PROXY STATEMENT

SOLICITATION AND REVOCATION OF PROXIES

Edgar Filing: BARNWELL INDUSTRIES INC - Form DEF 14A

The following information is furnished in connection with the Annual Meeting of Stockholders of Barnwell Industries, Inc., a Delaware corporation (the Company), to be held on March 5, 2007 at 9:30 a.m., Central Standard Time, at the Clarion Shreveport Hotel, 1419 East 70th Street, Shreveport, Louisiana.

The accompanying Proxy is solicited by the Board of Directors of the Company, and the Company will bear the cost of such solicitation. Solicitation of proxies will be primarily by mail. Proxies may also be solicited by regular employees of the Company by telephone at a nominal cost. Brokerage houses and other custodians, nominees and fiduciaries will be requested to forward soliciting material to the beneficial owners of Common Stock (as defined below) and will be reimbursed for their expenses. All properly executed proxies will be voted as instructed.

Stockholders who execute proxies may revoke them by delivering subsequently dated proxies or by giving written notice of revocation to the Secretary of the Company at any time before such proxies are voted. No proxy will be voted if the stockholder attends the meeting and elects to vote in person.

This Proxy Statement and the accompanying Form of Proxy are first being sent to stockholders on or about January 18, 2007.

VOTING AT THE MEETING

Only stockholders of record at the close of business on January 8, 2007 (the Record Date) will be entitled to vote at the annual meeting and any adjournment thereof. As of the Record Date, 8,169,060 shares of common stock, par value \$0.50, of the Company (the Common Stock) were issued and outstanding. Each share of Common Stock outstanding as of the Record Date is entitled to one vote on any proposal presented at the meeting. With respect to abstentions, the shares will be considered present at the meeting for a particular proposal, but since they are not affirmative votes for the proposal, they will have the same effect as a vote withheld on the election of directors or a vote against such other proposal, as the case may be. Brokers and nominees may be precluded from exercising their voting discretion with respect to certain matters to be acted upon, other than the election of directors. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on these matters. Shares represented by such broker nonvotes will, however, be counted for purposes of determining whether there is a quorum.

ELECTION OF DIRECTORS

At the meeting, all eleven directors of the Company are proposed to be elected, each elected director to hold office until the next annual meeting and until his successor is duly elected and qualified. The persons named as proxies in the enclosed Proxy are executive officers of the Company and, unless contrary instructions are given, they will vote the shares represented by the Proxy for the election to the Board of Directors of the persons named below. The election of directors will require a plurality of the votes cast at the meeting. The Board of Directors has no reason to believe that any of the nominees for director will be unable to serve; however, in the event any of the nominees should withdraw or otherwise become unavailable for reasons not presently known, the persons named as proxies may vote for other persons in place of such nominees.

DIRECTORS AND NOMINEES TO THE BOARD OF DIRECTORS

The following table sets forth, as to the directors and nominees for election: (1) such person's name; (2) the year in which such person was first elected a director of the Company; (3) such person's age; (4) all positions and offices with the Company held by such person; (5) the business experience of such person during the past five years; and (6) certain other directorships, if any, held by such person.

¹ This director is independent as defined in Section 121(A) of the American Stock Exchange listing standards.

The Board of Directors has a standing Compensation Committee, a standing Audit Committee, and a standing Executive Committee. It has no standing nominating committee and there is no nominating committee charter. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because potential nominees are recommended by a majority vote of the independent directors and each director on the Board of Directors participates in the consideration of all director nominees. The Board identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Board identifies the desired skills and experience of a new nominee, if the Board determines that it is appropriate to replace the retiring member. The Board believes that potential directors should possess sound judgment, understanding of the business issues affecting the Company, integrity and the highest personal and professional ethics. In searching for potential Board nominees, the Board seeks directors who have a range of business, management and civic experience appropriate for the Board to discharge its responsibilities. In the case of both incumbent and new directors, the Board seeks persons who are able to devote significant time and effort to Board and Board committee responsibilities.

