SUMMARY DESCRIPTION OF THE BUSINESS

Ivanhoe is an international mineral exploration and development company. Ivanhoe holds interests in and conducts operations on mineral resource properties in Mongolia, Myanmar, Australia, China and Kazakhstan. Ivanhoe also holds equity investments in Jinshan Gold Mines Inc. (formerly Pacific Minerals Inc.), Asia Gold Corp. and Olympus Pacific Minerals Inc., each of which has its common shares listed on the TSX Venture Exchange, and Intec Ltd., which has its ordinary shares listed on the Australian Stock Exchange.

Ivanhoe's principal mineral resource properties are the Oyu Tolgoi Project in Mongolia, the Monywa copper project (the Monywa Copper Project) in Myanmar and the Savage River iron ore mine (the Savage River Project) in Tasmania, Australia. Ivanhoe holds a 100% interest in the Oyu Tolgoi Project and the Savage River Project and a 50% interest in the Monywa Copper Project.

A brief summary of recent developments in respect of the Oyu Tolgoi Project is set forth below. For a more detailed description of all of the Corporation's properties, see Item 3. General Development of the Business and Item 4. Narrative Description of Business on pages 11 through 68 of Ivanhoe's AIF and the financial statements, MD&A and material change reports incorporated by reference in this short form prospectus.

Recent Developments respecting the Oyu Tolgoi Project

The Oyu Tolgoi Project is a copper and gold mineral exploration project located in the South Gobi region of Mongolia. Ivanhoe holds a 100% interest in the Oyu Tolgoi Project.

Since completing a preliminary assessment in February 2004, Ivanhoe has been engaged in a resource delineation drilling program to expand the inferred resources identified to date and to upgrade much of the existing inferred resource inventory to the measured and indicated categories. In May 2004, Ivanhoe's independent technical consultants, AMEC E&C Services Ltd. (AMEC) completed an updated resource estimate in respect of the Hugo Dummett zone of the Oyu Tolgoi Project. AMEC's estimate updated and increased the inferred resources in the Hugo Dummett zone to 1.16 billion tonnes grading 1.29% copper and 0.23 grams per tonne gold at a 0.60% copper equivalent cut-off, containing approximately 33 billion pounds of copper and 8.58 million ounces of gold.

Additional resource delineation drilling has recently been completed in the Southwest Oyu and Central Oyu zones and the recently discovered Bridge zone (between the Southwest and Central zones). Ivanhoe has submitted the resulting data to AMEC for analysis and interpretation and has instructed AMEC to prepare an updated resource estimate for the entire Oyu Tolgoi Project. Ivanhoe expects this updated estimate to be completed during the third quarter of 2004 and plans to use the new estimate in carrying out pre-feasibility and feasibility studies.

Ivanhoe is planning to sink a 120 metre shaft on the Southwest Oyu deposit to collect a 120 tonne bulk sample for comminution test work. This shaft is being sunk in lieu of previous plans to drill 200 millimetre holes on the property for the same purpose.

Ivanhoe currently has 12 drill rigs operating on the Oyu Tolgoi Project. Five rigs are drilling in the Hugo Dummett zone, five rigs are drilling engineering/geotechnical holes required for feasibility and mine planning studies, and two rigs are drilling to extend mineralization into sparsely-drilled areas adjoining the main deposits in order to determine if additional resources can be delineated that would enhance open-pit strip ratios. This work has, to date, delineated additional resources in an area between the Southwest Oyu and Central Oyu zones, referred to as the Bridge Zone, and between Southwest Oyu, Far Southwest Oyu and South Oyu in two new areas referred to as the Wedge zone and the Gap zone.

CONSOLIDATED CAPITALIZATION

The following table sets forth the consolidated capitalization of Ivanhoe as of the dates indicated and reflects material changes in Ivanhoe's capitalization since December 31, 2003. DESCRIPTION OF SHARE CAPITAL

The authorized share capital of Ivanhoe consists of an unlimited number of Common Shares without par value and an unlimited number of Preferred Shares. As of the date of this short form prospectus, there are 271,946,478 Common Shares and no Preferred Shares issued and outstanding. Rights and restrictions in respect of the Common Shares and the Preferred Shares are set out in Ivanhoe's articles of continuance, Ivanhoe's by-laws and in the *Yukon Business Corporations Act*, and its regulations.

