount paid in settlement. The statute also permits a director or officer of a corporation who is a party to a proceeding to apply to the courts for indemnification or advance of expenses, and the court may order indemnification or advancement of expenses under certain circumstances set forth in the statute. The statute further provides that a corporation may, in its articles of incorporation, in its bylaws, through a resolution, or through a contract provide indemnification in addition to that provided by statute, subject to certain conditions set forth in the statute.

Our articles of incorporation require indemnification of any Macatawa director or executive who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding because he or she is or was a director or executive officer, or is or was serving at the request of Macatawa in another capacity, to the fullest extent permitted by law. We may also indemnify any person who is not a director or executive officer, if the indemnification is authorized by the board of directors.

Our bylaws implement the mandatory indemnification required by our articles of incorporation. The bylaws provide procedures and standards for determination, evaluation and authorization of indemnification. Under the bylaws, we are required to pay or reimburse the reasonable expenses incurred by a director or officer who is a party to a proceeding before final disposition of the proceeding if the person furnishes a written undertaking to repay the advance if it is ultimately determined that the person did not meet the applicable standard of conduct, if any, required by statute for indemnification. The indemnification provisions in our bylaws are enforceable as a contract.

Macatawa has entered into Indemnification Agreements with certain of its directors that provide for additional indemnity protection for the directors, consistent with the provisions of the Michigan Business Corporation Act.

In addition, Macatawa maintains policies of director and officer liability insurance, under which directors and officers of the Company are insured against certain liabilities arising in connection with the performance of their duties.

Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that the undertakings set forth in paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for

liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