The Board will consider potential nominees brought to its attention by any director or officer of the Company. It also will evaluate recommendations for director nominees proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's Common Stock entitled to vote at the annual meeting of stockholders for at least one year prior to the date the stockholder makes the recommendation and (ii) undertakes to continue to hold such number of shares through the date of the meeting. Any recommendation for director nominee submitted by a qualifying stockholder must be received by the Company no later than 120 days prior to the anniversary of the date proxy statements were mailed to stockholders in connection with the prior year's annual meeting of stockholders. Any stockholder recommendation for director nominee must be submitted to the Company's Chairman of the Board in writing, including:

a statement by the stockholder that he/she is the holder of at least 1% of the outstanding shares of the Company's Common Stock, that the shares have been held for at least one year prior to the date of the submission and that the stockholder will continue to hold the shares through the date of the annual meeting of stockholders;

the candidate's name, age, contact information and current principal occupation or employment;

the candidate's resume, which will include a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation or employment and the name and principal business of any corporation or other organization in which the candidate was employed; and

at least three (3) references for the candidate.

The Board will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above. All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process.

Edgar Filing: BARNWELL INDUSTRIES INC - Form DEF 14A

Stockholders may send any communication to the Board of Directors, as a whole, or individually, by mail to the Company's address listed on page one of the Proxy Statement, to the attention of Russell M. Gifford, Secretary. All such communications will be forwarded to the Board of Directors or individual directors as appropriate. The Company strongly encourages its directors to attend the Annual Meeting. Three members of the Board of Directors attended the 2006 Annual Meeting of Stockholders of the Company.

COMPENSATION COMMITTEE

The members of the Compensation Committee are Mr. Hunter, Chairman, and Mr. Anderson, Dr. Gardner and Ms. Kranz. The Compensation Committee (i) determines the annual compensation of the Company's senior officers; (ii) recommends, if appropriate, new employee benefit plans to the Board of Directors; (iii) administers all employee benefit plans and (iv) makes such other determinations regarding compensation or benefits as may be necessary or advisable. During the fiscal year ended September 30, 2006, the Compensation Committee held one meeting.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Johnston served as a member of the Compensation Committee until December 8, 2006. Although Mr. Johnston is not independent as defined in Section 121 (A) of the American Stock Exchange listing standards, the independent members of the Board of Directors determined in accordance with the American Stock Exchange listing standards that Mr. Johnston, who is not an officer of the Company, brought a unique and valuable perspective to the Compensation Committee because of his real estate development experience and his opportunity to assess management's capabilities due to his ownership interests in Kaupulehu Developments, the Company's majority-owned real estate development general partnership.

No Director who served as a member of the Compensation Committee during fiscal year 2006 had any relationship requiring disclosure by the Company under Item 404 of Regulation S-K, except for Mr. Johnston. Mr. Johnston controls Nearco, Inc. Barnwell Hawaiian Properties, Inc., a wholly-owned subsidiary of the Company, owns a 50.1% interest in Kaupulehu Developments, and Cambridge Hawaii Limited Partnership, which is 55.2% indirectly owned by the Company, owns the remaining 49.9% interest in Kaupulehu Developments. In 1987, Barnwell Hawaiian Properties, Inc. and Cambridge Hawaii Limited Partnership agreed to pay to Nearco, Inc. 2% and 4%, respectively, of the cash consideration received from the sale of property owned by Kaupulehu Developments. Pursuant to these agreements, in fiscal 2006 Barnwell Hawaiian Properties, Inc. and Cambridge Hawaii Limited Partnership paid fees of \$331,000 and \$661,000, respectively, to Nearco, Inc. in connection with Kaupulehu Developments' receipt of proceeds from real estate transactions. Also, Mr. Johnston received approximately \$2,846,000 during fiscal year 2006, in respect of the 20.6% interest in Kaupulehu Developments he owns indirectly through certain entities that he controls, including Nearco, Inc. Nearco Inc. was also paid \$76,000 in fiscal 2006 as a fee for real estate consulting services Nearco, Inc. performed for the Company. The Company believes such fees are fair and reasonable compensation for such services. In June 2006, the Company entered into an agreement with Nearco, Inc. to form Mauka 3K, LLC, for the purpose of providing real estate consulting services and investing in real estate. The Company and Nearco, Inc. each have a 50% voting interest in Mauka 3K, LLC. Mauka 3K, LLC received \$3,000,000 in real estate consulting fees during fiscal 2006 of which Mr. Johnston received \$1,440,000 in respect of the 50% interest in Mauka 3K, LLC he owns indirectly through Nearco, Inc.

