- (1) Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the Securities Act), the number of shares being registered shall be adjusted to include such additional indeterminate number of shares as may be issuable pursuant to the anti-dilution provisions of the 1996 Stock Option and Incentive Plan, as Amended and Restated (the 1996 Plan), the Stock Option Agreements described in notes (6) and (7) below and the Employee Stock Option Program.
- (2) Represents shares of Class B Common Stock reserved for issuance pursuant to options which may be granted under the 1996 Plan.
- (3) Estimated solely for the purposes of calculating the registration fee pursuant to Rules 457(c) and 457(h) under the Securities Act, and based upon the average of the high and low reported prices of the shares of Class B Common Stock of the Registrant (Class B Common Stock) on the New York Stock Exchange on May 29, 2003.
- (4) Represents shares of Class B Common Stock which may be issued upon exercise of options previously granted under the 1996 Plan.
- (5) Calculated pursuant to Rule 457(h) under the Securities Act, based upon the weighted average exercise price per share of such options.

Courter (two agreements); (2) Ira A. Greenstein (two agreements); (3) Michael Fischberger (two agreements); (4) Morris Lichtenstein (two agreements); (5) Stephen R. - (7) Consists of: (i) 1,353,109 shares of Class B Common Stock which may be issued upon exercise of options previously granted under the 1996 Plan, (ii) 361,000 shares of Class B Common Stock which may be issued upon exercise of stock options granted under separate Stock Option Agreements, dated as of May 1, 1999, between IDT Corporation and each of the following optionees: (1) James A. Courter; (2) Geoffrey Rochwarger; and (3) David Barth; and (iii) 156,260 shares of Class B Common Stock which may be issued upon exercise of options previously granted under the Employee Stock Option Program. All of such options were initially exercisable for shares of Common Stock of the Registrant (Common Stock), but were amended on April 25, 2003 to entitle the holders thereof to acquire shares of Class B Common Stock instead of Common Stock. As a result, an equal number of shares of Common Stock covered by previously filed Registration Statements are no longer issuable and will be deregistered. See note (8) below.
- (8) The Registrant previously filed a Registration Statement on Form S-8 (File No. 333-49150) on November 2, 2000, as amended on October 8, 2002, a Registration Statement on Form S-8 (File No. 333-63282) on June 19, 2001, as amended on October 8, 2002, and a Registration Statement on Form S-8 (File No. 333-19727) on January 14, 1997. The Registrant is filing Post-Effective Amendments to such Registration Statements to deregister 1,355,109 shares, 261,000 shares and 156,260 shares of Common Stock, respectively, for which registration fees of \$5,660.59 (net of registration fees that are not being transferred), \$823.78 and \$485.38 (none of which is eligible for transfer), respectively, had been paid by the Registrant. In addition, a registration fee of \$661.92 was previously paid by the Registrant in connection with 100,000 unsold shares of Common Stock registered under a Registration Statement on Form S-3 (File No. 333-86261) filed by the Registrant on August 31, 1999. Pursuant to Rule 457(p) under the Securities Act, \$7,146.29, the aggregate amount of such unused registration fees, is to be offset against the total registration fee of \$7,914.64 due in connection with this Registration Statement. As a result, the registration fee due in connection with this Registration Statement is reduced to \$768.35.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein modifies or supersedes such statement. Item 6. Indemnification of Directors and Officers.

The Registrant's Certificate of Incorporation provides that, to the extent permitted by the Delaware General Corporation Law (DGCL), directors of the Registrant shall not be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director. Section 102(7) of the DGCL, however, states that such a provision may not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, relating to unlawful dividends, distributions or the repurchase or redemption of stock or (iv) for any transaction from which the director derives an improper personal benefit.

The Registrant's By-Laws provide that the Registrant shall indemnify and hold harmless, to the fullest extent permitted by the DGCL, any person against expenses (including attorney's fees), judgments, fines and amounts paid in settlement, actually and reasonably incurred in connection with any threatened, pending or completed legal proceedings in which such person is involved by reason of the fact that he is or was a director, officer, employee or agent of the Registrant (or serving in any such capacity with another business organization at the request of the Registrant) if he acted in good faith and in a manner that he reasonably believed to be in or not opposed to the best interests of the Registrant, and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe that his conduct was unlawful. If the legal proceeding, however, is by or in the right of the Registrant, such director, officer, employee or agent may not be indemnified in respect of any claim, issue or matter as to which he shall have been adjudged to be liable to the Registrant unless a court determines otherwise.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) will not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Securities Exchange Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
