Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry Into Material Definitive Agreements.

On June 19, 2009, Flextronics International Ltd. (the Company) and U.S. Bank National Association, as successor trustee, entered into (i) a Supplemental Indenture and Amendment No. 2 to Indenture, dated as of June 19, 2009 (the 6 1/2% Notes Supplemental Indenture), which amends the Indenture dated as of May 8, 2003, as amended by an Amendment to Indenture, dated as of July 14, 2005 (as amended, the 6 1/2% Indenture) under which the Company's 6 1/2 % Senior Subordinated Notes due 2013 (the 6 1/2% Notes) were issued and (ii) a Supplemental Indenture and Amendment No. 2 to Indenture, dated as of June 19, 2009 (the 6 1/4% Notes Supplemental Indenture and, together with the 6 1/2% Notes Supplemental Indenture, the Supplemental Indentures), which amends the Indenture dated as of November 17, 2004, as amended by an Amendment to Indenture, dated as of July 14, 2005 (as amended, the 6 1/4% Indenture and, together with the 6 1/2% Indenture, the Indentures) under which the Company's 6 1/4 % Senior Subordinated Notes due 2014 (the 6 1/4% Notes and, together with the 6 1/2% Notes, the Notes) were issued.

The Supplemental Indentures were entered into following receipt by the Company of consents from holders of at least a majority of the outstanding aggregate principal amount of each series of Notes (the Requisite Consents) in connection with the Company's previously announced cash tender offer (the Offer) and related consent solicitation (the Consent Solicitation).

The Supplemental Indentures effect certain proposed amendments (the Proposed Amendments) to the Indentures, which, among other things, permit the Company greater flexibility to purchase or make other payments in respect of its equity securities and debt that is subordinated to the Notes and to make other restricted payments under each Indenture, principally by: (i) restarting as of April 1, 2009 the calculation period for determining the Company's restricted payments capacity; (ii) excluding certain non-cash charges from the calculation of cumulative consolidated net income for purposes of calculating the restricted payments capacity; (iii) permitting the Company to redeem, repurchase, retire or otherwise acquire any portion or all of its outstanding 1% Convertible Subordinated Notes due August 1, 2010; and (iv) permitting the Company and its restricted subsidiaries to make additional restricted payments of up to \$250 million in addition to any other restricted payments permitted pursuant to the Indenture. The Supplemental Indentures became effective upon execution. However, the Proposed Amendments will not become operative until the date when amounts payable by the Company pursuant to the Offer and the Consent Solicitation are deposited with the depositary, which is expected to occur promptly following the expiration of the Offer.

The foregoing summary is qualified in its entirety by reference to the Supplemental Indentures, copies of which are attached hereto as Exhibits 4.1 and 4.2 and are hereby incorporated by reference in this Item 1.01 of this report on Form 8-K.

Item 8.01 Other Events.

On June 19, 2009, the Company issued a press release announcing the receipt of the Requisite Consents and the execution of the Supplemental Indentures. A copy of the press release is attached hereto as Exhibit 99.1 and is hereby incorporated by reference in this Item 8.01 of this report on Form 8-K.

Item 9.01 Financial Statements and Exhibits.