During fiscal year 2006, none of our executive officers served on the compensation committee (or its equivalent) or board of directors of another entity whose executive officer(s) served on our Compensation Committee or Board of Directors, and no member of our Compensation Committee was an employee or former employee of the Company.

REPORT OF THE COMPENSATION COMMITTEE

Objective and Philosophy

The Compensation Committee's objective is to implement a compensation program which attracts, retains and motivates highly qualified executive officers and management personnel who will enhance the Company's annual performance and long term growth objective. This program is in part based on the belief that the interests of the executives should be closely aligned with the interests of the Company's stockholders. The Compensation Committee attempts to achieve these goals by linking compensation to the accomplishment of specific results and the creation of value for the Company's stockholders from both near-term and long-term performance perspectives. The Compensation Committee believes that cash compensation in the form of salary and incentive bonuses provides our executives with near-term rewards for completion of individual performance goals and

Company operations objectives and that long-term compensation through the award of stock options or other equity awards encourages growth in management stock ownership and gives management a stake in the Company's long-term performance and success. The compensation committee considers all elements of compensation and these objectives when determining individual components of compensation packages.

Compensation Program Components

Currently, there are three principal components of the Company's executive compensation program, annual base salary, near-term incentive compensation in the form of performance bonuses payable in cash on an annual basis and long-term incentive compensation in the form of stock options and stock appreciation rights. These programs are structured in accordance with the Compensation Committee's objectives and philosophy.

Base Salary

Base salary levels for the Company's executives are based on a variety of factors including scope of responsibility, performance and an assessment of competitive conditions in the marketplace for executives of comparable talent and experience. Base salaries for executives (other than the Chief Executive Officer) are generally recommended by the Chief Executive Officer for the review and approval of the Compensation Committee which makes a final determination based on the factors described above and the executives' performance during the year and then submits its recommendation to the Board of Directors for approval. The Chief Executive Officer is not present during, and does not participate in, the voting or deliberations of the Board of Directors on his own compensation.

Near-Term Incentive Compensation

The short-term incentive compensation component consists of performance bonuses. The amount of any bonus is determined, in part, based on individual and corporate performance, the achievement of performance objectives and goals, the accomplishment of specific results and the creation of value for our stockholders. Bonuses paid to each executive are based in part on measuring which of these goals and objectives have been realized.

Long-Term Incentive Compensation

The long-term incentive compensation component consists of the Company's 1998 Stock Option Plan (the "Qualified Plan") under which executives may be granted stock options exercisable to purchase shares of Common Stock and occasional grants of non-qualified stock options with a stock appreciation right ("SAR") component. Stock options granted under the Qualified Plan become exercisable in equal increments over four years and generally expire ten years from the date of grant. Non-qualified stock options/SARs also are granted from time to time to key personnel, become exercisable over five years and generally expire ten years from the date of grant. The deferred vesting provisions of the stock options are designed to reward long-term contributions and create an incentive for executives to remain with the Company and create value for our stockholders. The Compensation

Committee believes that granting stock options creates an incentive to promote the long-term interests of the Company and aligns the economic benefit to be obtained by the executives granted such options with those of the Company's outside stockholders. Stock options are granted by the Compensation Committee to key employees based on management's recommendation, and levels of participation in the plan generally vary based on the employee's position with the Company.

Compensation of our Chief Executive Officer

Our Company's CEO, Mr. Morton H. Kinzler, was a founder of the Company and has been employed by the Company for over 50 years. His vast knowledge of the Company's operational history and his experience in managing the Company from its inception has proved invaluable to the Company's growth from an initial capitalization of approximately \$2,000,000 to its present market capitalization in excess of \$150,000,000. In evaluating his compensation, the Compensation Committee considers the same factors as described above for all officers (except that the Company's executive management does not make salary recommendations for the Chief Executive Officer) and also considers Mr. Kinzler's long-term commitment and contributions to the Company. For fiscal year 2006, the Compensation Committee approved a base salary for our Chief Executive Officer of \$517,500, an increase of \$97,000 over the prior year, reflecting the Company's strong financial results and the

significant increase in the value of the Company achieved during the prior year. He received a bonus of \$950,000 for fiscal 2006 also reflecting the Company's strong financial performance during the prior year.

