**PROSPECTUS SUPPLEMENT #2 TO PROSPECTUS DATED APRIL 14, 2005  
\$175,000,000**

**1.75% Convertible Senior Notes due August 1, 2024  
and Shares of Common Stock Issuable Upon Conversion of the Notes**

This prospectus supplement supplements the prospectus dated April 14, 2005, which forms a part of the Post-Effective Amendment No. 1 to Form S-1 on Form S-3 Registration Statement (Registration No. 333-121255) that we filed with the Securities and Exchange Commission on March 25, 2005. The prospectus and this prospectus supplement relate to resales of our 1.75% Convertible Senior Notes due August 1, 2024 and shares of our common stock issuable upon conversion of the notes. The prospectus and this prospectus supplement also relate to the issuance of shares of our common stock upon conversion of the notes by holders other than the selling securityholders identified in the prospectus under Selling Securityholders, unless such issuance qualifies for the exemption under Section 3(a)(9) of the Securities Act of 1933, as amended, or the Securities Act.

The prospectus is hereby supplemented to include the information in the table set forth below, which supplements the information in the Selling Securityholders table included in the prospectus.

We have prepared the table set forth below based on information given to us by or on behalf of such selling securityholder on or prior to August 25, 2005. Such selling securityholder, including its transferees, pledgees or donees or their successors, may from time to time offer and sell under the prospectus any or all of the notes and any shares of common stock issued upon conversion of the notes. See Plan of Distribution included in the prospectus. Because the selling securityholder may offer all or some portion of its notes or shares of common stock issued upon conversion of the notes, we cannot provide an estimate as to the principal amount of the notes or the number of shares of the common stock issuable upon conversion of the notes that will be held by the selling securityholder upon termination of any sales. In addition, the selling securityholder identified below may have sold, transferred or otherwise disposed of all or some portion of its notes since the date on which it provided the information regarding its notes under the prospectus or in transactions exempt from the registration requirements of the Securities Act.

You should read this prospectus supplement in conjunction with the prospectus. This prospectus supplement updates information in the prospectus. If there is any inconsistency between the information in the prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement.
