Item 8.01. Other Events.

On May 22 and June 12, 2007, certain Section 16 reporting persons (collectively, the Officers, and each, an Officer) of Flowserve Corporation (the Company) adopted prearranged trading plans (collectively, the Plans, and each, a Plan) in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (Rule 10b5-1), for the sale of the Company's common stock.

Under Rule 10b5-1, directors, officers and other employees who are not in possession of material non-public information may adopt a pre-arranged plan or contract for the sale of an issuer's securities under specified conditions and at specified times. Pursuant to Rule 10b5-1, the Officers adopted individual Plans to coordinate stock sales with tax obligations arising from future vesting of their restricted stock, as well as part of their overall individual long-term asset diversification, tax and financial planning strategies.

The Plans provide for the sale of portions of each Officer's holdings of the Company's common stock on the open market at prevailing market prices at specified amounts and on specified trade dates during 2007 and 2008. Each Plan will terminate on or before November 14, 2008, unless earlier terminated pursuant to the terms of the Plan.

The Officers that adopted these Plans and the respective numbers of shares subject to their individual Plans are set forth below. Each of these Officers will continue to beneficially own a substantial amount of shares of the Company's common stock following the completion of any and all sales contemplated by the Plans.

Officer	Number of Shares Subject to the Plan	Percentage of Beneficially Owned Shares(1)
Andrew J. Beall	45,000	55.2%
Mark D. Dailey	1,672	2.5%
Richard J. Gultinan	1,072	3.0%
Linda P. Jojo	1,619	4.0%

(1) Represents the number of shares of the Officer subject to the Plan divided by the number of shares beneficially owned by that Officer. The number of shares beneficially owned includes shares that the Officer has the right to acquire within 60 days of the date of determination through the exercise of stock options

under certain
Company stock
option and
incentive plans.

Transactions under these Plans, as applicable, will be reported to the Securities and Exchange Commission in accordance with securities laws, rules and regulations. The Company does not undertake to report Rule 10b5-1 plans that may be adopted by any officers or directors in the future, or to report any modifications or termination of any publicly announced trading plan, except to the extent required by law.
