As per the requirements of Secretarial Standard 2 issued by the Institute of Company Secretaries of India, please find appended in Annexure II details of the Non-Executive Independent Directors who are entitled for commission for FY2016.

Item No. 11

Section 42 of the Companies Act, 2013 and its underlying rules viz Companies (Prospectus and Allotment of Securities) Rules, 2014 (including any modification(s) or re-enactment(s) thereof) provide that a Company shall make a private placement of its securities only if the proposed offer of securities or invitation to subscribe to securities has been previously approved by the Members of the Company, by a Special Resolution, for each of the Offers or Invitations. It further provides that the explanatory statement annexed to the notice for the general meeting shall disclose the basis or justification for the price (including premium, if any) at which the offer or invitation is being made. It also provides that in case of offer or invitation for non-convertible debentures, it shall be sufficient if the company passes a prior special resolution once in a year for all the offers or invitation for such debentures during the year.

At the Annual General Meeting held on June 29, 2015, the Members had approved a limit of 50,000 crore for borrowings by way of securities including but not limited to bonds and non-convertible debentures on private placement basis. The Bank has borrowed 6,500 crore (Rupees six thousand five hundred crore) by way of issue of non-convertible debentures (NCDs) on private placement basis since the last AGM till May 13, 2016. Considering the same, the Bank has assessed its fund requirements and it is proposed that the borrowing limits for the purpose of Section 42 read with

Notice

the rules relating to this Section for borrowing by way of non-convertible securities including but not limited to bonds and NCDs be reduced for the current year and fixed at ₹ 25,000 crore (Rupees twenty five thousand crore). This would form part of the overall borrowing limits under Section 180(1)(c) of the Companies Act, 2013 of ₹ 250,000 crore (Rupees two hundred and fifty thousand crore) approved by the Members at the AGM held on June 30, 2014. The resolution under Section 42 will be valid for a period of one year from the date of passing this resolution. The pricing of the non-convertible securities including but not limited to bonds and non-convertible debentures (NCDs) depends primarily upon the rates prevailing for risk free instruments, rates on other competing instruments of similar rating and tenor in the domestic market, investors' appetite for such instruments and investor regulations which enable investments in such instruments. Accordingly, during the validity of this resolution, the Bank proposes to issue non-convertible securities including but not limited to bonds and non-convertible debentures (NCDs) by way of private placement at upto 300 basis points (bps) above the rates prevailing for risk free instruments as represented by the respective tenor rupee sovereign bonds for issuances in rupee market. The pricing for each of the issuance/program would be approved by the Board or a Committee of Board.

Your Directors recommend the Resolution at Item No. 11 of the accompanying Notice for approval of the Members of the Bank.

None of the Directors, Key Managerial Personnel of the Bank and their relatives are in any way concerned or interested, financially or otherwise in the passing of the Resolution at Item No. 11 of the accompanying Notice.