The holders of Common Shares are entitled to one vote per Common Share at all meetings of shareholders except meetings at which only holders of another specified class or series of shares of the Corporation are entitled to vote separately as a class or series. Subject to the prior rights of the holders of Preferred Shares, the holders of Common Shares are entitled to receive dividends as and when declared by the directors, and to receive a pro rata share of the remaining property and assets of the Corporation in the event of liquidation, dissolution or winding up of the Corporation. The Common Shares have no pre-emptive, redemption, purchase or conversion rights. Neither the *Yukon Business Corporations Act* nor the constating documents of the Corporation impose restrictions on the transfer of Common Shares on the register of the Corporation, provided that the Corporation receives the certificate representing the Common Shares to be transferred together with a duly endorsed instrument of transfer and payment of any fees and taxes which may be prescribed by the Board of Directors from time to time. There are no sinking fund provisions in relation to the Common Shares and they

are not liable to further calls or to assessment by the Corporation. The *Yukon Business Corporations Act* provides that the rights and provisions attached to any class of shares may not be modified, amended or varied unless consented to by special resolution passed by a majority of not less than two-thirds of the votes cast in person or by proxy by holders of shares of that class.

The Preferred Shares as a class rank senior to the Common Shares as to the payment of dividends and the distribution of property and assets on the liquidation, dissolution or winding-up of the Corporation. Holders of Preferred Shares are not entitled to any voting rights as a class except as may be provided under the *Yukon Business Corporations Act* except those voting rights which attach to any series of Preferred Shares as determined by the directors of the Corporation from time to time.

The Preferred Shares are issuable in one or more series, each consisting of such number of Preferred Shares as may be fixed by the Corporation's directors. The Corporation's directors may from time to time, by resolution passed before the issue of any Preferred Shares of any particular series, alter the constating documents of the Corporation to determine the designation of the Preferred Shares of that series and to fix the number of Preferred Shares therein and alter the constating documents to create, define and attach special rights and restrictions to the shares of that series, including, without limitation, the following: (i) the nature, rate or amount of dividends and the dates, places and currencies of payment thereof; (ii) the consideration for, and the terms and conditions of, any purchase of the Preferred Shares for cancellation or redemption; (iii) conversion or exchange rights; (iv) the terms and conditions of any share purchase plan or sinking fund; and (v) voting rights and restrictions.

Registered holders of both the Preferred Shares and Common Shares are entitled, at their option, to a certificate representing their shares of the Corporation.

PLAN OF DISTRIBUTION

Pursuant to an underwriting agreement (the *Underwriting Agreement*) dated as of June 30, 2004 between the Corporation and the Underwriters, as principals, the Corporation has agreed to sell and the Underwriters have agreed to purchase on or about July 8, 2004 or in any event not later than August 11, 2004, 20,000,000 Common Shares at a price of Cdn.\$7.00 per Common Share payable in cash against delivery of certificates representing the Common Shares. The total gross proceeds of the Offering will be Cdn.\$140,000,000. The Corporation also granted to the Underwriters the *Underwriters' Option*, which entitles the Underwriters to purchase up an additional 3,000,000 Common Shares, exercisable at any time prior to 30 days following the closing date of the Offering to cover over-allotments, if any. This short form prospectus qualifies the distribution of the *Underwriters' Option* and the additional Common Shares issuable upon the exercise of the *Underwriters' Option*.

The Offering Price was determined by negotiation between Ivanhoe and the Underwriters. The *Underwriting Agreement* states that the Corporation will pay to the Underwriters a fee equal to Cdn.\$0.315 per Common Share (4.5% of the Offering Price) in consideration of services rendered by the Underwriters in connection with the Offering.

The obligations of the Underwriters under the *Underwriting Agreement* may be terminated on the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all of the Common Shares offered hereby if any are purchased under the *Underwriting Agreement*.

The Corporation has agreed to indemnify the Underwriters and their broker/dealer affiliates against certain liabilities, including liabilities under the United States securities laws and under Canadian securities legislation, and to contribute to payments that the Underwriters may be required to make in respect thereof.