Tax Considerations

In determining executive compensation, the Compensation Committee considers, among other factors, the possible tax consequences to the Company and to its executives. However, the Compensation Committee believes that it is important for it to retain maximum flexibility in designing compensation programs and therefore, while considering tax deductibility as one of its factors in determining compensation, will not limit compensation to those levels or types of compensation that will be deductible.

AUDIT COMMITTEE

The members of the Audit Committee are Ms. Kranz, Chairperson, and Messrs. Gardner, Anderson, Hunter and Takata. All of the members of the Audit Committee are independent (as independence is defined in Section 121 (A) of the American Stock Exchange listing standards). The Board of Directors has determined that the Audit Committee has at least one audit committee financial expert (as audit committee financial expert is defined in Item 407(d) of Regulation S-K), Ms. Kranz, who is a financial expert based on her being a certified public accountant. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which was annexed to last year's Proxy Statement and there has been no subsequent change in that charter. The Audit Committee reviews the services of the independent accountants employed by the Company to audit the consolidated financial statements of the Company. The Audit Committee reviews periodically major issues regarding accounting and auditing principles and practices, the adequacy of internal controls that could affect the consolidated financial statements as well as all related party transactions and potential conflicts of interest. Tax Fees

The aggregate fees billed to the Company by KPMG LLP, the Company's independent registered public accounting firm, for tax compliance, tax advice and tax planning for the fiscal year ended September 30, 2006 totaled \$74,200 and for the fiscal year ended September 30, 2005 totaled \$71,100.

All Other Fees

For the fiscal years ended September 30, 2006 and September 30, 2005, KPMG LLP, the Company's independent registered public accounting firm, did not bill the Company for other than Audit Fees and Tax Fees.

1. Mr. Steckley was granted 180,000 incentive units on June 1, 1998. The value of such units directly relates to Barnwell of Canada, Limited's (BOC's) net income and to changes in the value of BOC's oil and gas reserves since 1998, with adjustments for changes in commodities prices and subject to other terms and conditions. Such adjusted reserve value is then divided by the number of shares of the Company's outstanding common stock to determine the value of each unit. These units became exercisable over 4 years from the date of grant, are now all vested and expire 10 years from the date of grant. At September 30, 2006, the U.S. dollar equivalent of the value of the units was \$432,000. This is a decrease of US\$283,000 over the value of these units at September 30, 2005.

2. All amounts shown for Mr. Steckley in this table represent the average U.S. dollar equivalent during each fiscal year of payments made to him in Canadian dollars.

PENSION PLAN

Pension Plan Table

The following table shows estimated annual benefits payable at September 30, 2006, assuming retirement in 2006 at age 65 after selected periods of service, under the straight life annuity option of the Company's pension plan. The benefits shown below include amounts to be paid pursuant to the Company's pension plan, which is comprised of the Employee's Pension Plan and the Supplemental Executive Retirement Plan. Covered compensation under the Company's pension plan for Mr. M. Kinzler, Mr. A. Kinzler and Mr. Gifford includes Salary and Bonus as reported in the Summary Compensation Table, above. Since the maximum compensation recognized under the Plan is \$315,000, the current covered compensation for each of the named executive officers is \$315,000. Under each of the Employees' Pension Plan and the Supplemental Executive Retirement Plan, a participant's annual pension benefit at age 65 is equal to the product of (i) 0.9% of the participant's compensation covered by the plan, plus 0.6% of that part, if any, of the average compensation in excess of such participant's social security covered compensation, as defined in the plan, multiplied by (ii) such participant's years of credited service, limited to 30 years. Plan benefits are not subject to any deduction for Social Security or other offset amounts. The benefits shown below are payable in the single life annuity form.

