Item 9. Regulation FD Disclosure

During Dover Corporation s 2nd Quarter 2004 Earnings Release conference call on Tuesday, July 20th, in response to a question, the Company estimated that sales of back-end semiconductor products represented about 10% of 2nd quarter sales by the Circuit Board Assembly and Test (CBAT) group in the Dover Technologies segment. Based on further analysis of activities at Everett Charles, Alphasem, Universal and DEK, the Company has determined that sales of back-end semiconductor products currently represent about 25-30% of CBAT sales.

The information in this Current Report on Form 8-K is being furnished to the Securities and Exchange Commission (the SEC) and shall not be deemed to be incorporated by reference into any of Dover Corporation s filings with the SEC under the Securities Act of 1933.