Edgar Filing: IVANHOE MINES LTD - Form 6-K

Ivanhoe has agreed not to reserve, allot, create or issue, or enter into an agreement or publicly announce any intention to reserve, allot, create or issue any Common Shares or any securities convertible into or exchangeable for Common Shares without the prior written consent of the Underwriters, such consent not to be unreasonably withheld, until the date which is 90 days after the closing of the Offering, except pursuant to this Offering or:

- 9 -

(i) the grant or exercise of stock options pursuant to Ivanhoe's equity incentive plan; and (ii) the exercise or conversion of outstanding warrants or other convertible securities or similar rights.

The TSX has conditionally approved for listing the Common Shares to be distributed pursuant to the Offering. Listing of such Common Shares is subject to the Corporation fulfilling all of the listing requirements of the TSX on or before September 23, 2004.

Pursuant to policy statements of the Ontario Securities Commission and the L'Agence nationale d'encadrement du secteur financier, the Underwriters may not, throughout the period of distribution under this short form prospectus, bid for or purchase Common Shares. The foregoing restriction is subject to certain exceptions, on the condition that the bid or purchase not be engaged in for the purpose of creating actual or apparent active trading in or raising the price of the Common Shares. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules for Canadian Marketplaces of Market Regulation Services Inc. relating to market stabilization and passive market making activities and a bid or purchase made for or on behalf of a customer where the order was not solicited during the period of distribution. Under the first-mentioned exception, in connection with the Offering and subject to the foregoing, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Common Shares at levels above that which would otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time. Such a transaction may not occur in Australia.

U.S. Sales

The Common Shares (including the additional Common Shares issuable upon exercise of the Underwriters' Option) have not been and will not be registered under the U.S. Securities Act or any state securities laws, and accordingly may not be offered or sold within the United States; except that the Underwriters may, through certain of its qualified U.S. broker-dealer affiliates, offer Common Shares in transactions that comply with exemptions from registration under the U.S. Securities Act and applicable state securities laws.

This prospectus does not constitute an offer to sell, or a solicitation of an offer to buy, any of the Common Shares in the United States. The Underwriters have agreed that, except in certain transactions exempt from the registration requirements of the U.S. Securities Act, they will not offer or sell within the United States the Common Shares as part of its distribution. The Underwriters have further agreed that all offers and sales of the Common Shares will be made in compliance with Rule 903 of Regulation S under the U.S. Securities Act, or in compliance with an exemption from registration thereunder. The Common Shares may be resold on the TSX pursuant to Rule 904 of Regulation S under the U.S. Securities Act, which requires among other things, that neither the seller of the Common Shares nor any person acting on its behalf is aware of the fact that: (i) the offeree or the buyer is in the United States, or (ii) the transaction has been pre-arranged with a buyer in the United States. Terms used in this paragraph have the meanings ascribed to them by Regulation S under the U.S. Securities Act.

In addition, until 40 days after the commencement of this Offering, an offer or sale of the Common Shares within the United States by any dealer, whether or not participating in this Offering, may violate the registration requirements of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an available exemption under the U.S. Securities Act.

Certificates representing any Common Shares which are sold in the United States will bear a legend to the effect that the Common Shares represented thereby are not registered under the U.S. Securities Act and may only be offered pursuant to certain exemptions from the registration requirements of the U.S. Securities Act.

Australian Sales

The Common Shares (including the additional Common Shares issuable upon the exercise of the Underwriters Option) will not have been issued under an Australian disclosure document and, subject to certain exceptions, may not be sold or offered for sale in Australia within 12 months after the issue of the Common Shares to the Underwriters. Ivanhoe may, if it deems it necessary, file and issue an Australian prospectus in relation to Common Shares before, at or after the time of issue of the Common Shares but before any on-sale of the Common Shares in Australia. Ivanhoe intends to issue an information notification to the ASX at or about the time of issue of the Common Shares. The Underwriters have agreed that they will not offer any of the Common Shares for sale in Australia within 12 months after their issue, except as may be permitted under Australian securities laws.

