CAUTION ABOUT FORWARD-LOOKING STATEMENTS

We make forward-looking statements in this prospectus and in other documents incorporated by reference in this prospectus, within the meaning of Section 27A of the Securities Act, and Section 21E of the Securities Exchange Act of 1934, as amended (the Exchange Act), that reflect our current expectations relating to present or future trends or factors generally affecting the banking industry and specifically affecting our operations, markets and products. Without limiting the foregoing, the words believes, expects, anticipates, estimates, projects, intends, and similar expressions are intended to identify forward-looking statements. These forward-looking statements are based upon assumptions we believe are reasonable and may relate to, among other things, the deteriorating economy and its impact on operating results and credit quality, the adequacy of the allowance for loan losses, changes in interest rates, and litigation results. These forward-looking statements are subject to risks and uncertainties. Actual results could differ materially from those projected for many reasons, including without limitation, changing events and trends that have influenced our assumptions.

These trends and events include (1) risks associated with our loan portfolio, including difficulties in maintaining quality loan growth, greater loan losses than historic levels, the risk of an insufficient allowance for loan losses, and expenses associated with managing nonperforming assets, unique risks associated with our construction and land development loans, our ability to maintain and service relationships with automobile dealers and indirect automobile loan purchasers, and our ability to profitably manage changes in our indirect automobile lending operations; (2) risks associated with adverse economic conditions, including risk of a continued decline in real estate values in the Atlanta, Georgia, metropolitan area and in eastern and northern Florida markets, conditions in the financial markets and economic conditions generally and the impact of recent efforts to address difficult market and economic conditions; a stagnant economy and its impact on operations and credit quality, the impact of a recession on our consumer loan portfolio and its potential impact on our commercial portfolio, changes in the interest rate environment and their impact on our net interest margin, and inflation; (3) risks associated with government regulation and programs, including risks arising from the terms of the U.S. Treasury Department's (the Treasury's) equity investment in us, and the resulting limitations on executive compensation imposed through our participation in the TARP Capital Purchase Program, uncertainty with respect to future governmental economic and regulatory measures, including the ability of the Treasury to unilaterally amend any provision of the purchase agreement we entered into as part of the TARP Capital Purchase Program, the winding down of governmental emergency measures intended to stabilize the financial system, and numerous legislative proposals to further regulate the financial services industry, the impact of and adverse changes in the governmental regulatory requirements affecting us, and changes in political, legislative and economic conditions; (4) the ability to maintain adequate liquidity and sources of liquidity; (5) our ability to maintain sufficient capital and to raise additional capital; (6) the accuracy and completeness of information from customers and our counterparties; (7) the effectiveness of our controls and procedures; (8) our ability to attract and retain skilled people; (9) greater competitive pressures among financial institutions in our market; (10) failure to achieve the revenue increases expected to result from our investments in our growth strategies, including our branch additions and in our transaction deposit and lending businesses; (11) the volatility and limited trading of our common stock; and (12) the impact of dilution on our common stock.

This list is intended to identify some of the principal factors that could cause actual results to differ materially from those described in the forward-looking statements included herein and are not intended to represent a complete list of all risks and uncertainties in our business. Investors are encouraged to read the related section in our 2010 Annual Report on Form 10-K, including the Risk Factors set forth therein. Additional information and other factors that could affect future financial results are included in our filings with the SEC.

The forward-looking statements are made as of the date of the applicable document and, except as required by applicable law, we assume no obligation to update these forward-looking statements or to update the reasons why actual results could differ from those projected in the forward-looking statements. You should consider these risks and uncertainties in evaluating forward-looking statements and you should not place undue reliance on these statements.

Table of Contents

RISK FACTORS

An investment in our securities involves various risks. You should carefully consider the risks and uncertainties and the risk factors set forth below and in the documents and reports filed with the SEC pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act that are incorporated by reference into this prospectus, as well as any risks described in any applicable prospectus supplement, before you make an investment decision. These risk factors may cause our future earnings to be lower or our financial condition to be less favorable than we expect. In addition, other risks of which we are not aware, or which we do not believe are material, may cause our earnings to be lower, or hurt our future financial condition.

USE OF PROCEEDS

We will not receive any proceeds from the sale by the Selling Shareholders of the Shares.

PLAN OF DISTRIBUTION

We are registering the Shares issued to the Selling Shareholders to permit the resale of the Shares by the holders of the Shares from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the Selling Shareholders of the Shares. We will bear all fees and expenses incident to our obligation to register the Shares.

The Selling Shareholders may sell all or a portion of the Shares beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the Shares are sold through underwriters or broker-dealers, the Selling Shareholders will be responsible for underwriting discounts or commissions or agent's commissions. The Shares may be sold on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions. The Selling Shareholders may use any one or more of the following methods when selling Shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the Shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the Registration Statement of which this prospectus is a part;

broker-dealers may agree with the Selling Shareholders to sell a specified number of such Shares at a stipulated price per Share;

through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

Table of Contents

The Selling Shareholders also may resell all or a portion of the Shares in open market transactions in reliance upon Rule 144 under the Securities Act, as permitted by that rule, or Section 4(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

Broker-dealers engaged by the Selling Shareholders may arrange for other broker-dealers to participate in sales. If the Selling Shareholders effect such transactions by selling the Shares to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the Selling Shareholders or commissions from purchasers of the Shares for whom they may act as agent or to whom they may sell as principal. Such commissions will be in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with NASD Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with NASD IM-2440.

In connection with sales of the Shares or otherwise, the Selling Shareholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Shares in the course of hedging in positions they assume. The Selling Shareholders may also sell Shares short and if such short sale shall take place after the date that this Registration Statement is declared effective by the SEC, the Selling Shareholders may deliver the Shares covered by this prospectus to close out short positions and to return borrowed shares in connection with such short sales. The Selling Shareholders may also loan or pledge the Shares to broker-dealers that in turn may sell such Shares, to the extent permitted by applicable law. The Selling Shareholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of the Shares offered by this prospectus, which Shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the Selling Shareholders have been advised that they may not use Shares registered on this Registration Statement to cover short sales of our common stock made prior to the date the Registration Statement, of which this prospectus forms a part, has been declared effective by the SEC.

The Selling Shareholders may, from time to time, pledge or grant a security interest in some or all of the Shares owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the Shares from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act, amending, if necessary, the list of Selling Shareholders to include the pledgee, transferee or other successors in interest as Selling Shareholders under this prospectus. The Selling Shareholders also may transfer and donate the Shares in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

The Selling Shareholders and any broker-dealer or agents participating in the distribution of the Shares may be deemed to be underwriters within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the Shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling Shareholders who are underwriters within the meaning of Section 2(11) of the Securities Act will be subject to the applicable prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

Each Selling Shareholder has informed us that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the Shares. Upon the Company being notified in writing by a Selling Shareholder that any material arrangement has been entered into with a broker-dealer for the sale of Shares through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such Selling Shareholder and of the participating broker-dealer(s), (ii) the number of Shares involved, (iii) the price at which such the Shares were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such

broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference

Table of Contents

in this prospectus, and (vi) other facts material to the transaction. In no event shall any broker-dealer receive fees, commissions and markups, which, in the aggregate, would exceed eight percent (8%).

Under the securities laws of some states, the Shares may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the Shares may not be sold unless such shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any Selling Shareholder will sell any or all of the Shares registered pursuant to the Registration Statement, of which this prospectus forms a part.

Each Selling Shareholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act, and the rules and regulations thereunder, including, without limitation, to the extent applicable, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the Shares by the Selling Shareholder and any other participating person. To the extent applicable, Regulation M may also restrict the ability of any person engaged in the distribution of the Shares to engage in market-making activities with respect to the Shares. All of the foregoing may affect the marketability of the Shares and the ability of any person or entity to engage in market-making activities with respect to the Shares.

We will pay all expenses of the registration of the Shares pursuant to the registration rights agreement, including, without limitation, SEC filing fees and expenses of compliance with state securities or blue sky laws; *provided, however*, that each Selling Shareholder will pay all underwriting discounts and selling commissions, if any and any related legal expenses incurred by it. We will indemnify the Selling Shareholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the registration rights agreement, or the Selling Shareholders will be entitled to contribution. We may be indemnified by the Selling Shareholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the Selling Shareholders specifically for use in this prospectus, in accordance with the related registration rights agreements, or we may be entitled to contribution.

SELLING SHAREHOLDERS

On March 24, 2010 and April 26, 2010, respectively, Rankin M. Smith, Jr. and Millard Choate, two of Fidelity's directors were issued 174,825 and 128,534 of the Shares in private offerings. On May 27, 2011, we issued a total of 2,167,166 of the Shares the 11 other Selling Shareholders, in a transaction exempt from the registration requirements of the Securities Act. The Selling Shareholders may from time to time offer and sell, pursuant to this prospectus or a supplement to this prospectus, any or all of the Shares they own. The Shares to be offered under this prospectus for the account of the Selling Shareholders consist of 2,470,525 shares of our common stock, which represent ownership of approximately 19% of our common stock outstanding as of June 18, 2011. No one of the Selling Shareholders has beneficial ownership of more than 9.9% of our common stock. Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the Shares. To our knowledge, each of the Selling Shareholders has sole voting and investment power with respect to the Shares owned.