The Company maintains a pension plan for its eligible employees to provide annual benefits payable on retirement. Eligibility is based upon attainment of age 21 and completion of one year of service. Benefits are calculated under a formula based upon years of service and the participant's highest average annual compensation over 60 consecutive months of service. The credited years of service as of September 30, 2006 for the Company's Chief Executive Officer and each of the other executive officers named in the

Edgar Filing: BARNWELL INDUSTRIES INC - Form DEF 14A

Summary Compensation Table and covered under the plans are as follows: Mr. Morton H. Kinzler--30, Mr. Alexander C. Kinzler--22 and Mr. Russell M. Gifford--25. Mr. Warren D. Steckley does not participate in the Company's pension plan since, as an employee of Barnwell of Canada, Limited, Mr. Steckley participates in Canada's public pension system. The years of eligible service for Mr. M. Kinzler take into account his years of association with the Company prior to the date of his formal employment pursuant to a deferred compensation agreement with him. The supplemental benefits Mr. M. Kinzler is to receive as a result of these additional years of eligible service is provided by the Company on an unfunded basis.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Below are the transactions that occurred during fiscal year 2006 in which, to our knowledge, the Company was or is a party, in which the amount involved exceeded \$60,000, and in which any director, director nominee, executive officer, person known by us to be a holder of more than 5% of our common stock or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

Mr. Terry Johnston, a member of the Board of Directors of the Company, has an interest in transactions with certain of the Company's subsidiaries. Barnwell Hawaiian Properties, Inc., a wholly-owned subsidiary of the Company, owns a 50.1% interest in Kaupulehu Developments, a Hawaii real estate partnership, and Cambridge Hawaii Limited Partnership, a Hawaii limited partnership which is 55.2% indirectly owned by the Company, owns the remaining 49.9% interest in Kaupulehu Developments. Nearco, Inc. is a company controlled by Mr. Johnston. In 1987, Barnwell Hawaiian Properties, Inc. and Cambridge Hawaii Limited Partnership agreed to pay to Nearco, Inc. 2% and 4%, respectively, of the cash consideration received from the sale of property owned by Kaupulehu Developments. Pursuant to these agreements, in fiscal 2006 Barnwell Hawaiian Properties and Cambridge Hawaii Limited Partnership paid fees of \$331,000 and \$661,000, respectively, to Nearco, Inc. in connection with Kaupulehu Development's receipt of proceeds from real estate transactions. Also, Mr. Johnston received approximately \$2,846,000 during fiscal year 2006, in respect of the 20.6% interest in Kaupulehu Developments he owns indirectly through certain entities that he controls, including Nearco, Inc. Nearco Inc. was also paid \$76,000 in fiscal 2006 as a fee for real estate consulting services Nearco, Inc. performed for the Company. The Company believes such fees are fair and reasonable compensation for such services. In June 2006, the Company entered into an agreement with Nearco, Inc. to form Mauka 3K, LLC, for the purpose of providing real estate consulting services and investing in real estate. The Company and Nearco, Inc. each have a 50% voting interest in Mauka 3K, LLC. Mauka 3K, LLC received \$3,000,000 in real estate consulting fees during fiscal 2006 of which Mr. Johnston received \$1,440,000 in respect of the 50% interest in Mauka 3K, LLC he owns indirectly through Nearco, Inc.

Cynthia Grillot, a daughter of Morton H. Kinzler, Chief Executive Officer and Chairman of the Board of the Company, and sister of Alexander C. Kinzler, President, Chief Operating Officer, General Counsel and a Director of the Company, was employed as an assistant vice president and marketing manager of Barnwell of Canada, Limited, a subsidiary of the Company, in fiscal year 2006, and she received fiscal year 2006 compensation of the Canadian dollar equivalent of U.S. \$115,200.

Dr. R. David Sudarsky and Dr. Joseph E. Magaro, each of whom are persons known by the Company to be holders of more than 5% of the Company's common stock, are working interest owners in certain oil and gas properties managed by the Company and in which the Company also holds a working interest. As owners of up to 11.875% and 10.5%, respectively, of the working interest in these properties, they are required to pay their proportionate share of costs and are entitled to receive their proportionate share of revenues in the normal course of business from these properties. During fiscal year 2006, Dr. Sudarsky and Dr. Magaro earned revenues from their working interests in these properties, net of costs, of approximately \$2,430,000 and \$1,784,000, respectively.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE
