**PROXY STATEMENT**

**PARTNERRE LTD.**

**Annual General Meeting of Shareholders**

**May 22, 2003**

**GENERAL INFORMATION**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the Board) of PartnerRe Ltd. (the Company) of proxies from holders of the Company's common shares, par value \$1.00 per share (the Common Shares). The proxies will be voted at the Annual General Meeting of Shareholders to be held on May 22, 2003 at 3:00 p.m. local time, at Chesney House, 96 Pitts Bay Road, Pembroke, Bermuda, and at any adjournment or adjournments thereof (the Annual Meeting).

The mailing address of the Company is Chesney House, 96 Pitts Bay Road, Pembroke HM 08, Bermuda, (telephone 1-441-292-0888). The Notice of Annual General Meeting of Shareholders, the Proxy Statement and the accompanying Proxy were first transmitted to shareholders of the Company on or about April 5, 2003.

The Board has fixed the close of business on March 18, 2003 as the record date (the Record Date) for determining the shareholders of the Company entitled to receive notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, an aggregate of 52,410,108 Common Shares were issued and outstanding, each share entitling the holder thereof to one vote on each matter to be voted upon at the Annual Meeting, except that if a person (other than Swiss Reinsurance Company and its affiliates) constructively or beneficially, directly or indirectly, owns more than 9.9% of the voting power of the outstanding Common Shares, the voting rights with respect to such shares will be limited, in the aggregate, to voting power of 9.9%, pursuant to a formula specified in the Company's By-laws. The presence, in person or by proxy, of the holders of a majority of the outstanding Common Shares (without regard to the limitation on voting referred to above) is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers and employees of the Company personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of Common Shares.

At the Annual Meeting, shareholders of the Company will be asked to (i) elect two directors to serve on the Board until the annual general meeting of shareholders in the year 2006; (ii) approve the PartnerRe Ltd. 2003 Non-Employee Director's Stock Plan (the Director Plan) and reserve 1,000,000 Common Shares for issuance under the Director Plan and (iii) re-appoint Deloitte & Touche, independent auditors, as the Company's auditors for the ensuing period ending with the 2004 annual general meeting and to refer the determination of the auditors remuneration to the Board of Directors.

## Edgar Filing: PARTNERRE LTD - Form DEF 14A

Shareholders may also be asked to consider and take action with respect to such other matters as may properly come before the Annual Meeting.

All matters referenced in this proxy statement upon which shareholders are called to vote will be decided by a simple majority of votes cast. A hand vote will be taken unless a poll is requested pursuant to the Company's By-laws.

If your shares are held by a broker who does not indicate how to vote on a particular matter that comes up for a vote at the meeting or if you abstain from voting on a particular matter that comes up for a vote at the meeting, your shares will be treated as not entitled to vote on that matter for purposes of determining whether the matter has received the required level of shareholder approval.

**Table of Contents**

A copy of the Company's Annual Report for the year ended December 31, 2002 is being mailed to shareholders together with this Proxy Statement. These documents may also be viewed on the Company's website at [www.partnerre.com](http://www.partnerre.com). The consolidated financial statements of the Company for the year ended December 31, 2002 contained in the Annual Report and the Management's Discussion and Analysis of Financial Condition and Results of Operations for the year ended December 31, 2002 are specifically incorporated herein by reference and made a part hereof.

**SOLICITATION AND REVOCATION**

PROXIES IN THE FORM ENCLOSED ARE SOLICITED BY, OR ON BEHALF OF, THE BOARD OF DIRECTORS OF THE COMPANY. THE PERSONS NAMED IN THE FORM OF PROXY HAVE BEEN DESIGNATED AS PROXIES BY THE BOARD OF DIRECTORS. Such persons designated as proxies are the Chairman of the Board of Directors and the President and Chief Executive Officer of the Company. A shareholder desiring to appoint some other person to represent him at the Annual Meeting may do so either by inserting such person's name in the blank space provided in the enclosed Form of Proxy, or by completing another form of proxy and, in either case, delivering the completed Proxy to the Secretary of the Company at the address indicated above, before the time of the Annual Meeting. It is the responsibility of the shareholder appointing some other person to represent him to inform such person of this appointment.

Common Shares ( shares ) represented at the Annual Meeting by a properly executed and returned Proxy will be voted at the Annual Meeting in accordance with instructions noted thereon, or if no instructions are noted, the Proxy will be voted in favor of the proposals set forth in the Notice of Annual Meeting. If a shareholder appoints a person other than the persons named in the Form of Proxy to represent him, such person will vote the shares in respect of which he is appointed proxy holder in accordance with the directions of the shareholder appointing him. A submitted Proxy is revocable by a shareholder at any time prior to its being voted provided that such shareholder gives oral or written notice to the Secretary of the Company at or prior to the Annual Meeting that such shareholder intends to vote in person or by submitting a subsequently dated Proxy. Attendance at the Annual Meeting by a shareholder who has given a Proxy shall not in and of itself constitute a revocation of such Proxy.

Proxies will be solicited initially by mail. Further solicitation may be made by directors, officers and employees of the Company personally, by telephone or otherwise, but such persons will not be specifically compensated for such services. Banks, brokers, nominees and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of shares. The costs of soliciting proxies will be borne by the Company. It is estimated that these costs will be nominal.

### **Board of Directors Meetings and Committees**

In 2002 the Board of Directors had standing Governance, Audit, Human Resources and Finance Committees. With effect from January 3, 2003 the Company renamed the Governance Committee as the Governance and Nominating Committee and formed a Compensation Committee. Certain responsibilities have been transferred from the Human Resources Committee and Governance Committee to the newly formed Compensation Committee.

The Governance Committee was established in February 2001 to oversee all aspects of Board governance. It advised the Board of Directors with respect to its organisation, the selection and recommendation of new Directors, committee structure, director compensation, Board performance and objectives, the performance and compensation of the Chief Executive Officer (CEO), CEO succession planning and the nomination of the Chairman of the Board. The Governance Committee met four times in 2002.

The renamed Governance and Nominating Committee remains responsible for all aspects of governance including selection and recommendation of director nominees, appointment of Board Committee members, Board Committee structure, Board compensation and the development of and compliance with the Corporate Governance Principles and Application Guidelines. When selecting candidates for nomination to the Company's Board the Governance and Nominating Committee will not consider nominations made by shareholders. All aspects of CEO performance are now the responsibility of the newly formed Compensation Committee. The Chairman of the Governance and Nominating Committee is the non-executive Chairman of the Board and all Committee members are non-executive directors of the Company.

Commencing in February 2003 the Compensation Committee assumed responsibility for all aspects of compensation and benefits policies for the Company's CEO and other members of the EC. This includes approving and reviewing performance measures, evaluating performance and reviewing and approving all salary and incentive payments for the Company's CEO and other executive committee members. The Compensation Committee is also responsible for management succession for the CEO.

The Finance Committee advises the Board with respect to the Company's overall risk tolerance and the manner in which the Company's capital is exposed to losses through reinsurance and investment activities. It monitors and approves the Company's catastrophe exposure and levels of retrocession and reviews the Company's reserving policy. In regard to investment activities, it reviews the Company's asset allocation policy and investment guidelines and monitors investment performance against agreed benchmarks. It also oversees the Company's balance sheet and capital management policies including new capital raising, capital allocation, dividend payments and capital expenditure. The Finance Committee met four times in 2002.

The Audit Committee oversees the financial reporting process and the internal control structure of the Company on behalf of the Board and establishes standards for review of the Company's compliance with applicable accounting and regulatory requirements. The Audit Committee, comprising independent members of the Board, meets with management, the Company's internal auditor and the Company's independent auditors to review matters relating to the quality of financial reporting and internal accounting controls, including the nature, extent and results of their audits, and otherwise maintains communications between the Company's independent auditors and the Board of Directors. The Audit Committee met eight times in 2002.

In 2002 the Human Resources Committee was responsible for all aspects of human resources philosophy, policy and administration for the Company. It reviewed and approved all salary and incentive payments for executive officers (in conjunction with the Governance Committee for

the Chief Executive Officer) and recommended to the Board all stock related compensation for executive officers. These functions now rest with the Compensation Committee. The Human Resources Committee continues to be responsible for the Company's compensation philosophy, all forms of noncurrent monetary compensation and the administration of the PartnerRe Ltd. 1993 Non-Employee Director Stock Plan, the Employee Incentive Plan, the Employee Share Purchase Plans and the defined contribution pension plans. It is also responsible for management continuity and development and it will review and recommend to the Board all executive committee member appointments. The Human Resources Committee met four times in 2002.

The Board of Directors held eight meetings in 2002. All Directors, with the exception of Walter Kielholz, attended at least 75% of the Board meetings. All Directors attended at least 75% of the meetings held by all committees of the Board of which such Director was a member. As a result of Mr. Kielholz's duties with Swiss Re he was able to attend only four of the eight Board Meetings held during 2002. With his recent appointment as Chairman of Credit Suisse Mr. Kielholz feels that his availability in 2003 will be limited and he has therefore decided not to stand for re-election at the forthcoming Annual General Meeting.

As a result of the new Board appointments in 2002 the membership of the Board Committees changed during the year. The following table shows the Directors who served on the various committees during the year.

**DIRECTOR COMPENSATION**

Directors who are employees of the Company or its subsidiaries are not paid any fees or additional compensation for services as members of the Company's Board of Directors or any committee thereof. For 2002, non-employee directors each received fees of \$40,000, which can be paid in the form of cash or Common Shares, at the Director's election. The Common Shares ( Directors' Shares ), if chosen, are granted under the Company's 1993 Non-Employee Directors' Stock Plan (the 1993 Directors' Plan ), as described below. Mr. Rollwagen, the Chairman of the Board, received \$102,000 in 2002 for serving as the Chairman of the Company on a pro-rata basis from May 2002 when Mr. Rollwagen was first appointed to the position of Chairman of the Board of Directors. Directors' fees are reviewed annually to take into account inflation, the overall financial performance and business prospects of the Company and peer group competitive data. A deferral plan permits directors to defer all or a portion of their cash compensation. All directors are reimbursed for travel and other related expenses incurred in attending meetings of the Board of Directors or committees thereof.

The Directors' Shares granted under the 1993 Directors' Plan are fully vested when granted. Directors' Shares granted under the 1993 Directors' Plan are nontransferable, except with the consent of two-thirds of the Board of Directors of the Company, for six months after grant. Directors' Shares granted under the 1993 Directors' Plan to directors who are employees of Swiss Re are subsequently transferred to Swiss Re pursuant to an arrangement between Swiss Re and its employees.

Each director also receives as compensation an automatic annual award of options to purchase 8,000 Common Shares at an exercise price per Common Share equal to the market price per Common Share on the date of the award. In addition, Mr. Rollwagen receives an award of options, for services as Chairman, equal to \$10,000 (based on the Black Scholes valuation of the Company's options on the date of the annual

The Director's Plan may be amended or terminated by the Company at any time, in whole or in part. However, any amendment for which shareholder approval is required by law will not be effective until such approval has been attained. Unless terminated earlier, the Director's Plan expires on August 23, 2003, the tenth anniversary of its adoption by the Board, and no further Directors Shares or Options may be granted there under after such date. A new plan is being proposed for approval by Shareholders at the forthcoming Annual General Meeting.

## **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

The Company is party to agreements with Swiss Re, of which Walter B. Kielholz is Vice Chairman, and its affiliates, and with Credit Suisse, of which Mr. Kielholz is Chairman. In connection with the acquisition of PartnerRe SA the Company granted Swiss Re registration rights for that portion of the Common Shares of the Company issued to Swiss Re in connection with the acquisition of PartnerRe SA that was not previously subject to registration rights.

**Table of Contents**

The Company believes that the terms of such transactions were no less favorable to the Company than could have been obtained from third parties that were not affiliated with the Company. Transactions involving Swiss Re, or their affiliates, on the one hand, and the Company, on the other hand, require approval by a majority vote of the disinterested members of the Company's Board of Directors.

**EXECUTIVE COMPENSATION**

**Compensation Committee Report on Executive Compensation**

*Executive Compensation Policy*

The Human Resources Committee continues to be responsible for the overall establishment of the human resources philosophy, policy and administration of compensation programs for the Company.

The newly constituted Compensation Committee determines the salaries and other compensation for the Chief Executive Officer (CEO) and the other members of the Executive Committee (EC). The Committee consists entirely of independent directors who are not officers or employees of the Company. The current members of the committee are Lucio Stanca, Robert Baylis, Jean-Paul Montupet and Rémy Sautter.

The Company's executive compensation program consists of Base Salary, Annual Incentive Awards and Long-Term Incentive Compensation. The Company's compensation strategy aligns compensation with financial and company and business unit performance through an appropriate mix of annual and long-term incentives. The Compensation Committee considers Company, business unit and individual performance against predetermined financial and non-financial objectives. In determining the level of CEO and EC compensation, the Committee also considers whether the compensation is competitive with similarly situated executives of competitors and peer companies. The level of compensation for a given position is assessed annually against positions of comparable responsibility and function within a peer group of companies. The Committee may from time to time engage outside advisors to assist in the evaluation and design of compensation programs.

*CEO Annual Incentive Award*

The Annual Incentive of the CEO is based on the achievement of pre-determined profitability and growth measures and the achievement of organizational objectives during the year. The Compensation Committee determines and approves the Annual Incentive Award for the CEO.

*Evaluation of Executive Committee Member Performance and the Annual Incentive Award*

## Edgar Filing: PARTNERRE LTD - Form DEF 14A

Members of the EC have financial and organizational performance objectives established each year. The Annual Incentive Award is based on the achievement of these objectives. The Compensation Committee approves the Annual Incentive Award for the Executive Committee Members.

### *Long-Term Incentive Compensation for CEO and Executive Committee Members*

The CEO and EC are eligible for stock option grants each year. The size of the annual grant is determined by company financial performance and individual contribution. The Compensation Committee approves the Long-Term Incentive Compensation of the CEO and the EC. Options under the Employee Incentive Plan are granted at an exercise price equal to the fair market value of the Common Shares on the date of grant.

### *Annual Salaries for the CEO and the Executive Committee Members*

Peer group compensation data is collected and presented to the Committee annually to assess the Company's competitive compensation position. The Compensation Committee determines and approves the Salary for the CEO and EC based on competitive position and individual and Company performance.

**Table of Contents**

Each of Messrs. Thiele, Benchimol, Meyenhofer, Moore and Pabst has an employment agreement (described below) with the Company. The base salary component of each executive's compensation is, pursuant to the terms of each employment agreement, subject to annual review by the Compensation Committee. The Compensation Committee may make discretionary increases in the base salary based on the executive's contribution to the Company and competitive market considerations. In addition, under the terms of each employment agreement the Compensation Committee may award annual cash bonuses to the executive and longer-term incentive awards in the form of stock options.

*Chief Executive Officer's Compensation*

The base salary component of compensation for Mr. Thiele, President and Chief Executive Officer of the Company, for the year ended December 31, 2002 was \$750,000. Mr. Thiele's base salary is subject to a review and approval by the Compensation Committee. For the year ended December 31, 2002 Mr. Thiele was awarded an annual incentive bonus of \$1,256,250, which he elected to take in the form of 80% cash and 20% stock options. In determining Mr. Thiele's total compensation for the year, the Compensation Committee considered the Company's performance and Mr. Thiele's individual performance against pre-determined objectives.