For purposes of this prospectus, we have assumed that, after completion of the offering covered by this prospectus, none of the Shares covered by this prospectus will be held by the Selling Shareholders.

We do not know when or in what amounts the Selling Shareholders may offer the Shares for sale. The Selling Shareholders might not sell any or all of the Shares offered by this prospectus. Because the Selling Shareholders may offer all or some of the Shares pursuant to this offering, and because currently no sale of any of the Shares is subject to any agreements, arrangements or understandings, we cannot estimate the number of the Shares that will be held by the Selling Shareholders after completion of the offering.

As noted above, Messrs. Smith, Jr. and Choate are two of our directors. Other than with respect to the acquisition of the Shares, the other 11 Selling Shareholders have not had a material relationship with us.

Information about the Selling Shareholders may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

Table of Contents

The following table sets forth as of the date of this prospectus the name of each Selling Shareholder for whom we have registered the Shares for resale to the public and the number of the Shares that each Selling Shareholder may offer pursuant to this prospectus. The information set forth below is based on information known to us.

Based on information known to us or provided to us by each Selling Shareholder and as of the date the information was known to us or was provided to us, assuming that the Selling Shareholders sell all of the Shares beneficially owned by them that have been registered by us and do not acquire any additional shares of our common stock during the offering, each Selling Shareholder will not own any shares other than those appearing in the column entitled Amount of Beneficial Ownership Post Offering. We cannot advise you as to whether the Selling Shareholders will in fact sell any or all of the Shares. In addition, the Selling Shareholders may have sold, transferred or otherwise disposed of, or may sell, transfer or otherwise dispose of, at any time and from time to time, the Shares in transactions exempt from the registration requirements of the Securities Act after the date on which they provided the information set forth in the table below.

Indemnification of Directors and Officers

Sections 14-2-851 and 14-2-857 of the Georgia Business Corporation Code provide that a corporation may indemnify its directors and officers against civil and criminal liabilities. Directors and officers may be indemnified if they acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the corporation, if they have not been adjudged liable on the basis of the improper receipt of a personal benefit and, with respect to any criminal action, if they had no reasonable cause to believe their conduct was unlawful. A director or officer may be indemnified against expenses incurred in connection with a derivative suit if he or she acted in good faith and in a manner reasonably believed to be in or not opposed to the best interest of the corporation, except that no indemnification may be made without court approval if such person was adjudged liable for negligence or misconduct in the performance of his or her duty to the corporation. Statutory indemnification is not exclusive of any rights provided by any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Fidelity's by-laws contain indemnification provisions that provide that directors and officers of Fidelity will be indemnified if they are successful on the merits or otherwise in the defense of any proceeding or any claim, issue or matter involved in the proceeding. The indemnification provisions also provide that Fidelity will indemnify directors and officers when they meet the applicable standard of conduct, regardless if they are successful in the defense of the proceeding or claim, issue or matter. The applicable standard of conduct is met if the director or officer acted in a manner he or she reasonably believed to be in, or not opposed to, the best interests of Fidelity. The standard of conduct with respect to any criminal action or proceeding is met if the director had no reasonable cause to believe his or her conduct was unlawful. Whether the applicable standard of conduct has been met is determined by the board of directors, the stockholders or independent legal counsel in each specific case.

Fidelity may also provide for greater indemnification than that set forth in its by-laws if it chooses to do so, subject to approval by Fidelity's stockholders. Fidelity may not, however, indemnify a director for liability arising out of circumstances that constitute exceptions to limitation of a director's liability for monetary damages, as described below. Fidelity may purchase and maintain insurance on behalf of any director against any liability asserted against such person and incurred by him or her in any such capacity, whether or not Fidelity would have had the power to indemnify against such liability.

In addition, Article 5 of Fidelity's Articles of Incorporation, subject to certain exceptions, eliminates the potential personal liability of a director for monetary damages to Fidelity and to the stockholders of Fidelity for breach of a duty as a director. There is no elimination of liability for:

any appropriation, in violation of his duties, of any of our business opportunities;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

the types of liability set forth in the Official Code of Georgia Section 14-2-832; or

any transaction from which the director derived an improper personal benefit.

Table of Contents

The Articles of Incorporation do not eliminate or limit the right of Fidelity or its stockholders to seek injunctive or other equitable relief not involving monetary damages.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Our directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to limitations.

Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b)) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the Registration Statement is on Form S-3 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement or is contained in a final prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be initial bona fide offering thereof.

Table of Contents

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) [Intentionally omitted.]

(5) That, for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date filed prospectus was deemed part of and included in the Registration Statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the Registration Statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference into the Registration Statement or prospectus that is part of the Registration Statement will, as to the purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