RISK FACTORS

Investment in securities of Ivanhoe involves a significant degree of risk and should be considered speculative due to the nature of Ivanhoe s business and the present stage of its development. Investors should give careful consideration to the risk factors described in Item 4. Narrative Description of Business Risk Factors on pages 15 through 22 of Ivanhoe s AIF, which is incorporated by reference in this short form prospectus. These risk factors include :

there can be no assurance that Ivanhoe will be capable of raising the additional funding that it needs to carry out its exploration and development objectives;

Ivanhoe may be unsuccessful in obtaining the taxation and fiscal concessions and legal and investor protection assurances it is seeking from the Government of Mongolia in its negotiations for a stability agreement in respect of the Oyu Tolgoi Project;

the Government of Mongolia treasury bills held by Ivanhoe may remain illiquid beyond the stated maturity date;

the mineral resources identified on the Oyu Tolgoi Project do not have demonstrated economic viability and the feasibility of mining has not been established;

lack of infrastructure in proximity to the Oyu Tolgoi Project could adversely affect mining feasibility;

Ivanhoe's business in Mongolia may be harmed if the country fails to complete its transition from state socialism and a planned economy to political democracy and a free market economy;

future amendments to Mongolian laws could weaken, shorten or curtail Ivanhoe's mineral exploration rights or make it more difficult or expensive to acquire and retain mining rights and carry out mining;

economic sanctions have been imposed by the United States, Canada and the European Union with respect to investing in and trading with Myanmar which may adversely affect the Monywa Copper Project. No proceeds from the Offering will be used, directly or indirectly, for investing in or trading with Myanmar. See "Use of Proceeds";

the Monywa Copper Project is not in full compliance with certain covenants under its principal project financing agreement;

the indebtedness on the Monywa Copper Project is subject to floating interest rates;

Ivanhoe faces geo-technical and development risks at the Monywa Copper Project, including generating capacity shortages and leaching process technical risks;

fluctuations in currency exchange rates may adversely affect the Savage River Project's financial position and results of operations;

Ivanhoe has a limited customer base for its products and needs to secure additional markets;

the Savage River Project is dependent on older process facilities and pipeline operations which may be prone to failure or breakdown;

there is a risk of long term decline in pellet grade at the Savage River Project;

the pit wall of the Savage River Project pit requires additional work to ensure its stability;

metal prices are volatile;

there can be no assurance that the interest held by Ivanhoe in its exploration, development and mining properties is free from defects or that material contractual arrangements between Ivanhoe and entities owned or controlled by foreign governments will not be unilaterally altered or revoked;

competition for new mining properties by larger, more established companies may prevent Ivanhoe from acquiring interests in additional properties or mining operations;

Ivanhoe has a limited operating history, and there is no assurance that it will be capable of consistently producing positive cash flows;

- 12 -

a substantial portion of Ivanhoe's operations involve exploration and development and there is no guarantee that any such activity will result in commercial production of mineral deposits;

mining operations are subject to numerous hazards that could have a material adverse effect on the financial position of Ivanhoe;

Ivanhoe is exposed to risks of changing political stability and government regulation in the countries in which it operates;

Ivanhoe is subject to substantial environmental and other regulatory requirements and such regulations are becoming more stringent. Non-compliance with such regulations, either through current or future operations or a pre-existing condition, could materially adversely affect Ivanhoe;

previous mining operations may have caused environmental damage at Ivanhoe's mining sites, and its indemnities and exemptions from liability may not be effective;

Ivanhoe's prospects depend on its ability to attract and retain key personnel, and certain directors of Ivanhoe are directors or officers of, or have significant shareholdings in, other mineral resource companies and there is the potential that such directors will encounter conflicts of interest with Ivanhoe.

AUDITORS, TRANSFER AGENT AND REGISTRAR

The auditors of Ivanhoe are Deloitte & Touche LLP, Chartered Accountants, Vancouver, British Columbia. The registrar and transfer agent for the Common Shares in Canada is CIBC Mellon Trust Corporation at its principal offices in Vancouver and Toronto.

- (iv) the Company not complying with any requirements of applicable Securities Laws or U.S. securities laws other than in respect of any matter or thing contemplated by or included in subsections 18(a)(i), (ii), (iii), (v) or (vi) hereof;
- (v) any order made or inquiry, investigation or proceeding (formal or informal) commenced or threatened by any officer or official of any of the Securities Commissions or any other securities regulatory authority or by any other competent authority based upon the circumstances applicable to the Company described in subsections 18(a)(ii), (iii) or (iv) above or otherwise which operates to prevent or restrict trading in or distribution of the Shares in any of the Qualifying Provinces or elsewhere; or

- (b) The indemnifications contained in this section 18 do not and shall not apply to the extent that a court of competent jurisdiction in a final judgment that has become non-appealable shall determine that:

- (d) Promptly after receipt by an Underwriter Indemnified Party of notice of the commencement of any Claim in respect of which it may be entitled to be indemnified by the Company hereunder, such Underwriter Indemnified Party shall notify the Company thereof, but the omission to so notify the Company will not relieve the Company from any liability which they may have to any Underwriter Indemnified Party under this section 18 except and only to the extent that such delay or failure to give notice as herein required prejudices the defense of such Claim or results in any material increase in liability which the Company has under this Agreement.

In case any such Claim is made against any Underwriter Indemnified Party, and the Underwriters Indemnified Party notifies the Company thereof, the Company will assume the defense thereof, including the employment of counsel and the payment of all expenses and throughout the course thereof, the Company will provide copies of all relevant documentation to the Underwriter Indemnified Party, will keep the Underwriter Indemnified Party advised of the progress thereof and will discuss with the Underwriter Indemnified Party all significant actions proposed unless precluded from doing so by law or court order. The Underwriter Indemnified Party shall have the right to elect to employ their own separate counsel in any such action or investigation and participate in the defence thereof but the fees and expenses of such counsel shall be at its expenses unless:

- (i) the employment thereof has been specifically authorized by the Company in writing;
- (ii) the Company has failed within a reasonable time after receipt of such written notice to assume the defence of such Claim on behalf of the Underwriter Indemnified Party and employ counsel therefor; or

In the event the Underwriter Indemnified Party exercises its right to employ their own counsel and either (i), (ii) or (iii) above applies, the reasonable fees and expenses of such counsel as well as the reasonable costs and out-of-pocket

expenses incurred by the Underwriter Indemnified Party in connection therewith shall be paid by the Company as they occur.

The Company shall pay the Underwriter Indemnified Party their standard per diem rates for each of their employers, directors and officers who are required to attend or give evidence at or for any hearing, action or other proceeding in connection with any Underwriter Claim.

- (e) The Company hereby constitutes the Underwriters as a trustee for its subsidiaries and affiliated companies and their respective directors, officers, employees, shareholders, partners and agents, each other person, if any, controlling the Underwriters or any of their subsidiaries and each shareholder of the Underwriters (the Underwriters Related Party) for the covenants of the Company contained in this section 18 with respect to the Underwriters Related Party and the Underwriters agrees to accept such trust and to hold it and such covenants on behalf of their Underwriters Related Party;
- (f) The Company hereby waives its rights to recover contribution from the Underwriters or any other Underwriter Indemnified Party with respect to any liability of the Company by reason of or arising out of any misrepresentation contained in the Preliminary Prospectus, the Final Prospectus, the U.S. Private Placement Memorandum or in any Supplementary Material; provided, however, that such waiver shall not apply in respect of liability caused or incurred by reason of or arising out of any misrepresentation which is based upon or results from a statement or information relating solely to the Underwriters contained in such document and which statement or information was provided by the Underwriters for inclusion in such document.

19. **Contribution.**

- (a) If for any reason (other than the occurrence of any of the events in subsections 18(b)(i) and 18(b)(ii)) the indemnification provided for in section 18 is unavailable, in whole or in part, to an Underwriter Indemnified Party, or insufficient to hold it harmless, in respect of any Underwriter Claims referred to in section 18 or claims, actions, suits or proceedings in respect thereof, and subject to the restrictions and limitation referred to therein, the Company shall contribute to the amount paid or payable as a result of such Claims in such proportion as is appropriate to reflect not only the relative benefits received by the Company on the one hand and the Underwriters on the other hand but also the relative fault of the Company and the Underwriters, as well as any relevant equitable considerations provided that the Company shall in any event contribute to the amount paid or payable by the Underwriters as a result of such Claims, any excess of such amount over the amount of the fees received by the Underwriters pursuant to this Agreement.
 - (b) The relative benefits received by the Company on the one hand and the Underwriters on the other hand shall be deemed to be in the same proportion as
-

- 38 -

the total proceeds from the distribution of the Shares (net of the fee payable to the Underwriters but before deducting expenses) received by the Company is to the fee received by the Underwriters, in each case as set forth in the Prospectus. The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the statement, misrepresentation, omission, order, inquiry, investigation, proceeding or other matter or thing referred to in section 18 which resulted in such Claim in respect thereof relates to information supplied by or steps or actions taken or done by or on behalf of the Underwriters and the relative intent, knowledge, access to information and opportunity to correct or prevent such statement, misrepresentation, omission, order, inquiry, investigation, proceeding or other matter or thing referred to in section 18;

- (c) If the Underwriter Indemnified Party has reason to believe that a claim for contribution may arise, they shall give the Company notice thereof in writing as soon as reasonably possible, but failure to notify the Company shall not relieve the Company of any obligation they may have to the Underwriter Indemnified Party under this section 19;
 - (d) Notwithstanding any other provision of this section 19, no person guilty of gross negligence, wilful misconduct, or fraud in respect of the claim for contribution shall be entitled to contribution from any person who was not guilty of such negligence, wilful misconduct or fraud;
 - (e) The rights to contribution provided herein shall be in addition to and not in derogation of any other right to contribution which the Underwriter Indemnified Party may have by statute or otherwise at law;
 - (f) With respect to this section 19, the Company acknowledges and agrees that the Underwriters are contracting on their own behalf and as agent for the respective Underwriter Related Party;
 - (g) The parties hereto covenant and agree that to the extent that any Underwriter Related Party is not a signatory hereto, the Underwriters shall be entitled to hold the benefit of the indemnity and contribution rights contained herein for and on behalf of such Underwriter Related Party and shall be entitled to enforce such rights on their behalf as if each such Underwriter Indemnified Party were a signatory hereto;
 - (h) The rights and remedies of the Underwriter Indemnified Party set forth in section 18 and this section 19 and in each subsection hereof are, to the fullest extent possible in law, mutually exclusive and are cumulative and not alternative and the election by the Underwriter Indemnified Party to exercise any such right or remedy shall not be, and shall not be deemed to be, a waiver of any of such other rights and remedies, and are in addition to any other rights the Indemnified Party may have by statute or otherwise at law;
-

- (i) It is expressly acknowledged and agreed that the indemnity and contribution provisions contained in section 18 and this section 19 shall remain operative and in full force and effect regardless of any investigation made by or on behalf of the Underwriters, any closing of the transactions herein or any termination of this Agreement.
20. **Expenses.** Whether or not the transactions herein contemplated are completed, all reasonable costs and expenses of and incidental to the issue of the Shares, if any, and the sale and delivery thereof to the Underwriters and of and incidental to all other matters in connection with the transactions contemplated herein shall be borne by the Company, including, without limitation, the cost of preparation and printing of all the documents contemplated hereby (including all costs of printing the Preliminary Prospectus, the Final Prospectus, the U.S. Private Placement Memorandum, any Supplementary Material, and the Underwriters reasonable requirements of commercial copies of each thereof), all costs, expenses and fees (including filing fees) in connection with qualifying the Shares for sale to the public in all Qualifying Provinces and listing the Common Shares on the TSX, all costs and expenses in connection with sales of the Shares in the United States and elsewhere, all marketing and travel expenses, all costs and expenses in connection with the preparation and issue of the certificates for the Common Shares, the reasonable fees, charges and expenses of counsel and auditors of the Company, the reasonable fees and disbursements of the Underwriters legal counsel, and all applicable taxes. All fees and expenses of the Underwriters will be payable by the Company at the Time of Closing (and, if applicable, at the Optional Closing Time) or upon receipt by the Company of a detailed invoice from the Underwriters, and will be payable whether or not the Offering is completed.
21. **All Terms to be Conditions.** The Company agrees that the conditions contained in section 14 hereof will be complied with insofar as the same relate to acts to be performed or caused to be performed by the Company and that it will use all best efforts to cause all such conditions to be complied with. All representations, warranties, covenants and other terms of this Agreement shall be and shall be deemed to be conditions, and any breach or failure to comply with any of them or any of the conditions set out in section 14 shall entitle the Underwriters to terminate their obligation to purchase the Shares, by written notice to that effect given to the Company at or prior to the Time of Closing or the Optional Closing Time, as the case may be. It is understood that the Underwriters may waive, in whole or in part, or extend the time for compliance with, any of such terms and conditions without prejudice to the rights of the Underwriters in respect of any such terms and conditions or any other or subsequent breach or non-compliance, provided that to be binding on the Underwriters any such waiver or extension must be in writing.
22. **Termination by Underwriters in Certain Events.**
- (a) If at any time during the period commencing on the date hereof and ending at the Time of Closing or, if applicable, the Optional Time of Closing:
-

- 40 -

- (i) there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence or any law or regulation which in the reasonable opinion of the Underwriters seriously adversely affects, or involves, or would be expected to seriously adversely affect or involve, the financial markets or the business, operations or affairs of the Company and its Subsidiaries, taken as a whole, or the market price or value of the Common Shares;
- (ii) any inquiry, action, suit, proceeding or investigation (whether formal or informal) is instituted or any order or ruling is issued or made by any federal, provincial, state, municipal, or other governmental department, commission, board, bureau, agency or instrumentality in Canada, the United States or elsewhere, including without limitation, either the TSX, NASDAQ or any securities regulatory authority in such jurisdictions (other than an inquiry, action, suit, proceeding, investigation or order based solely on the activities or alleged activities of the Underwriters) or any law or regulation is promulgated or changed, which in any Underwriters' reasonable opinion, operates to prevent or restrict the trading or distribution of the Shares or Common Shares of the Company or could reasonably be expected to have a significant adverse effect on the market price or value of the Common Shares;
- (iii) there should occur any material change, a change in any material fact or other change such as is contemplated in section 9 or 21 herein which, in the reasonable opinion of the Underwriters, results or could reasonably be expected to result in the purchasers of a material number of Shares exercising their right under any of the Securities Laws to withdraw from their purchase thereof or could reasonably be expected to have a significant adverse effect on the market price or value of the Common Shares; or
- (iv) the Underwriters or their representatives, through their due diligence investigations, discover any misrepresentation, or there is in the reasonable opinion of the Underwriters a material adverse change or a change in a material fact or a new material fact which could reasonably be expected to have a material adverse effect on the business, affairs or operations of the Company and its Subsidiaries on a consolidated basis or on the market price or value of the Common Shares,

each of the Underwriters shall be entitled, at its option, to terminate its obligations under this Agreement by written notice to that effect given to the Company as hereinafter provided at or prior to the Time of Closing or the Optional Time of Closing, as the case may be.

- (b) Any termination by the Underwriters pursuant to the provisions hereof shall be effected by notice in writing delivered or sent by facsimile to the Company at its

address as herein set out. The rights of termination contained in this section 22 are in addition to any other rights or remedies the Underwriters may have in respect of any default, misrepresentation, act or failure to act of the Company in respect of any matters contemplated by this Agreement. In the event of any such termination by the Underwriters of their obligations under this Agreement the Company shall continue to be liable to the Underwriters under this Agreement, and in particular Sections 18, 19 and 20 hereof.

23. **Over-Allotment.** In connection with the distribution of the Shares, the Underwriters and members of their selling group (if any) may over-allot or effect transactions which stabilize or maintain the market price of the Common Shares at levels above those which might otherwise prevail in the open market in compliance with Securities Laws. Such stabilizing transactions, if any, may be discontinued at any time. No such stabilizing transactions will take place in Australia or on the ASX.
24. **Survival.** The respective representations, warranties, agreements, covenants, indemnities and contribution obligations of the Company set forth in this Agreement, or contained in any certificates or documents submitted pursuant to or in connection with the transaction herein referred to, shall survive the Closing Date and the Optional Closing Time, if applicable, and remain in full force and effect thereafter, unaffected by any subsequent disposition of the Shares by an Underwriters or the termination of an Underwriters obligations and shall not be limited or prejudiced by:

- (c) the Company shall be entitled to terminate their obligations under this Agreement arising from its acceptance of this offer, in which event there shall continue to be further liability on the part of the Company, in particular in respect of Sections 18, 19 and 20.

