SLIDE PRESENTATION REGARDING THE MERGER OF BROOKS AUTOMATION, INC. AND PRI AUTOMATION, INC.

SAFE HARBOR STATEMENT

The following discussion contains forward-looking statements related to the anticipated benefits, operational efficiencies and future financial results of the merger of Brooks Automation and PRI Automation. Brooks Automation and PRI Automation cannot guarantee that the merger will be completed due to the risks and uncertainties relating to their ability to secure necessary regulatory and shareholder review and approval and to satisfy the other conditions to the closing of the merger. Even if the merger is completed, the forward-looking statements involve additional known and unknown risks and uncertainties including, without limitation, risks relating to the ability of the companies to integrate in a cost effective, timely manner without material loss of employees or customers, the companies' dependence on the cyclical semiconductor industry, the companies' dependence on relatively few customers for a significant portion of its revenues, the companies' reliance on sales to OEM customers and the lengthy sales cycles of those customers, the companies' ability to continue to successfully develop and market new products and product enhancements on a timely basis, the highly competitive nature and rapid technological change that characterize the industries in which the companies compete, the risk of recently initiated securities class action litigation against PRI Automation being settled on an unfavorable basis to the combined company, and other risks and uncertainties described in the companies' reports and registration statements filed with the Securities and Exchange Commission. As a result, there can be no assurance that the combined or individual companies' future performance will not be materially different than projected. The companies also operate in an industry sector where securities' values are highly volatile and may be influenced by economic and other factors beyond the companies' control. The forward-looking statements contained herein speak only of the companies' expectations as of the date of this filing. The companies expressly disclaim any obligation or undertaking to release publicly any updates or revisions to any such statement to reflect any change in the companies' expectations or any change in events, conditions or circumstances on which any such statement is based.

RULE 425 STATEMENT