Mr. Thiele is entitled to participate in the long-term incentive plan of the Company with stock option grants to be awarded at the annual discretion of the Compensation Committee. The Compensation Committee believes that equity linked grants are an important part of Mr. Thiele's long-term compensation in that they provide a strong incentive to increase shareholder value.

**PROPOSAL TO APPROVE THE PARTNERRE LTD. 2003 NON-EMPLOYEE DIRECTOR S STOCK PLAN AND TO RESERVE 1,000,000 COMMON SHARES FOR ISSUANCE UNDER THE PLAN**

As part of the Company s compensation paid to its non-employee Directors the Company has awarded an annual grant of stock options to each Director under the 1993 Non-Employee Director Stock Plan. In addition, every non-executive director has the ability to elect to take their annual fee in the form of Common Shares and any such shares are issued out of the 1993 Plan. This plan will expire on August 23, 2003, and no further options or shares may be granted under the Plan.

The Company believes that an important element of its compensation philosophy for directors is to link the director s compensation with the interests of shareholders. This can be achieved by the creation of an equity interest in the Company either through the grant of options or shares since their value is tied directly to increases in the market value of the Common Shares. In order to be able to continue the grant of options and shares to non-employee directors and so strengthening their commitment to the Company it is necessary for the Company to replace the expiring PartnerRe 1993 Non-Employee Director Stock Plan. The Board of Directors has approved the PartnerRe Ltd. 2003 Non-Employee Director s Stock Plan (the Director Plan ).

The determination of Director compensation is the responsibility of the Governance and Nominating Committee of the Board. In determining a director s total compensation program the Committee will consider a number of factors. These will include the competitiveness of the total compensation package, time spent and contribution to Board projects or governance as well as an appropriate balance of cash to equity compensation. In order to give the Committee flexibility in the design of director s compensation in light of evolving rules and board governance practices the Director Plan is an omnibus plan and provides for the grant of Restricted Shares, Restricted Share Units, Options, Shares, Other Share-Based Awards, or any combination of the foregoing.

The Governance and Nominating Committee will administer the Director Plan. This Committee will have full discretion to determine the directors eligible to receive awards under the Director Plan, to establish the terms and conditions of awards and to interpret and construe the Director Plan.

The exercise price of options granted under the Director Plan shall be determined by the Governance and Nominating Committee however under no circumstances shall the exercise price be less than the fair market value of a Common Share on the date of grant of such option.

Restricted Shares and Restricted Share Units awarded under the Director Plan will be subject to such vesting as shall be established by the Governance and Nominating Committee at the time of grant. A holder of Restricted Shares will generally be entitled to the rights and privileges of a shareholder including, without limitation, the right to vote such shares and receive dividends. Holders of Restricted Share Units who satisfy vesting criteria with respect to such units will be entitled to receive the equivalent cash value of one Common Share for each Restricted Share Unit. Restricted Share Units will not entitle a holder to the privileges of stock ownership, although the Governance and Nominating Committee may provide for payment of dividend equivalents in respect of such units.

Other Share-Based Awards that may be granted under the Plan include any award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to Common Shares of the Company. The determination of such awards will be at the sole discretion of the Governance and Nominating Committee.

Participation in the Director Plan is limited to non-employee directors of PartnerRe Ltd. If approved by Shareholders, the Director Plan will become effective as of its date of approval. The Board of Directors may terminate the Director Plan at any time but if not terminated earlier it will expire in May 2013.

It is anticipated that following the grant of options to Directors in respect of their 2003 compensation, based on the current compensation structure, the 1993 Plan will have approximately 145,000 securities remaining available for future issuance. On expiry of the 1993 Plan in August 2003 these securities will revert to form part of the Company's authorised but unissued Common Shares.