26. **Action by Underwriters.** Except in respect of any matter referred to in section 22, or any settlement under sections 19, 20 or otherwise hereunder, all steps which must or may be taken by the Underwriters in connection with the closing of the Offering may be taken by GMP on behalf of itself and the other Underwriters, and the execution of this Agreement by the Underwriters and the Company will constitute the Company's authority and obligation for accepting notification of any such steps from, and for delivering the definitive documents constituting the Shares to or to the order of the other Underwriters. MINES LTD. UPON DELIVERY OF THIS CERTIFICATE AND A DULY EXECUTED DECLARATION, IN A FORM SATISFACTORY TO IVANHOE MINES LTD., TO THE EFFECT THAT THE SALE OF THE COMMON SHARES REPRESENTED HEREBY IS BEING MADE IN COMPLIANCE WITH RULE 904 OF REGULATION S UNDER THE SECURITIES ACT;

provided, that if, at the time the Corporation is a foreign issuer as defined in Regulation S under the U.S. Securities Act, the Common Shares are being sold in compliance with the requirements of Rule 904 of Regulation S, the legend may be removed by providing a declaration to the Corporation to the following effect (or as the Corporation may prescribe from time to time):

The undersigned (A) acknowledges that the sale of the securities to which this declaration relates is being made in reliance on Rule 904 of Regulation S under the U.S. Securities Act of 1933, as amended (the U.S. Securities Act), and (B) certifies that (1) it is not an affiliate (as defined in Rule 405 under the U.S. Securities Act) of Ivanhoe Mines Ltd., (2) the offer of such securities was not made to a person in the United States and either (a) at the time the buy order was originated, the buyer was outside the United States, or the seller and any person acting on its behalf reasonably believe that the buyer was outside the United States, or (b) the transaction was executed on or through the facilities of The Toronto Stock Exchange and neither the seller nor any person acting on its behalf knows that the transaction has been prearranged with a buyer in the United States, (3) neither the seller nor any person acting on its behalf has engaged or will engage in any directed selling efforts in the United States in connection with the offer and sale of such securities, (4) the sale is bona fide and not for the purpose of washing off the resale restrictions imposed because the securities are restricted securities (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act), (5) the seller does not intend to replace such securities with fungible unrestricted securities and (6) the contemplated sale is not a transaction, or part of a series of transactions which, although in technical compliance with Regulation S under the U.S. Securities Act, is part of a plan or scheme to evade the registration provisions of the U.S. Securities Act. Terms used herein have the meanings given to them by Regulation S.

If any such Common Shares are being sold pursuant to Rule 144 of the Securities Act, the legend may be removed by delivery to the Corporation of an opinion of counsel, of recognized standing reasonably satisfactory to the Corporation, to the effect that such legend is no longer required under applicable requirements of the Securities Act or state securities laws.

9. Dear Sirs / Mesdames:

Ivanhoe Mines Ltd. (the Company)

We are the auditors of the Company and under date of March 29, 2004, we reported on the following consolidated financial statements of the Company incorporated by reference in the short form prospectus (the Prospectus) relating to the distribution of Common Shares.

Consolidated balance sheets as at December 31, 2003 and 2002;

Consolidated statements of operations, shareholders equity and cash flows for each of the years ended December 31, 2003 and 2002

The Prospectus also incorporates by reference the following unaudited interim consolidated financial statements of the Company:

Consolidated balance sheet as at March 31, 2004;

Consolidated statements of operations, shareholders equity and cash flows for the three month periods ended March 31, 2004 and 2003.

We have not audited any financial statements of the Company as at any date or for any period subsequent to December 31, 2003. Although we have performed an audit for the year ended December 31, 2003, the purpose and therefore the scope of the audit was to enable us to express our opinion on the consolidated financial statements as at December 31, 2003 and for the year then ended, but not on the financial statements for any interim period within that year. Therefore, we are unable to and do not express an opinion on the above-mentioned unaudited interim consolidated financial statements, or on the financial position, results of operations or cash flows as at any date or for any period subsequent to December 31, 2003.

We have, however, performed a review of the unaudited interim consolidated financial statements of the Company as at March 31, 2004 and for the three month periods ended March 31, 2004 and 2003. We performed our review in accordance with Canadian generally accepted standards for a review of interim financial statements by an entity's auditor. Such an interim review consists principally of applying

analytical procedures to financial data, and making enquiries of, and having discussions with, persons responsible for financial and accounting matters. An interim review is substantially less in scope than an audit, whose objective is the expression of an opinion regarding the financial statements. An interim review does not provide assurance that we would become aware of any or all significant matters that might be identified in an audit.

Based on our review, we are not aware of any material modifications that need to be made for these interim financial statements to be in accordance with Canadian generally accepted accounting principles.
